Operas in German - Margaret Ross Griffel 2018-01-23

With nearly three thousand new entries, the revised edition of Operas in German: A Dictionary is the most current encyclopedic treatment of operas written specifically to a German text from the seventeenth century through 2016. Musicologist Margaret Ross Griffel details the operas' composers, scores, librettos, first performances, and

bibliographic sources. Four appendixes then list composers, librettists, authors whose works inspired or were adapted for the opera librettos, and a chronological listing of the entries in the A-Z section. The bibliography details other dictionaries and encyclopedias, performance studies, collections of plot summaries, general studies on operas, sources on locales where opera premieres took place, works on the history of operas in German, and selective volumes on individual opera composers, librettists, producers, directors, and designers. Finally, two indexes list the main characters in each opera and the names of singers, conductors, producers, composers, directors, choreographers, and arrangers. The revised edition of Operas in German provides opera historians, musicologists, performers, and opera lovers with an invaluable resource for continued study and enjoyment. As the most current encyclopedic collection of German opera from the seventeenth century through the twenty-first, Operas in German is an invaluable resource for opera historians, musicologists, performers, and opera lovers.

**Children in Opera** - Andrew Sutherland 2020-12-03

This book provides a musicological investigation into operas that include children. Just over 100 works have been selected here for an in-depth discussion of the composer, the children, and the productions, and around 250 relevant works from around the world are also referenced. Four composers to have most significantly proliferated the medium are

discussed in even greater detail: César Cui, Benjamin Britten, Gian Carlo Menotti, and Peter Maxwell Davies. Since opera began, it has been inextricably linked to society, by reflecting and shaping our culture through music and narrative, and, as a result, children have been involved. Despite the contribution they played, for several centuries, their importance was overlooked. By tracing the development of children's participation in opera, this book uncovers the changing attitudes of composers towards them, and how this was reflected in the wider society. From the early productions of the seventeenth century, to those of the twenty-first century, the operatic children's role has undergone a fundamental change. It almost seems that contemporary composers of operas view the inclusion of children in some way as ubiquitous. The rise of the children's opera chorus and the explosion of children's-only productions attest to the changing view of the value they can bring to the art. Some of the children to have characterised these roles are discussed in this book in order to redress the disproportionate lack of acknowledgement they often received for their performances.

*While the Music Played* - Nathaniel Lande 2020-05-12

"We were the dreamers of dreams, the singers of songs. We were the music makers. We would not hear nor play nor love without each other. This is a prelude to our experience, an overture to who we were and how we arrived on the shores of friendship." Beginning in 1939 prewar Prague, *While the Music Played* focuses on the story of young Max Mueller, a curious bright romantic—a budding musician, piano tuner, and nascent journalist. Max is on the cusp of adolescence when the Nazi influence invades Prague's tolerant spirit with alarming speed as he struggles to understand the changing world around him. When his father, noted German conductor Viktor Mueller, is conscripted into the German army and finds himself increasingly promoting the Nazi message, Viktor's best friend, noted Czech composer Hans Krása, protests the occupation in every way he can. As everyone Max loves is compromised by intolerable conditions, he becomes increasingly isolated, and is forced to find his own way. With each step, Max's journey grows more conflicted. Music is the one constant connecting him to both the lost childhood he cherishes and the man he still hopes to become. But will it be enough to sustain him against the relentless Nazi threat? With a seamless blend of historical and fictional characters, told from multiple points of view, and sweeping across the capitals of Prague, London, and Berlin as World War II ravages Europe, this meticulously researched book is unique with its diverse and interweaving narratives, threaded with news accounts, and encompassing some of the most triumphant and

devastating moments of the war—from the opera houses of Berlin to the music halls of London and the making of the famous children's opera *Brundibár*. While the Music Played is a lyrical, absorbing, and heartbreaking story of love and courage from the widely revered and bestselling author Nathaniel Lande.

*Death and Love in the Holocaust* - Steve Hochstadt 2022-03-01

Kurt and Sonja Messerschmidt were among the last Jews deported from Nazi Berlin. They were among a handful of couples who were married in Theresienstadt, and are possibly the only pair who lived to describe their wedding. They survived Auschwitz, and unimaginable slave labor in other camps. Kurt was one of two survivors of a group of death marchers in southern Germany. They found each other again after liberation, and eventually emigrated to the United States. As told to Steve Hochstadt as part of the Holocaust and Human Rights Center of Maine's project to record and preserve individual experiences of Holocaust survivors, this book captures Kurt's and Sonja's separate but always intertwined stories. Their accounts, as improbable as they are moving, tell from both sides how a loving relationship formed in persecution became an element

of survival in the Holocaust.

*Art, Music, and Education as Strategies for Survival* - Moravian College. Payne Gallery 2001

"Theresienstadt was the Jewish ghetto (1941-45) created by the Nazis within the walled garrison town of Terezín, Czech Republic, to which many of Europe's Jewish cultural elite were deported, and where their artistic activities were allowed flourish despite the ghetto's hidden purpose as a prison and conduit to Auschwitz-Birkenau and other Nazi concentration camps. Considered as a whole, the art of the Theresienstadt ghetto forms one of the most complex - and most neglected - bodies of work of the past century." -- Book cover.

*Theological Stains* - Assaf Shelleg 2020-11-20

*Theological Stains* offers the first in-depth study of the development of art music in Israel from the mid-twentieth century to the turn of the twenty-first. In a bold and deeply researched account, author Assaf Shelleg explores the theological grammar of Zionism and its impact on the art music written by emigrant and native composers. He argues that Israeli art music, caught in the tension between a bibliocentric territorial nationalism on the one hand and the histories of deterritorialized Jewish diasporic cultures on the other, often features elements of both of these competing narratives. Even as composers critically engaged with the Zionist paradigm, they often reproduced its tropes and symbols, thereby creating aesthetic hybrids with 'theological stains.' Drawing on newly uncovered archives of composers' autobiographical writings and musical sketches, Shelleg closely examines the aesthetic strategies that different artists used to grapple with established nationalist representations. As he puts the history of Israeli art music in conversation with modern Hebrew literature, he weaves a rich tapestry of Israeli culture and the ways in which it engaged with key social and political developments

throughout the second half of the twentieth century. In analyzing Israeli music and literature against the backdrop of conflicts over territory, nation, and ethnicity, *Theological Stains* provides a revelatory look at the complex relationship between art and politics in Israel.

**Caroline, or Change** - Tony Kushner 2004-09-01

"There are moments in the history of theatre when stagecraft takes a new turn. I like to think that this happened for the American musical last week, when Tony Kushner's *Caroline, or Change* (at the Public), a collaboration with composer Jeanine Tesori and the director George C. Wolfe, bushwhacked a path beyond the narrative end of the deconstructed, overfreighted musicals of the past thirty years."—John Lahr, *The New Yorker* Louisiana, 1963: A nation reeling from the burgeoning Civil Rights Movement and the Kennedy assassination. *Caroline*, a black maid, and Noah, the son of the Jewish family she works for, struggle to find an identity for their friendship. Through their intimate story, this beautiful new musical portrays the changing rhythms of a nation. Tony Kushner and composer Jeanine Tesori have created a story that addresses contemporary questions of culture, community, race and class through the lens and musical pulse of the 1960s. Tony Kushner is best known for the two-part masterwork, *Angels in America*, recently produced by HBO as a six-hour television event, directed by Mike Nichols to universal acclaim. His other plays include *Homebody/Kabul*, *A Bright Room Called Day* and *Slavs!*; as well as adaptations of Corneille's *The Illusion*, Ansky's *The Dybbuk*, Brecht's *The Good Person of Szechuan* and Goethe's *Stella*. Current projects include: *Henry Box Brown* or *The Mirror of Slavery* and *St. Cecilia* or *The Power of Music*. He recently collaborated with Maurice Sendak on an American version of the children's opera, *Brundibar*. He grew up in Lake Charles, Louisiana, and he lives in New York. Jeanine Tesori wrote the score for *Thoroughly Modern Millie*, which won the 2002 Tony and Drama Desk Awards for Best Musical and the multiple-award-winning *Violet*.

**PAJ** - 2000

**Nešarim** - Thelma Gruenbaum 2004

Focuses on the lives of nine Jews who survived as children in Theresienstadt. They spent 1942-44 with their "madrich" or leader, 20-

year-old Franta (Francis Maier), as part of a group of 40 Nesharim (Eagles). After a short discussion on various aspects of the camp, pp. 55-171 present interviews taken by the author, the wife of one of the "boys". The survivors, including Franta, relate their experiences during and after the Holocaust. Despite the horrors of ghetto life, that were felt more by their parents, these boys were mostly concerned with sports activities and their lessons. They were greatly influenced by Franta's idealism. Their reunions decades later and the contacts between them testify to the communal values they internalized as Nesharim. The boys are mentioned by their nicknames: Špulka (Erich Spitz), Kikina (George Repper), Míša (Michael Gruenbaum), Pajík (Paul Weiner), Pavel (Paul Huppert), Gorila (Jan Strebinger), Majošek (Martin Mayer), Robin (Robert Herz), and Extrabuřt (Hanuš Holzer). Franta, Pavel, Gorila, and Robin were eventually deported to other camps and Majošek was sent on a transport to Switzerland. Two additional Nesharim survived the war but, unlike the others, remained in Czechoslovakia; they died before they could be interviewed.

#### **Postcards from Absurdistan** - Derek Sayer 2022-11-01

A sweeping history of a twentieth-century Prague torn between fascism, communism, and democracy—with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural and political history of Prague from 1938, when the Nazis destroyed Czechoslovakia's

artistically vibrant liberal democracy, to 1989, when the country's socialist regime collapsed after more than four decades of communist dictatorship. Derek Sayer shows that Prague's twentieth century, far from being a story of inexorable progress toward some "end of history," whether fascist, communist, or democratic, was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan. Situated in the eye of the storms that shaped the modern world, Prague holds up an unsettling mirror to the absurdities and dangers of our own times. In a brilliant narrative, Sayer weaves a vivid montage of the lives of individual Praguers—poets and politicians, architects and athletes, journalists and filmmakers, artists, musicians, and comedians—caught up in the crosscurrents of the turbulent half century following the Nazi invasion. This is the territory of the ideologist, the collaborator, the informer, the apparatchik, the dissident, the outsider, the torturer, and the refugee—not to mention the innocent bystander who is always looking the other way and Václav Havel's greengrocer whose knowing complicity allows the show to go on. Over and over, Prague exposes modernity's dreamworlds of progress as confections of kitsch. In a time when democracy is once again under global assault, Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world.

#### **Prague in Danger** - Peter Demetz 2009-04-14

A dramatic account of life in Czechoslovakia's great capital during the Nazi Protectorate With this successor book to Prague in Black and Gold, his account of more than a thousand years of Central European history, the great scholar Peter Demetz focuses on just six short years—a tormented, tragic, and unforgettable time. He was living in Prague then—a "first-degree half-Jew," according to the Nazis' terrible categories—and here he joins his objective chronicle of the city under German occupation with his personal memories of that period: from the bitter morning of March 15, 1939, when Hitler arrived from Berlin to set his seal on the Nazi takeover of the Czechoslovak government, until the liberation of Bohemia in April 1945, after long seasons of unimaginable suffering and pain. Demetz expertly interweaves a superb account of the

German authorities' diplomatic, financial, and military machinations with a brilliant description of Prague's evolving resistance and underground opposition. Along with his private experiences, he offers the heretofore untold history of an effervescent, unstoppable Prague whose urbane heart went on beating despite the deportations, murders, cruelties, and violence: a Prague that kept its German- and Czech-language theaters open, its fabled film studios functioning, its young people in school and at work, and its newspapers on press. This complex, continually surprising book is filled with rare human detail and warmth, the gripping story of a great city meeting the dual challenge of occupation and of war.

**The Sound of Hope** - Kellie D. Brown 2020-06-05

Since ancient times, music has demonstrated the incomparable ability to touch and resonate with the human spirit as a tool for communication, emotional expression, and as a medium of cultural identity. During World

War II, Nazi leadership recognized the power of music and chose to harness it with malevolence, using its power to push their own agenda and systematically stripping it away from the Jewish people and other populations they sought to disempower. But music also emerged as a counterpoint to this hate, withstanding Nazi attempts to exploit or silence it. Artistic expression triumphed under oppressive regimes elsewhere as well, including the horrific siege of Leningrad and in Japanese internment camps in the Pacific. The oppressed stubbornly clung to music, wherever and however they could, to preserve their culture, to uplift the human spirit and to triumph over oppression, even amid incredible tragedy and suffering. This volume draws together the musical connections and individual stories from this tragic time through scholarly literature, diaries, letters, memoirs, compositions, and art pieces. Collectively, they bear witness to the power of music and offer a reminder to humanity of the imperative each faces to not only remember, but to prevent another such cataclysm.

*The Girls of Room 28* - Hannelore Brenner 2009-09-01

From 1942 to 1944, twelve thousand children passed through the Theresienstadt internment camp, near Prague, on their way to Auschwitz. Only a few hundred of them survived the war. In *The Girls of Room 28*, ten of these children—mothers and grandmothers today in their seventies—tell us how they did it. The Jews deported to Theresienstadt from countries all over Europe were aware of the fate that awaited them, and they decided that it was the young people who had the best chance to survive. Keeping these adolescents alive, keeping them whole in body, mind, and spirit, became the priority. They were housed separately, in dormitory-like barracks, where they had a greater chance of staying healthy and better access to food, and where counselors (young men and women who had been teachers and youth workers) created a disciplined environment despite the surrounding horrors. The counselors also made available to the young people the talents of an amazing array of world-class artists, musicians, and playwrights—European Jews who were also on their way to Auschwitz. Under their instruction, the children produced art, poetry, and music,

and they performed in theatrical productions, most notably Brundibar, the legendary “children’s opera” that celebrates the triumph of good over evil. In the mid-1990s, German journalist Hannelore Brenner met ten of these child survivors—women in their late-seventies today, who reunite every year at a resort in the Czech Republic. Weaving her interviews with the women together with excerpts from diaries that were kept secretly during the war and samples of the art, music, and poetry created at Theresienstadt, Brenner gives us an unprecedented picture of daily life there, and of the extraordinary strength, sacrifice, and indomitable will that combined—in the girls and in their caretakers—to

make survival possible.
