Alice's Adventures in Wonderland By Lewis Carroll - Lewis Carroll 2020-08-11

The story of a girl named Alice who falls down a rabbit hole into a fantasy world populated by peculiar and anthropomorphic creatures. The tale is filled with allusions to Dodgson's friends. The tale plays with logic in ways that have given the story lasting popularity with adults as well as children. It is considered to be one of the most characteristic examples of the genre of literary nonsense, and its narrative course and structure have been enormously influential, especially in the fantasy genre. *Alice's Adventures in Wonderland* (1865) is a novel written by English author Charles Lutwidge Dodgson, better known under the pseudonym Lewis Carroll. It tells the story of a girl named

Alice who falls down a rabbit-hole into a fantasy world populated by peculiar and anthropomorphic creatures. The tale is filled with allusions to Dodgson's friends (and enemies), and to the lessons that British schoolchildren were expected to memorize. The tale plays with logic in ways that have made the story of lasting popularity with adults as well as children. It is considered to be one of the most characteristic examples of the genre of literary nonsense, and its narrative course and structure has been enormously influential, mainly in the fantasy genre.

Doing Time on the Outside -

Donald Braman 2007-08-06

"Stigma, shame and hardship--- this is the lot shared by families whose young men have been swept into prison.

Braman reveals the devastating toll mass incarceration takes on the parents, partners, and children left behind." -

Katherine S. Newman "Doing Time on the Outside brings to life in a compelling way the human drama, and tragedy, of our incarceration policies.

Donald Braman documents the profound economic and social consequences of the American policy of massive imprisonment of young African American males. He shows us the link between the broad-scale policy changes of recent decades and the isolation and stigma that these bring to family members who have a loved one in prison.

If we want to understand fully the impact of current criminal justice policies, this book should be required reading." -

Mark Mauer, Assistant Director, The Sentencing Project "Through compelling stories and thoughtful analysis, this book describes how our

nation's punishment policies have caused incalculable damage to the fabric of family and community life. Anyone concerned about the future of urban America should read this book." -Jeremy Travis, The Urban Institute In the tradition of Elijah Anderson's Code of the Street and Katherine Newman's No Shame in My Game, this startling new ethnography by Donald Braman uncovers the other side of the incarceration saga: the little-told story of the effects of imprisonment on the prisoners' families. Since 1970 the incarceration rate in the United States has more than tripled, and in many cities-urban centers such as Washington, D.C.-it has increased over five-fold. Today, one out of every ten adult black men in the District is in prison and three out of every four can expect to spend some time behind bars. But the numbers don't reveal what it's like for the children, wives, and parents of prisoners, or the subtle and not-so-subtle effects mass incarceration is having on

life in the inner city. Author Donald Braman shows that those doing time on the inside are having a ripple effect on the outside-reaching deep into the family and community life of urban America. Braman gives us the personal stories of what happens to the families and communities that prisoners are taken from and return to. Carefully documenting the effects of incarceration on the material and emotional lives of families, this groundbreaking ethnography reveals how criminal justice policies are furthering rather than abating the problem of social disorder. Braman also delivers a number of genuinely new arguments. Among these is the compelling assertion that incarceration is holding offenders unaccountable to victims, communities, and families. The author gives the first detailed account of incarceration's corrosive effect on social capital in the inner city and describes in poignant detail how the stigma of prison pits family and community members against one another.

Drawing on a series of powerful family portraits supported by extensive empirical data, Braman shines a light on the darker side of a system that is failing the very families and communities it seeks to protect.

The Mayo Clinic - David Blistein 2018-09-18

Based on the PBS documentary by Ken Burns, Erik Ewers, and Christopher Loren Ewers. On September 30, 1889, W.W. Mayo and his sons Will and Charlie performed the very first operation at a brand-new Catholic hospital in Rochester, Minnesota. It was called Saint Marys. The hospital arose out of the devastation of a tornado that had struck the town six years earlier. After the storm, Mother Alfred Moes of the Sisters of Saint Francis told the Mayos that she had a vision of building a hospital that would "become world renowned for

its medical arts." Based on the film by acclaimed documentary filmmaker Ken Burns, *The Mayo Clinic: Faith, Hope, Science* chronicles the history of this unique organization, from its roots as an unlikely partnership between a country doctor and a Franciscan order of nuns to its position today as a worldwide model for patient care, research, and education. Featuring more than 400 compelling archival and modern images, as well as the complete script from the film, the book demonstrates how the institution's remarkable 150-year history continues to inspire the way medicine is practiced there today. In addition, a series of case studies reveals patients, doctors, and nurses in their most private moments as together they face difficult diagnoses and embark on uncertain treatments. The film and this companion book tell the story of an organization that has managed to stay true to its primary value—the needs of the patient come first.

Together, they make an

Watching for Dolphins -

David Constantine 1983

David Constantine's second book shows a remarkable development in the range and power of his poetry. After establishing his reputation with the quiet but resonant poems of *A Brightness to Cast Shadows* (1980), Constantine has gone on to achieve a classical mastery of form and to further develop a highly individual voice, which now has an almost visionary edge. In the poems and related Greek translations of *Watching for Dolphins* David Constantine recreates a complete imaginative world. Mythical and biblical figures - Christ, Lazarus, Aphrodite and Persephone - appear as opposing forces of Christian compassion and classical excellence. Contrasts and contradictions are at the heart of Constantine's poetic world. The possibility of personal happiness is insisted upon: any

wider optimism would be out of place.

Sooley - John Grisham
2022-02-22

#1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The

opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works

tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham's unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

Iron Heart - Brian Boyle

2009-10-01

This young athlete's memoir of survival after a catastrophic car accident is "a moving, remarkable story of the power of the mind and the body" (Booklist). In the blink of an eye, Brian Boyle's life was over—almost. On July 6, 2004, eighteen-year-old swimmer and

bodybuilder Brian Boyle's car was obliterated when a dump truck plowed into it. Airlifted to a shock-trauma hospital, he had lost 60 percent of his blood, his heart had moved across his chest, and his organs and pelvis were pulverized. To help him survive, he was put into a medically induced coma for two months. When Brian finally woke up, he had no memory of the accident. He could see and hear, but not move or talk. Unable to communicate, he heard words like "vegetable" and "nursing home." If he lived, doctors predicted he might not be able to walk again, and certainly wouldn't be able to swim. Refusing to endure such an existence, he painstakingly clawed his way back to the living. First blinking his eyelids, then squeezing a hand, then smiling, he gradually emerged from his locked-in state. But his fight was only beginning. *Iron Heart* is the moving, inspiring first-person account of Brian Boyle's ordeal and miraculous comeback. With enormous

fortitude he learned to walk, then run, and eventually, to swim again. With a dream of competing in the Ironman Triathlon spurring him on, Brian defied all odds, and three and a half years after his accident, crossed the finish line in Kona, Hawaii. He wasn't supposed to survive. Or move, talk, walk, or swim. But Brian Boyle never did what he was supposed to do. Here, Brian's inspiring journey from coma to Kona is brought to life.

The Awakening - Kate Chopin
2020-12-01

First appearing in 1899 *The Awakening* is regarded as work presaging both feminist fiction and literary modernism. The author's clear vision of a woman's internal and external conflicts continue to demand engagement and response from readers. *The Awakening* follows Edna Pontellier as she recognizes and attempts to deal with her confining lot as a woman and mother in the 19th century American South. Torn between traditional roles and an inchoate desire for independence and a more

passionate life, she faces more than one difficult choice, leading to a grim reckoning. Initially receiving a mixed critical reception, including much condemnation for its frank depiction of adultery, the novel has gone on to be recognized as both a classic piece of fiction and a groundbreaking work of women's realism. The poignant portrayal of the protagonist attempting to determine her true feminine identity makes this one of the first novels willing to openly confront women's issues, to make clear that traditional roles could be limiting and to legitimize an emotional life that transcended society's boundaries. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Awakening* is both modern and readable.

Lindy West wasn't always loud. She was once a nerdy, overweight teen who wanted nothing more than to be invisible. Fortunately for women everywhere, along the road she found her voice, and that crippling shy girl, who refused to make a sound, somehow grew up to be one of the loudest, shrillest, most fearless feminazis on the internet. Here, she recounts how she went from being the butt of people's jokes, to telling her own brand of jokes - ones that carry with them with a serious message and aren't at someone else's expense.

Dark Roots - Cate Kennedy
2008-02-12

"Heartbreakingly detailed . . . vibrant—and vital" prize-winning stories by an Australian contributor to *The New Yorker* (*Entertainment Weekly*). In this "coolly exact . . . sharp, evocative and often poetic" collection of award-winning short fiction, Cate Kennedy daringly travels to the

deepest depths of the human psyche to explore the collision between simmering inner lives, the cold outside world, and the hidden motivations that propel us all to act (*The New York Times Book Review*). Kennedy captures entire lives, expertly documenting the risks and compromises made in both forging and escaping relationships. Her "17 standout stories" are populated by people on the brink: whether it's a woman floundering with her own loss and emotional immobility as her lover lies in a coma; a neglected wife who cannot convince her husband of the truth about his two brutish, shamelessly libidinous friends; or a married woman who comes to realize that her too-tight wedding ring isn't the only thing that's stuck in her relationship (*Elle*). Each character must make a choice and none is without consequence—even the smallest decisions have the power to destroy or renew, to recover and relinquish. Devastating, evocative, richly comic, and "full of provocative

messages, tantalizingly revealed”, Dark Roots deftly unveils the traumas that incite us to desperate measures and the coincidences that drive our lives (O, The Oprah Magazine). “With an effortless talent for the comic and the chilling, Cate Kennedy has crafted stories that are sly, seductive, and surprising. A standout debut” (Alicia Erian, author of Towelhead).

Atonement - Ian McEwan
2009-03-19

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be

changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Encompassing the latest scholarship in what has become a markedly interdisciplinary endeavor and an increasingly chosen undergraduate major, the book introduces key concepts, themes, and issues and then examines each in lively chapters on essential topics, including the history of globalization; economic, political, and cultural globalization; security, energy, and development; health; agriculture and food; and the environment. Within these topics the authors explore such diverse and pressing subjects as commodity chains, labor (including present-day slavery), pandemics, human rights, and multinational corporations and the connections among them. This textbook, used successfully in both traditional and online courses, provides the newest and most crucial information needed for understanding our rapidly changing world. New to this

edition: *Close to 50% new material *New illustrations, maps, and tables *New and expanded emphases on political and economic globalization and populism; health; climate change, and development *Extensively revised exercises and activities *New resume-writing exercise in careers chapter *Thoroughly revised online teacher's manual
The Real Inspector Hound - Tom Stoppard 1968
Feuding theatre critics Moon and Birdfoot, the first a fusty philanderer and the second a pompous and vindictive second stringer, are swept into the whodunit they are viewing. In the hilarious spoof of Agatha Christie-like melodramas that follows, the body under the sofa proves to be the missing first string critic. As mists rise about isolated Muldoon Manor, Moon and Birdfoot become dangerously implicated in the lethal activities of an escaped madman.-- from publisher's website.
