The United Nations, Iran, and Iraq - Cameron R. Hume 1994-05-22
"...a serious and insightful account of the changing role of the U.N. in the Iran-Iraq conflict...by an able diplomat who was directly involved." - Shibley Telhami "This insider's account of the revolutionary changes in the U.N. Security council...is a major contribution to understanding why the U.N. and the council are now more effective and more used...[A] well-written, important book." - U.S. Ambassador Thomas R. Pickering "As one of the participants I am impressed by Mr. Hume's understanding and mastery of the diplomtic complexities." - Sir Crispin Tickell In 1985, faced with conflicts involving Iran and Iraq, the United Nations Security Council's permanent members joined forces for the first time to mobilize the U.N. agains threats to international peace and security. Cameron R. Hume's authoritative account follows the transformation of the Security Council from a stage for acrimonious public diplomacy into a forum where governments collaborate to settle regional disputes. Hume underscores three interconnected themes: changes in Security Council diplomacy during forty-five years of successive conflicts involving Iran and Iraq (including Iraq's 1990 invasion of Kuwait); the Council's progression from involing gentler means within its authority (under the U.N. Charter) to a more muscular assertion of its will; and the growing congruence between diplomacy as practiced in the Securiry Council and the bilateral policies of the major powers. Based on U.N. documents and the author's firsthand experience, *The United Nations, Iran, and Iraq* is important for students and practitioners in international organizations, multilateral diplomacy, and conflict resolution.

Public Papers of the Presidents of the United States - United States. President 1999

Shipbuilding in North Carolina, 1688-1918 - William N. Still Jr. 2018-05-01

In their comprehensive and authoritative history of boat and shipbuilding in North Carolina through the early twentieth century, William Still and Richard Stephenson document for the first time a bygone era when maritime industries dotted the Tar Heel coast. The work of shipbuilding craftsmen and entrepreneurs contributed to the colony's and the state's economy from the era of exploration through the age of naval stores to World War I. The study includes an inventory of 3,300 ships and 270 shipwrights.

Reports, Minutes, Papers and Miscellaneous Documents - Great Britain. Dominions Royal Commission 1917

The Parliamentary Debates - Great Britain. Parliament 1903

Opinions of the European press on the Eastern question; translated and extracted from Turkish, German, French, and English papers and reviews - David Ross (of Bladensburg.) 1836

Parliamentary Papers - Great Britain. Parliament. House of Commons 1961

Journals of the House of Commons - Great Britain. Parliament. House of Commons 1862

Keeping the Covenant - Warren F. Kuehl 1997

Following the Senate rejection of US membership in the League of Nations, diverse groups of American internationalists launched a campaign to reverse this defeat of their ideals. This text traces their efforts during the interwar period; their political struggle and massive public opinion lobbying.

Patient Safety and Quality - Ronda Hughes 2008

"Nurses play a vital role in improving the safety and quality of patient care -- not only in the hospital or ambulatory treatment facility, but also of community-based care and the care performed by family members.

Nurses need know what proven techniques and interventions they can use to enhance patient outcomes. To address this need, the Agency for Healthcare Research and Quality (AHRQ), with additional funding from the Robert Wood Johnson Foundation, has prepared this comprehensive, 1,400-page, handbook for nurses on patient safety and quality -- *Patient Safety and Quality: An Evidence-Based Handbook for Nurses*. (AHRQ Publication No. 08-0043)." - online AHRQ blurb,
