Time On My Hands - Giorgio

Vasta 2013-06-18

Palermo, Sicily, 1978. The Christian Democrat leader Aldo Moro has just been kidnapped in Rome by members of the notorious Red Brigades. Two months after his disappearance on 9th May, Moro is found dead in the boot of a car. A trio of eleven-year-old schoolboys, Nimbo, Raggio, and Volo, avidly follow the news of the abduction as their admiration for the brigatisti grows. When the boys themselves resolve to abduct a classmate and incarcerate him in a makeshift 'people's prison', the darkness within their world, and the world of the novel, becomes all-pervasive. A vivid and hellish description of Sicily in the late seventies, *Time on my Hands* is an unforgettable novel from a significant new voice in Italian fiction.

The Book of Disquiet -

Fernando Pessoa 2010-12-09
Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

This Book Is a Planetarium -

Kelli Anderson 2017-09-26
Never has humble paper had such radical ambitions. Defying every expectation of what a

book can be, this pop-up extravaganza transforms into six fully functional tools: a real working planetarium projecting the constellations, a musical instrument complete with strings for strumming, a geometric drawing generator, an infinite calendar, a message decoder, and even a speaker that amplifies sound. Artist Kelli Anderson contributes enlightening text alongside each pop-up, explaining the scientific principles at play in her constructions and creating an interactive experience that's as educational as it is extraordinary. Inspiring awe that lasts long after the initial pop, *This Book Is a Planetarium* leaves readers of all ages with a renewed appreciation for the way things work—and for the enduring magic of books.

Five Feet Apart - Rachael
Lippincott 2019-02-05

Now a major motion picture
starring Cole Sprouse and
Haley Lu Richardson!
Goodreads Choice Winner, Best
Young Adult Fiction of 2019 In
this #1 New York Times
bestselling novel that's perfect
for fans of John Green's *The
Fault in Our Stars*, two teens
fall in love with just one minor
complication—they can't get
within a few feet of each other
without risking their lives. Can
you love someone you can
never touch? Stella Grant likes
to be in control—even though
her totally out of control lungs
have sent her in and out of the
hospital most of her life. At this
point, what Stella needs to
control most is keeping herself
away from anyone or anything
that might pass along an
infection and jeopardize the

possibility of a lung transplant.
Six feet apart. No exceptions.
The only thing Will Newman
wants to be in control of is
getting out of this hospital. He
couldn't care less about his
treatments, or a fancy new
clinical drug trial. Soon, he'll
turn eighteen and then he'll be
able to unplug all these
machines and actually go see
the world, not just its hospitals.
Will's exactly what Stella needs
to stay away from. If he so
much as breathes on Stella she
could lose her spot on the
transplant list. Either one of
them could die. The only way
to stay alive is to stay apart.
But suddenly six feet doesn't
feel like safety. It feels like
punishment. What if they could
steal back just a little bit of the
space their broken lungs have
stolen from them? Would five
feet apart really be so
dangerous if it stops their
hearts from breaking too?

**In the Sea There are
Crocodiles** - Fabio Geda
2011-08-09

When ten-year-old Enaiatollah
Akbari's small village in
Afghanistan falls prey to

Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and

humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

The Witches - Roald Dahl
2007-08-16

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches.

Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

Gravity's Rainbow - Thomas Pynchon 2012-06-13

Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as "the most profound and accomplished American novel since the end of World War II."

Message In A Bottle - Nicholas Sparks 2011-04-07

In a moment of desolation on a windswept beach, Garrett bottles his words of undying

love for a lost woman, and throws them to the sea. My dearest Catherine, I miss you my darling, as I always do, but today is particularly hard because the ocean has been singing to me, and the song is that of our life together . . . But the bottle is picked up by Theresa, a mother with a shattered past, who feels unaccountably drawn to this lonely man. Who are this couple? What is their story? Beginning a search that will take her to a sunlit coastal town and an unexpected confrontation, it is a tale that resonates with everlasting love and the enduring promise of redemption.

The Notebook - Nicholas Sparks 2014-06-24

Every so often a love story captures our hearts and becomes more than just a story - it becomes an experience to treasure and to share. The Notebook is such a book. It is a celebration of a passion both ageless and timeless, a tale of laughter and tears, and makes us believe in true love all over again. At thirty-one, Noah Calhoun is rebuilding his life on the coast after the horrors of World War II, but he is haunted by images of the girl he lost more than a decade earlier. Allie Nelson is about to marry into wealth and security, but she cannot stop thinking about the boy who stole her heart years ago. And so begins an extraordinary tale of a love so strong it turns tragedy into strength and endures everything . . . 2014 marks the 10th anniversary of the film adaptation of The Notebook starring Ryan Gosling and Rachel McAdams. This new

edition includes gorgeous colour photographs from the film, author Q & A, discussion questions and an exclusive chapter from The Longest Ride, the new Nicholas Sparks novel. [Bluey: Bluey and Friends Sticker Activity](#) - BLUEY.

The Weeping Tide - Amanda Foody 2022-02-01

Barclay and his friends must save an island city from the Legendary Beast of the Sea in this “charming and earnest” (Kirkus Reviews) sequel to the New York Times bestselling *The Accidental Apprentice*, perfect for fans of *Nevermoor* and *How to Train Your Dragon*. *Something is wrong at the Sea*. The weeping tide, a carnivorous algae bloom, is eating up all the fish. Beasts are terrorizing the nearby Elsewheres. And Lochmordra, the Legendary Beast, is rising at random and swallowing ships whole. Barclay’s teacher, the famous Guardian Keeper Runa Rasgar, has been summoned to investigate, and as her apprentice, Barclay gets to join too. But Runa’s nemesis has also been called to the Sea, and he’s brought apprentices of his own. When the not-so-friendly competition between them grows fierce, it’s

Barclay—the only one from the Elsewheres—who can’t seem to keep up. The key to stopping Lochmordra lies in his mythical home, but as the flood of the weeping tide encroaches, time is running out to find it. If the rival groups can’t cast aside old grudges and learn to work together, soon the Sea will be destroyed completely. And all the while Barclay must ask himself: is there truly a place for him in the Wilderlands?

The Leopard - Giuseppe Di Lampedusa 2007-11-06

Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing

it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

WITH FEATURETTES FROM
NICHOLAS SPARKS AND THE

MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS

OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the

passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
