The Iron Curtain Over America - John Beaty 2016-10-13

This book is unique in that it not only discusses the internal decay and the external disasters which threaten the life of American people (in fact, of ALL the people), but diagnoses the growing cancer of which they are merely the symptoms. Going behind the iron curtain of propaganda, censorship and deception, the author, former Colonel of the Military Intelligence Service, gives to the reader the first comprehensive

documented account of the origin, the scope, and the intentions of the "insidious forces working from within," which are seeking to destroy Western civilization. "An honest and courageous dispeller of the fog of propaganda in which most minds seem to dwell." - Lt. General P. A. Del Valle, USMC (ret.) "I think it ought to be compulsory reading in every public school in America." - Senator William A. Langer, former Chairman, Judiciary Committee "This book is a magnificent contribution to those who would preserve our American ideals." - Lt. Gen. Edward M. Almond, USA (ret.)

An Echo in the Bone - Diana Gabaldon 2009-09-22

A new Outlander novel — the seventh — from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic Outlander saga — a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son — a young lieutenant in the British Army — across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness — not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history — a past that may be sneaking up behind their own family.
