*self/less* - AViVA 2021-09-28

A world where self-expression is illegal. A world where survival is everything. A girl who will be heard. The story begins . . . Seventeen-year-old Teddy lives in the walled-in city Metropolis. Radical laws condemn all forms of self-expression and creativity, and the lives of the people are carefully constructed and controlled by the City Council. When Teddy finds out the truth behind one of the City's biggest lies, she slips out into the darkness after curfew. She is captured and held prisoner in an old bomb shelter that lies beneath the City. Here, Teddy discovers that there is a world beneath the

Metropolis, a world where a growing web of clans are fighting to keep their humanity alive, and waiting for someone to lead them back up into the light. LONGLISTED FOR THE INDIE BOOK AWARDS YOUNG ADULT 2022

**Russian Social Media Influence** - Todd C. Helmus 2018-04-12

Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with

regional and security experts to understand the critical ingredients to countering this campaign. *Small Wars Manual* - United States. Marine Corps 1940

Wild Dogs Under My Skirt - Tusiata Avia 2004  
Wild Dogs Under My Skirt (2004), Tusiata Avia's first collection of poetry, draws on two different cultures and charts the sometimes painful points of their intersection. These poems are both confrontational and entertaining, raw and lyrical, they occupy legend and history - yet break through into an urban landscape that is just as arresting and richly patterned. Avia's poetry is alive with the energy and rhythm of performance poetry and an oral tradition, but it also stakes out a unique physical life on the page, reshaping our language and our understanding of New Zealand culture.~~'Tusiata's poetry is quite revolutionary in the sense that, not only does it define the face of Pacific literature in New

Zealand, but it redefines the face of New Zealand literature itself.' - Sia Figiel~--Book Cover.

[Practical Home Theater](#) - Mark Fleischmann  
2021-10

How can an average person navigate the maze of audio/video technologies in a home theater system? Turn to Mark Fleischmann's Practical Home Theater: A Guide to Video and Audio Systems. The 20th anniversary edition has been thoroughly revised and updated for 2022. The ultimate answer book for beginners and intermediate-level readers, it tells you everything you need to know when shopping for video and surround sound gear including how to

read a spec sheet, how to separate fact from hype, and how to get good value for your money. It weighs the pros and cons of 4K and 8K Ultra HDTV and display technologies such as LED-backlit LCD, quantum-dot, OLED, and projection systems. Other video topics include HDR picture-quality improvements, the HDR format war, refresh rates, smart TV, and the new HDMI 2.1 interface. The book dispels the confusion surrounding audio technologies from the new height-enhanced Dolby Atmos and DTS: X to older Dolby, DTS, THX, and Audyssey surround technologies. The book covers all formats under the sun including Blu-ray and DVD, DVRs, streaming from a multitude of devices, and wireless connectivity. And it explores often ignored topics such as buying a DTV antenna, power-line accessories, and cables. A richly detailed connections chapter tells how to hook up every component. By knowledgeably guiding readers through the briar patch of video and audio, Practical Home Theater has become the

standard reference work for home theater buffs. This edition is dated 2022 and will be sold between October 2021 and October 2022. Readers are warned to buy only the latest edition. Future annual editions will continue to track changes in home theater technology.

*Junk* - Ayad Akhtar 2018-12-06

It's 1985. Robert Merkin, the resident genius of the upstart investment firm Sacker-Lowell, has just landed on the cover of Time magazine. Hailed as "America's Alchemist," his proclamation that "debt is an asset" has propelled him to dizzying heights. Zealously promoting his belief in the near-sacred infallibility of markets, he is trying to reshape the world. What Merkin sets in motion is nothing less than a financial civil war, pitting magnates against workers, lawyers against journalists, and ultimately, pitting everyone against themselves.

**Avia** - Nathaniel Tarn 2008

Avia is a book-length epic poem that takes for its subject matter the war in the air in World War Two. The verse narratives are stories told by combat pilots from all the major battle theatres, but are related to Charles Lindbergh in a dream as he returns to the United States following his 1927 transatlantic flight. Voices from his future and from our past.

**The Wireless World** - 1934

**Kindred** - Octavia E. Butler 2004-02-01

From the New York Times bestselling author of Parable of the Sower and MacArthur “Genius” Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. “I lost an arm on my last trip home. My left arm.” Dana’s torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner’s plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead’s The Underground Railroad and Ta-

Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaptation from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten,

and Gayle Rankin.

**Madame Fourcade's Secret War** - Lynne Olson 2020-03-03

NEW YORK TIMES BESTSELLER • The little-known true story of Marie-Madeleine Fourcade, the woman who headed the largest spy network in occupied France during World War II, from the bestselling author of *Citizens of London* and *Last Hope Island* "Brava to Lynne Olson for a biography that should challenge any outdated assumptions about who deserves to be called a hero."—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE WASHINGTON POST In 1941 a thirty-one-year-old Frenchwoman, a young mother born to privilege and known for her beauty and glamour,

became the leader of a vast intelligence organization—the only woman to serve as a chef de résistance during the war. Strong-willed, independent, and a lifelong rebel against her country’s conservative, patriarchal society, Marie-Madeleine Fourcade was temperamentally made for the job. Her group’s name was Alliance, but the Gestapo dubbed it Noah’s Ark because its agents used the names of animals as their aliases. The name Marie-Madeleine chose for herself was Hedgehog: a tough little animal, unthreatening in appearance, that, as a colleague of hers put it, “even a lion would hesitate to bite.” No other French spy network lasted as long or supplied as much crucial intelligence—including providing American and British military commanders with a 55-foot-long map of the beaches and roads on which the Allies would land on D-Day—as Alliance. The Gestapo pursued them relentlessly, capturing, torturing, and executing hundreds of its three thousand agents, including Fourcade’s own lover

and many of her key spies. Although Fourcade, the mother of two young children, moved her headquarters every few weeks, constantly changing her hair color, clothing, and identity, she was captured twice by the Nazis. Both times she managed to escape—once by slipping naked through the bars of her jail cell—and continued to hold her network together even as it repeatedly threatened to crumble around her. Now, in this dramatic account of the war that split France in two and forced its people to live side by side with their hated German occupiers, Lynne Olson tells the fascinating story of a woman who stood up for her nation, her fellow citizens, and herself. “Fast-paced and impressively researched . . . Olson writes with verve and a historian’s authority. . . . With this gripping tale, Lynne Olson pays [Marie-Madeleine Fourcade] what history has so far denied her. France, slow to confront the stain of Vichy, would do well to finally honor a fighter most of us would want in our foxhole.”—The

New York Times Book Review
