The Rome-Berlin Axis - Elizabeth Wiskemann 2013-10

This is a new release of the original 1949 edition.

Barron's AP United States History - Michael R. Bergman 2011-02-01

Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

In Cold Blood - Truman Capote 2013-02-19

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

CLEP Official Study Guide 2022 - College Entrance Examination Board 2021-08-03

This study guide is useful to: Decide which exams to take. Read detailed descriptions of the exams that will help you choose your study resources. Familiarize yourself with the types of questions on the exams. Learn how the College-Level Examination Program (CLEP®) can help advance your path to a college degree. What Is CLEP? At Dawn We Slept - Gordon William Prange 1981

This authentic record of the planning and execution of the Japanese attack on Pearl Harbor and its impact on American culture tells about Americans as a people and American leadership, thoughts and actions

The Federalist Papers - Alexander Hamilton 2021-10-19

The Federalist Papers Alexander Hamilton - Hailed by Thomas Jefferson as the best commentary on the

principles of government which was ever written, The Federalist Papers is a collection of eighty-five essays published by Founding Fathers Alexander Hamilton, James Madison, and John Jay from 1787 to 1788, as a means to persuade the public to ratify the Constitution of the United States. With nearly two-thirds of the essays written by Hamilton, this enduring classic is perfect for modern audiences passionate about his work or seeking a deeper understanding of one of the most important documents in US history.

American Pageant - David M. Kennedy 2015-01-01

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Good Neighbor Diplomacy - Irwin Gellman 2019-12-01

Gellman shows how tenuous a government policy can be when so much of it depends on personal control and influence.

AP U.S. History - Larry Krieger 2009

FDR and the Spanish Civil War - Dominic Tierney 2007-06-11

What was the relationship between President Franklin D. Roosevelt, architect of America's rise to global power, and the 1936-39 Spanish Civil War, which inspired passion and sacrifice, and shaped the road to world war? While many historians have portrayed the Spanish Civil War as one of Roosevelt's most isolationist episodes, Dominic Tierney argues that it marked the president's first attempt to challenge fascist aggression in Europe. Drawing on newly discovered archival documents, Tierney describes the evolution of Roosevelt's thinking about the Spanish Civil War in relation to America's broader geopolitical interests, as well as the fierce controversy in the United States over Spanish policy. Between 1936 and 1939, Roosevelt's perceptions of the Spanish Civil War were transformed. Initially indifferent toward which side won, FDR became an increasingly committed supporter of the leftist government. He believed that German and Italian intervention in Spain was part of a broader program of fascist aggression, and he worried that the Spanish Civil War would inspire fascist revolutions in Latin America. In response, Roosevelt tried to send food to Spain as well as illegal covert aid to the Spanish government, and to mediate a compromise solution to the civil war. However unsuccessful these initiatives proved in the end, they represented an important stage in Roosevelt's emerging strategy to aid democracy in Europe.

Peterson's AP European History - Nathan Barber 2006-01

How the Other Half Lives - Jacob August Riis 1914

The Jungle - Upton Sinclair 2010-08-19

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print. *CLEP Official Study Guide 2021* - College Board 2020-08-04

AP* U.S. History Review and Study Guide Aligned With American Pageant 15th Edition - Mill Hill Books 2015-10-07

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The Devil In The White City - Erik Larson 2010-09-30

'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

The Big Six Historical Thinking Concepts - Peter Seixas 2012-07-30

The Great Chief Justice - Charles F. Hobson 1996

"John Marshall remains one of the towering figures in the landscape of American law. From the Revolution to the age of Jackson, he played a critical role in defining the "province of the judiciary" and the constitutional limits of legislative action. In this masterly study, Charles Hobson clarifies the coherence and thrust of Marshall's jurisprudence while keeping in sight the man as well as the jurist." "Hobson argues that contrary to his critics, Marshall was no ideologue intent upon appropriating the lawmaking powers of Congress. Rather, he was deeply committed to a principled jurisprudence that was based on a steadfast devotion to a "science of law" richly steeped in the common law tradition. As Hobson shows, such jurisprudence governed every aspect of Marshall's legal philosophy and court opinions, including his understanding of judicial review." "The chief justice, Hobson contends, did not invent judicial review (as many have claimed) but consolidated its practice by adapting common law methods to the needs of a new nation. In practice, his use of judicial review was restrained, employed almost exclusively against acts of the state legislatures. Ultimately, he wielded judicial review to prevent the states from undermining the power of a national government still struggling to establish sovereignty at home and respect abroad."--

A master historian's provocative new interpretation of FDR's role in the coming of World War II. Brilliant. —Arthur M. Schlesinger, Jr. American Ways Series.

Bankrupting the Enemy - Edward S Miller 2007-09-10

Award-winning author Edward S. Miller contends in this new work that the United States forced Japan into international bankruptcy to deter its aggression. While researching newly declassified records of the Treasury and Federal Reserve, Miller, a retired chief financial executive of a Fortune 500 resources corporation, uncovered just how much money mattered. Washington experts confidently predicted that the

war in China would bankrupt Japan, not knowing that the Japanese government had a huge cache of dollars fraudulently hidden in New York. Once discovered, Japan scrambled to extract the money. But, Miller explains, in July 1941 President Roosevelt invoked a long-forgotten clause of the Trading with the Enemy Act of 1917 to freeze Japan's dollars and forbade it to sell its hoard of gold to the U.S. Treasury, the only open gold market after 1939. Roosevelt's temporary gambit to bring Japan to its senses, not its knees, was thwarted, however, by opportunistic bureaucrats. Dean Acheson, his handpicked administrator, slyly maneuvered to deny Japan the dollars needed to buy oil and other resources for war and for economic survival. Miller's lucid writing and thorough understanding of the complexities of international finance

enable readers unfamiliar with financial concepts and terminology to grasp his explanation of the impact of U.S. economic policies on Japan. His review of thirty-seven studies of Japan's resource deficiencies begs the question of why no U.S. agency calculated the impact of the freeze on Japan's overall economy. His analysis of a massive OSS-State Department study of prewar Japan clearly demonstrates that the deprivations facing the Japanese people were the country to remain in financial limbo buttressed its choice of war at Pearl Harbor. Such a well-documented study is certain to be recognized for its significant contributions to the historiography of the origins of the Pacific War.
