Honey, I Bought an Airplane - Bob Hechlin
2012-07-25

No one else ever took a trip like this. Nearly 600 trips, actually. But who cares, I thought, when first approached to edit the manuscript for this book about flying into every little airport in

Indiana, then moving on to those in surrounding states? Pilots? Perhaps. Even so I'm a writer, not a pilot. And Bob Hechlin is a pilot not a writer. Except Bob has an insatiable curiosity about people, places, events, you name it. To him, an airport is more than a name or a spot on a map. He's a great listener. He has ears and eyes for detail nuggets that many people either overlook or don't connect with other nuggets like dots on a page, to create picture after picture after picture. And Bob has a gift for gab. Storytelling, if you will. So if you believe (as I do) that writing is talking when you can't be there, give this book a listen. Hear things you never knew about John Dillinger, Al Capone, a WWII pilot named O'Hare back-road encounters on Mackinac Island and not flying under the bridge out-maneuvering storm clouds the Oshkosh air show close-knit neighborhoods with hangar-garages airports in Ohio police in Gary, Indiana the link between Northwestern University and a historic Lake Michigan passenger-ferry tragedy

how a teenager's Happy Birthday flight launched a career and more. Much more. Some people read books from page 1; the opening line hooks them. Others check the ending first. (If I like how it ends, I'll like getting there.) With Honey, feel free to start in the middle; pick a page any page. Chances are, you will quickly be drawn in and pulled onward from one mini-tale to the next. And at some point, you'll say Geez, let's go back and read the rest! I did. C'mon along for the ride. Bob makes even the shortest hop a fun trip. Richard E. Schingoethe

Computer Testing Supplement for Inspection Authorization (FAA-CT-8080-8D) - Federal Aviation Administration (FAA) 2008-06-30
From Aviation Supplies & Academics, trusted publisher of Federal Aviation Administration resources. This book is also available bundled

with ASA Inspection Authorization Test Prep. This FAA-CT-8080-8D is the most current testing supplement, released by the FAA in June 2008. It supersedes the earlier FAA-CT-8080-8C, dated 2005. This publication was prepared by the Flight Standards Service of the Federal Aviation Administration (FAA) for the specific purpose of Inspection Authorization (IA) testing at selected testing centers. Applicants for Inspection Authorization Certificates will be required to use FAA-CT-8080-8D, Computer Testing Supplement for Inspection Authorization, to answer the computer-assisted IA airman knowledge test questions. The supplement material consists of excerpts of selected advisory circulars, airworthiness directives, Code of Federal Regulations, type certificate data sheets, aircraft specifications, FAA orders, and forms. Applicants should note that reference material contained in this supplement is for testing purposes only. To ensure current material is available for use in day-to-day certification

activities, users should be aware that they must initiate and order the publications desired, and maintain contact with the managing FAA office for the latest information, forms, and guidance.
