## **Obligation for Justice** - Glenn Morris 2013-06

Obligation for Justice is the story of two brothers, virtually inseparable as children, whose paths diverge when one remains in Lynn, the gritty city of their childhood, while the other escapes to Paris and an international life of fame and glamor-until an obligation to his brother brings him home.

## **Make Your Bed** - Admiral William H. McRaven 2017-04-04

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views.

Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

## **12 Rules for Life** - Jordan B. Peterson 2018-01-23

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

## **In Cold Blood** - Truman Capote 2013-02-19

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in

their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

## **All American Boys** - Jason Reynolds 2015-09-29

A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

## **The Making of Biblical Womanhood** - Beth Allison Barr 2021-04-20

USA Today Bestseller Christianity Today 2022 Book Award Finalist (History & Biography) "A powerful work of skillful research and personal insight."--Publishers Weekly biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical

womanhood is more about human power structures than the message of Christ.

Still Doing Life - Howard Zehr 2022-03-15

Side-by-side, time-lapse photos and interviews, separated by twenty-five years, of people serving life sentences in prison, by the bestselling author of *The Little Book of Restorative Justice* "Shows the remarkable resilience of people sentenced to die in prison and raises profound questions about a system of punishment that has no means of recognizing the potential of people to change." —Marc Mauer, senior adviser, The Sentencing Project, and co-author (with Ashley Nellis) of *The Meaning of Life* "Life without parole is a death sentence without an execution date." —Aaron Fox (lifer) from *Still Doing Life* In 1996, Howard Zehr, a criminal justice activist and photographer, published *Doing Life*, a book of photo portraits of individuals serving life sentences without the possibility of parole at a prison in Pennsylvania. Twenty-five years later, Zehr revisited many of the same individuals and photographed them in the same poses. In *Still Doing Life*, Zehr and co-author Barb Toews present the two photos of each individual side by side, along with interviews conducted at the two different photo sessions, creating a deeply disturbing tableaux of people who literally have not moved for the past quarter century. In the tradition of other compelling photo books including Milton Rogovin's *Triptychs* and Nicholas Nixon's *The Brown Sisters*, *Still Doing Life* offers a riveting longitudinal look at a group of people over an extended period of time—in this case with devastating implications for the American criminal justice system. Each night in the United States, more than 200,000 men and women incarcerated in state and federal prisons will go to sleep facing the reality that they may die without ever returning home. There could be no more compelling book to challenge readers to think seriously about the consequences of life sentences.

*Born a Crime* - Trevor Noah 2016-11-15

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

*Incident at Forest Glen* - Andy Johnson 2012-10-01

Christmastime, 1921. Four senior girls from an elite preparatory school on the outskirts of Washington, D.C., set off after a terrible storm to witness the fury of a devastating flood at the nearby glen. When they spot a dark shape pass by in the raging creek, followed by a small white dress, the possibility they were bystanders to a drowning threatens their harmonious existence. Forest Glen's National Park Seminary, with its eccentrically designed buildings, lavish gardens, and classical statuary, is a place out of step with time, a cloistered bastion of wealth and

privilege isolated from the realities of life beyond its forested campus. When an enigmatic New York industrialist arrives the morning after the flood with an unexpected offer to purchase the school, the haunting mystery at the glen is compounded by the Manhattan tycoon's true designs for the property and the private demons he hopes to exorcise during his visit. "Incident at Forest Glen" is an evocative, stylish thriller exploring the tension between the rigidity of academia and societal norms and the mysticism of the foreboding and untamed natural world surrounding the school. When these worlds collide, the results are tragic for the unprepared girls.

The Midnight Library - Matt Haig 2020-09-29

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—*The Washington Post* The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How to Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. Anthem - Ayn Rand 1946

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

*Woman at Point Zero* - Nawal Sa?d?aw?i 1983

"All the men I did get to know, every single man of them, has filled me with but one desire: to lift my hand and bring it smashing down on his face. But because I am a woman I have never had the courage to lift my hand. And because I am a prostitute, I hid my fear under layers of make-up." --Excerpt

*What are You Doing Here?* - Laina Dawes 2013-01-08

**Bagaimana memenangi hati kawan & mempengaruhi orang lain** - Dale Carnegie 2010

**Narrative of the Life of Frederick Douglass, an American Slave** - Frederick Douglass 2019-06-12

*Narrative of the Life of Frederick Douglass* is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to

be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

*Women Doing Life* - Lora Bex Lempert 2016-02-19

"In *Women Doing Life*, Lora Bex Lempert examines the carceral experiences of women serving life sentences, presenting a typology of the ways that life-sentenced women grow and self-actualize, resist prison definitions, reflect on and own their criminal acts, and ultimately create meaningful lives behind prison walls. Looking beyond the explosive headlines that often characterize these women as monsters, Lempert offers rare insight into this vulnerable, little studied population. Her gendered analysis considers the ways that women do crime differently than men and how they have qualitatively different experiences of imprisonment than their male counterparts."--Provided by publisher.

**Beloved** - Toni Morrison 2006-10-17

Winner of the Pulitzer Prize, Toni Morrison's *Beloved* is a spellbinding and dazzlingly innovative portrait of a woman haunted by the past. Sethe was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has borne the unthinkable and not gone mad, yet she is still held captive by memories of Sweet Home, the beautiful farm where so many hideous things happened. Meanwhile Sethe's house has long been troubled by the angry, destructive ghost of her baby, who died nameless and whose tombstone is engraved with a single word: Beloved. Sethe works at beating back the past, but it makes itself heard and felt incessantly in her memory and in the lives of those around her. When a mysterious teenage girl arrives, calling herself Beloved, Sethe's terrible secret explodes into the present. Combining the visionary power of legend with the unassailable truth of history, Morrison's unforgettable novel is one of the great and enduring works of American literature.

*Making Motherhood Work* - Caitlyn Collins 2020-05-05

The work-family conflict that mothers experience today is a national crisis. Women struggle to balance breadwinning with the bulk of parenting, and social policies aren't helping. Of all Western industrialized countries, the United States ranks dead last for supportive work-family policies. Can American women look to Europe for solutions? *Making Motherhood Work* draws on interviews that Caitlyn Collins conducted over five years with 135 middle-class working mothers in Sweden, Germany, Italy, and the United States. She explores how women navigate work and family given the different policy supports available in each country. Taking readers into women's homes, neighborhoods, and workplaces, Collins shows that mothers' expectations depend on context and that policies alone cannot solve women's struggles. With women held to unrealistic standards, the best solutions demand that we redefine motherhood, work, and family.

**The House on Mango Street** - Sandra Cisneros 2013-04-30

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

**When Women Were Dragons** - Kelly Barnhill 2022-05-03

A rollicking feminist tale set in 1950s America where thousands of women have spontaneously transformed into dragons, exploding notions of a woman's place in the world and expanding minds about accepting others for who they really are. • The first adult novel by the Newbery award-winning author of *The Girl Who Drank the Moon* Alex Green is a young girl in a world much like ours, except for its most seminal event: the Mass Dragoning of 1955, when hundreds of thousands of ordinary wives and mothers sprouted wings, scales, and talons; left a trail of fiery destruction in their path; and took to the skies. Was it their choice? What will become of those left behind? Why did Alex's beloved aunt Marla transform but her mother did not? Alex doesn't know. It's taboo to speak of. Forced into silence, Alex nevertheless must face the consequences of this astonishing event: a mother more protective than ever; an absentee father; the upsetting insistence that her aunt never even existed; and watching her beloved cousin Bea become dangerously obsessed with the forbidden. In this timely and timeless speculative novel, award-winning author Kelly Barnhill boldly explores rage, memory, and the tyranny of forced limitations. *When Women Were Dragons* exposes a world that wants to keep women small—their lives and their prospects—and examines what happens when they rise en masse and take up the space they deserve.

**The Brief Wondrous Life of Oscar Wao** - Junot Díaz 2008-09-02

Encapsulating Dominican-American history, *The Brief Wondrous Life of Oscar Wao* opens our eyes to an astonishing vision of the contemporary American experience and explores the endless human capacity to persevere—and risk it all—in the name of love.

*Still Life* - Sarah Winman 2021-11-02

A Good Morning America Book Club Pick A Veranda Magazine Book Club Pick A captivating, bighearted, richly tapestried story of people brought together by love, war, art, flood, and the ghost of E. M. Forster, by the celebrated author of *Tin Man*. Tuscany, 1944: As Allied troops advance and bombs fall around deserted villages, a young English soldier, Ulysses Temper, finds himself in the wine cellar of a deserted villa. There, he has a chance encounter with Evelyn Skinner, a middle-aged art historian who has come to Italy to salvage paintings from the ruins and recall long-forgotten memories of her own youth. In each other, Ulysses and Evelyn find a kindred spirit amidst the rubble of war-torn Italy, and set off on a course of events that will shape Ulysses's life for the next four decades. As Ulysses returns home to London, reimmersing himself in his crew at *The Stoat and Parot*—a motley mix of pub crawlers and eccentrics—he carries his time in Italy with him. And when an unexpected inheritance brings him back to where it all began, Ulysses knows better than to tempt fate, and returns to the Tuscan hills. With beautiful prose,

extraordinary tenderness, and bursts of humor and light, *Still Life* is a sweeping portrait of unforgettable individuals who come together to make a family, and a deeply drawn celebration of beauty and love in all its forms.

**Helen Keller: A Life in American History** - Meredith Eliassen 2021-09-30

*Helen Keller: A Life in American History* explores Keller's life, career as a lobbyist, and experiences as a deaf-blind woman within the context of her relationship with teacher-guardian-promoter Anne Sullivan Macy and overarching social history. The book tells the dual story of a pair struggling with respective disabilities and financial hardship and the oppressive societal expectations set for women during Keller's lifetime. This narrative is perhaps the most comprehensive study of Helen Keller's role in the development of support services specifically related to the deaf-blind, as delineated as different from the blind. Readers will learn about Keller's challenges and choices as well as how her public image often eclipsed her personal desires to live independently. Keller's deaf-blindness and hard-earned but limited speech did not define her as a human being as she explored the world of ideas and wove those ideas into her writing, lobbying for funds for the American Federation for the Blind and working with disabled activists and supporters to bring about practical help during times of tremendous societal change.

**The Punishment Imperative** - Todd R. Clear 2014

"Backed up by the best science, Todd Clear and Natasha Frost make a compelling case for why the nation's forty-year embrace of the punitive spirit has been morally bankrupt and endangered public safety. But this is far more than an exposé of correctional failure. Recognizing that a policy turning point is at hand, Clear and Frost provide a practical blueprint for choosing a different correctional future—counsel that is wise and should be widely followed."—Francis T. Cullen, Distinguished Research Professor of Criminal Justice, University of Cincinnati Over the last 35 years, the US penal system has grown at a rate unprecedented in US history—five times larger than in the past and grossly out of scale with the rest of the world. This growth was part of a sustained and intentional effort to "get tough" on crime, and characterizes a time when no policy options were acceptable save for those that increased penalties. In *The Punishment Imperative*, eminent criminologists Todd R. Clear and Natasha A. Frost argue that America's move to mass incarceration from the 1960s to the early 2000s was more than just a response to crime or a collection of policies adopted in isolation; it was a grand social experiment. Tracing a wide array of trends related to the criminal justice system, *The Punishment Imperative* charts the rise of penal severity in America and speculates that a variety of forces—fiscal, political, and evidentiary—have finally come together to bring this great social experiment to an end. Clear and Frost stress that while the doubling of the crime rate in the late 1960s represented one of the most pressing social problems at the time, this is not what served as a foundation for the great punishment experiment. Rather, it was the way crime posed a political problem—and thereby offered a political opportunity—that became the basis for the great rise in punishment. The authors claim that the punishment imperative is a particularly insidious social experiment because the actual goal was never articulated, the full array of consequences was never considered, and the momentum built even as the forces driving the policy shifts diminished. Clear and Frost argue that the public's growing realization that the severe policies themselves, not growing crime rates, were the main cause of increased incarceration eventually led to a surge of interest in taking a more rehabilitative, pragmatic, and cooperative approach to dealing with criminal offenders. *The Punishment Imperative* cautions that the legacy of the grand experiment of the past forty years will be difficult to escape. However, the authors suggest that the United States now stands at the threshold of a new era in penal policy, and they offer several practical and pragmatic policy solutions to changing the criminal justice system's approach to punishment. Part historical study, part forward-looking policy analysis, *The Punishment Imperative* is a compelling study of a generation of crime and punishment in America. Todd R. Clear is Dean of the School of Criminal Justice at Rutgers University. He is the author of *Imprisoning Communities* and *What Is Community Justice?* and the founding editor of the journal *Criminology & Public Policy*.

**A Woman Doing Life** - Erin George 2014-12

In *A Woman Doing Life*, author and inmate Erin George draws a vivid

and uniquely raw portrait of female life in prison. By detailing her own experiences and sharing poignant stories from other female inmates, George gives insight into prison relationships, death and sickness, reactions from friends and family, and even "cooking" in prison.

**Fahrenheit 451** - Ray Bradbury 1968

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

**Come As You Are: Revised and Updated** - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

**Band of Sisters** - Lauren Willig 2021-03-02

"A crackling portrayal of everyday American heroines...A triumph." — Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* A group of young women from Smith College risk their lives in France at the height of World War I in this sweeping novel based on a true story—a skillful blend of *Call the Midwife* and *The Alice Network*—from New York Times bestselling author Lauren Willig. A scholarship girl from Brooklyn, Kate Moran thought she found a place among Smith's Mayflower descendants, only to have her illusions dashed the summer after graduation. When charismatic alumna Betsy Rutherford delivers a rousing speech at the Smith College Club in April of 1917, looking for volunteers to help French civilians decimated by the German war machine, Kate is too busy earning her living to even think of taking up the call. But when her former best friend Emmeline Van Alden reaches out and begs her to take the place of a girl who had to drop out, Kate reluctantly agrees to join the new Smith College Relief Unit. Four months later, Kate and seventeen other Smithies, including two trailblazing female doctors, set sail for France. The volunteers are armed with money, supplies, and good intentions—all of which immediately go astray. The chateau that was to be their headquarters is a half-burnt ruin. The villagers they meet are in desperate straits: women and children huddling in damp cellars, their crops destroyed and their wells poisoned. Despite constant shelling from the Germans, French bureaucracy, and the threat of being ousted by the British army, the Smith volunteers bring welcome aid—and hope—to the region. But can they survive their own differences? As they cope with the hardships and terrors of the war, Kate and her colleagues find themselves navigating old rivalries and new betrayals which threaten the very existence of the Unit. With the Germans threatening to break through the lines, can the Smith Unit pull together and be truly a band of sisters?

**The Immortal Life of Henrietta Lacks** - Rebecca Skloot 2010-02-02

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in

medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

**Well-Behaved Women Seldom Make History** - Laurel Thatcher Ulrich 2008-09-23

From admired historian—and coiner of one of feminism's most popular slogans—Laurel Thatcher Ulrich comes an exploration of what it means for women to make history. In 1976, in an obscure scholarly article, Ulrich wrote, “Well behaved women seldom make history.” Today these words appear on t-shirts, mugs, bumper stickers, greeting cards, and all sorts of Web sites and blogs. Ulrich explains how that happened and what it means by looking back at women of the past who challenged the way history was written. She ranges from the fifteenth-century writer Christine de Pizan, who wrote *The Book of the City of Ladies*, to the twentieth century’s Virginia Woolf, author of *A Room of One's Own*. Ulrich updates their attempts to reimagine female possibilities and looks at the women who didn't try to make history but did. And she concludes by showing how the 1970s activists who created “second-wave feminism” also created a renaissance in the study of history.

**Doing Life** - Howard Zehr 1996-12-01

What does it mean to face a life prison sentence? What have “lifers” learned about life—from having taken a life? Photographer Howard Zehr

has interviewed and made portraits of men and women in Pennsylvania prisons who are serving life sentences without possibility of parole. Readers see the prisoners as people, de-mystified. Brief text accompanies each portrait, the voice of each prisoner speaking openly about the crime each has committed, the utter violation of another person each has caused. They speak of loneliness, missing their children growing up, dealing with the vacuum, caught between death and life. A timely book.

**Doing Time Together** - Megan Comfort 2009-05-15

By quadrupling the number of people behind bars in two decades, the United States has become the world leader in incarceration. Much has been written on the men who make up the vast majority of the nation’s two million inmates. But what of the women they leave behind? *Doing Time Together* vividly details the ways that prisons shape and infiltrate the lives of women with husbands, fiancés, and boyfriends on the inside. Megan Comfort spent years getting to know women visiting men at San Quentin State Prison, observing how their romantic relationships drew them into contact with the penitentiary. Tangling with the prison’s intrusive scrutiny and rigid rules turns these women into “quasi-inmates,” eroding the boundary between home and prison and altering their sense of intimacy, love, and justice. Yet Comfort also finds that with social welfare weakened, prisons are the most powerful public institutions available to women struggling to overcome untreated social ills and sustain relationships with marginalized men. As a result, they express great ambivalence about the prison and the control it exerts over their daily lives. An illuminating analysis of women caught in the shadow of America’s massive prison system, Comfort’s book will be essential for anyone concerned with the consequences of our punitive culture.

**Their Eyes Were Watching God** - Zora Neale Hurston 2020-05-30

*Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

**The Glass Castle** - Jeannette Walls 2007-01-02

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.
