Gates of Fire - Steven Pressfield 2007-01-30

NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army.

Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

The Heart of the Jedi - Kenneth Flint 2021-03-04

The Heart of the Jedi Darth Vader and the Emperor are no more. The Alliance has officially become the New Republic. As Han Solo, Princess Leia, and the new Chief-of-State Mon Mothma emerge triumphant against the diminishing Empire, the Imperial Remnant fights on until the long-silent Imperial Senate rises up to call for peace. But not everyone wants peace, and High Admiral Tharkus has made plans to ensure the Empire will reemerge under his rule. At his side stands the mysterious Dioskouroi, beings of rare and deadly powers! For Luke Skywalker, exhausted from years of fighting, the time has come to depart upon a journey of discovery, a journey that will lead him to a secret long ago hidden by Obi-Wan Kenobi. ♦♦♦ The Heart of the Jedi, Kenneth C. Flint's lost Star Wars novel, commissioned and approved by Lucasfilm, and set to be released in 1993, disappeared without a trace. For many years fans wondered what became of the book and why it was never published, and so it was chalked up to yet another tragic "lostworlds" story that no one would ever get to read or enjoy... or so we thought! Kenneth C. Flint's complete novel The Heart of the Jedi has at last been unearthed! Published on StarWarsTimeline.net, it has been edited to fit into the existing Expanded Universe, taking place a short time after The Truce at Bakura and the end of issue #107 of the Marvel series, but before the X-Wing comic-book series. Reprinted here in paperback for the first time, this is a non-profit listing for private collectors only. The downloadable PDF is freely available here:

There was a fan printing briefly available in 2015. I, and most others, missed that one. Some time ago, I decided I wanted a copy of "The Heart of the Jedi" for my bookshelf. I downloaded the PDF, formatted it for paperback, sized it so it would fit in with other MMPs, and did some Photoshop work for a Batam-era appropriate cover. I put it on Amazon, ordered my copy, and was done. Then, quite frankly, I forgot about it. The increase in copies sold has lead to a few rumors.
