Down the Rabbit Hole - Juan Pablo Villalobos 2012-10-02
"A brief and majestic debut."
—Matías Néspolo, *El Mundo*
Tochtli lives in a palace. He loves hats, samurai, guillotines,

and dictionaries, and what he wants more than anything right now is a new pet for his private zoo: a pygmy hippopotamus from Liberia. But Tochtli is a child whose father is a drug

baron on the verge of taking over a powerful cartel, and Tochtli is growing up in a luxury hideout that he shares with hit men, prostitutes, dealers, servants, and the odd corrupt politician or two. Long-listed for The Guardian First Book Award, *Down the Rabbit Hole*, a masterful and darkly comic first novel, is the chronicle of a delirious journey to grant a child's wish.

Being Kendra - Kendra

Wilkinson 2011-09-20

Kendra Wilkinson has revealed herself before—in the pages of *Playboy* and on her reality show, *Kendra*. Now she reveals her private side, sharing the ups and downs, the joys and challenges of motherhood, marriage, and life in the spotlight. In this intimate follow-up to her New York Times bestseller, *Sliding into Home*, Kendra confides her most candid thoughts and feelings on her experiences as a new mom, and she divulges her secrets on how to do it all and make it look easy, sexy, and fun—even when it's not. Now with a husband and baby

in her life, a booming brand to manage, and her own needs to think about too, Kendra is learning the art of balance, sometimes the hard way. Not wanting to pawn her child off to nannies like so many other stars, Kendra relishes the role of supermom—kissing boo-boos, making lunches, scheduling playdates—all while juggling appearances, workout videos, and even training for the ultra-competitive hit show *Dancing with the Stars*. While *Being Kendra* is full of humor and true stories that women can relate to, it's also a heartrending look at Kendra's very personal journey through some dark places, including a private struggle with postpartum depression and a very public tussle with post-baby weight loss. Kendra, who has always been known for her athletic (and enhanced) figure, opens up about her efforts to get her bikini body back and the difficulty of not looking sexy, which she believed was her most valuable quality. Her fight to lose weight at any cost, chronicled on the covers of

countless magazines, has become yet another triumph for Kendra as she continues to succeed in the face of adversity. From dental assistant, to Playboy girlfriend and face of a franchise, to wife and new mother, Kendra has embraced what life has thrown at her with determination, fortitude, and a ready laugh. This daring and honest memoir captures Kendra and her family in their best and worst moments as she lives, loves, rebounds, and, ultimately, finds her place in her new world.

Mile-stones of History, Literature, Travel, Mythology, Sculpture, and Art - Frank McAlpine 1887

[Down the Rabbit Hole](#) - Holly Madison 2016-05-10

A former girlfriend of Hugh Hefner describes how her years inside the Playboy Mansion went from a fairytale of A-list celebrity parties to an oppressive regime of strict

rules, scheduled sex, and a total loss of identity, so much so that she even contemplated suicide.

The Vegas Diaries - Holly Madison 2016-05-17

The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left

her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating its social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about

herself. The Vegas Diaries is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves.

The Spymaster of Baghdad - Margaret Coker 2021-02-23
From the former New York Times bureau chief in Baghdad comes the gripping and heroic story of an elite, top-secret team of unlikely spies who triumphed over ISIS. The Spymaster of Baghdad tells the dramatic yet intimate account of how a covert Iraqi intelligence unit called "the Falcons" came together against all odds to defeat ISIS. The Falcons, comprising ordinary men with little conventional espionage background,

infiltrated the world's most powerful terrorist organization, ultimately turning the tide of war against the terrorist group and bringing safety to millions of Iraqis and the broader world. Centered around the relationship between two brothers, Harith al-Sudani, a rudderless college dropout who was recruited to the Falcons by his all-star younger brother Munaf, and their eponymous unit commander Abu Ali, The Spymaster of Baghdad follows their emotional journey as Harith volunteers for the most dangerous mission imaginable. With piercing lyricism and thrilling prose, Coker's deeply-reported account interweaves heartfelt portraits of these and other unforgettable characters as they navigate the streets of war-torn Baghdad and perform heroic feats of cunning and courage. The Falcons' path crosses with that of Abrar, a young, radicalized university student who, after being snubbed by the head of the Islamic State's chemical weapons program, plots her own attack. At the near-final

moment, the Falcons intercept Abrar's deadly plan to poison Baghdad's drinking water and arrest her in the middle of the night—just one of many covert counterterrorism operations revealed for the first time in the book. Ultimately, *The Spymaster of Baghdad* is a page-turning account of wartime espionage in which ordinary people make extraordinary sacrifices for the greater good. Challenging our perceptions of terrorism and counterterrorism, war and peace, Iraq and the wider Middle East, American occupation and foreign intervention, *The Spymaster of Baghdad* is a testament to the power of personal choice and individual action to change the course of history—in a time when we need such stories more than ever.

Playground - Jennifer Saginor
2009-03-17

You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every

need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story of a young girl who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

The Wedding Date Disaster - Avery Flynn
2020-08-25

I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna

need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

Drinking and Dating - Brandi

Glanville 2014-02-11
On the heels of her New York Times bestselling book *Drinking and Tweeting*, Real Housewives of Beverly Hills star Brandi Glanville takes readers on a wild ride through her dating life in this highly-entertaining relationship book. *Drinking and Dating* chronicles Glanville's misadventures stumbling through today's dating world. From social media blunders to bedroom escapades, Brandi withholds nothing. Each chapter is inspired by a relationship encounter she has had since her sensational divorce from actor Eddie Cibrian. Hilarious, surprising, vulnerable, and outspoken, Glanville's unexpected take on dating after heartbreak - and life in general - is as unique as she is. Just like Brandi herself, *Drinking and Dating* is sexy, funny, and eyebrow-raising.

Bunny Tales - Izabella St. James 2010-09
When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun

break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap.

From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!

The Bunny Years - Kathryn Leigh Scott 2011-09-27

Offers a then-and-now profile of the beautiful, free-spirited, and independent women who worked as Playboy bunnies-- numbering amongst them authors, psychologists, attorneys, restaurateurs, stock brokers, teachers, and a midwife.

Sliding Into Home - Kendra Wilkinson 2010-07-06

KENDRA BARES ALL Fans of the E! smash hit series The Girls Next Door fell in love with sporty Playboy beauty Kendra Wilkinson's care-free spirit, infectious laugh, and down-to-earth nature. Now that she's moved out of the world's most famous bachelor pad and into her own delightfully chaotic world on Kendra as wife to NFL star Hank Baskett and mother to their newborn son,

we've watched her hilarious antics as she adjusts to domestic life. But how much do we really know about the fun-loving star? In this humorous and optimistic, sometimes heartbreaking, but always unflinchingly honest memoir, Kendra reveals the highs and lows of her extraordinary journey. She wasn't always the quintessential girl next door. Before she was a reality television superstar, Hugh Hefner's girlfriend, or one of the most popular Playboy cover models ever, Kendra was an athletic tomboy whose father walked out on her family when she was a little girl. She grew into a rebellious teenager with a serious drug habit before she quit cold turkey and beat the odds to graduate from a high school that almost didn't give her a second (or third, or fourth) chance. Following her rocky teenage years, an out-of-the-blue phone call from Hugh Hefner changed everything. Kendra dishes candidly about life in the Playboy Mansion: the sex, the parties, the show, and even her relationships with her

Girls Next Door costars—Hef, Holly, and Bridget. She tells the true story about how she and Hank met and built a relationship in secret while she was still Hef's girlfriend and a public face of Playboy. Finally, she reflects on the slew of unexpected changes in the short space of a year that have brought her sliding into home from Playboy party girl to wife and mother with a blooming Hollywood career. If you think you've seen all of Kendra, think again. She's only warming up. . .

I Said Yes - Emily Maynard Johnson 2016-03-01
Millions know Emily Maynard Johnson from her appearances on both *The Bachelor* and *The Bachelorette*. At the end of a long, fruitless search for a husband, Emily found that waiting right in front of her all along was the truest love of all: the unconditional love of the Lord. Overcome with embarrassment following her nationally televised heartbreaks, Emily finally committed herself to the only one she knew would never

leave her empty and alone. Abandoning her need to be chosen by men and finding peace in the fact that she was already chosen by God, Emily found the joy she had been looking for in serving God. I Said Yes chronicles Emily's experiences on both The Bachelor and The Bachelorette and the way that God turned her life upside down through the knowledge and acceptance of His true love. As Emily sheds light on her life as a believer in the spotlight, she teaches us: How to embrace the gift of true redemption What it means to fully surrender your heart to God How to say yes to God's ways, God's love, and God's timing In I Said Yes, Emily tells the story of her life before and after reality TV fame, describing the profound new reality she discovered when she traded fame in favor of the Lord--and to that unconditional love, Emily said yes.

Mr. Playboy - Steven Watts

2009-08

The real Hugh Hefner-the extraordinary inside story of an American icon ""Riveting... Watts packs in plenty of gasp-inducing passages.""-Newark Star Ledger ""Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography.""-Chicago Sun Times ""This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the

cultural force it used to be, but it made a stamp on society.""- Associated Press ""In Steven Watts' exhaustive, illuminating biography Mr. Playboy, Hefner's ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic.""-Los Angeles TimesGorgeous young women in revealing poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind-Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit The Girls Next Door, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of

cultural change?In Mr. Playboy, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef's life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him.This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential

advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental-with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects-in making popular culture into a dominant force in many people's lives. Ironically, Hefner also became a controversial force in the movement for women's rights. Although advocating women's sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination. Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner's personal dichotomies-the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like

host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite. Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of t

Deranged - Harold Schechter
2009-11-24

LURED FROM THE SAFETY OF HOME -- INTO THE JAWS OF HELL "America's principal

chronicler of its greatest psychopathic killers" (The Boston Book Review), Harold Schechter shatters the myth that violent crime is a modern phenomenon -- with this seamless true account of unvarnished horror from the early twentieth century. Journey inside the demented mind of Albert Fish -- pedophile, sadist, and cannibal killer -- and discover that bloodlust knows no time or place.... On a warm spring day in 1928, a kindly, white-haired man appeared at the Budd family home in New York City, and soon persuaded Mr. and Mrs. Budd to let him take their adorable little girl, Grace, on an outing. The Budds never guessed that they had entrusted their child to a monster. After a relentless six-year search and nationwide press coverage, the mystery of Grace Budd's disappearance was solved -- and a crime of unparalleled gore and revulsion was revealed to a stunned American public. What Albert Fish did to Grace Budd, and perhaps fifteen other

young children, caused experts to pronounce him the most deranged human being they had ever seen.

Down the Rabbit Hole - Peter Abrahams 2009-03-31

"My all-time favorite.

Astonishing." (Stephen King)

Down the Rabbit Hole is the first book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams.

Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets.

In Down the Rabbit Hole, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least

her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of Alice in Wonderland, Ingrid is swamped. But as things in Echo Falls keep getting curiously and curiously, Ingrid realizes she must solve the

murder on her own—before it's too late. "Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said School Library Journal. "Intriguing twists." Publishers Weekly agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again." The next book in this Edgar Award-nominated series is Behind the Curtain, followed by Into the Dark.

Down the Rabbit Hole - Holly Madison 2015-06-23

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman

who was Hef's #1 girlfriend and star of The Girls Next Door. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars,

Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Open Book - Jessica Simpson
2020-02-04

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is

as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. *Open Book* is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But

now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés — "chicken or fish," "Daisy Duke," "football jinx," "mom jeans," "sexual napalm..." and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Inside the Playboy Mansion - Gretchen Edgren 1998

As legendary as the Playboy Playmates themselves are the mansions where hundreds of them partied, worked, and lived. Playboy founder Hugh Hefner has led a Caesar-like existence unlike anyone else in the 20th century, and for the first time, the doors to that world are opened to the public in this titillating visual tour of the Chicago and Los Angeles pleasure palaces. Overflowing with archival photographs from Hefner's private collection, the book exposes not only

Playmates, celebrities, and luxurious attractions such as the game rooms, the alluring pool and grotto, and the private zoo, but it also depicts an unparalleled, almost mythic lifestyle. By revisiting the fantastical events hosted there over the years, it becomes evident that the Playboy Mansion boasts one of the most enviable guest sign-in books in contemporary times. Of course, the history of life inside the mansions offers a rarely-seen side of the history of the magazine as well.

The Bunny Book - Deanna Brooks 2012-10-05

No longer will the girls next door have all the fun. Now, for the first time, every woman can learn to work it like a Playboy Bunny! They share insider tricks on how to wow a first date, walk in heels, look (and feel) great naked, give an

unforgettable striptease, choose the right makeup and lingerie, care for hair (down there), and so much more! The Bunny Book gives a gal everything she needs to know to refine her image and expand her repertoire.

Forever Starts Now - Stefanie London 2021-06-29

What happens when two people who've given up on forever find it in each other...? Single men are as scarce in Forever Falls as a vegetarian at a barbecue. That is, until Ethan Hammersmith moves in. After his fiancée gave him an ultimatum, he left Australia and never looked back. He isn't in America to find a new girlfriend, though. He's searching for the father he never knew. But now it's like he has a flashing sign above his head that says "available." Thankfully, the manager of the local diner is willing to give him cover—if only she weren't so distractingly adorable. Monroe Roberts, town misanthrope and divorcée, knocked "forever" permanently off her wish list ever since the

love of her life skipped town with the cliché yoga instructor. And good riddance. She's got this struggling diner to keep her busy, trying anything to boost sales...until a hot Australian strolls in and changes everything. Monroe's restaurant is packed full of women who aren't there to order food, unless Ethan is on the menu. This could sink her business faster than ever. So—light bulb—what if they pretend to be together? It sounded like the perfect plan. It hilariously was not...

Going Off Script - Giuliana Rancic 2016-03-01

Now in paperback, the New York Times bestseller from the entertainment journalist, television personality, reality show star, and author, Giuliana Rancic. In her hilarious memoir *Going Off Script*, Giuliana Rancic gives readers an honest look at her life on and off camera. From a young age she dreamed of becoming a TV anchorwoman, but her path to her dream job was far from straight, leading her instead to Hollywood news and a bounty

of LA misadventures (featuring notables such as Johnny Depp, Leonardo DiCaprio, and Russell Crowe). In spite of her glamorous Hollywood life, however, Giuliana could not escape some rockier times, including her battles with infertility and breast cancer. Here, she reveals the whole truth behind her well-publicized struggles, and the highly controversial decisions she had to make. Candid, funny, and poignant, *Going Off Script* is an autobiography that proves you don't always have to follow the rules to get the life you've always dreamed of.

The Girl in the Road - Monica Byrne 2015-02-17

A debut that Neil Gaiman calls “Glorious. . . . So sharp, so focused and so human.” *The Girl in the Road* describes a future that is culturally lush and emotionally wrenching. Monica Byrne bursts on to the literary scene with an extraordinary vision of the future. In a world where global power has shifted east and revolution is brewing, two women embark on vastly

different journeys—each harrowing and urgent and wholly unexpected. When Meena finds snakebites on her chest, her worst fears are realized: someone is after her and she must flee India. As she plots her exit, she learns of the Trail, an energy-harvesting bridge spanning the Arabian Sea that has become a refuge for itinerant vagabonds and loners on the run. This is her salvation. Slipping out in the cover of night, with a knapsack full of supplies including a posit GPS, a scroll reader, and a sealable waterproof pod, she sets off for Ethiopia, the place of her birth. Meanwhile, Mariama, a young girl in Africa, is forced to flee her home. She joins up with a caravan of misfits heading across the Sahara. She is taken in by Yemaya, a beautiful and enigmatic woman who becomes her protector and confidante. They are trying to reach Addis Abba, Ethiopia, a metropolis swirling with radical politics and rich culture. But Mariama will find a city far different than she ever

expected—romantic, turbulent, and dangerous. As one heads east and the other west, Meena and Mariama's fates are linked in ways that are mysterious and shocking to the core.

Written with stunning clarity, deep emotion, and a futuristic flair, *The Girl in the Road* is an artistic feat of the first order: vividly imagined, artfully told, and profoundly moving.
