Students write a daily gratitude statement, are reminded to keep a growth mindset and to practice 4-7-8 breathing, answer focus questions as they watch a short video online (active links to videos included in the download as well as the length of each video), write 5 facts from CNN 10 (free 10 minute news show for students), review "I Can" statements, write daily academic and behavior goals, and reflect on their performance in school for the day. An introduction (pages 1-6) is included to explain the rationale and research for the structure and content of the student packets.
