The Auschwitz Escape - Joel C. Rosenberg
2014
Luc, a French pastor sent to Auschwitz for

helping Jews, enlists the help of Jacob, a Jewish man sent to the camp after he tried to hijack a train bound for Auschwitz, to plan an escape

from the death camp.

A Brief Stop On the Road From Auschwitz -

Goran Rosenberg 2015-02-24

This shattering memoir by a journalist about his father's attempt to survive the aftermath of Auschwitz in a small industrial town in Sweden won the prestigious August Prize. On August 2, 1947 a young man gets off a train in a small Swedish town to begin his life anew. Having endured the ghetto of Lodz, the death camp at Auschwitz-Birkenau, the slave camps and transports during the final months of Nazi Germany, his final challenge is to survive the survival. In this intelligent and deeply moving book, Göran Rosenberg returns to his own childhood to tell the story of his father: walking at his side, holding his hand, trying to get close to him. It is also the story of the chasm between the world of the child, permeated by the optimism, progress, and collective oblivion of postwar Sweden, and the world of the father, darkened by the long shadows of the past.

Edith Stein and Companions - P. W. F. M.

Hamans 2010-01-01

On the same summer day in 1942, Saint Teresa Benedicta of the Cross (Edith Stein) and hundreds of other Catholic Jews were arrested in Holland by the occupying Nazis. One hundred thirteen of those taken into custody, several of them priests and nuns, perished at Auschwitz and other concentration camps. They were murdered in retaliation for the anti-Nazi pastoral letter written by the Dutch Catholic bishops. While Saint Teresa Benedicta is the most famous member of this group, having been canonized by Pope John Paul II in 1998, all of them deserve the title of martyr, for they were killed not only because they were Jews but also because of the faith of the Church, which had compelled the Dutch bishops to protest the Nazi regime. Through extensive research in both original and secondary sources, P.W.F.M. Hamans has compiled these martyrs' biographies, several of them detailed and accompanied by photographs.

Included in this volume are some remarkable conversion stories, including that of Edith Stein, the German philosopher who had entered the Church in 1922 and later became a Carmelite nun, taking the name Sister Teresa Benedicta of the Cross. Several of the witnesses chronicled here had already suffered for their faith in Christ before falling victim to Hitler's "Final Solution," enduring both rejection by their own people, including family members, and persecution by the so-called Christian society in which they lived. Among these were those who, also like Sister Teresa Benedicta, perceived the cross they were being asked to bear and accepted it willingly for the salvation of the world.

The Child of Auschwitz - Lily Graham 2019-11-08

'She touched the photograph in its gilt frame that was always on her desk, of a young, thin woman with very short hair and a baby in her arms. She had one last story to tell. Theirs. And it began in hell on earth.' It is 1942 and Eva Adami has boarded a train to Auschwitz. Barely able to breathe due to the press of bodies and exhausted from standing up for two days, she can think only of her longed-for reunion with her husband Michal, who was sent there six months earlier. But when Eva arrives at Auschwitz, there is no sign of Michal and the stark reality of the camp comes crashing down upon her. As she lies heartbroken and shivering on a thin mattress, her head shaved by rough hands, she hears a whisper. Her bunkmate, Sofie, is reaching out her hand... As the days pass, the two women learn each other's hopes and dreams - Eva's is that she will find Michal alive in this terrible place, and Sofie's is that she will be reunited with her son Tomas, over the border in an orphanage in Austria. Sofie sees the chance

to engineer one last meeting between Eva and Michal and knows she must take it even if means befriending the enemy... But when Eva realises she is pregnant she fears she has endangered both their lives. The women promise to protect each other's children, should the worst occur. For they are determined to hold on to the last flower of hope in the shadows and degradation: their precious children, who they pray will live to tell their story when they no longer can. A heart-breaking story of survival, where life or death relies on the smallest chance and happiness can be found in the darkest times. The Sisters of Auschwitz - Roxane van Iperen
2021-08-31

A New York Times bestseller The unforgettable story of two unsung heroes of World War II: sisters Janny and Lien Brilleslijper who joined the Dutch Resistance, helped save dozen of lives, were captured by the Nazis, and ultimately

survived the Holocaust. Eight months after Germany's invasion of Poland, the Nazis roll into The Netherlands, expanding their reign of brutality to the Dutch. But by the Winter of 1943, resistance is growing. Among those fighting their brutal Nazi occupiers are two Jewish sisters, Janny and Lien Brilleslijper from Amsterdam. Risking arrest and death, the sisters help save others, sheltering them in a clandestine safehouse in the woods, they called "The High Nest." This secret refuge would become one of the most important Jewish safehouses in the country, serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler. From The High Nest, an underground web of artists arises, giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre-war life of Amsterdam and The Hague. When the house and its occupants are eventually betrayed, the most terrifying time of the sisters' lives begins. As

Allied troops close in, the Brilleslijper family are rushed onto the last train to Auschwitz, along with Anne Frank and her family. The journey will bring Janny and Lien close to Anne and her older sister Margot. The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage, their resilience, and their love for each other. Based on meticulous research and unprecedented access to the Brilleslijpers' personal archives of memoirs and photos, *Sisters of Auschwitz* is a long-overdue homage to two young women's heroism and moral bravery—and a reminder of the power each of us has to change the world. *Always Remember Your Name* - Andra & Tatiana Bucci 2022-01-20

'These two sisters might be some of our final living first-hand witnesses to the horrors of the Holocaust. With this book, they break the silence and give us the immeasurable gift of their story.' Gwen Strauss, author of *The Nine* On 28 March 1944, Italian sisters Tati (six) and Andra (four)

were roused from their sleep and taken to Auschwitz, to the infamous Kinder Block presided over by Josef Mengele, the Angel of Death. By the time Auschwitz was liberated, 230,000 children had been murdered, and the sisters were among only 70 child survivors. Throughout their ordeal in the camp and the liberation of Auschwitz, their long journey from Poland to Czechoslovakia and finally to Lingfield House in Britain, they hung on to their promise to their mother to 'always remember your name'. They never forgot they were Tati and Andra Bucci, and it was this connection to their heritage that brought them miraculously back to their parents, years later and many countries away. The sisters overcame their trauma to live long lives, bearing witness as survivors of the Holocaust. 'Always Remember Your Name is heart-breaking and yet utterly uplifting, with the fierce bond of two sisters at its heart, who survived the Holocaust to bear witness, so that none of us will ever forget.' Heather Morris,

international bestselling author of *The Tattooist of Auschwitz* 'A valuable record of what was suffered by surely some of our youngest survivors. Insightful and illuminating, the road to recovery - with its silences, loyalties, and self examinations - is never what we might suppose.' Esther Freud, bestselling author of *Hideous Kinky*

Eva's Story - Eva Schloss 2010-02-22

Many know the tragic story of Anne Frank, the teen whose life ended at Auschwitz during the Holocaust. But most people don't know about Eva Schloss, Anne's playmate and stepsister. This Light Between Us: A Novel of World War II - Andrew Fukuda 2020-01-07

Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of *The Librarian Of Auschwitz*, *This Light Between Us* is a powerfully affecting story of World War II about the unlikely of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he's forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to

confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. In an attempt to save his daughter's life, Eva's father sends her from Poland to a labor camp in Czechoslovakia where she and her sister, Rachel, are forced to make blankets and uniforms for the German army.

Survivors - Rebecca Clifford 2020-08-04

Told for the first time from their perspective, the story of children who survived the chaos and trauma of the Holocaust How can we make sense of our lives when we do not know where we come from? This was a pressing question for

the youngest survivors of the Holocaust, whose prewar memories were vague or nonexistent. In this beautifully written account, Rebecca Clifford follows the lives of one hundred Jewish children out of the ruins of conflict through their adulthood and into old age. Drawing on archives and interviews, Clifford charts the experiences of these child survivors and those who cared for them—as well as those who studied them, such as Anna Freud. *Survivors* explores the aftermath of the Holocaust in the long term, and reveals how these children—often branded “the lucky ones”—had to struggle to be able to call themselves “survivors” at all. Challenging our assumptions about trauma, Clifford’s powerful and surprising narrative helps us understand what it was like living after, and living with, childhoods marked by rupture and loss.

Architects of Death - Karen Bartlett

2018-03-27

Topf and Sons designed and built the crematoria at the concentration camps at Auschwitz-

Birkenau, Buchenwald, Belzec, Dachau, Mauthausen and Gusen. At its height sixty-six Topf triple muffle ovens were in operation - forty-six of which were at Auschwitz. In five years the gas chambers and crematoria of Auschwitz had been the engine of the holocaust, facilitating the murder and incineration of more than one million people, most of them Jews. Yet such a spectacularly evil feat of engineering was designed not by the Nazi SS, but by a small respectable firm of German engineers: the owners and engineers of J. A. Topf and Sons. These were not Nazi sadists, but men who were playboys and the sons of train drivers. They were driven not by ideology, but by love affairs, personal ambition and bitter personal rivalries to create the ultimate human killing and disposal machines - even at the same time as their company sheltered Nazi enemies from the death camps. The intense conflagration of their very ordinary motives created work that surpassed in its inhumanity even the demands of the SS. In

order to fulfil their own 'dreams' they created the ultimate human nightmare.

Franci's War - Franci Rabinek Epstein

2020-03-17

The engrossing memoir of a spirited and glamorous young fashion designer who survived World War II, with an afterword by her daughter, Helen Epstein. In the summer of 1942, twenty-two year-old Franci Rabinek--designated a Jew by the Nazi racial laws--arrived at Terezin, a concentration camp and ghetto forty miles north of her home in Prague. It would be the beginning of her three-year journey from Terezin to the Czech family camp in Auschwitz-Birkenau, to the slave labor camps in Hamburg, and Bergen Belsen. After liberation by the British in April 1945, she finally returned to Prague. Franci was known in her group as the Prague dress

designer who lied to Dr. Mengele at an Auschwitz selection, saying she was an electrician, an occupation that both endangered and saved her life. In this memoir, she offers her intense, candid, and sometimes funny account of those dark years, with the women prisoners in her tight-knit circle of friends. *Franci's War* is the powerful testimony of one incredibly strong young woman who endured the horrors of the Holocaust and survived.

The Long Road to Auschwitz: A Tale of Tyranny and Heartbreak 1 - Anthony Vincent Bruno

2018-09-18

A British soldier storming the Normandy D-Day beachhead, a man whose girlfriend had been deported to Auschwitz four years previously - "Whenever I see a German in SS black? I see a dead German in SS black." The #1 Amazon charts bestseller - *The Long Road to Auschwitz* explores the horrors of the Holocaust whilst looking to what would eventually end Nazi tyranny in Europe - the Allied soldiers landing on

Zia's grandmother is a wealthy socialite, privy to a dark secret that can harm the Nazi leadership. The Red Cross suspect that she was trafficked across the border and delivered to Sachsenhausen Labour Camp at Oranienburg, not far from Berlin on the night of May 26th, 1939. A criminal act, 343 days before the Wehrmacht attacked France. June 6th, 1944 - four years later. Max is one of 150,000 Allied troops headed towards the Normandy beaches. He has two options - find the woman he could never forget or kill the people responsible for her death. From the very beginning, Berlin had ordered SS Hauptsturmführer Dieter Baumann to deal harshly with their VIP captive but never

to kill her. Through three concentration camps, ending in Auschwitz, Zia wishes she had been killed many times over. Traumatized, she has no idea that Max and a few unlikely friends are battling their way through Nazi occupied Europe in a crazy attempt to rescue her. This novel explores the dark depths that humans can sink to in times of war. It is for adults only and even then; it is not for readers of a sensitive disposition. Whatever you read in this novel of extraordinary graphic Holocaust content, consider this - it was immeasurably worse, a hundred thousand times so. I now consider it the best "faction" Holocaust book I have come across. This page turner took me through a range of emotions; a perfect antidote for our troubled times. F.R.K This is a wonderful love story as well as telling the horrific things that happened during this time. I couldn't read it without shedding tears of emotion as well as shedding tears for each and EVERY being that died in these times. I highly recommend this

book. ALICE LEMON.

[The Plum Trees: A Novel](#) - Victoria Shorr
2021-03-09

A poignant tale about one woman's quest to recover her family's history, and a story of loss and survival during the Holocaust. Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945, which contains staggering news: Consie's great-uncle Hermann, who was transported to Auschwitz with his wife and three daughters, might have escaped. This seems improbable to Consie. Did people escape from Auschwitz? Could her great-

uncle have been among them? What happened to Hermann? Did anyone know? These questions are at the root of Consie's excavation of her family's history as she seeks, seventy years after the liberation of Auschwitz, to discover what happened to Hermann. The Plum Trees follows Consie as she draws on oral testimonies, historical records, and more to construct a visceral account of the lives of Hermann, his wife, and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II. The Plum Trees is a powerful, intimate reckoning with the past.

Shedding Our Stars - Laureen Nussbaum
2019-10-01

During the German occupation of the Netherlands, 1940 to 1945, all Jews were ordered to register the religion of their grandparents. The Reichskommissar appointed the young lawyer Hans Calmeyer to adjudicate "doubtful cases." Calmeyer used his assignment

to save at least 3,700 Jews from deportation and death, dwarfing the number saved by Schindler's famous rescue operation. Laureen Nussbaum—née Hannelore Klein—owes her life to this brave German official. In Shedding Our Stars, she tells how Calmeyer declared her mother non-Jewish and deleted her and her family from the deportation lists, saving them from death. She goes on to interweave his story with her family's tale of survival, as well as with that of her boyfriend and, later, husband, Rudi Nussbaum. Since in Amsterdam the Kleins were close to the Franks, Anne Frank and her family also figure in book. Going beyond the liberation of the Netherlands to follow both Calmeyer's and the author's story to the end of their lives, Shedding Our Stars is a story of courage in the darkest of times, and of the resilience of the human spirit.

The Heartbreak of Aaron Burr - H. W. Brands
2012-05-01

Though he was a hero of the Revolutionary War,

a prominent New York politician, and vice president of the United States, Aaron Burr is today best remembered as the villain who killed Alexander Hamilton in a duel. But as H. W. Brands demonstrates in this fascinating portrait of one of the most compelling politicians in American history, Burr was also a man before his time—a proponent of equality between the sexes well over a century before women were able to vote in the US. Through Burr's extensive, witty correspondence with his daughter Theodosia, Brands traces the arc of a scandalous political career and the early years of American politics. The Heartbreak of Aaron Burr not only dramatizes through their words his eventful life, it also tells a touching story of a father's love for his exceptional daughter, which endured through public shame, bankruptcy, and exile, and outlasted even Theodosia's tragic disappearance at sea. A Paperback Original
The Promise - Barbara Powers 2006-04-06
This is the remarkable true story of a young

Jewish girl and her brother growing up during the Second World War, caught in a world turned upside down by the Nazis. Written specially for children, Eva describes her happy early childhood in Vienna with her kind and loving parents and her older brother Heinz, whom she adored. But when the Nazis marched into Austria everything changed. Eva's family fled to Belgium, then to Amsterdam where, with the help of the Dutch Resistance, they spent the next two years in hiding - Eva and her mother in one house, and her father and brother in another. Finally, though, they were all betrayed and deported to Auschwitz concentration camp in Poland. Despite the horrors of the camp, Eva's positive attitude and stubborn personality (which had often got her into trouble) saw her through one of the most tragic events in history and she and her mother eventually returned to Amsterdam. Sadly her father and brother perished just weeks before the liberation. Eva and her mother went back to the house where

Heinz and his father had hidden, for Eva had remembered that Heinz had told her he had hidden his paintings beneath the floorboards there. Sure enough, there were over thirty beautiful paintings. Heinz hadn't wasted any of his talents during his captivity. For Eva, here was a tangible, everlasting memory of her brother and a reminder of her father's promise that all the good things you accomplish will make a difference to someone, and your achievements will be carried on. Heinz's paintings have been on display in exhibitions in the USA and are now a part of a permanent exhibition in Amsterdam's war museum. Told simply and clearly for younger readers, **THE PROMISE** is an unforgettable story, written by Eva Schloss, the step-daughter of Otto Frank and Barbara Powers, Eva's very close friend.

From the author of *Truths I Never Told You, Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. Keep tissues handy."—Fresh Fiction "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years

old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the

devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. By the Grace of the Game - Dan Grunfeld
2021-11-30

A multi-generational family epic detailing history's only known journey from Auschwitz to the NBA When Lily and Alex entered a packed gymnasium in Queens, New York in 1972, they barely recognized their son. The boy who escaped to America with them, who was bullied as he struggled to learn English and cope with family tragedy, was now a young man who had discovered and secretly honed his basketball talent on the outdoor courts of New York City. That young man was Ernie Grunfeld, who would go on to win an Olympic gold medal and reach

previously unimaginable heights as an NBA player and executive. In *By the Grace of the Game*, Dan Grunfeld, once a basketball standout himself at Stanford University, shares the remarkable story of his family, a delicately interwoven narrative that doesn't lack in heartbreak yet remains as deeply nourishing as his grandmother's Hungarian cooking, so lovingly described. The true improbability of the saga lies in the discovery of a game that unknowingly held the power to heal wounds, build bridges, and tie together a fractured Jewish family. If the magnitude of an American dream is measured by the intensity of the nightmare that came before and the heights of the triumph achieved after, then *By the Grace of the Game* recounts an American dream story of unprecedented scale. From the grips of the Nazis to the top of the Olympic podium, from the cheap seats to center stage at Madison Square Garden, from yellow stars to silver spoons, this complex tale traverses the spectrum of the

human experience to detail how perseverance, love, and legacy can survive through generations, carried on the shoulders of a simple and beautiful game.

The Man Who Broke Into Auschwitz - Denis Avey
2012-09-11

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands

of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

By Chance Alone - Max Eisen 2020-01-07

An award-winning, internationally bestselling Holocaust memoir in the tradition of Elie Wiesel's *Night* and Primo Levi's *Survival in Auschwitz* In the spring of 1944, gendarmes forcibly removed Tibor "Max" Eisen and his family from their home, brought them to a brickyard and eventually loaded them onto crowded cattle cars bound for Auschwitz-Birkenau. At fifteen years of age, Eisen survived the selection process and was inducted into the camp as a slave laborer. More than seventy

years after the Nazi camps were liberated by the Allies, *By Chance Alone* details Eisen's story of survival: the backbreaking slave labor in Auschwitz I, the infamous death march in January 1945, the painful aftermath of liberation and Eisen's journey of physical and psychological healing. Ultimately, the book offers a message of hope as the author finds his way to a new life.

The Holocaust This is the story of No. 22483, who had been shipped from Belgium to Buchenwald. This is an account of what No. 22483 saw and felt during his calvary from Antwerp to the Malin distribution camp in France and from there to the extermination camp of Buchenwald. To say that this book contains the scenes of a twentieth-century Inferno may sound commonplace. Yet, every page of this book reminds one of Dante's Inferno, with one exception: the Inferno the author writes about consumed the lives not of the sinful whom divine justice cast into the immortality of suffering. This Inferno was thronged by millions, many of whom were babies and little children, mothers and young women who had hoped to become mothers. It was thronged with people who deserved their fates because they were men in the sense that God meant them to be. They were in Inferno because they were strong men and brave, the real heroes of our days. They were doomed because the Nazi

super-race set up a different scale of values which regarded heroism as the greatest of sins and considered depravity the greatest of virtues. Reading this book one feels that the titanic Dante himself would have been staggered by the demented criminality the judges of the just displayed. This is the story of No. 22483 of Buchenwald, one of the millions who were doomed and one of the few who escaped. Throughout, the writing is poignant, vibrant with humanity, a cry “de profundis” and a vow that it must never happen again. This book should be long remembered.

"The perfect summer read" (USA TODAY) begins

with a shocking tragedy that results in three generations of the Adler family grappling with heartbreak, romance, and the weight of family secrets over the course of one summer. *A New York Times Book Review Editors' Choice * One of USA TODAY's "Best Books of 2020" * One of Good Morning America's "25 Novels You'll Want to Read This Summer" * One of Parade's "26 Best Books to Read This Summer" Atlantic City, 1934. Every summer, Esther and Joseph Adler rent their house out to vacationers escaping to "America's Playground" and move into the small apartment above their bakery. Despite the cramped quarters, this is the apartment where they raised their two daughters, Fannie and Florence, and it always feels like home. Now, Florence has returned from college, determined to spend the summer training to swim the English Channel, and Fannie, pregnant again after recently losing a baby, is on bedrest for the duration of her pregnancy. After Joseph insists they take in a mysterious young woman whom

he recently helped emigrate from Nazi Germany, the apartment is bursting at the seams. Esther only wants to keep her daughters close and safe but some matters are beyond her control: there's Fannie's risky pregnancy—not to mention her always-scheming husband, Isaac—and the fact that the handsome heir of a hotel notorious for its anti-Semitic policies, seems to be in love with Florence. When tragedy strikes, Esther makes the shocking decision to hide the truth—at least until Fannie's baby is born—and pulls the family into an elaborate web of secret-keeping and lies, bringing long-buried tensions to the surface that reveal how quickly the act of protecting those we love can turn into betrayal. "Readers of Emma Straub and Curtis Sittenfeld will devour this richly drawn debut family saga" (Library Journal) that's based on a true story and is a breathtaking portrayal of how the human spirit can endure—and even thrive—after tragedy. [The Children's Block](#) - Otto Kraus 2020-04-07
A literary event that tells story of five hundred

children who lived in the Czech Family Camp in Auschwitz-Birkenau between September 1943 and June 1944. We lived on a bunk built for four but in times of overcrowding, it slept seven and at times even eight. There was so little space on the berth that when one of us wanted to ease his hip, we all had to turn in a tangle of legs and chests and hollow bellies as if we were one many-limbed creature, a Hindu god or a centipede. We grew intimate not only in body but also in mind because we knew that though we were not born of one womb, we would certainly die together. Alex Ehren is poet, a prisoner, and a teacher in block 31 in Auschwitz-Birkenau, also known as the Children's Block. He spends his days trying to survive and illegally giving lessons to his young charges, all while shielding them as best he can from the impossible horrors of the camp. But trying to teach the children is not the only illicit activity that Alex is involved in. Alex is keeping a diary . . .

After Auschwitz - Eva Schloss 2013-04-11
Eva was arrested by the Nazis on her fifteenth birthday and sent to Auschwitz. Her survival depended on endless strokes of luck, her own determination and the love and protection of her mother Fritzi, who was deported with her. When Auschwitz was liberated, Eva and Fritzi began the long journey home. They searched desperately for Eva's father and brother, from whom they had been separated. The news came some months later. Tragically, both men had been killed. Before the war, in Amsterdam, Eva had become friendly with a young girl called Anne Frank. Though their fates were very different, Eva's life was set to be entwined with her friend's for ever more, after her mother Fritzi married Anne's father Otto Frank in 1953. This is a searingly honest account of how an ordinary person survived the Holocaust. Eva's memories and descriptions are heartbreakingly clear, her account brings the horror as close as it can possibly be. But this is also an exploration

of what happened next, of Eva's struggle to live with herself after the war and to continue the

work of her step-father Otto, ensuring that the legacy of Anne Frank is never forgotten.
