The Watercolorist's Guide to Painting Buildings - Richard Taylor 2000-10-01

"For those who want to render buildings in watercolor, Taylor's book is an unequivocal success. A member of the Society of Architectural Illustrators, Taylor has created a sumptuous work, rich in detailed images, and, moreover, complete with a brilliant text. For readers who wonder how a particular shadow is splashed over a stucco wall or how to get small panes in sunlight to look like real glass, Taylor reveals the color values and techniques necessary. Highly recommended, for beginning or advanced artists."--Library Journal.
