[The Brain That Changes Itself](#) - Norman Doidge
2007-03-15

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the

new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has

written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. *Rezoom* - Susan Peirce Thompson, Ph.D.
2021-12-28

End the cycle of relapse and yo-yo dieting to create sustained weight loss and lasting recovery by embracing a total reframe on food addiction from the New York Times best-selling author of Bright Line Eating. "An excellent guide. Susan Peirce Thompson provides a practical plan for change. This book is a roadmap to better eating habits and a better life." -- James Clear, #1 New York Times best-selling author of Atomic Habits Do you think excessively about your food and weight? Are you plagued by food cravings? Do you wonder how other people get "full" so quickly while you just want to keep eating? Are you able to go long stretches with your program, only to crash and burn and have to dig out of the ditch-yet again? Not only is food addiction very real, it's the

hardest addiction to beat. It's exhausting and demoralizing. But there is a solution. With her groundbreaking *Rezoom Reframe*, Susan Peirce Thompson, Ph.D., founder of Bright Line Eating, offers a new way to conceptualize food recovery. She shares the essential steps to avoiding the short-lived highs and vicious lows of relapse by helping you understand the psychological and biological origins of addiction and then giving you the system to break free. Woven throughout are lessons from Everett Consideine, acclaimed Internal Family Systems practitioner, to help you overcome your inner resistance so you can finally stay on track in those moments of self-sabotage. It is possible to live free from the tyranny of relapse. Let Susan and Everett help you to permanently unshackle yourself, find the sustainable way to manage your food, and enjoy your brightest life.

[The Noma Guide to Fermentation](#) - René Redzepi
2018-10-16

New York Times Bestseller A New York Times Best Cookbook of Fall 2018 “An indispensable manual for home cooks and pro chefs.” —Wired At Noma—four times named the world’s best restaurant—every dish includes some form of fermentation, whether it’s a bright hit of vinegar, a deeply savory miso, an electrifying drop of garum, or the sweet intensity of black garlic. Fermentation is one of the foundations behind Noma’s extraordinary flavor profiles. Now René Redzepi, chef and co-owner of Noma, and David Zilber, the chef who runs the restaurant’s acclaimed fermentation lab, share never-before-revealed techniques to creating Noma’s extensive pantry of ferments. And they do so with a book conceived specifically to share their knowledge and techniques with home cooks. With more than 500 step-by-step photographs and illustrations, and with every recipe approachably written and meticulously tested, The Noma Guide to Fermentation takes readers far beyond the typical kimchi and

sauerkraut to include koji, kombuchas, shoyus, misos, lacto-ferments, vinegars, garums, and black fruits and vegetables. And—perhaps even more important—it shows how to use these game-changing pantry ingredients in more than 100 original recipes. Fermentation is already building as the most significant new direction in food (and health). With The Noma Guide to Fermentation, it’s about to be taken to a whole new level.

Good Time Girls of the Alaska-Yukon Gold Rush - Lael Morgan 1999

Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

Bright Line Eating Cookbook - Sherry Givens 2018-09-17

It was designed by a Ph.D. psychology professor whose expertise was in Brain & Cognitive Sciences. It is devised to go beyond the horizons of neuroscience into the complex structure of

human psychology. It is basically a diet plan, devised scientifically for achieving a psychological level and mindset to follow the program and have a healthy, fit and joyful life. Bright Line Eating is devised on a proper structure and is against moderate approach. The diet plan is basically devised on the basis of addiction. The reason is that, usually consuming little amount of addictive food doesn't lets the craving fade away rather it worsens it. The function of Bright Line Eating is that it acts as a facility to people who want to lose weight and then happily stay in that mindset. Bright Line Eating is a sure weight loss strategic program, but it's more than simply eating habits, it's a new way of living. People above 60 from different countries have participated in their online Boot Camps and the numbers are in thousands. Every day the number is rising and it is unstoppable. It is for sure the most successful weight loss program and their statistics are a proof to that.

Welcome to the Future - Kathryn Hulick 2021-10-26

Have you ever wondered what the future may look like? In this book, you'll explore 10 ways technology could alter our way of life. The challenge for you is to decide which changes you want for yourself and the world. In the future, will we teleport from place to place, keep dinosaurs as pets or 3D-print our dinner? Will we live on Mars or upload our brains to computers? Could we solve climate change by making all our energy from mini stars we build here on earth? This fascinating and thought provoking book from science writer Kathryn Hulick explores the possible futures humanity will face, and how we will live as the world around us changes beyond our recognition. From genetic engineering and building floating colonies in space to developing telepathic technology and bionic body alterations, this engagingly illustrated book looks into the possible future technologies which will shape

how we live and how we adapt to the challenges of the future. In this book, you'll meet the scientists working to bring science fiction to life and learn how soon we might have amazing new technology. You'll also delve deep into questions about right and wrong. Just because we can do something doesn't mean we should. How can we build the best possible future for everyone on Earth?

Stop the Insanity - Susan Powter 2010-06-01

You've seen Susan Powter on her phenomenally successful "Stop the Insanity" infomercial, on the Home show, and on The Susan Powter Show, bringing her message of health, hope and wellness to millions. Now in this runaway bestseller she gives women everywhere the step-by-step motivation to take control of their lives. What is insanity? ·A multimillion-dollar diet industry that fails to help women lose weight permanently ·A fitness industry that excludes the unfit ·Women hating the way they look and feel After her divorce, Susan Powter fell into a "fat

come" that left her fat, unfit, and depressed. At more than 240 pounds, she courageously turned to the "experts"—the diet and fitness industries—for help. But she found, as millions of other have, that starvation and deprivation don't work, and that the diet and fitness industries work against women, setting them up for failure, ruining their health, taking their money, and giving them temporary, short-term answers. Then on her own Susan Powter discovered how to eat, breath, and move, to lose weight permanently and regain her health, strength, and sanity.

Bright Line Eating - Susan Peirce Thompson, PHD 2021-01-05

A NEW YORK TIMES BESTSELLER Foreword by John Robbins, author of the international bestseller *Diet for A New America* In this book, Susan Peirce Thompson, Ph.D. shares the groundbreaking weight-loss solution based on her highly acclaimed *Bright Line Eating Boot Camps*. Rooted in cutting-edge neuroscience,

psychology, and biology, Bright Line Eating explains why people who are desperate to lose weight fail again and again: it's because the brain blocks weight loss. Bright Line Eating (BLE) is a simple approach designed to reverse that process. By working with four "Bright Lines"—clear, unambiguous, boundaries—Susan Peirce Thompson shows us how to heal our brain and shift it into a mode where it is ready to shed pounds, release cravings, and stop sabotaging our weight loss goals. Best of all, it is a program that understands that willpower cannot be relied on, and sets us up to be successful anyway. Through the lens of Susan's own moving story, and those of her Bright Lifers, you'll discover firsthand why traditional diet and exercise plans have failed in the past. You'll also learn about the role addictive susceptibility plays in your personal weight-loss journey, where cravings come from, how to rewire your brain so they disappear, and more. Susan guides you through the phases of Bright Line Eating—from weight

loss to maintenance and beyond—and offers a dynamic food plan that will work for anyone, whether you're vegan, gluten-free, paleo, or none of the above. Bright Line Eating frees us from the obesity cycle and introduces a radical plan for sustainable weight loss. It's a game changer in a game that desperately needs changing.

Bright Lines - Tanwi Nandini Islam 2015-08-11
Named a finalist for the Center for Fiction First Novel Prize, the Brooklyn Eagles Literary Prize, and the Edmund White Debut Fiction Award "A Brooklyn-by-way-of-Bangladesh Royal Tenenbaums."—The Denver Post A vibrant debut novel, set in Brooklyn and Bangladesh, follows three young women and one family struggling to make peace with secrets and their past For as long as she can remember, Ella has longed to feel at home. Orphaned as a child after her parents' murder, and afflicted with hallucinations at dusk, she's always felt more at ease in nature than with people. She traveled

from Bangladesh to Brooklyn to live with the Saleems: her uncle Anwar, aunt Hashi, and their beautiful daughter, Charu, her complete opposite. One summer, when Ella returns home from college, she discovers Charu's friend Maya—an Islamic cleric's runaway daughter—asleep in her bedroom. As the girls have a summer of clandestine adventure and sexual awakenings, Anwar—owner of a popular botanical apothecary—has his own secrets, threatening his thirty-year marriage. But when tragedy strikes, the Saleems find themselves blamed. To keep his family from unraveling, Anwar takes them on a fated trip to Bangladesh, to reckon with the past, their extended family, and each other.

The Blue Zones - Dan Buettner 2010

Project Hail Mary - Andy Weir 2021-05-04

#1 NEW YORK TIMES BESTSELLER • From the author of *The Martian*, a lone astronaut must save the earth from disaster in this “propulsive” (Entertainment Weekly), cinematic thriller full of suspense, humor, and fascinating science—in development as a major motion picture starring Ryan Gosling. HUGO AWARD FINALIST • ONE OF THE YEAR'S BEST BOOKS: Bill Gates, GatesNotes, New York Public Library, Parade, Newsweek, Polygon, Shelf Awareness, She Reads, Kirkus Reviews, Library Journal • “An epic story of redemption, discovery and cool speculative sci-fi.”—USA Today “If you loved *The Martian*, you'll go crazy for Weir's latest.”—The

Washington Post Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the earth itself will perish. Except that right now, he doesn't know that. He can't even remember his own name, let alone the nature of his assignment or how to complete it. All he knows is that he's been asleep for a very, very long time. And he's just been awakened to find himself millions of miles from home, with nothing but two corpses for company. His crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurling through space on this tiny ship, it's up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species. And with the clock ticking down and the nearest human being light-years away, he's got to do it all alone. Or does he? An irresistible interstellar adventure as only Andy Weir could deliver, Project Hail Mary is a tale of discovery, speculation, and

survival to rival *The Martian*—while taking us to places it never dreamed of going.

"Author Hoefling (*Journey to God*, 2010)

seamlessly combines her extraordinary mastery of early biblical tales with a spirit of inventive creativity, weaving a story that both embellishes but also preserves the original story... a gripping account that only deepens an inherited tale about the birth of mankind and about good and evil." -Kirkus Reviews Akliah, a daughter of Adam and Eve, has grown up at the foot of the holy mountain where the Garden of Eden lies. She and her siblings know well the story of their parents fall from innocence and their

banishment from Eden. And they know the prophecy, that their privileged brother, Cain, will soon crush the head of the ancient serpent who tempted their parents there. Fiercely in love with Cain, Akliah is determined to become his wife. But her schemes are shattered when Cain kills his brother, Abel, and abducts her to a barren land east of Eden where she grieves her mistakes and Cain spirals into ever-deepening tiers of delusion through his bondage to a beautiful fallen angel. When she finally meets a man who offers a chance for love and redemption, Akliah is torn between an honest confession of her past and her longing to be admired. Against the backdrop of life in a city dedicated to dark powers, Akliah must finally make the choice to restore her integrity, or die trying.

Passion to Purpose - Amy McLaren 2021-08-10
A cross between *The Promise of a Pencil* and *She Means Business*, this book from the co-founder of a charity dedicated to bringing

education to students in rural Kenya demonstrates how finding your purpose can change the world and change your life. **THE WORLD IS WAITING FOR YOUR BIG DREAM!** Imagine if everyone took a few minutes each day to make the world a better place using their unique talents fueled by their deepest passions. What an amazing world we would live in! This book is your guide to discovering your passion, living your purpose, and making a positive impact on the world. Amy McLaren's passion for world travel and education kickstarted her journey from unfulfilled schoolteacher to the purpose-driven founder of Village Impact, a charity that provides education for nearly 5,000 kids in Kenya in partnership with local communities. But this book isn't about doing exactly what Amy did or following a template to start a business or non-profit--it's about making your big dream into a reality. Learn how to:

- Feed your brain with possibility to discover your passion.
- Surround yourself with positivity and

support. • Tap into the strengths and connections you already have. • Get out of your comfort zone and eliminate self-doubt for good. • Trust in yourself and have faith that things will work out. • Leave a legacy of good.

The Official Bright Line Eating Cookbook -

Susan Peirce Thompson, Ph.D. 2021-10-19

New York Times best-selling author offers a one-of-a-kind program to help readers finally become happy, thin, and free! Sustainable weight loss expert Susan Peirce Thompson builds on the success of her Bright Line Eating Boot Camps and best-selling book with: The Official Bright Line Eating Cookbook! The Official Bright Line Eating Cookbook is designed to help readers transition to this transformative way of life as smoothly and solidly as possible. The first book gave explicit instructions as to what the guidelines for each meal are, but no specific suggestions as to what to actually cook. This book provides recipes, as well as tons of tips, tricks, and tools culled directly from the Bright

Line Eating community, the "Bright Lifers" themselves! Because Bright Line Eating is unlike any food program out there, this cookbook will be unlike any seen before. It's broken down by warm bowls, cold bowls, and plates. There will be a large section on salad dressings--because Bright Lifers live and die by their dressing!

Note: there will not be any "cheat" foods, because those foods keep addiction alive in the brain, slow weight loss, and leave you vulnerable to old habits. Special features: • 75+ delicious recipes • Guidance for getting started and staying the course • Tips and tricks for getting the most from the plan • Jaw-dropping before-and-after stories and photos from successful Bright Lifers • and more! This will be an invaluable companion to the first book, and, for some, an entry into Bright Line Eating and an entirely new way of eating.

I Don't Want to Eat Bugs - Rachel Branton
2016-04-08

Bugs are for the birds! Lisbon is hungry and it's hard to wait for dinner. When her animal friends try to help her find something tasty to eat, the real the problems begin! Join Lisbon on her funny misadventures. Each beautiful illustration is designed to inspire the imaginations of children. An activity page at the end of the book allows for more fun as they search for special items in the illustrations. This version of *I Don't Want to Eat Bugs* has been designed specifically

for ebook with a fixed layout and larger text for easy reading. While this is a great read-aloud book for parents, teachers, and other adults to share with children, we have chosen fonts that are similar to the way children form letters for easy recognition as they begin to read on their own. The print book is also available in 8.5" x 11" format. Author's Note: *I Don't Want to Eat Bugs* was written for my daughter, who was two when I wrote this story and didn't like salad, but now she's four and a half and loves it—if I give her plenty of salad dressing! (But don't worry—this isn't a book about eating salad.) Of course birds, cats, and dogs have a very different idea of what's good to eat, but through this fun adventure, Lisbon learns there is also food meant just for her—and it's good, especially compared with all the offerings from her animal friends. My daughter and I privately call this book the "Ice Cream Story" (she LOVES ice cream so there had to be ice cream involved), and now whenever something funny happens,

she says, "We should write a new ice cream story about that." And we have! I Don't Want to Eat Bugs is the first book in a planned series called Lisbon's Misadventures. I've written the next three books in the series, and Tim Petersen is hard at work creating the illustrations. Tim is obviously a fabulous artist, and I'm excited to be working with him. You can sign up on my website to learn when the next book comes out (<http://teylarachelbranton.com/>). Thank you and enjoy!

This Naked Mind - Annie Grace 2018-01-02

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers

a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and

groundbreaking must-read. I am forever inspired and changed.” —Kate S., Los Angeles, California
“The most selfless and amazing book that I have ever read.” —Bernie M., Dublin, Ireland

The Having - Suh Yoon Lee 2019-02-05

In this groundbreaking book, a #1 bestseller in South Korea, a financial guru shares the secret to building your fortune using your emotion and opens the door to a new world full of hope and prosperity. When Wharton MBA Jooyun Hong went searching for the key to increasing wealth in a time of growing inequality, she did not expect to find herself studying under a famed and fascinating guru, known for advising the 1% of South Korea. She now shares what she learned from the guru in this life-changing narrative, and it starts with a simple emotion she calls Having. Suh Yoon Lee, a magnetic woman

in her thirties, was identified as a guru at the age of six and set off on a course of study ranging from classical Asian texts to economics to an analysis of 100,000 case studies to reveal the true secrets of growing rich. A bestselling author and insightful thinker sought after by the richest people in the nation, Suh Yoon Lee retreated into seclusion, troubled by the impact her guidance to the wealthy may have on income disparity. When Jooyun wrote to the guru for an interview, Suh Yoon invited her to Lake Como, Italy. There, they started a conversation about how everyday people can achieve their financial goals more easily and quickly by living in synch with their true emotions. In destinations ranging from Paris to Kyoto, this philosophical journey lays out a framework for achieving an empowered relationship with money. The guru has found that almost everyone has the capacity to earn 3 to 7 million dollars—and some have a capacity for much more. As Jooyun applies the guru's practical but revolutionary insights to her

everyday life—including journaling about the emotions that accompany spending money—she experiences a transformation of her mood, fulfillment, and ultimately, her net worth. By changing your emotions about money, you can make every purchase a step toward becoming your true self. Having is the power that attracts wealth, and this incredible series of lessons will guide you to claim that power in your own life. Learn to feel what you already have, and you'll be able to have so much more.

The Void Captain's Tale - Norman Spinrad
2011-09-29

Welcome aboard the sex-drive void ship . . . Captain Genro commands the giant spaceship Dragon Zephyr - on board are ten thousand passengers in electrocoma, a smaller number of conscious passengers eagerly utilising the ship's dream chambers - and a Pilot. In the context of space travel, the Pilot is merely a biological component in the machine. Always a woman, her function is to launch the ship into the Jump by

means of a cosmic orgasm. She is a pariah, shunned by all. Void Captain Genro should never even have spoken to his Pilot, let alone tried to embark on a relationship with her. When he did so, the result was every space traveller's nightmare. A Blind Jump into the Void . . .

No More Vietnams - Richard M. Nixon 1985

"In writing *No More Vietnams*, Richard Nixon—with the unique perspective of the man who served us America's commander-in-chief during the war's most difficult stage—has set out to dispel the myths of Vietnam, to show why we failed in Vietnam, and to contribute to the development of policies that will help avoid such failures in the future. In doing so, President Nixon analyzes the role that four presidents, the military, the Congress, the media, and the antiwar movement played in the Vietnam debacle." -- Front jacket flap

A Wolf Like Me - Andrew Stark Fitz 2017-06-18

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an

unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

[Atomic Habits](#) - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to

new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a

championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Daily Show (The Book) - Chris Smith
2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers--including Samantha Bee, Stephen Colbert, John

Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of

Zen both on and off the set of one of America's most groundbreaking shows. Manboob Nation - Nathan Goodyear 2014-02-27 Testosterone provides the hormonal foundation for masculinity, determining what it means to be male. So what does a global decline in testosterone levels say about the current generation of men? Why is the greatest testosterone decline seen in American men under the age of thirty? A broken, reactive medical system isn't concerning itself with answering these questions. The medical profession classifies testosterone loss as "testicular dysgenesis syndrome." Calling a condition a syndrome, however, is just a fancy medical term for "we don't know why this is happening." When a condition is classified as a syndrome, the symptoms receive treatment, not the cause. Nathan Goodyear, MD rejects reactive approaches to testosterone loss, as well as the pharmacological marketing that sees low testosterone as the latest cash cow. Instead, he

offers a solution. Dr. Goodyear argues that low testosterone results from eight specific causes, backing up his claim with hard scientific facts and outlining treatment options for each cause. With proper treatment, low testosterone levels can be reversed.

Change the Workgame - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. *Change the WorkGame* has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and

inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in *Change the WorkGame*, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and

heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.
