Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Autobiography - Rudolf Steiner 2006-05

Written 1924-1925 (CW 28) "Because I entered this world with defined soul predispositions, and because the course of my life, as expressed in my biography, is determined by those predispositions, as a spiritual human being I must have existed before my birth. As a being of spirit, I must be the repetition of someone through whose biography mine can be explained. In each life the human spirit appears as a repetition of itself with the fruits of experiences during previous lives. --Rudolf Steiner Rudolf Steiner seldom spoke of himself in a personal way, but in his Autobiography we are offered a rare glimpse into some of the most intimate aspects of his inner life, his personal relationships, and significant events that helped to shape the philosopher, seer, and teacher he became. This edition restores the original format of seventy chapters, just as they were written for the Goetheanum weekly newsletter. This autobiography is not merely a narrative of Rudolf Steiner's successes and failures, but the story of a soul possessed of a precise, probing scientific mind and a natural clairvoyant ability to see into the spiritual world. Although naturally clairvoyant, Steiner always recognized the integrity and importance of modern scientific methods, and thus he developed a modern discipline he named Anthroposophy, or spiritual science. During the century that followed the events recorded in this autobiography, Rudolf Steiner's insights have touched and enriched numerous areas of life in ways that continue to transform people's lives in the twenty-first century. This illustrated, revised, updated, and expanded edition was the first volume to be released in The Collected Works of Rudolf Steiner. This series will eventually collect all of the English translations of Rudolf Steiner's works—including many never before in English—into an attractive and uniform set of his written and spoken words. Contents: Series Foreword, Introduction, and Chronological Context Part 1: Seeds of Awakening, Wiener-Neustadt to Vienna, 1861-1890 Part 2: Fertile Ground, Weimar, 1890 -1897 Part 3: Must I Remain Unable to Speak?, Berlin, 1897 -1907 A Chronology of Rudolf Steiner's Life and Work by Paul Allen Editorial and Reference Notes by Paul Allen (updated) Annotated Bibliography Index This volume is a translation from German of «Mein Lebensgang» (GA 28). A previous translation was titled The Course of My Life (1951).

Make Your Mess Your Memoir - Anna David 2020-06

These days, there's no better business tool than a book. But most people don't know how to write one or even where to start. Turns out the best place is the messy middle. Anna David knows this more than anyone. When the New York Times bestselling author of seven books got sober and sold a book about her recovery to the biggest publisher in the world, she thought she'd made it. Then she learned the hard way that trying to make a living by selling books to traditional publishers was a cruel joke—and that accepting the unacceptable was no way to live. The publishing industry was ripe for disrupting. But first David had to make a mess and then learn from it. After years of struggle and self-discovery, she ended up not only

mentoring and publishing hundreds of bestselling authors but also thriving personally and professionally. Now she's sharing what she's learned—and showing others how to do the same. In this page-turning and useful memoir-meets-manual, David reveals her personal lows (doing cocaine by herself while contemplating suicide), her career lows (a past-his-prime celebrity hurling a phone at her as she wrote his biography) and how her life today wouldn't be possible without those experiences. With deft humor and unique insight, David demonstrates how much early childhood programming can set us up to repeat our own dysfunctional patterns—until we're ready to shift our behavior. The last quarter of the book is a practical guide so that readers can make their own mess into a message—and memoir.

I'm Glad My Mom Died - Jennette McCurdy 2022-08-09

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The autobiography - Mark Twain 1959

Slash - Slash 2009-10-13

From one of the greatest rock guitarists of our era comes a memoir that redefines sex, drugs, and rock 'n' roll. He was born in England but reared in L.A., surrounded by the leading artists of the day amidst the vibrant hotbed of music and culture that was the early seventies. Slash spent his adolescence on the streets of Hollywood, discovering drugs, drinking, rock music, and girls, all while achieving notable status as a BMX rider. But everything changed in his world the day he first held the beat-up one-string guitar his grandmother had discarded in a closet. The instrument became his voice and it triggered a lifelong passion that made everything else irrelevant. As soon as he could string chords and a solo together, Slash wanted to be in a band and sought out friends with similar interests. His closest friend, Steven Adler, proved to be a conspirator for the long haul. As hairmetal bands exploded onto the L.A. scene and topped the charts, Slash

sought his niche and a band that suited his raw and gritty sensibility. He found salvation in the form of four young men of equal mind: Axl Rose, Izzy Stradlin, Steven Adler, and Duff McKagan. Together they became Guns N' Roses, one of the greatest rock 'n' roll bands of all time. Dirty, volatile, and as authentic as the streets that weaned them, they fought their way to the top with groundbreaking albums such as the iconic Appetite for Destruction and Use Your Illusion I and II. Here, for the first time ever, Slash tells the tale that has yet to be told from the inside: how the band came together, how they wrote the music that defined an era, how they survived insane, never-ending tours, how they survived themselves, and, ultimately, how it all fell apart. This is a window onto the world of the notoriously private guitarist and a seat on the roller-coaster ride that was one of history's greatest rock 'n' roll machines, always on the edge of self-destruction, even at the pinnacle of its success. This is a candid recollection and reflection of Slash's friendships past and present, from easygoing Izzy to ever-steady Duff to wild-child Steven and complicated Axl. It is also an intensely personal account of struggle and triumph: as Guns N' Roses journeyed to the top, Slash battled his demons, escaping the overwhelming reality with women, heroin, coke, crack, vodka, and whatever else came along. He survived it all: lawsuits, rehab, riots, notoriety, debauchery, and destruction, and ultimately found his creative evolution. From Slash's Snakepit to his current band, the massively successful Velvet Revolver, Slash found an even keel by sticking to his guns. Slash is everything the man, the myth, the legend, inspires: it's funny, honest, inspiring, jaw-dropping . . . and, in a word, excessive.

Mark Twain's Own Autobiography - Mark Twain 1990

Presents writings which first appeared in the "North American Review" in 1906 and 1907

From the Course of My Life - Rudolf Steiner 2013

Your favorite occupation? Pondering and musing. Your idea of happiness? Pondering and musing. Your most extreme aversion? Pedantry and a sense of order. Of what are you afraid? Punctuality. These quotations are from a questionnaire filled in by a young man in his late twenties. That person, Rudolf Steiner, would later initiate Spiritual Science, or Anthroposophy, and the many practical disciplines that arose from it. Eventually, he would write his Autobiography: Chapters in the Course of My Life, although its completion would be interrupted by his unexpected death. This book is an essential complement to Steiner's unfinished Autobiography. It gathers a wealth of personal testimonies--including lectures, r sum s, notebook entries, a questionnaire, as well as biographical notes written for douard Schur --much of which has not been previously published in English. The various materials, together with rare photographs, have been expertly collated and introduced by Walter Kugler. See also the comprehensive biography by Christoph Lindenberg, Rudolf Steiner: A Biography.

After I was Sixty - Roy Herbert Thomson Baron Thomson of Fleet 1975

Chapters from an Autobiography - Samuel M. Steward 1981

Here Samuel Steward retraces many of the twists and turns his amazing life has followed. He grew up in small-town Ohio in the early years of the century, became a college professor in Chicago and traveled to Europe to meet famous writers. He knew Lord Alfred Douglas, André Gide, Thomas Mann and Thornton Wilder. Best of all, he describes his long friendship with Gertrude Stein and Alice B. Toklas and his visits to them in Bilignin and Paris. His next metamorphosis was as "Phil Sparrow," tattoo artist and "unofficial collaborator" with Dr. Alfred Kinsey. Concurrently he became "Phil Andros," narrator of the gamey adventures of a well-endowed hustler through six novels and many short stories. Now he looks back over his several careers, recalls in memory his favorite lovers, and counsels the cultivation of detachment.

My Autobiography - Mark Twain 1999-06-01

Famed American author's plain-spoken words recall his boyhood in Hannibal, Missouri, life as a riverboat pilot, as a young adult in rough Nevada mining towns, years spent as a widely renowned author, more.

Will - Will Smith 2021-11-09

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up

fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Real Frank Zappa Book - Frank Zappa 1989

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

Chapters of My Life - Samuel Waddington 1909

Chapters of Experience - Gordon O. Taylor 1987-03-01

Ten Years of Preacher-Life - William Henry Milburn 2017-05-11

Private Parts - John D. Simons 1974

An autobiography by the original "shock jock" shares his observations on politics, current affairs, women, and the entertainment business

Assata - Assata Shakur 2016-02-15

'Deftly written...a spellbinding tale.' The New York Times In 2013 Assata Shakur, founding member of the Black Liberation Army, former Black Panther and godmother of Tupac Shakur, became the first ever woman to make the FBI's most wanted terrorist list. Assata Shakur's trial and conviction for the murder of a white state trooper in the spring of 1973 divided America. Her case quickly became emblematic of race relations and police brutality in the USA. While Assata's detractors continue to label her a ruthless killer, her defenders cite her as the victim of a systematic, racist campaign to criminalize and suppress black nationalist organizations. This intensely personal and political autobiography reveals a sensitive and gifted woman. With wit and candour Assata recounts the formative experiences that led her to embrace a life of activism. With pained awareness she portrays the strengths, weaknesses and eventual demise of black and white revolutionary groups at the hands of the state. A major contribution to the history of black liberation, destined to take its place alongside The Autobiography of Malcolm X and the works of Maya Angelou.

Chapters from a Floating Life - Fu Shen 1960

Dreams from My Father - Barack Obama 2007-01-09

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the

intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Finding Me - Viola Davis 2022-04-26

OPRAH’S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK “It’s clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; *Finding Me* reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all.”—USA Today “[A] fulfilling narrative of struggle and success....Her gorgeous storytelling will inspire anyone wishing to shed old labels.”—Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn’t always see me. As I wrote *Finding Me*, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. *Finding Me* is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you. *One of Them* - Elizabeth Hasanovitz 1918

Later Chapters of My Life - Queen Marie (consort of Ferdinand I, King of Romania) 2004

The granddaughter of Queen Victoria and Tsar Alexander II of Russia, Queen Marie of Romania was one of the most brilliant monarchs of the 20th century. This recently discovered last volume of her memoirs covers the period following the First World War, and the new political configuration in united Romania.

Steve Jobs - Walter Isaacson 2011

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

Chapters from My Autobiography - Mark Twain 2022-09-15

'Chapters from My Autobiography' are twenty-five pieces of autobiographical work published by American author Mark Twain in the *North American Review* between September 1906 and December 1907. Rather than following the standard form of an autobiography, they comprise a rambling collection of anecdotes and

ruminations. Much of the text was dictated.

A Chapter of Autobiography - William Ewart Gladstone 1868

32 Chapters - Taria Love Figueroa 2021-01-22

What is 32 Chapters about? This autobiography, is about my childhood throughout my adulthood and symbolizes my 32 years on this earth. It talks about me dealing with a parent who was addicted to drugs, while the other was murdered when I was a baby. It addresses my struggles with my own mental health, and my relationships with family and friends. It talks about me experiencing postpartum depression after my daughter was born. This book is about me navigating through life feeling like I was hopeless and me reclaiming that reassurance in myself as the years have passed by. It's about my dark days, and me constantly searching for better ones. I want my story to be heard because I know there is someone that probably has had a similar life as me and I want it serve as a Beacon that says, even though you may have been dealt a rough hand in life, never give up, and talking through the pain is the greatest healing that comes from it.

Fifteen Chapters of Autobiography - George W.E. Russell 2018-05-15

Reproduction of the original: *Fifteen Chapters of Autobiography* by George W.E. Russell

[From the Deep Woods to Civilization](#) - Charles Alexander Eastman 1917

My Life So Far (with Bonus Content) - Jane Fonda 2005-04-05

#1 NEW YORK TIMES BESTSELLER • Discover Jane Fonda, in her own words—and now experience the story of her life in the HBO documentary *Jane Fonda in Five Acts*. “To hold this book in your hands is to be astonished by how much living can be packed into sixty-plus years.”—Los Angeles Times America knows Jane Fonda as actress and activist, feminist and wife, workout guru and role model. In this extraordinary memoir, Fonda shows that she is much more. From her youth among Hollywood’s elite to her film career and her activism today, Fonda reveals intimate details and personal truths she hopes “can provide a lens through which others can see their lives and how they can live them a little differently.” Surprising, candid, and wonderfully written, *My Life So Far* is filled with insights into the personal struggles of a woman living a remarkable life. “In the process of writing this book I discovered there were clear, broad, even universal themes that ran through my life, a coherent arc to my journey that, if I could be truthful in the telling, might provide a road map for other women as they face the challenges of relationships, self-image, and forgiveness. What I did not anticipate was how my journey would also resonate with men.”—From the Introduction This eBook includes the full text of the book plus the following additional content: • 50 new photos from Jane Fonda’s personal and family archives, many often never seen in public • A free chapter from Jane Fonda’s *Prime Time Praise for My Life So Far* “[A] sisterly, enveloping memoir . . . an intimate, haunting book that might as well be catnip from its ever controversial author.”—Janet Maslin, *The New York Times* “Terrific . . . rich . . . unexpectedly quite moving.”—*San Francisco Chronicle* “Fiercely intelligent, detailed, probing, rigorously revealing.”—*O: The Oprah Magazine* “Fonda possesses a raw and affecting candor. . . . Her honesty [is] a force.”—*The Philadelphia Inquirer* “A fearless book . . . fascinating.”—*Chicago Sun-Times* “Truly compelling.”—*The Atlanta Journal-Constitution* “Riveting.”—*Seattle Post-Intelligencer*

Chapters in the life of a Dundee factory boy, an autobiography [by J. Myles]. - James Myles 1850

First edition in book form, originally published in the columns of the *Northern Warder* according to the dedication. The author, who worked first in a spinning mill, writes of the moral degradation of the female spinners and the drinking habits in mills, and of his own reading (Defoe, Smollet, Bunyan). He then turned

shoemaker, met Robert Nicoll, the poet, married, and settled down. An uncommon contribution to Victorian working-class literature.

Chapters from My Autobiography - Марк Твен 2022-01-29

Mark Twain began writing his autobiography long before the 1906 publications of "Chapters from my Autobiography". He originally planned to have his memoirs published only after his death but realized, once he'd passed his 70th year, that a lot of the material might be OK to publish before his departure. While much of the material consists of stories about the people, places and incidents of his long life, there're also several sections from his daughter.

There's a Hole in My Sidewalk - Portia Nelson 2012-04-17

Discover the beloved self-help classic featuring moving poems and insightful truisms that "is full of practical wisdom that will allow you to embrace and change your life" (John Gray, Ph.D., author of *Men Are from Mars, Women Are from Venus*). Individuals, therapy groups, twelve-step programs, and the self-help community around the world have embraced the late Portia Nelson's brilliant *There's a Hole in My Sidewalk*. Warm, wise, and funny, her seminal poem "Autobiography in Five Chapters" is a treasured and often quoted motto for anyone seeking to better themselves and their life. "Treat yourself to a special book by a special lady" (Carol Burnett) with this perfect inspirational and motivational gift.

The Autobiography of Malcolm X - Malcolm X 2015-11-26

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

Life of the Fly - J. Henri Fabre 2006

"The life of a fly" is a beautiful biography of a normal house fly. The author covers all the details of its daily activities very intricately. The novel depicts author's love and knowledge for nature and his keen interest in generally ignorant species. Worth reading!

Mark Twain's Autobiography - Samuel Langhorne Clemens 1924

Selected from Mark Twain's typescript.

The Autobiography of an Ex-Colored Man - James Weldon Johnson 2020-08-17T23:42:12Z

The protagonist of this fictional autobiography wrestles with race in America from the perspective of

someone who learns that he is considered black but also that he can pass as white if he wants to. His personal ambitiousness and racial ambivalence makes him a sort of American Hamlet: undone by indecision. Will he be "a credit to his race" by advancing an African-American heritage he loves and appreciates in the face of a hostile culture, or will he retreat into the mediocrity of a safe, white, middle-class family life? Along the way, he shares his penetrating observations about race relations in the American north and south, about the "freemasonry" of subterranean black American culture, about the emerging bohemian jazz subculture in New York City, and about traditions of African American religious music and oratory. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Genome - Matt Ridley 2013-03-26

"Ridley leaps from chromosome to chromosome in a handy summation of our ever increasing understanding of the roles that genes play in disease, behavior, sexual differences, and even intelligence. . . . He addresses not only the ethical quandaries faced by contemporary scientists but the reductionist danger in equating inheritability with inevitability." — *The New Yorker* The genome's been mapped. But what does it mean? Matt Ridley's *Genome* is the book that explains it all: what it is, how it works, and what it portends for the future Arguably the most significant scientific discovery of the new century, the mapping of the twenty-three pairs of chromosomes that make up the human genome raises almost as many questions as it answers. Questions that will profoundly impact the way we think about disease, about longevity, and about free will. Questions that will affect the rest of your life. *Genome* offers extraordinary insight into the ramifications of this incredible breakthrough. By picking one newly discovered gene from each pair of chromosomes and telling its story, Matt Ridley recounts the history of our species and its ancestors from the dawn of life to the brink of future medicine. From Huntington's disease to cancer, from the applications of gene therapy to the horrors of eugenics, Ridley probes the scientific, philosophical, and moral issues arising as a result of the mapping of the genome. It will help you understand what this scientific milestone means for you, for your children, and for humankind.

From the Deep Woods to Civilization - Charles A. Eastman 1916

'From deep woods to civilization' continues Eastman's captivating autobiographical work after Indian boyhood, telling the story of his years during school and into his life as a doctor. One of the highest educated Indians of his time, through his social work and his writings he was one of the best-known Indians of the early 20th century.
