It will not waste your time. allow me, the e-book will enormously reveal you new matter to read. Just invest tiny epoch to entre this on-line notice **craig duswalt welcome to my jungle** as with ease as review them wherever you are now.

Into the Black - Paul Brannigan
2014-11-04

Into the Black begins on the eve of the release of Metallica's massive breakthrough with the eponymous LP that became known as "The Black Album." Suddenly, at the dawn of the '90s, Metallica was no longer the biggest thrash metal band in the world-they were the biggest rock band in the world, period. But with such enormous success came new

challenges, as Metallica ran the risk of alienating their original fan base. They were beset by controversy over musical stylistic shifts, supposed concessions to the mainstream, even their choice of haircuts. During this transformative era, journalists Paul Brannigan and Ian Winwood had unprecedented access to Metallica. They accompanied the band on tour and joined them in the studio,

getting exhilarating eyewitness views into the belly of the beast. Together they amassed over 75 hours of interview material, much of it never in print before now. Through changes both musical and personal, Metallica struggled to maintain their identity and remain a viable creative force. A ferocious battle with the file-sharing company Napster saw the quartet attract the worst PR of their career. Meanwhile, communication breakdowns between James Hetfield, Lars Ulrich, Kirk Hammett, and Jason Newsted (who would leave the band in 2001) led to fierce internal arguments, as laid bare in the controversial documentary *Some Kind of Monster*. At the end of the century, Metallica had appeared to be a band teetering on the brink of self-destruction, but through setbacks and struggles they endured and thrived. From *Load*, *Reload*, and *Garage, Inc.* to the stunning return to form in *Death Magnetic* and the massive tours that accompanied them—including

the real story behind the *Big Four* shows—*Into the Black* takes readers inside the heart of Metallica and concludes the saga of one of the greatest rock bands of all time.

Relentless - Yngwie J.

Malmsteen 2013-04-15

The rock-and-roll memoir of one of the world's greatest guitarists Yngwie Malmsteen's revolutionary guitar style—combining elements of classical music with the speed and volume of heavy metal—made him a staple of the 80s rock scene. Decades later, he's still a legend among guitarists, having sold 11 million albums and influenced generations of rockers since. In *Relentless*, Malmsteen shares his personal story, from the moment he burst onto the scene seemingly out of nowhere in the early 80s to become a household name in the annals of heavy metal. Along the way, he talks about his first bands, going solo, his songwriting and recording process, and the seedy side of the rock business. Malmsteen was named one of Time

magazine's ten greatest electric guitar players The author's most recent album, *Spellbound*, was released in December 2012 Ideal for guitar players, heavy metal fans, and those who enjoy rock memoirs

The GMO Deception -

Sheldon Krinsky 2014-06-03

Seventy-five percent of processed foods on supermarket shelves—from soda to soup, crackers to condiments—contain genetically engineered ingredients. The long-term effects of these foods on human health and ecology are still unknown, and public concern has been steadily intensifying. This new book from the Council for Responsible Genetics gathers the best, most thought-provoking essays by the leading scientists, science writers, and public health advocates. Collectively, they address such questions as: Are GM foods safe and healthy for us? Will GM food really solve world hunger? Who really controls the power structure of food production? Are GM foods ecologically safe and

sustainable? Why is it so difficult to get GM foods labeled in the US? What kinds of regulations and policies should be instituted? How is seed biodiversity, of lack thereof, affecting developing countries? Should animals be genetically modified for food? How are other countries handling GM crops? Ultimately, this definitive book encourages us to think about the social, environmental, and moral ramifications of where this particular branch of biotechnology is taking us, and what we should do about it.

The Velvet Rose -

Susan Holmes McKagan 2022-10-21

In the early nineties, Scarlet, a painter and high fashion model, finds herself working in some of the world's most famous fashion capitals. As her adventure continues, she meets Johnny of The Westies, an up-and-coming band on the cusp of superstardom. What ensues is an unhinged ride of a novel following the audacious lead female protagonist as she navigates her life through fame, addiction, infidelity, and

all the ups and downs of dating a legendary musician from one of the biggest rock bands in history. A riveting and heartfelt journey of figuring out one's own path and championing that aspect to finding their dreams. Rich in spirit and relatable for all those who have ever had the courage to chase their dreams and pursue an unconventional path in this glorious world. A page-turner, frequently injected with laugh-out-loud humor, front row seat of fun debut that is being heralded as the earnest generation of authenticity of a nineties voyage, Susan Holmes McKagan shines in *The Velvet Rose*.

Slash - Slash 2009-10-13

From one of the greatest rock guitarists of our era comes a memoir that redefines sex, drugs, and rock 'n' roll. He was born in England but reared in L.A., surrounded by the leading artists of the day amidst the vibrant hotbed of music and culture that was the early seventies. Slash spent his adolescence on the streets of Hollywood, discovering drugs,

drinking, rock music, and girls, all while achieving notable status as a BMX rider. But everything changed in his world the day he first held the beat-up one-string guitar his grandmother had discarded in a closet. The instrument became his voice and it triggered a lifelong passion that made everything else irrelevant. As soon as he could string chords and a solo together, Slash wanted to be in a band and sought out friends with similar interests. His closest friend, Steven Adler, proved to be a conspirator for the long haul. As hairmetal bands exploded onto the L.A. scene and topped the charts, Slash sought his niche and a band that suited his raw and gritty sensibility. He found salvation in the form of four young men of equal mind: Axl Rose, Izzy Stradlin, Steven Adler, and Duff McKagan. Together they became Guns N' Roses, one of the greatest rock 'n' roll bands of all time. Dirty, volatile, and as authentic as the streets that weaned them, they fought their way to the top with

groundbreaking albums such as the iconic Appetite for Destruction and Use Your Illusion I and II. Here, for the first time ever, Slash tells the tale that has yet to be told from the inside: how the band came together, how they wrote the music that defined an era, how they survived insane, never-ending tours, how they survived themselves, and, ultimately, how it all fell apart. This is a window onto the world of the notoriously private guitarist and a seat on the roller-coaster ride that was one of history's greatest rock 'n' roll machines, always on the edge of self-destruction, even at the pinnacle of its success. This is a candid recollection and reflection of Slash's friendships past and present, from easygoing Izzy to ever-steady Duff to wild-child Steven and complicated Axl. It is also an intensely personal account of struggle and triumph: as Guns N' Roses journeyed to the top, Slash battled his demons, escaping the overwhelming reality with women, heroin, coke, crack,

vodka, and whatever else came along. He survived it all: lawsuits, rehab, riots, notoriety, debauchery, and destruction, and ultimately found his creative evolution. From Slash's Snakepit to his current band, the massively successful Velvet Revolver, Slash found an even keel by sticking to his guns. Slash is everything the man, the myth, the legend, inspires: it's funny, honest, inspiring, jaw-dropping . . . and, in a word, excessive.

Here We Are in Paradise -

Intelligence Officer.

Welcome to My Jungle -

Craig Duswalt 2014-05-13
Guns N' Roses fans know the Use Your Illusion tour went on nonstop from 1991 to 1993. They know that concerts sold out in minutes all over the world so fans could hear chart-topping singles Welcome to the Jungle, Sweet Child of Mine, Paradise City, and November Rain live. They know the Use Your Illusion tour was the last for the band with Slash and Duff. But they've only heard rumors of the behind-the-scenes shenanigans. Fortunately for fans, Craig Duswalt hasn't just heard rumors—he knows what went on backstage on one of the longest and most popular music events because he lived it. As Axl Rose's personal manager during the ridiculously long world tour, Duswalt experienced things that would make most people run the other way and never look back. And in Welcome to My Jungle, he shares the sometimes hilarious, sometimes just plain reckless,

and always insane actual happenings on the tour. A true must-read for Guns N' Roses fans, *Welcome to My Jungle* delights readers with hilarious and entertaining exclusive firsthand stories like: •The day Axl Rose, Kurt Cobain, and Courtney Love got into a "huge war" backstage at the MTV Awards •Why Guns N' Roses are forever linked to Charles Manson •The night Liz Taylor walked in on a very nude Slash—and stayed a while

Featuring little-known facts for the ultimate GN'R fan, *Welcome To My Jungle* gives an inside look at what it's really like to live and work with a hugely popular band, from the middle of a rock and roll hurricane.

Goodbye, Guns N' Roses - Art Tavana 2021-04-13

Goodbye, Guns N' Roses transports the reader into a mind-altering trip through the colors, scandals, nihilism, and mythology that make Guns N' Roses so much more than another "hair metal" band. A valentine and a breakup letter to one of rock's most

controversial bands. *Goodbye, Guns N' Roses* is a genre-rattling attempt to explain the appeal of America's most divisive rock band. While it includes uncharted history and the self-lacerating connoisseurship of a Guns N' Roses fetishist, it is not a recycled chronicle — this book is a deconstruction of myth, one that blends high and low art sketches to examine how Guns N' Roses impacted popular culture. Unlike those who have penned other treatments of what might be considered a clichéd subject, Art Tavana is not writing as a GNR patriot or former employee. His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR's explosive appeal. After circling the band's three-decade plundering of American culture, *Goodbye, Guns N' Roses* uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance. This is not a rock

bio but a biography of taste that treats a former “hair metal” band like a decomposing masterpiece. This is the first Guns N’ Roses book written for everyone; from the Sunset Strip to a hyper-digital generation’s connection to “Woke Axl,” it is a pop investigation that dodges no bullets.

The Queen Chronology (2nd Edition) - Patrick Lemieux

2018-04-11

REVISED & EXPANDED 2ND

EDITION The Queen

Chronology is a comprehensive account of the studio and live recording and release history of Freddie Mercury, Brian May, John Deacon and Roger Taylor, who joined forces in 1971 as the classic line-up of the rock band Queen. Years of extensive research have gone into the creation of the Chronology, which covers the very beginnings of band members' careers, their earliest songwriting efforts and recording sessions, through the recording and releasing of Queen's 15 original studio albums with their classic line-

up, to the present-day solo careers of Brian May and Roger Taylor. All of this information is presented date by date in chronological order, with detailed descriptions of each song version, including those both released and known to be unreleased. Every Queen and solo album, single, non-album track, edit, remix and extended version is examined, as are known demos or outtakes, pre-Queen recordings and guest appearances.

Quivers - Robin Quivers 1995

The outspoken co-host of The Howard Stern Show reveals her disturbing background as a sexually abused child of poverty and describes her ongoing struggle for recovery and her friendship with Stern. 200,000 first printing.

\$150,000 ad/promo. Tour.

No One Here Gets Out Alive

- Jerry Hopkins 2011-11-01

Here is Jim Morrison in all his complexity-singer, philosopher, poet, delinquent-the brilliant, charismatic, and obsessed seeker who rejected authority in any form, the explorer who probed "the bounds of reality

to see what would happen." Seven years in the writing, this definitive biography is the work of two men whose empathy and experience with Jim Morrison uniquely prepared them to recount this modern tragedy: Jerry Hopkins, whose famous Presley biography, *Elvis*, was inspired by Morrison's suggestion, and Danny Sugerman, confidant of and aide to the Doors. With an afterword by Michael McClure. W.A.R. - Mick Wall 2008-02-05 A colorful portrait of the charismatic and idiosyncratic leader of Guns n' Roses follows the turbulent life and career of Axl Rose, from his youth and the beginnings of the rock band, to their rise to success, to the substance abuse and infighting that led to his split from the other original band members. 50,000 first printing. *Appetite for Dysfunction* - Vicky Hamilton 2016-02-15 *Appetite For Dysfunction* is memoir of a free spirit Vicky Hamilton, a small town girl who follows her heart to Hollywood. Hamilton finds success working with the

biggest of the notorious bad boy bands of the 80's (Motley Crue, Stryper Poison, Guns N Roses, Faster Pussycat and many more.) Hamilton finds herself after drugs, sex and RNR.

Complete Physics - Stephen Pople 2000

A computer-based learning aid to help students better understand the concepts and principles covered in the coursebook.

Nana - Ai Yazawa 2012-10-15 Nana's band Blast is taking off in a big way--from sold-out club dates to a record label waving a contract at them. great rock band From the bestselling author of Hammer of the Gods comes the complete story of Guns N? Roses ? from their drug-fueled blastoff in the 80s to the turbulent life of legendary singer Axl Rose, and his fifteen-year, multimillion dollar quest to make the perfect hard rock album. Riotous world tours. Drug-induced rampages. One hundred millions albums sold. In his sixth major rock biography, Stephen Davis details the riveting story of the last great rock band. Watch You Bleed documents the life of every band member, including the improbable story of W. Axl Rose. Davis brilliantly captures the Guns? raw power ? from the gutters of Sunset Strip to the biggest stadiums on the planet. Based on exclusive interviews, private archives, and packed with stunning revelations, Watch You Bleed is the savage, definitive, and highly unauthorized story of Guns N? Roses. For the first time, millions of fans will learn the whole truth about this legendary band.

My Crazy Beautiful Life - Ke\$ha 2012-11-20

A photo journal of the successful pop star's life on tour details her creative process throughout the creation of a new album and shares insights into the highs and lows of her daily routines on stage and behind the scenes.

Take Another Little Piece of My Heart - Pamela Des Barres 2008

Updated to include the escapades of the last 16 years of the "queen of the groupies," this rollicking, piquant, and sometimes heartbreaking follow-up to "I'm With the Band" documents Pamela Des Barres' struggles with postmodern marriage and motherhood. Covering the middle-passage years of the baby-boom generation, this biography portrays a hilarious, inspiring tussle with life's adventures and adversities, from acting with Sylvester Stallone and dancing with Bob Dylan to making ends meet by rooming with struggling celebrities and selling

cosmetics. For all its famous names and insider lore, this is a survivor's story--about the anguish of coping with loved ones' addictions, suffering divorce and loss, and the joys and terrors of raising a gifted son--told with grace, charm, and a generous sense of humor.

When Giants Walked the

Earth - Mick Wall 2010-11-09

The first significant fresh reporting on the legendary band in twenty years, built on interviews with all surviving band members and revealing a never-before-seen side of the genius and debauchery that defined their heyday. Veteran rock journalist Mick Wall unflinchingly tells the story of the band that pushed the envelope on both creativity and excess, even by rock 'n' roll standards. Led Zeppelin was the last great band of the 1960s and the first great band of the 1970s—and When Giants Walked the Earth is the full, enthralling story of Zep from the inside, written by a former confidante of both Jimmy Page and Robert Plant. Rich and

revealing, it bores into not only the disaster, addiction and death that haunted the band but also into the real relationship between Page and Plant, including how it was influenced by Page's interest in the occult. Comprehensive and yet intimately detailed, When Giants Walked the Earth literally gets into the principals' heads to bring to life both an unforgettable band and an unrepeatable slice of rock history.

Guns N' Roses - Mick Wall 2017-06-15

Includes brand new chapter covering Guns N' Roses epic world tour. Many millions of words have already been written about Guns N' Roses, the old line-up, the new line-up. But none of them have ever really gotten to the truth. Which is this: Guns N' Roses has always been a band out of time, the Last of the Giants. They are what every rock band since the Rolling Stones has tried and nearly always failed to be: dangerous. At a time when smiling, MTV-friendly, safe-sex, just-say-no Bon Jovi

was the biggest band in the world, here was a band that seemed to have leapt straight out of the coke-smothered pages of the original, golden-age, late-sixties rock scene. 'Live like a suicide', the band used to say when they all lived together in the Hell House, their notorious LA home. And this is where Mick Wall first met them, and became part of their inner circle, before famously being denounced by name by Axl Rose in the song 'Get in the Ring'. But this book isn't about settling old scores. Written with the clear head that 25 years later brings you, this is a celebration of Guns N' Roses the band, and of Axl Rose the frontman who really is that thing we so desperately want him to be: the last of the truly extraordinary, all-time great, no apologies, no explanations, no giving-a-shit rock stars. The last of his kind.

Guns N' Roses - Mick Wall
1993-01-01

Betty Page Confidential -
1994-07-15
Curvaceous, friendly and

wholesome-looking, Playboy pinup Betty Page was the perfect complement to the still-innocent fantasies of young men during the Eisenhower years. *Betty Page Confidential* includes a biography of the reclusive goddess, an official Betty Page trivia quiz and 100 photos. *Betty Page Confidential* is the ultimate book on this 1950s icon.

Spin - Michael S. Sitrick
1998-04

The authors describe how an individual or organization suddenly found in the public spotlight can use the media--which is driven entirely by human motives--as an ally in presenting an intelligent image

Jon Bon Jovi - Laura Jackson
2005-02-11

Published to coincide with Bon Jovi's twentieth anniversary, an intimate glimpse into the life of rock legend Jon Bon Jovi traces his humble origins in New Jersey to his rise to superstardom, detailing his relationships with fellow bandmates, the years of excess and indulgence, and his acting career.

The Language of Fear - Del James 2013-04-17

With an introduction by W. Axl Rose Del James unleashes an extraordinary collection of snapshots from hell—our hell. Here are spine-chilling stories of everyday people, all caught up in terrible urges—sex and obsession, addiction and violence—all sharing the universal language of fear. . . . A heavy-metal dreamer locked in a savage war with his television set. An artist seduced by a vampire. Two boys trapped by an urban legend come to life—or a drug-induced nightmare. A modern-day gladiator engaged in a brutal death match. A rock-and-roll star who years to be with the one good woman he has ever known—and so ignites a blaze of mad destruction. Praise for *The Language of Fear* “*The Language of Fear* is spoken in tunes of rock'n'roll, of barking dogs and net-trapped fish, of acid-sizzled flesh and tattoo needles, and after these few lessons, you'll speak it too.”—*Cemetery Dance* “Pissed-off, heartbroken

rock'n'roll horror: surprisingly tender, garage-band crude, savage as a shotgun blast and audacious as an exit wound.”—John Skipp “After a hard day in Hell, James writes down what he saw. Good reading.”—John Shirley “Best described as an updated *Night Shift*, the contemporary tales [are] short and nasty.”—Cindy Baum, *Scream Magazine*

Welcome to My Jungle - Craig Duswalt 2023-03-28

Guns N' Roses fans know the *Use Your Illusion* tour went on nonstop from 1991 to 1993. They know that concerts sold out in minutes all over the world so fans could hear chart-topping singles *Welcome to the Jungle*, *Sweet Child of Mine*, *Paradise City*, and *November Rain* live. They know the *Use Your Illusion* tour was the last for the band with Slash and Duff. But they've only heard rumors of the behind-the-scenes shenanigans. Fortunately for fans, Craig Duswalt hasn't just heard rumors—he knows what went on backstage on one of the longest and most popular

music events because he lived it. As Axl Rose's personal manager during the ridiculously long world tour, Duswalt experienced things that would make most people run the other way and never look back. And in *Welcome to My Jungle*, he shares the sometimes hilarious, sometimes just plain reckless, and always insane actual happenings on the tour. Guns N' Roses Trivia Book - Dale Raynes 2021-07-22

A lot of rock bands are wild. Many of them cultivate that sex, drugs, and rock and roll image. But Guns N' Roses is the real thing, so hedonistic and haunted by demons that they are ready to spin off the tracks at any given minute, as we will see. They did so. Repeatedly. Many of the questions and facts here will deal with their outrageous lifestyles and seemingly endless capacity for petty and profound feuds. The stories are jaw-dropping, and hopefully, you will enjoy every salacious detail. But let's not forget why we care in the first place: the amazing music. Sure, everyone appreciates *Appetite for Destruction* for what it is, the perfect debut album. But returning to their music today gives us a remarkable (though all too sparse) body of work. *Patience* is far more interesting than it seemed at the time. Use *Your Illusion* is not the bloated mess that critics made it out to be. It is a masterpiece. Even the troubled Chinese

Democracy is far superior to what we had a right to expect. Guns N' Roses is a phenomenal band first-debauched train wreck second. We are excited that the boys are back together. While we wait for their next album, let's take a trip down memory lane. Do you know rock's ultimate bad boys? Let's see.

Mythic World - Kerby Rosanes
2022-03-29

From Kerby Rosanes, the internationally bestselling artist who brought you the Morphia series, the next book in his brilliant new Worlds universe. Mythic World is 96 double-sided pages of pure mythical creation that colorists will love. Welcome to Kerby's mythic world. Colorists will find Kerby Rosanes's new creations to be hypnotic, with spread after dizzying spread featuring mythic creatures, magical landscapes, and surprise after surprise in the details of Kerby's ultra-fine illustrations.

This book blurs the line between familiar and magical, between reality and imagination. Fans and newcomers alike will be thrilled with this 96-page book, providing an apparently endless coloring challenge for even his most dedicated and enthusiastic followers.

My Appetite for Destruction

- Steven Adler 2010-07-27

From Steven Adler, the original drummer for Guns N' Roses, comes My Appetite for Destruction, the inside story of GNR. Offering a different perspective from the bestselling Slash, Adler chronicles his life with the band, and own intense struggle with addiction, as seen on Dr. Drew's Celebrity Rehab and Sober House.

The Original Dream - Nukila
Amal 2017-01-01

For Maya, history is like a dream, and her dreams are like a history of her life and how it relates to others. Effortlessly defying and calling into question time and space, Maya inhabits fantastical realities filled with shamans, romantic

longing, a daughter s struggles, and a flying dragon. Lyrically flowing between Maya s multiple realities, The Original Dream is the story of a young independent Indonesian woman trying to break free from cultural and social conventions while also searching for her place among family and friends. With guidance from her parents, coworkers, and sister, along with a newborn filled with the wisdom of elders, Maya navigates her perceptions, looking for answers to unknown questions. Whether soaring through the nighttime sky, caring for her nephew, or tending to guests at the hotel where she works, she tries to delineate the difference between dreams and reality and if such a difference even matters. "

Reckless Road - Marc Canter 2008

'Reckless Road' documents the beginning of the legendary band Guns N' Roses and the creation of their seminal groundbreaking album 'Appetite for Destruction'.

Born to Rewild - Manda Kalimian, 2021-09-09

native wild horses.

Guns N' Roses - Robert John
1993-01-01

A photographic history of Guns n' Roses discusses their early days, their rise to fame, their personal lives, and more and includes posed portraits and candid photographs. Original. Cracking the Client Attraction Code - Carla McNeil
2014-12-12

THIS BOOK CAN SAVE YOU HUNDREDS OF HOURS AND THOUSANDS OF DOLLARS! This book will change the way you think about your business, from how you approach new clients to how you talk to yourself about you and your business. Carla McNeil and Nilofer invited 13 heart-centered, successful marketers to the Best Client Seminar to present their stories, strategies and best practices. They invited folks whose businesses focus on spirituality and wellness such as Amethyst Wyldfyre, the Empress of Empowerment to Jeff Herring, the King of Article Marketing, an expert at content creation and other marketing strategies.

Carla and Nilofer asked each presenter one question: What is the unique transformation you want to offer our audience? Although the answers vary wildly depending on the personalities and expertise of the individual presenters, all agree on three factors. They are each explained in the book. You've seen books like this before and wonder... Will each author really reveal his or her secrets? Will there truly be something I can use to create a more lucrative business? Did Gary Douglas really reveal what I need to ask to have my business grow exponentially? PJ VanHulle has an unusual practice called "zing clunk test," will it work for me? Do I struggle with the question "Can I be a heart-centred person and a successful entrepreneur?" Or is this a contradiction? Does Craig Duswalt really show me how I can write a book myself? Will Tracey Fieber's strategy to "Inspire clients to say yes," really work for me? Many heart-centred entrepreneurs don't charge enough for their products and services to break

even. Give too much away. Feel uncomfortable marketing and selling. Believe that being heart-centred is all about loving and giving. And making money is just about "taking." All of these business owners are here to tell you that's just not true!

ABOUT THE AUTHORS This book began with the dream of Carla McNeil and Nilofer Safdar to prove that heart-centred marketing isn't a contradiction. And to show both concrete marketing strategies and what they call the "inner game"-those limiting beliefs that keep you stuck. They started talking to each other via social media outside the course. They just had this connection between them and spent almost a year together where they did mastermind calls with each other, supporting each other through their business and that was really fun. There was always this idea to create an event together. Nilofer had been creating tele-summits for about 3 years. She loved doing tele-summits, learned a lot and did a great job. Creating a tele-

summit with together with Carla was a natural extension of that experience. Nilofer had been learning marketing, and really wanted to create a tele-summit on sales and marketing. It was challenging to decide what they were going to do together because when they first met; through the online course we had very different areas of expertise and business models. Carla was just starting to build a social media business and Nilofer was developing her business in healing, motivation, self-help and empowerment. In the beginning it appeared to be a real challenge to connect the dots between what they could do together. The tele summit and resulting book brought it all together.

How to Be a Man - Duff McKagan 2015-05-12

Sweet Child of Mine - Deanna Adler 2017-01-24

Sweet Child of Mine is the life story of Deanna Adler, mother of Steven Adler, the original drummer for Guns N' Roses. These are the words of a mother's love for an infamous son whose phenomenal success is only surpassed by his astounding capacity for self destruction. Her pages are filled with moments of profound joy and crippling heartbreak.

The Road Through Wonderland - Dawn Schiller 2010-08-01

Painstakingly honest, this

chilling memoir reveals how a teenager became immersed in the bizarre life of legendary porn star John Holmes.

Starting with a childhood that molded her perfectly to fall for the seduction of "the king of porn," this autobiography recounts the perilous road that Dawn Schiller traveled—from drugs and addiction to beatings, arrests, forced prostitution, and being sold to the drug underworld. After living through the horrific Wonderland murders of 1981, she entered protective custody, ran from the FBI, and turned in John Holmes to the police. This is the true story of a young girl's harrowing escape from one of the most infamous public figures, her struggle to survive, and her recovery from unthinkable abuse.
