Presidents Fact Book Revised and Updated! - Roger Matuz 2017-01-03
The Presidents Fact Book is a compendium of all things presidential and a sweeping survey of American history through the biography of every president from George Washington to Donald Trump. Organized chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration -- from the Bill of Rights to Barack Obama's speech on race in America -- provide a glimpse into the crucial moments of America's storied past in the words of those who led the nation. Perfect for students, history buffs, and political junkies, The President's Fact Book is at once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history.

The Boys of My Youth - Jo Ann Beard 2009-12-19

The "utterly compelling, uncommonly beautiful" collection of personal essays (Newsweek) that established Jo Ann Beard as one of the leading writers of her generation. Cousins, mothers, sisters, dolls, dogs, best

friends: these are the fixed points in Jo Ann Beard's universe, the constants that remain when the boys of her youth -- and then men who replace them -- are gone. This widely praised collection of autobiographical essays summons back, with astonishing grace and power, moments of childhood epiphany as well as the cataclysms of adult life: betrayal, divorce, death. The Boys of My Youth heralded the arrival of an immensely gifted and influential writer and its essays remain surprising, original, and affecting today. "A luminous, funny, heartbreaking book of essays about life and its defining moments." -- Harper's Bazaar

Nelson Mandela - Laaren Brown 2006

A biography of the first black South African president, who spent twenty-seven years in jail for his political beliefs, discusses the struggle to end apartheid, his country's former system of racial segregation and oppression.

Abraham Lincoln - Ellen Blue Phillips 2007

Profiles the man whose presidency was filled with turmoil from the Civil War, and whose life was tragically cut short by an assassin a few days after the end of the war.

George Washington - Justine Korman 2001

Profiles the farmer's son whose interest in military strategy and leadership ability led him to become a soldier during the French and Indian War, a leader during the Revolutionary War, and the America's first president.

The Bulletproof George Washington - David Barton 2003-01-01

This book will captivate you with the details of that battle and of Washington's gratitude to God for His protection. You'll read his personal account of the battle and excerpts from his letters to his family where Washington tells them of God's deliverance.

DK Biography: George Washington - Lenny Hort 2005-01-03

George Washington is often called the father of our country. He beat the odds to lead the Continental Army to victory in the Revolutionary War, served as first president of the United States, and then retired from public life to farm Virginia's largest plantation. In this groundbreaking new series, DK brings together fresh voices and DK design values to give readers the most information-packed, visually exciting biographies on the market today. Full-color photographs of people, places, and artifacts, and sidebars on related subjects add dimension and relevance to stories of famous lives that students will love to read. Modern scholarship and a variety of narrative approaches give today's reader a chance to explore the extraordinary world of George Washington. This new way of looking at classic subjects creates a unique reading experience that breathes life into the book-report and summer-reading repertoire. Supports the Common Core State Standards.

Buttons for General Washington - Peter Roop 2007-01-01

Fourteen-year-old John Darragh was a spy. But British-occupied Philadelphia in 1777 was not a safe place for an American spy. If he were captured, John knew he would be hanged. In this suspenseful story based on accounts of the Darragh family's spying activities for General Washington, young John undertakes a dangerous mission to deliver a

message to the American army.

George Washington affected the progress and outcome of the American Revolution.

[The American President](#) - Kathryn Moore 2018-09-04

In *The American President: A Complete History*, historian Kathryn Moore presents a riveting narrative of each president's experiences in and out of office, along with illuminating facts and statistics about each administration, timelines of national and world events, astonishing trivia, and more. Together, these details create a complex and nuanced portrait of the American presidency, from the nation's infancy to today.

Revolutionary - Robert L. O'Connell 2019-04-02

From an acclaimed military historian, a bold reappraisal of young George Washington, an ambitious if reckless soldier destined to become the legendary general who took on the British and, through his leadership, defined the American character. How did George Washington become an American icon? Robert L. O'Connell, the *New York Times* bestselling author of *Fierce Patriot* and *The Ghosts of Cannae*, introduces us to Washington before he was Washington: a young soldier champing at the bit for a commission in the British army, frustrated by his position as a minor Virginia aristocrat. Fueled by ego, Washington led a disastrous expedition in the Seven Years' War, but then the commander grew up. We witness George Washington take up politics and join Virginia's colonial governing body, the House of Burgesses, where he became ever more attuned to the injustices of life under the British Empire and the paranoid, revolutionary atmosphere of the colonies. When war seemed inevitable, he was the right man—the only man—to lead the nascent American army. We would not be here without George Washington, and O'Connell proves that Washington the general was at least as significant to the founding of the United States as Washington the president. He emerges here as cunning and manipulative, a subtle puppeteer among intimates, and a master cajoler—but all in the cause of rectitude and moderation. Washington became the embodiment of the Revolution itself. He draped himself over the revolutionary process and tamped down its fires. As O'Connell writes, the war was decisive because Washington managed to stop a cycle of violence with the force of personality and

personal restraint. In his trademark conversational, witty style, Robert L. O'Connell has written a compelling reexamination of General Washington and his revolutionary world. He cuts through the enigma surrounding Washington to show how the general made all the difference and became a new archetype of revolutionary leader in the process. Revolutionary is a masterful character study of America's founding conflict filled with lessons about conspiracy, resistance, and leadership that resonate today. Advance praise for *Revolutionary* "Given the amount of ink spilled over the years, it is not easy to offer a fresh look at George Washington's leadership role during the war for American independence. But Robert L. O'Connell has done it in *Revolutionary*. The title announces the insight, which is the otherwise uncontrollable political and military energies released by the war that Washington was able to orchestrate."—Joseph J. Ellis, author of *American Dialogues: The Founders and Us*

[The Big Book of Presidents](#) - Nancy J. Hajeski 2015-02-17

The president has been the figurehead of the United States since the time when our country was a small band of thirteen fledgling colonies until its current position as a world superpower. The forty-four leaders of our nation have had fascinating, exciting, and sometimes scandalous lives. *The Big Book of Presidents* illustrates each president's journey to the White House through facts, anecdotes, illustrations, photographs, inspirational quotes, and more! Find out which president had a faithful dog named Fala, who was the only unmarried president, and which president's daughter carried around her pet snake in the White House in this fun and fascinating overview of our country's leaders. Bestselling author Nancy J. Hajeski not only provides engaging information about each president, but also includes timelines of US and world events that place each president's term in office in a historical context. She also provides useful facts about the White House, Congress, the Supreme Court, presidential assassinations, the first ladies, the vice presidents, and more to help broaden kids' understanding of our government and the president's role within in. With updated information on President Barack Obama, this is the perfect introduction to the lives and characters of the US presidents.

George Washington, Entrepreneur - John Berlau 2020-06-30

A business biography of George Washington, focusing on his many innovations and inventions. George Washington: general, statesman...businessman? Most people don't know that Washington was one of the country's first true entrepreneurs, responsible for innovations in several industries. In *George Washington, Entrepreneur*, John Berlau presents a fresh, surprising take on our forefather's business pursuits. History has depicted Washington as a gifted general and political pragmatist, not an intellectual heavyweight. But he was a patron of inventors and inveterate tinkerer, and just as intelligent as Jefferson or Franklin. His library was filled with books on agriculture, history, and philosophy. He was the first to breed horses with donkeys to produce the American mule. On his estate, he grew countless varieties of trees and built a greenhouse full of exotic fruits, herbs, and plants. Unlike his Virginia neighbors who remained wedded to tobacco, Washington planted seven types of wheat. His state-of-the-art mill produced flour which he exported to Europe in sacks stamped "G. Washington"—one of the very first branded food products. Mount Vernon was also home to a distillery and became one of the largest American whiskey producers of the era. Berlau's portrait of Washington, drawn in large part from his journals and extensive correspondence, presents a side of him we haven't seen before. It is sure to delight readers of presidential biography and business history.

George Washington - Lenny Hort 2005-01-01

A biography of the commander-in-chief of the Continental Army and first president of the United States, George Washington, including illustrations of people, places, and artifacts of the times.

You Never Forget Your First - Alexis Coe 2021-02-02

AN INSTANT NEW YORK TIMES BESTSELLER AN NPR CONCIERGE BEST BOOK OF THE YEAR "In her form-shattering and myth-crushing book....Coe examines myths with mirth, and writes history with humor... [You Never Forget Your First] is an accessible look at a president who always finishes in the first ranks of our leaders." —Boston Globe Alexis

Coe takes a closer look at our first--and finds he is not quite the man we remember Young George Washington was raised by a struggling single mother, demanded military promotions, caused an international incident, and never backed down--even when his dysentery got so bad he had to ride with a cushion on his saddle. But after he married Martha, everything changed. Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. After an unlikely victory in the Revolutionary War cast him as the nation's hero, he was desperate to retire, but the founders pressured him into the presidency--twice. When he retired years later, no one talked him out of it. He left the highest office heartbroken over the partisan nightmare his backstabbing cabinet had created. Back on his plantation, the man who fought for liberty must confront his greatest hypocrisy--what to do with the men, women, and children he owns--before he succumbs to death. With irresistible style and warm humor, *You Never Forget Your First* combines rigorous research and lively storytelling that will have readers--including those who thought presidential biographies were just for dads--inhaling every page.

Barack Obama - Stephen Krensky 2009-12-01

Presents the life of Barack Obama, including his childhood in the United States and abroad, careers as a community organizer and lawyer, and election as the forty-fourth president in 2008.

Highlights the life and accomplishments of the inventor of the phonograph, the electric light bulb, and many other devices.

Washington - Ron Chernow 2010-10-05

From the author of *Alexander Hamilton*, the New York Times bestselling biography that inspired the musical, comes a gripping portrait of the first president of the United States. Winner of the 2011 Pulitzer Prize for

Biography "Truly magnificent . . . [a] well-researched, well-written and absolutely definitive biography" —Andrew Roberts, *The Wall Street Journal* "Until recently, I'd never believed that there could be such a thing as a truly gripping biography of George Washington . . . Well, I was wrong. I can't recommend it highly enough—as history, as epic, and, not least, as entertainment." —Hendrik Hertzberg, *The New Yorker* Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States. With a breadth and depth matched by no other one volume biography of George Washington, this crisply paced narrative carries the reader through his adventurous early years, his heroic exploits with the Continental Army during the Revolutionary War, his presiding over the Constitutional Convention, and his magnificent performance as America's first president. In this groundbreaking work, based on massive research, Chernow shatters forever the stereotype of George Washington as a stolid, unemotional figure and brings to vivid life a dashing, passionate man of fiery opinions and many moods. Lin-Manuel Miranda's smash Broadway musical *Hamilton* has sparked new interest in the Revolutionary War and the Founding Fathers. In addition to Alexander Hamilton, the production also features George Washington, Thomas Jefferson, James Madison, Aaron Burr, Lafayette, and many more.

DK Life Stories Amelia Earhart - Libby Romero 2020-02-25

Discover the inspiring story of Amelia Earhart - the first woman to fly solo over the Atlantic Ocean... Amelia Earhart is one of the world's most famous aviators in the history of flight and a role model for women everywhere. Follow the story of this trailblazing pilot - from her childhood adventures in Kansas, USA, to her around-the-world-flight in 1937, which ended in her mysterious disappearance over the Pacific

Ocean. This biography book for kids ages 8-11 charts the major events of Amelia's life, including buying her first plane (a bright yellow bi-plane that she named "The Canary"), gaining her pilot's license in 1923, becoming the first female air passenger to cross the Atlantic Ocean in 1928, and becoming the first woman to fly solo across the Atlantic in 1932, earning her the nickname "Queen of the Air". The story of a true feminist icon, *DK Life Stories: Amelia Earhart* is the gripping tale of a determined woman who broke the rules and followed her dreams skywards. This new kids' biography series from DK goes beyond the basic facts to tell the true life stories of history's most interesting and inspiring people. Full-color photographs and hand-drawn illustrations complement the age-appropriate, narrative text to create an engaging book children will enjoy reading. Definition boxes, information sidebars, inspiring quotes, and other nonfiction text features add depth, and a handy reference section at the back makes *DK Life Stories* the one biography series everyone will want to collect.

Carver - Marilyn Nelson 2016-11-04

Beautiful Verse explores agricultural scientist George Washington Carver's life and many achievements, from his work as a botanist and inventor to his unsung gifts as a painter, musician, and teacher. George Washington Carver was determined to help the people he loved. Born a slave in Missouri, he left home in search of an education, eventually earning his master's degree. When Booker T. Washington invited Carver to start the agricultural department at the all-black-staffed Tuskegee Institute, Carver truly found his calling. He spent the rest of his life seeking solutions to the poverty among landless Black farmers by developing new uses for soil-replenishing crops such as peanuts, cowpeas, and sweet potatoes. This STEAM biography reveals Carver's complex and profoundly devout life.

George Washington for Kids - Brandon Marie Miller 2007-04-01

George Washington comes alive in this fascinating activity book that introduces the leader to whom citizens turned again and again—to lead them through eight long years of war, to guide them as they wrote a new Constitution, and to act as the new nation's first executive leader.

Children will learn how, shortly after his death in 1799, people began transforming George Washington from a man into a myth. But Washington was a complex individual who, like everyone, had hopes and fears, successes and failures. In his early 20s, for instance, Washington's actions helped plunge Great Britain and France into war. He later fought for liberty and independence, yet owned slaves himself (eventually freeing them in his will). This book weaves a rich tapestry of Washington's life, allowing kids to connect with his story in 21 hands-on projects based on his experiences and the times in which he lived. Children will learn how to tie a cravat, write with a quill pen, follow animal tracks, sew a lady's cap, plant a garden, roll a beeswax candle,

play a game of Quoits, and make a replica of Washington's commander-in-chief flag. The text includes a time line, glossary, websites, travel resources, and a reading list for further study.

Marie Curie - Vicki Cobb 2009-07-10

Presents the life and accomplishments of the Polish-born scientist whose studies of radioactivity lead to the discovery of two new elements, for which she received two Nobel Prizes.

Meet George Washington - Joan Heilbroner 2011-04-13

This valiant story of how young George Washington was drawn into his country's struggle for independence gives readers a vivid perspective on a crucial era in American history--and on the life of a revolutionary hero.
