Goat Days - Benyamin 2012-07-17

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Dilip Kumar - Dilip Kumar 2014-07-28

An authentic, heartfelt and compelling narrative – straight from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag

and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

50 Films That Changed Bollywood, 1995-2015 - Shubhra Gupta 2016-12-10

Hindi cinema was trapped in formulaic clichés for decades: lost-and-found themes, sacrificing mothers, brothers on opposite sides of the law, villains lording over their dens, colourful molls, six songs, the use of rape as a plot pivot, and cops who always arrived too late. It hit an all-time low in the 1980s. Then, in 1991, came liberalization, and a wave of openness and aspiration swept across urban India. Dilwale Dulhania Le Jayenge was released in 1995 - and Hindi cinema became Bollywood. A new crop of film-makers began to challenge and break away from established rules. Over the next twenty years, a number of Hindi films

consistently pushed the envelope in terms of content and technique to create a new kind of cinema. Among other innovations, film-makers came up with ways of crowd funding a film (Ankhon Dekhi), did away with songs if the narrative did not need them (Gangaajal), addressed different sexual preferences (My Brother ... Nikhil) and people with special needs (Black) like no one had ever done before. As film critic with the Indian Express, Shubhra Gupta has stayed the course these twenty years and more and experienced the transition first-hand. In 50 Films That Changed Bollywood, 1995-2015, she looks at the modern classics that have redefined Hindi cinema - from DDLJ and Rangeela to Satya and Dev D to Queen and Bajrangi Bhaijaan. Gupta offers a fascinating glimpse into how these films spoke to their viewers and how the viewers reacted to them - and, ultimately, how they changed us and how we changed them.

Languages of Truth - Salman Rushdie 2021-05-25

Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is celebrated as “a master of perpetual storytelling” (The New Yorker), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, Languages of Truth chronicles Rushdie's intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects, he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself. Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to

him, whether on the page or in person. He delves deep into the nature of "truth," revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie's signature wit and dazzling voice, *Languages of Truth* offers the author's most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant and fearless imagination.

Srk - Samar Khan 2017-02-28

*A collection of 30 essays written by directors who worked closely with India's most successful superstar, SRK*Honest, personal, and at times

deeply emotional, this book is indispensable to any SRK fan*A vibrantly designed book inspired by hand-painted Bollywood posters Shah Rukh Khan is many things: a villain, an anti-hero, a romantic hero, a heartthrob, and a superstar. Khan burst onto the big screen in 1993 as a character-actor who gave even the most reprehensible villains depth. The accolades he won allowed him to take on a plethora of more adventurous roles, proving his versatility and skill to the world of Indian cinema, but also establishing him as a celebrity icon. This book, containing essays from some of Khan's closest coworkers, offers an intimate and honest picture of SRK the actor and Shah Rukh the man. SRK - 25 Years of a Life looks at Shah Rukh through the eyes of the directors who transformed him into each of his unforgettable roles. It shows the creation of a living legend, tracing Khan from his early days to his current position at the pinnacle of the Bollywood casting lists. As well as offering an insight into Khan's life that will entrance any dedicated fan, this book is designed to please the eye; its many illustrations are inspired by Bollywood's hand-painted film posters, reminiscent of the iconic portraits that first revealed SRK's characters. SRK writes that he hasn't had time for introspection, and does not dwell on the details of his successes and failures. However, this book puts everything that needs to be known about SRK within the reader's grasp. With its stark and unembellished accounts of SRK's personal and professional life, it provides a unique window of insight into this legendary man.

Playing It My Way - Sachin Tendulkar 2014-11-06

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was

the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Filming the Line of Control - Meenakshi Bharat 2012-04-27

Filming the Line of Control charts out the history of the relationship between India and Pakistan as represented in cinema, especially in light of the improved political atmosphere between the two countries. It is geared towards arriving at a better understanding of one of the most crucial political and historical relationships in the continent, a relationship that has a key role to play in world-politics and in the

shaping of world-history. Part of this exciting study is the documentation of popular responses to Indian films, from both within the two countries and among the Pakistani and Indian diaspora. The motive of this has been to locate and discuss aspects that link the two sensibilities — either in divergence or in their coming together. This book brings together scholars from across the globe, as also filmmakers and viewers on to a common platform to capture the dynamics of popular imagination. Reverberating with a unique inter-disciplinary alertness to cinematic, historical, cultural and sociological understanding, this study will interest readers throughout the world who have their eye on the burgeoning importance of the sub-continental players in the world-arena. It is a penetrating study of films that carries the thematic brunt of attempting to construct a history of Indo-Pakistan relations as reflected in cinema. This book directs our holistic attention to the unique confluence between history and film studies.

Film Sequels - Carolyn Jess-Cooke 2009-02-02

The film sequel has been maligned in popular culture as a vampirish corporative exercise in profit-making and narrative regurgitation. Drawing upon a wide range of examples from early cinema to the twenty-first century, this volume reveals the increasing popularity of, and experimentation with, film sequels as a central dynamic of Hollywood cinema. Now creeping into world cinemas and independent film festivals, the sequel is persistently employed as a vehicle for cross-cultural dialogue and as a structure by which memories and cultural narratives can be circulated across geographical and historical locations. This book aims to account for some of the major critical contexts within which sequelisation operates by exploring sequel production beyond box office figures. Its account ranges from sequels in recent mainstream cinema, art-house and 'indie' sequels, non-Hollywood sequels, the effects of the domestic market on sequelisation, and the impact of the video game industry on Hollywood.

Rajesh Khanna - Yasser Usman 2014-12-05

The untold story of Hindi cinema's first superstar Obsessed female fans routinely sent him love letters written in blood. Hysterical crowds camped outside his house to catch a glimpse of the superstar. And the frenzy unleashed by his public appearances was enough to give law-enforcers a nightmare. In the 1970s, Rajesh Khanna achieved the kind of fame that no film star had ever experienced before—or has since. But having climbed to the pinnacle of success, he then saw it all vanish. And through it all, he remained a fighter till the very end. In this riveting biography, journalist Yasser Usman examines Rajesh Khanna's dramatic, colourful life in its entirety: from little-known facts about his childhood to the low-down on his relationships and rivalries, from his ambitious hopes to his deep-seated insecurities. What emerges is a tantalizingly written, meticulously researched chronicle of a fascinating and mercurial man—one who was both loved and feared by those closest to him. It is a story that encapsulates the glittering, seductive, cut-throat world of Bollywood at its best and its worst.

India 2020 - A P J Abdul Kalam 2014-08-01

In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world's top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read.

The Northumbrians - Dan Jackson 2019

Why is the North East the most distinctive region of England? Where do the stereotypes about North Easterners come from, and why are they so often misunderstood? In this wideranging new history of the people of North East England, Dan Jackson explores the deep roots of Northumbrian culture—hard work and heavy drinking, sociability and sentimentality, militarism and masculinity—in centuries of border warfare and dangerous and demanding work in industry, at sea and underground. He explains how the landscape and architecture of the North East explains so much about the people who have lived there, and how a 'Northumbrian Enlightenment' emerged from this most literate part of England, leading to a catalogue of inventions that changed the world, from the locomotive to the lightbulb. Jackson's Northumbrian journey reaches right to the present day, as this remarkable region finds itself caught between an indifferent south and a newly assertive Scotland. Covering everything from the Venerable Bede and the prince-bishops of Durham to Viz and Geordie Shore, this vital new history makes sense of a part of England facing an uncertain future, but whose people remain as distinctive as ever.

Dreamers - Snigdha Poonam 2018-08-27

Snigdha Poonam traveled through towns in northern India to investigate millennials, who are nothing like their Western counterparts. In a country of exceptional ambition, crushing limitations, and toxic masculinity, she found clickbaiters, scammers, and hucksters, but also strivers and student leaders hungry for change—a generation of

dreamers.

The Habit of Winning - Prakash Iyer 2011-02-16

Do you feel like throwing in the towel, but want to be a great leader? Would you like to build an organization? Do you want your child to be the best she can be? If you answered yes to any of these questions, *The Habit of Winning* is the book for you. It is a book that will change the way you think, work and live, with stories about self-belief and perseverance, leadership and teamwork—stories that will ignite a new passion and a renewed sense of purpose in your mind. The stories in *The Habit of Winning* range from cola wars to cricketing heroes, from Michelle Obama's management techniques to Mahatma Gandhi's generosity. There are life lessons from frogs and rabbits, sharks and butterflies, kites and balloons. Together they create a heady mix that will make the winner inside you emerge and grow.

Still Reading Khan - Mushtaq Shiekh 2006

Shah Rukh Khan has reached a level of hero worship attained by few actors in history. The biggest Bollywood star in the world, he is adored by millions of cinema-goers in India and all over the globe. Every film he graces is a surefire smash, every product he endorses is a bestseller, and there are so many shrines to him across India that he could launch a new religion. And he's almost as popular overseas: the 2002 historical romance *Devdas* took in twice as much abroad as in India. In fact, with Bollywood's global audience running to 3.6 billion against Hollywood's 2.6 billion, Khan is in terms of recognition the world's biggest movie star. This lavish, large-format book is the ultimate look at his life, career and philosophy.

Mumbai Fables - Gyan Prakash 2010-10-10

Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the

Nanavati murder trial and the rise and fall of the tabloid *Blitz*, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. --
[Desperately Seeking Shah Rukh](#) - Shrayana Bhattacharya 2021-11-11
In this pathbreaking work, Shrayana Bhattacharya maps the economic and personal trajectories--the jobs, desires, prayers, love affairs and rivalries--of a diverse group of women. Divided by class but united in fandom, they remain steadfast in their search for intimacy, independence and fun. Embracing Hindi film idol Shah Rukh Khan allows them a small respite from an oppressive culture, a fillip to their fantasies of a friendlier masculinity in Indian men. Most struggle to find the freedom-or income-to follow their favourite actor. Bobbing along in this stream of multiple lives for more than a decade--from Manju's boredom in 'rurban' Rampur and Gold's anger at having to compete with Western women for male attention in Delhi's nightclubs, to Zahira's break from domestic abuse in Ahmedabad--Bhattacharya gleans the details on what Indian women think about men, money, movies, beauty, helplessness, agency and love. A most unusual and compelling book on the female gaze, this is the story of how women have experienced post-liberalization India.

If These Jewels Could Talk - Beth Bernstein 2015-10-01

Throughout the 20th century, jewelry revealed the behind-the-scenes stories and the plot twists and turns in the real lives of celebrities that will always be larger than life. Some of the world's most fabulous jewels not only illustrated power and status in society but these magical gems held tremendous sentimental value as they were linked to the most significant moments and memories of Hollywood royalty, international aristocracy and international icons of style. *If These Jewels Could Talk* offers a glimpse into the jewelry boxes of these celebrities - the personal tastes, heartfelt anecdotes and the true tales of the women who wore and collected the pieces. During the early- to mid-20th century, a majority of

screen actresses requested to wear their own favorite pieces in films. This offered a peek into some of the great jewelers of the time who were designing for women who could choose anything. Actresses such as Merle Oberon, Paulette Goddard, Joan Crawford, Grace Kelly and Elizabeth Taylor as well as icons such as Jackie Kennedy and The Duchess of Windsor created signature styles for which they became known and which influenced generations of women, becoming part of our collective consciousness. The 20s through the 50s were a time when the renowned jewelry houses were also celebrities in their own right. They mixed with the socialites and royalty they bejeweled. In films, jewelry

clearly developed and defined a character's personality - as it did in real life - whether it be a rags-to-riches story or those that figured into the plot: for example, a Cartier bracelet in Alfred Hitchcock's *Lifeboat*, or a Harry Winston necklace in *Notorious*. Whether on or off screen, worn by the famed and the legendary, and designed by the most revered houses of the day, all of these jewels take us on a narrative journey that provides fascinating insight into the intriguing worlds of early Hollywood and nobility from the 1920s through today.
