It may also be a useful reference for students taking the new Computer Science AS level course (9608).

Science Examination Papers - Great Britain. Department of Science and Art 1905

The Runaway Summer - Nina Bawden 2013-12-19

Deeply unhappy at the recent divorce of her parents, Mary is sent away to live by the sea with her distant grandfather and the detestable Aunt Alice. Feeling abandoned, without even the company of her beloved pet cat Noakes, the summer looks set to become one long stretch of unendurable loneliness. But suddenly she is dragged, half unwittingly, into a situation that will force her to come to the aid of others more vulnerable than herself. So begins her runaway summer, as she sets about helping Simon, the son of a local policeman, and a young illegal immigrant boy arrived from Kenya, frightened and all alone. *The Runaway Summer* was first published in 1969 to typically universal acclaim. It is, in the words of the Times Educational Supplement, an 'unputdownable gem of a book. The tale is beautifully constructed in diamond-hard language.'

Spelling 4 - 2014-04-29

Vocabulary lists made for EFL/ESL learners that reinforce phonemes, sentence building and phonics skills. Each list of words has several exercises and use common consonant and vowel combinations. The lists coordinate grade to grade and within the other subject workbooks of Grammar, Reading and Composition from B.E.S.T. Academy for the same level. This is the fourth in a series of 6, where the vocabulary recycles but increases for each level, and the lists are longer for each progressing book. Designed for primary/elementary grades. For more programs or digital licensing for Classroom use please consult www.bestacademyefl.com! For teacher information and resources about this book, please email us at info@bestacademyefl.com!

The Afghanistan Papers - Craig Whitlock 2021-08-31

A Washington Post Best Book of 2021 The #1 New York Times bestselling investigative story of how three successive presidents and their military commanders deceived the public year after year about America's longest war, foreshadowing the Taliban's recapture of Afghanistan, by Washington Post reporter and three-time Pulitzer Prize finalist Craig Whitlock. Unlike the wars in Vietnam and Iraq, the US invasion of Afghanistan in 2001 had near-unanimous public support. At first, the goals were straightforward and clear: defeat al-Qaeda and prevent a repeat of 9/11. Yet soon after the United States and its allies removed the Taliban from power, the mission veered off course and US officials lost sight of their original objectives. Distracted by the war in Iraq, the US military become mired in an unwinnable guerrilla conflict in a country it did not understand. But no president wanted to admit failure, especially in a war that began as a just cause. Instead, the Bush, Obama, and Trump administrations sent more and more troops to Afghanistan and repeatedly said they were making progress, even though they knew there was no realistic prospect for an outright victory. Just as the

Pentagon Papers changed the public's understanding of Vietnam, The Afghanistan Papers contains "fast-paced and vivid" (The New York Times Book Review) revelation after revelation from people who played a direct role in the war from leaders in the White House and the Pentagon to soldiers and aid workers on the front lines. In unvarnished language, they admit that the US government's strategies were a mess, that the nation-building project was a colossal failure, and that drugs and corruption gained a stranglehold over their allies in the Afghan government. All told, the account is based on interviews with more than 1,000 people who knew that the US government was presenting a distorted, and sometimes entirely fabricated, version of the facts on the ground. Documents unearthed by The Washington Post reveal that President Bush didn't know the name of his Afghanistan war commander—and didn't want to meet with him. Secretary of Defense Donald Rumsfeld admitted that he had "no visibility into who the bad guys are." His successor, Robert Gates, said: "We didn't know jack shit about al-Qaeda." The Afghanistan Papers is a "searing indictment of the deceit, blunders, and hubris of senior military and civilian officials" (Tom Bowman, NRP Pentagon Correspondent) that will supercharge a long-overdue reckoning over what went wrong and forever change the way the conflict is remembered.

Mining of Massive Datasets - Jure Leskovec 2014-11-13

Now in its second edition, this book focuses on practical algorithms for mining data from even the largest datasets.

New Directions in the Analysis of Multimodal Discourse - Terry D. Royce 2013-01-11

New Directions in the Analysis of Multimodal Discourse offers a comprehensive international view of multimodal discourse and presents new directions for research and application in this growing field. With contributions from top scholars around the world, this work opens up the field of multimodal discourse analysis as it covers a wide range of interests such as computational linguistics, education, ideology, and media discourse. The range and scope of the chapters in this book provide groundbreaking insights into exploring and accounting for the various facets of multimodality in a range of texts and contexts. Initial chapters specifically aim to tackle theoretical issues, while subsequent chapters focus on important research areas such as writing and graphology, genre, ideology, computational concordancing, literacy, and cross cultural and cross linguistic issues. In the final chapters, an emphasis is placed on the educational implications of multimodality in first and second language contexts, a particularly new and interesting contribution.

In Isolation - Stanislav Aseyev 2022-05-03

In this exceptional collection of dispatches from occupied Donbas, writer and journalist Stanislav Aseyev details the internal and external changes observed in the cities of Makiivka and Donetsk in eastern Ukraine. Aseyev scrutinizes his immediate environment and questions himself in an attempt to understand the reasons behind the success of Russian propaganda among the working-class residents of the industrial region of Donbas. In this work of documentary prose, Aseyev focuses on the early period of the Russian-sponsored military aggression in Ukraine's east, the period of 2015–2017. The author's testimony ends with his arrest for publishing his dispatches and his subsequent imprisonment and torture in a modern-day concentration camp on the outskirts of Donetsk run by lawless mercenaries and local militants with the tacit approval and support of Moscow. For the first time, an inside account is presented here of the toll on real human lives and civic freedoms that the citizens of Europe's largest country continue to suffer in Russia's hybrid war on its territory.

Cambridge Checkpoint Science Coursebook 9 - Mary Jones 2013-03-14
Written by well-respected authors, the Cambridge Checkpoint Science suite provides a comprehensive, structured resource which covers the full Cambridge Secondary 1 framework and seamlessly progresses into the next stage. This engaging course supports teaching of the Science framework both theoretically and practically, with full coverage of the Scientific Enquiry framework integrated throughout the series. This Coursebook for Stage 9 gives a thorough introduction to the concepts, and offers a wealth of ideas for hands-on activities to make the subject matter come to life. The Scarecrow and His Servant - Philip Pullman 2012-06-27

Outrageously zany and filled with non-stop surprises, Simon Reade's theatrical adaptation of *The Scarecrow and His Servant*, renowned author Philip Pullman's fictional children's tale, is an enchanting play for young readers and performers. Delve into the magical world of Scarecrow as you accompany him as Jack, his trusty help-mate, and together you can embark on adventures that will make your head spin. From dodging dangerous bandits and surviving terrifying shipwrecks, to soaring through the skies with wild birds, this play is a roller-coaster ride of never-ending escapades. But when the river-polluting Buffaloni tyrants catch up with you for a final showdown, who

will come to your rescue and save the day? A production of *The Scarecrow and His Servant* ran at the Southwark Playhouse in December 2008-January 2009.

A Study of Active Shooter Incidents in the United States Between 2000 And 2013 - Department of Justice 2017-01-31

A Study of Active Shooter Incidents in the United States Between 2000 and 2013 In 2013, the president signed into law the Investigative Assistance for Violent Crimes Act of 2012, which granted the attorney general the authority to assist in the investigation of "violent acts and shootings occurring in a place of public use" and in the investigation of "mass killings and attempted mass killings at the request of an appropriate law enforcement official of a state or political subdivision."

To provide further clarity on these threats, the Federal Bureau of Investigation (FBI) in 2014 initiated a study of "active shooter" incidents. The goal of the FBI study is to provide federal, state, and local law enforcement with data so they can better understand how to prevent, prepare for, respond to, and recover from these incidents.

Spelling 2 - 2014-04-29

Vocabulary lists made for EFL/ESL learners that reinforce phonemes and phonics skills. Each list of words has several exercises and start with common topics and sounds, including the long and short (or strong and weak) vowels. key topic. - Clear explanations of every topic covered in the Cambridge Secondary 1 Checkpoint Science syllabus - Builds revision skills you need for success in the test - Exam tips written by test setters and examiners giving you their expert advice This text has not been through the Cambridge endorsement process.

The Last Girl - Nadia Murad 2018-10-16

WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia’s brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

Freedom in the World 2014 - Freedom House 2014-12-11

The methodology of this survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.

Darkhenge - Catherine Fisher 2012-01-31

It's been three months since Rob's younger sister, Chloe, fell into a coma after a riding accident, and his life is in disarray. Rob's parents spend most of their time at his sister's bedside, and his best friend is afraid to talk to Rob about Chloe. To distract himself, Rob takes a job working at a secret archaeological site, where workers have uncovered a mystical ring of black timbers. At its center an ancient tree is buried upside down in the earth—a tree with the power to transport Rob to the Unworld, where Chloe lives in a forest of enchanting dreams, trapped between life and death. Catherine Fisher has combined a fascinating exploration of myth with a modern quest for understanding. Where is the land of the imagination? And if we found our way there, would we ever want to come back?
