Ancient Egypt Transformed - Adela Oppenheim
2015-10-12

The Middle Kingdom (ca. 2030-1650 B.C.) was a transformational period in ancient Egypt, during which older artistic conventions, cultural principles, religious beliefs, and political systems were revived and reimagined. *Ancient Egypt Transformed* presents a comprehensive picture of the art of the Middle Kingdom, arguably the least known of Egypt's three kingdoms and yet one that saw the creation of powerful, compelling works rendered with great subtlety and sensitivity. The book brings together nearly 300 diverse works— including sculpture, relief decoration, stelae, jewelry, coffins, funerary objects, and personal possessions from the world's leading collections of Egyptian art. Essays on architecture, statuary, tomb and temple relief decoration, and stele explore how Middle Kingdom artists adapted forms and iconography of the Old Kingdom, using existing conventions to create strikingly original works. Twelve lavishly illustrated chapters, each with a scholarly essay and entries on related objects, begin with discussions of the distinctive art that arose in the south during the early Middle Kingdom, the artistic developments that followed the return to Egypt's traditional capital in the north, and the renewed construction of pyramid complexes. Thematic chapters devoted to the pharaoh, royal women, the court, and the vital role of family explore art created for different strata of Egyptian society, while others

provide insight into Egypt's expanding relations with foreign lands and the themes of Middle Kingdom literature. The era's religious beliefs and practices, such as the pilgrimage to Abydos, are revealed through magnificent objects created for tombs, chapels, and temples. Finally, the book discusses Middle Kingdom archaeological sites, including excavations undertaken by the Metropolitan Museum over a number of decades. Written by an international team of respected Egyptologists and Middle Kingdom specialists, the text provides recent scholarship and fresh insights, making the book an authoritative resource.

Jews and Humor - Leonard J. Greenspoon
2011-10-01

Jews and humor is for most people a natural and felicitous collocation. In spite of or perhaps because of a history of crises and living on the edge Jews have often created or resorted to humor. But what is "humor"? and what makes certain types instances or performances of humor "Jewish"? These are among the myriad queries addressed by the fourteen authors whose essays are collected in this volume. and thankfully their observations always apt and often witty are expressed with a lightness of style and a depth of analysis that are appropriate to the many topics they cover. The chronological range of these essays is vast: from the Hebrew Bible to the 2000s with many stops in between for Talmudic texts medieval parodies eighteenth century joke books and twentieth century popular entertainment. The subject matter is equally impressive. In addition to rounding up many of the "usual suspects " such as Woody Allen the Marx Brothers and Gilda Radner these authors also scout out some unlikely comic resources like the author of the biblical book of Exodus the rabbinic writer of Genesis Rabbah and the party records star Belle Barth. Without forcing any of these characters into a pre-constructed mold the scholars who contributed

to this collection allow readers both to discern the common features that make up "Jewish humor" and to delight in the individualism and eccentricities of the many figures whose lives and accomplishments are narrated here.

Because these essays are written in a clear jargon-free style they will appeal to everyone—even those who don't usually crack a smile!

Worship as Pastoral Care - William H. Willimon
1982-06-01

Demonstrates how worship and pastoral care can be blended to sustain and enrich each other. Using insights gained from pastoral care and pastoral psychology, William H. Willimon explores what happens to people when they become involved in Christian worship. True pastoral care, he shows, cannot take place apart from an active worshiping community of faith. *Worship as Pastoral Care* sensitizes pastors to the many ways Christian worship and pastoral care methods can be blended to enrich and support one another. It encourages pastors to broaden their understanding of corporate worship and to become aware of the importance of their role as priests. To illustrate his concepts, Dr. Willimon examines four familiar acts of worship: the funeral, the wedding, baptism, and the Lord's Supper. The psychological dimensions are discussed and suggestions are given on ways pastors can nurture and sustain their congregations through these services.

Channels of Propaganda - J. Michael Sproule 1994

Defining propaganda as "efforts by special interests to win over the public covertly by infiltrating messages into various channels of public expression ordinarily viewed as politically

neutral," this book argues that propaganda has become pervasive in American life. Pointing out that the 1990s society is inundated with propaganda from numerous sources (including government, business, researchers, religious groups, the news media, educators, and the entertainment industry) the book exposes these channels of propaganda and the cumulative effect they have on public opinion and the functioning of American democracy. Chapter 1 reviews materials on diverse vantage points from which American writers and opinion leaders have tried to reconcile mass persuasion with the democratic way of life during the 20th century. Chapters 2-6 examine propaganda in: (1) government (e.g., Federal Bureau of Investigation, aid to the Contras, Star Wars, presidential styles); (2) research and religion (e.g., national security, private sector, religion and politics); (3) news (e.g., getting good coverage, pressure groups, and business); (4) classroom (e.g., business propaganda, pressure groups, textbooks, pressures on teachers); and (5) entertainment (e.g., film, television). Chapters 7 and 8 question: (1) what action a democratic people should take to safeguard intelligent discussion and free choice from the taint of devious communication; (2) to what extent propaganda casts a shadow over public life; and (3) whether large-scale, engineered persuasion can ever be squared with the ideal of democratic public deliberation. Extensive chapter notes and an index are included. (NKA)

The Rogereenes - John Rogers Bolles 1904

The Power of Prayer - Mirabel Mbah
2012-09-13

I believe prayer is a currency used in the Kingdom of God for communication. Prayer should be the lifestyle of a Christian. As Children of God, the only way we can have perfect communication with our father, God, is through prayer. A prayer-less Christian is a powerless Christian who can be blown away by any wind of doctrine. But a powerful Christian derives his or her strength through prayer. The Bible says, "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you" (Matthew 7:7), This can be done only through prayer. The Bible says that, "we have not, because we ask not" (James 4:2). We can change our circumstances only through prayer. In 2007, my family immigrated to the United States. We were the target of a lot of jealousy from friends and relatives and as a result my sister suffered what seemed like a nervous breakdown. It was so severe that she was hospitalized. Unfortunately, the medical doctors could not find anything specifically wrong with her and could not figure out how to treat her. Eventually she was brought home and we began to pray and trust God for her deliverance as a family. She became so seriously ill that everyone gave up on her. It was very difficult for the family because no treatments seemed to work. We had nothing to do but trust God with the other brethren in Christ who stood with us. I knew from God's word in Matthew 17:21 and Mark 9:29 that "this kind" requires Prayer and Fasting. I therefore

spent most of my days in 2007 fasting and praying for my sister. It got to the point where people didn't refer to me simply by my name anymore. They kept referring to my family situation. It forced me to become more consistent and courageous in prayer. After about six months of concerted prayer, my sister was totally delivered. During that time, the devil attacked me severely. Demons appeared in my room many times but I knew that he that was in me was stronger (1 John 4:4). My sister is now a nurse, is married and has a happy family. Tackling life's problems brings out our hidden potential. This is how I became a prayer warrior through Christ who strengthened me. It is my desire and prayer that this book will bring out the hidden power potential in your life as you read it. The Bible says that God is a God of time and season. When the right time and season of God comes into our lives, he makes all things beautiful. God loves us so much and he says in his word that He knows the plans He has in store for us. Plans of good and not of evil. (Jeremiah 29:11) Crying and complaining cannot change the timing of God in our lives. God is so faithful that he honors his word above all his names (Psalms 138:2) and He is God and does not lie nor does He change (Malachi 3:6). Before God brings us to the place of our rest and

fulfillment, he must first test us as he did when he asked Abraham to sacrifice his only son Isaac in Genesis 22:2-16. God must develop character in us and prepare us to manage our future blessings.- Special FUNDRAISING Edition -By Purchasing this Edition, you are helping us finish the project professionally and helping us complete the next two books that we have in preparation, including: "The Power of Prayer - Daily Devotional".
