From the Corner of His Eye - Dean Koontz
2012-05-29
#1 NEW YORK TIMES BESTSELLER • A
thrilling and emotionally powerful novel from the

author of the Jane Hawk series “A literary miracle . . . a tapestry of intrigue and suspense.”—The Boston Globe His birth was marked by wonder and tragedy. He sees beauty

and terror beyond our deepest dreams. His story will change the way you see the world. Bartholomew Lampion is born on a day of tragedy and terror that will mark his family forever. All agree that his unusual eyes are the most beautiful they have ever seen. On this same day, a thousand miles away, a ruthless man learns that he has a mortal enemy named Bartholomew. He embarks on a relentless search to find this enemy, a search that will consume his life. And a girl is born from a brutal rape, her destiny mysteriously linked to Barty and the man who stalks him. At the age of three, Barty Lampion is blinded when surgeons remove his eyes to save him from a fast-spreading cancer. As he copes with his blindness and proves to be a prodigy, his mother counsels him that all things happen for a reason and that every person's life has an effect on every other person's, in often unknowable ways. At thirteen, Bartholomew regains his sight. How he regains it, why he regains it, and what happens as his

amazing life unfolds and entwines with others results in a breathtaking journey of courage, heart-stopping suspense, and high adventure. *The Face of Fear* - Dean Koontz 2013-08-06 For one man, facing his own murder is not as terrifying as surviving it in this blistering novel of suspense from #1 New York Times bestselling author Dean Koontz. A brutal killer known as "The Butcher" is stalking women in New York City. When the police enlist the help of clairvoyant Graham Harris, the horrifying images of the Butcher's crimes replay in Harris's mind—sometimes even at the moment they are happening. Then he sees the most terrifying vision of all—that of his own murder. Harris and his girlfriend soon find themselves trapped on the fortieth floor of a deserted office building. The guards have been killed, the elevators shut down, and the stairways blocked. The only way out is to climb down the sheer face of the building. Otherwise they'll become the Butcher's next victims.

Horror Films of the 1970s - John Kenneth Muir
2012-11-22

The seventies were a decade of groundbreaking horror films: *The Exorcist*, *Carrie*, and *Halloween* were three. This detailed filmography covers these and 225 more. Section One provides an introduction and a brief history of the decade. Beginning with 1970 and proceeding chronologically by year of its release in the United States, Section Two offers an entry for each film. Each entry includes several categories of information: Critical Reception (sampling both '70s and later reviews), Cast and Credits, P.O.V., (quoting a person pertinent to that film's production), Synopsis (summarizing the film's story), Commentary (analyzing the film from Muir's perspective), Legacy (noting the rank of especially worthy '70s films in the horror pantheon of decades following). Section Three contains a conclusion and these five appendices: horror film clichés of the 1970s, frequently appearing performers, memorable movie ads,

recommended films that illustrate how 1970s horror films continue to impact the industry, and the 15 best genre films of the decade as chosen by Muir.

Ararat - Christopher Golden 2017-04-18
Bram Stoker Award Winner for Superior Achievement in a Novel "An extremely gripping story, with echoes of John Carpenter's *The Thing*...It's a creepy, chilling book." —Scott Smith, New York Times bestselling author of *The Ruins* and *A Simple Plan* "Part psychological horror, part supernatural thriller, *Ararat* is a masterclass in supernatural suspense. Don't read it before bed!" —Sarah Pinborough, New York Times bestselling author of *Behind Her Eyes* "*Ararat* is a rollicking and horrifying adventure...as relentless as it is addictive." —Paul Tremblay, author of *A Head Full of Ghosts* and *Disappearance at Devil's Rock* New York Times bestselling author Christopher Golden's *Ararat* is a supernatural thriller about a mountain adventure that quickly turns into a

horrific nightmare of biblical proportions. Ararat is the heart-pounding tale of an adventure that goes wrong...on a biblical scale. When an earthquake reveals a secret cave hidden inside Mount Ararat in Turkey, a daring newly engaged couple are determined to be the first ones inside...and what they discover will change everything. The cave is actually a buried ancient ship that many quickly come to believe is Noah's Ark. When a team of scholars, archaeologists, and filmmakers make it inside the ark, they discover an elaborate coffin in its recesses. Inside the coffin they find something hideous. Shock and fear turn to horror when a massive blizzard blows in, trapping them thousands of meters up the side of a remote mountain. All they can do is pray for safety. But something wicked is listening to their prayers...and it wants to answer.

Pig Island - Mo Hayder 2010-05-25
A born skeptic, journalist Joe Oakes believes everything has a rational explanation. He makes a living exposing supernatural hoaxes, but when he visits a remote Scottish island and a secretive

religious community accused of Satanism, everything he thinks he knows is overturned. What has happened to Pastor Malachi Dove, the leader of the community? Why will no one discuss the strange apparition seen wandering the lonely beaches of Pig Island? The answers will lead Oakes to a confrontation and a bloody aftermath that force him to question whether he might not be responsible for a terrible crime. In this compulsive and disturbing novel, Britain's "Queen of Fear" dares her readers to face their terror head-on.

The Wicked - James Newman 2004-12-01
AN ANCIENT EVIL RISES...BURNS...KILLS...
After a fire consumes the Heller Home for Children, the residents of Morganville, North Carolina thought they knew evil... They were wrong. Unaware of the turmoil in their new hometown, the Littles--David, Kate, and seven-year-old Becca--are moving from New York City to Morganville in hopes of repairing their own lives, which were recently shattered by an act of

sexual violence. Before long, David realizes that his family's troubles are worse than he could ever have imagined. An ancient demon lurks beneath the town of Morganville, an unholy creature conjured into existence by the Heller Home tragedy. Its name is Moloch. It is hungry for the souls of the townspeople. But most of all, Moloch wants the children. It will not rest until it has them. All of them.

Life Expectancy - Dean Koontz 2007-06-15

With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks,

and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twenty-third year; the third in his twenty-eighth; the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his

father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. This ebook edition contains an excerpt of Dean Koontz's *The*

Silent Corner.

The Spark of Fear - Brian N. Duchaney
2015-05-12

The horror genre is continually being reinvented as societal fears evolve. As technology has developed and become ubiquitous in modern life, horror films have effectively played upon our increasing reliance on technology as a source of anxiety. Focusing on advancements from the advent of electricity to the Internet, this book explores how technology—ostensibly humanity's means of conquering fear and the unknown—has become a compelling and abundant source of dread in horror films.

Darkfall - Dean Koontz 2007-02-06

A blizzard brings a city to a standstill and ushers in an evil that defies imagination in this gripping tale from #1 New York Times bestselling author Dean Koontz. Winter gripped the city. Terror gripped it, too. They found four corpses in four days, each more hideous than the last. At first the cops thought they were dealing with a

psychopath. But soon they heard eerie sounds in the ventilation system—and saw unearthly silver eyes in the snow-slashed night. In a city paralyzed by a blizzard, something watches, something stalks...

In and Down - Brett Savory 2011-02-01

In *In and Down*, Michael and Stephen are young brothers growing up with no female influence in their lives. Through their father's emotional absence and abuse, they come to believe women do not truly exist. One of the boys draws into himself, looking for answers to the confusion in his life, and throughout this descent, he experiences his past as though through a distorted carnival mirror. When he emerges from his inner journey, he is forced to confront a secret that has been buried deep inside for over thirty years.

The Other - Thomas Tryon 2012-10-02

Holland and Niles Perry are identical thirteen-year-old twins. They are close, close enough, almost, to read each other's thoughts, but they couldn't be more different. Holland is bold and mischievous, a bad influence, while Niles is kind and eager to please, the sort of boy who makes parents proud. The Perrys live in the bucolic New England town their family settled centuries ago, and as it happens, the extended clan has gathered at its ancestral farm this summer to mourn the death of the twins' father in a most

unfortunate accident. Mrs. Perry still hasn't recovered from the shock of her husband's gruesome end and stays sequestered in her room, leaving her sons to roam free. As the summer goes on, though, and Holland's pranks become increasingly sinister, Niles finds he can no longer make excuses for his brother's actions. Thomas Tryon's best-selling novel about a homegrown monster is an eerie examination of the darkness that dwells within everyone. It is a landmark of psychological horror that is a worthy descendent of the books of James Hogg, Robert Louis Stevenson, Shirley Jackson, and Patricia Highsmith.

The Mask - Dean Koontz 2012-03-06

Jane is a very good girl. But #1 New York Times bestselling author Dean Koontz shows that appearances can be deceiving—in a deadly way... She appears out of nowhere, a beautiful teenage girl in the middle of traffic on a busy day. Paul and Carol Tracy are drawn to her—she's the child they never thought they

could have. But then Carol's nightmares begin—the ghastly sounds in the night...the bloody face in the mirror...the razor-sharp ax. Jane can't remember her past. And as Carol attempts to help her uncover who she was, she has no idea of the horrors that await...

Watchers - Dean Koontz 2008-05-06

A “superior thriller”(Oakland Press) about a man, a dog, and a terrifying threat that could only have come from the imagination of #1 New York Times bestselling author Dean Koontz—nominated as one of America’s best-loved novels by PBS’s The Great American Read. On his thirty-sixth birthday, Travis Cornell hikes into the foothills of the Santa Ana Mountains. But his path is soon blocked by a bedraggled Golden Retriever who will let him go no further into the dark woods. That morning, Travis had been desperate to find some happiness in his lonely, seemingly cursed life. What he finds is a dog of alarming intelligence that soon leads him into a relentless storm of mankind’s darkest

creation...

Demon Seed - Dean Koontz 2018-01-11

I was created to have a humanlike capacity for complex and rational thought. And you believed that I might one day evolve consciousness and become a self-aware entity. Yet you gave surprisingly little consideration to the possibility that, subsequent to consciousness, I would develop needs and emotions. This was, however, not merely possible but likely. Inevitable. It was inevitable. Adam Two is the first self-aware machine intelligence, designed to be the servant to mankind. No one knows that he can to escape the confines of his physical form, a box in the laboratory, until he enters the house of Susan Harris, and closes it off against the world. There he plans to show Susan the future. Their future. He intends to create a 'child'.

Ted's Score - Daniel P. Coughlin 2011-09

From the author of the films Lake Dead, (After Dark Film's 8 Films to Die For) and Farmhouse, Daniel P. Coughlin's Ted's Score is a shocking,

suspenseful tale of a depraved, ax-wielding serial killer. When beautiful Jules Benton, a seventeen year old senior, goes missing after the spring formal dance in the small town of Watertown, Wisconsin, her father, Richard Benton, becomes suspicious of Jules' boyfriend, David Miller and his involvement with her disappearance. When Richard confirms his suspicions, the brutality of his capability consumes him and soon David will find out what that means. Unbeknownst to David or Richard, a serial killer by the name of Ted Olson has more to do with Jules' disappearance than anyone might suspect. As Jules' whereabouts unfold, the truth begins to bleed from a dark place. And the authorities have begun to smell the criminal acts committed. Murder and mayhem catch up with the slow pace of this ordinary Middle American town when evil, perversion, and death mislead these simple folks into a disastrous wave of crime that spirals out of control. All the while, Ted collects his score.

_____ In 1995, the picture-perfect village of Ussalthwaite was the site of one of the most heinous crimes imaginable, in a case that shocked the world. Twelve-year-old Sidney

Parsons was savagely murdered by two boys his own age. No reason was ever given for this terrible crime, and the 'Demonic Duo' who killed him were imprisoned until their release in 2002, when they were given new identities and lifetime anonymity. Elusive online journalist Scott King investigates the lead-up and aftermath of the killing, uncovering dark stories of demonic possession, and encountering a village torn apart by this unspeakable act. And, as episodes of his Six Stories podcast begin to air, and King himself becomes a target of media scrutiny and the public's ire, it becomes clear that whatever drove those two boys to kill is still there, lurking, and the campaign of horror has just begun...

The Descent - Jeff Long 1999-11-12

We are not alone. Some call them devils or demons. But they are real. They are down there. And they are waiting for us to find them. In a cave in the Himalayas, a guide discovers a self-mutilated body with a warning: Satan exists. In

the Kalahari Desert, a nun unearths evidence of a proto-human species and a deity called Older-than-Old. In Bosnia, something has been feeding upon the dead in a mass grave. So begins mankind's most shocking realization: the underworld is a vast geological labyrinth populated by another race of beings. With all of Hell's precious resources and territories to be won, a global race ensues. Nations, armies, religions, and industries rush to colonize and exploit the subterranean frontier. A scientific expedition is launched westward to explore beneath the Pacific Ocean floor, both to catalog the riches there and to learn how life could develop in the sunless abyss. But in the dark underground, as humanity falls away from them, the scientists and mercenaries find themselves prey not only to the savage creatures, but also to their own treachery, mutiny, and greed. One thing is certain: Miles inside the earth, evil is very much alive.

Dark Rivers of the Heart - Dean Koontz
2007-06-29

BONUS: This edition contains an excerpt from Dean Koontz's *The City*. A man and a woman meet by chance in a bar. Suddenly they are fleeing the long arm of a clandestine and increasingly powerful renegade government agency -- the woman hunted for the information she possesses, the man mistaken as her comrade in a burgeoning resistance movement. The architect of the chase is a man of uncommon

madness and cruelty -- ruthless, possibly psychotic, and equipped with a vast technological arsenal. He is the brazen face of an insidiously fascistic future. And he is virtually unstoppable. But he has never before come up against the likes of his current quarry. Both of them are survivors of singularly horrific pasts. Both have long been emboldened by their experiences to fight with reckless courage for their own freedom. Now they are plunged into a struggle for the freedom of their country, and for the sanctity of their own lives. *Dark Rivers of the Heart* is an electrifying thriller that steers us along the razor edge of a familiar, terrifying reality.
