The Way Of The Women - Marlene van Niekerk 2015-05-19

How can you speak when speech has been taken away? When the only person listening refuses to understand? Milla, trapped in silence by a deadly paralysing illness, confined to her bed, struggles to make herself heard by her maidservant and now nurse, Agaat. Contrary, controlling, proud, secretly affectionate, the two women, servant and mistress, are more than matched. Life for white farmers like Milla in the South Africa of the 1950s was full of promise - newly married, her future held the thrilling challenges of creating her own farm and perhaps one day raising children. Forty years later, the world Milla knew is as if seen in a mirror, and all she has left are memories and diaries. As death draws near, she looks back on good intentions and soured dreams, on a brutal marriage and a longed-for only son scarred by his parents' battles, and on a lifetime's tug-of-war with Agaat. As Milla's old white world recedes, in the new South Africa her guardian's is ever more filled with the prospect of freedom. Marlene Van Niekerk's is a stunning new literary voice from South Africa, to compare to J.M. Coetzee and Nadine Gordimer.

Fiela's Child - Dalene Matthee 2012-10-02

A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth ...

Race - Ryland Fisher 2007

The author interviews some South Africans of different hues, about the idea of race, what it has meant to them and how they envision a future South Africa, steeped as the country and its people are in a highly charged and often unacknowledged world of racial sensitivity. Amongst the interviewees are Naledi Pandor, Minister of Education; Wilmot James, executive director of the African Genome Education Institute; Rhoda Kadalie, journalist and human rights activist; Melanie Verwoerd, former South African ambassador to Ireland; Phatekile Holomisa, president of the Congress of Traditional Leaders of South Africa (Contralesa); and Carel Boshoff, the founder of Orania, an Afrikaner homeland established in 1991 in the Northern Cape.

Volkskapitalisme - Dan O'Meara 1983-04-14

Volkskapitalisme analyses the development of Afrikaner nationalism from the early thirties to the election victory of the Nationalist Party in 1948. The book sets out to refute the commonly held belief that the nationalist policies of apartheid are simply the product of 'irrational' racial ideology.

Spear - Paul S. Landau 2022-06-07

A revelatory and definitive account of how Nelson Mandela and his peers led South Africa to the brink of revolution against the postwar twentieth century's most infamously racist regime. Spear: Mandela and the Revolutionaries brings to life the brief revolutionary period in which Nelson Mandela and his comrades fought apartheid not just with words but also with violence. After the 1960 Sharpeville police shootings of civilian protesters, Mandela and his comrades in the mass-resistance order of the African National Congress (ANC) and the Communist Party pioneered the use of force and formed Umkhonto we Sizwe (MK), or Spear of the Nation. A civilian-based militia, MK stockpiled weapons and waged a war of sabotage against the state with pipe bombs, Molotov cocktails, and dynamite. In response, the state passed draconian laws, militarized its police, and imprisoned its enemies without trial. Drawing from several hundred first-person accounts, most of which are unpublished, Paul Landau traces Mandela's allies—and opponents—in communist, pan-Africanist, liberal, and other groups involved in escalating resistance alongside the ANC. After Mandela's capture, the Pan Africanist Congress planned to initiate street violence, and MK organized Operation Mayibuye, an uprising to be led by trained commandos. The state short-circuited those plans and subsequently jailed, exiled, tortured, and murdered revolutionaries. The era of high apartheid then began. Spear reshapes our understanding of Mandela by focusing on this intense but relatively neglected period of escalation in the movement against apartheid. Landau's book is not a biography, nor is it a history of a militia or an army; rather, it is a riveting story about ordinary civilians debating and acting together in extremis. Contextualizing Mandela and MK's activities amid anticolonial change and Black Marxism in the early 1960s, Spear also speaks to today's transnational antiracism protests and worldwide struggles against oppression.

The Ambassador - André Philippus Brink 1985-01

An Instant in the Wind - André Philippus Brink 1976

A novel about an educated white woman and a black runaway slave who find themselves stranded in the wilderness of the African interior. Selfies, Sexts and Smartphones - Emma Sadleir 2017-10-01

As a teenager in today's crazy online world, you may think you've got it all sussed out. But even you don't know about all the legal pitfalls, hidden dangers and future implications of what you do, see and post online. Selfies, Sexts and Smartphones is the book every teenager (and their parents) should read. It covers all of the major issues teenagers face in the digital age, including cyberbullying, sexting, addiction, internet safety, porn, anxiety, depression, privacy and reputation, and does so within a South African context.

Accessible, informative and even fun, this book will help guide you to a happy, rewarding and, most importantly, safe online life. Upon reading Selfies, Sexts and Smartphones, one 17-year-old remarked: 'I feel I need to say thank you for this. It talks about the stuff I deal with every single day.'

Long Walk to Freedom - Nelson Mandela 2008-03-11

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Apartheid - Edgar H. Brookes 2022-10-05

From Blood and Ash - Jennifer L. Armentrout 2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. Even More Englishes - Manfred Görlach 1998-01-01

Even More Englishes comprises Manfred Görlach's more recent papers devoted to general problems of the world language and to individual varieties. The collection starts with principal questions as to what can rightly be regarded as 'English', looks at specific features of emigrant Englishes and the value of individual features as evidence for linguistic geography and for linguistic jokes. The functional range of Scots is traced through its history, and the question is raised whether we are justified to speak of 'Celtic Englishes' in Britain and Ireland. Two papers investigate the forms and functions of the world language in two African states, South Africa and Nigeria. A survey of new dictionaries of varieties of English and a discussion of whether pidgin and creole languages need different types of dictionaries are followed by a documentation of the history of the author's projects in the field of English as a world language. *Even More Englishes* complements *Englishes* and *More Englishes* previously published in the *Varieties of English Around the World* book series.
