Just exercise just what we find the money for below as competently as review **eyes of the eagle** what you subsequent to to read!

The Serpent and the Eagle -
Edward Rickford 2019-03-18
Tenochtitlan, 1519.
Motecuhzoma, leader of the Mexica Confederacy, rules over the largest domain in all of Mesoamerica and has every expectation that his nation will continue to reign supreme... but the arrival of strange foreigners will test that confidence. Driven by God,

gold, and glory, the uncouth interlopers are led by Hernando Cortes and command weapons that can shake the sky. They hail from a faraway land called Spain, and they may have sinister designs. Their disruptive presence demands a response, and the choice Motecuhzoma must make could elevate his nation to new heights or cause its

ruin. Combining the superb research of the Moundville Duology with the gripping battles of the Conqueror Series, this award-winning novel draws upon modern scholarship to recount an event still unique today: the epic collision of two civilizations separated for millennia. Editorial Reviews "A captivating, well-plotted, bicultural dramatization of the months prior to Motecuhzoma's meeting with Cortés, deftly transporting the reader 500 years back into the eyes and intimate relationships of key participants--Mesoamerican and European, emperor and counselor, conqueror and slave." --Andrew Rowen, author of Encounters Unforeseen: 1492 Retold "The story weaves a rich tapestry of Spanish conquistadors and native Mexica--commonly known as the Aztecs--as well as the neighboring native tribes, that transports readers to the lush jungles and grand cities of pre-Hispanic Mexico. The writing is clear and easy to read, with just enough Spanish and

Nahuatl to add deep flavors without slowing the pace." --Casey Robb, author of The Devil's Grip "The Serpent and the Eagle is expertly written and painstakingly researched.... Rickford has captured a fascinating historical moment and turned it into an absorbing story that makes the history come alive." --Jim White, author of Borders in Paradise "In The Serpent and the Eagle, Edward Rickford has achieved wonderful world-building/scene-setting to the extent that even if you aren't familiar with the history surrounding the novel, you can pick this book up and enjoy it regardless." --Aaron Booth, author of Life Eternal "The Serpent and the Eagle is another literary text that may offer the reader exits out of the colonial wound of indignity and entrances into the enunciative reclamation of silenced historical, social, and cultural spaces." --C.T. Mexica, Ph. D, Arizona State University "Told through multiple points of view, Rickford's words flow

from the page like silk, engrossing the reader in insatiable Spanish hunger for gold and the anxiety Cortez's conquest brings to the native Mexica." --K.M. Pohlkamp, author of *Apricots and Wolfsbane* Winner of the 2017 Best in Category Prize in the 2017 Chaucer Book Awards for historical fiction.

[Flight of the Eagle](#) - Conrad Black 2014-10-07

Like an eagle, American colonists ascended from the gully of British dependence to the position of sovereign world power in a period of merely two centuries. Seizing territory in Canada and representation in Britain; expelling the French, and even their British forefathers, American leaders George Washington, Benjamin Franklin, and Thomas Jefferson paved their nation's way to independence. With the first buds of public relation techniques—of communication, dramatization, and propaganda—America flourished into a vision of freedom, of enterprise, and of unalienable human rights. In

Flight of the Eagle, Conrad Black provides a perspective on American history that is unprecedented. Through his analysis of the strategic development of the United States from 1754-1992, Black describes nine “phases” of the strategic rise of the nation, in which it progressed through grave challenges, civil and foreign wars, and secured a place for itself under the title of “Superpower.” Black discredits prevailing notions that our unrivaled status is the product of good geography, demographics, and good luck. Instead, he reveals and analyzes the specific strategic decisions of great statesmen through the ages that transformed the world as we know it and established America's place in it.

Ultimate Equipment - Paizo Inc. Staff 2017-10-31

Choose your weapon and stride boldly into battle with Pathfinder RPG Ultimate Equipment! Within this handy, all-in-one reference, you'll find 400 jam-packed pages of magic items and adventuring gear,

The Eagle with a Lazy Eye - A. Vela 2014-11-22

A bald eagle hunting for prey has problems with his eyesight. He visits an old, wise owl who tells him that he must wear a patch over his good eye to make the weak eye stronger. Will the eagle get used to the patch?

The Eyes of the Eagle - Gary Linderer 1991-03-02

In the 101st Airborne, if you cared enough to send the very best, you sent The Howlers. Gary Linderer volunteered for the Army, then volunteered for Airborne training. When he reached Vietnam in 1968, he was assigned to the famous

“Screaming Eagles,” the 101st Airborne Division. Once there, he volunteered for training and duty with F Company 58th Inf, the Long Range Patrol company that was “the Eyes of the Eagle.” F Company pulled reconnaissance missions and ambushes, and Linderer recounts night insertions into enemy territory, patrols against NVA antiaircraft emplacements and rocket-launching facilities, the fragging of an unpopular company commander, and one of the bravest demonstrations of courage under fire that has ever been described. The Eyes of the Eagle is an accurate, exciting look at the recon soldier's war. There are none better.

The Eagle and the Wolves
(Eagles of the Empire 4) -

Simon Scarrow 2008-09-04
IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! THE EAGLE AND THE WOLVES is the gripping fourth novel in Simon Scarrow's bestselling Eagles of the Empire series. Perfect for fans of Bernard Cornwell and Conn Iggulden. 'A new book in Simon Scarrow's long-running series about the Roman army is always a joy' The Times
Britannia, AD 44. Occupation is never easy. The enemy is butchering their supply convoys, their garrison town is starving and the truce with the locals is uneasy at best. Young Cato, newly promoted, and veteran centurion Macro are ordered to train the Wolves and the Boars, two cohorts of barbarian Britons, and introduce them to the brutal drills of the Roman Imperial Army. Macro is confident they'll win the natives over, but

Cato worries about putting weapons into the hands of potential rebels. Ultimately, only one thing matters: is there a difference between the enemy at their gates, and the allies in their own camp?

Through the Eye of the Eagle - Rod Kelly 2005

The Eagle's Claw - Jeff Shaara 2021-06-01

NATIONAL BESTSELLER • In a "riveting" (Booklist) tale that picks up where To Wake the Giant left off, Jeff Shaara transports us to the Battle of Midway in another masterpiece of military historical fiction. Spring 1942. The United States is reeling from the blow the Japanese inflicted at Pearl Harbor. But the Americans are determined to turn the tide. The key comes from Commander Joe Rochefort, a little known "code breaker" who cracks the Japanese military encryption. With Rochefort's astonishing discovery, Admiral Chester Nimitz will know precisely what the Japanese are planning. But the battle to

counter those plans must still be fought. From the American side, the shocking conflict is seen through the eyes of Rochefort and Admiral Nimitz, as well as fighter pilot Lieutenant Percy "Perk" Baker and Marine Gunnery Sergeant Doug Ackroyd. On the Japanese side, Admiral Isoroku Yamamoto is the mastermind. His key subordinates are Admiral Chuichi Nagumo, aging and infirm, and Admiral Tamon Yamaguchi, a firebrand who has no patience for Nagumo's hesitation. Together, these two men must play out the chess game designed by Yamamoto, without any idea that the Americans are anticipating their every move on the sea and in the air. Jeff Shaara recounts in electrifying detail what happens when these two sides finally meet, in what will be known ever after as one of the most definitive and heroic examples of combat ever seen. In *The Eagle's Claw*, he recounts, with his trademark you-are-there immediacy and signature depth of research, one single battle

that changed not only the outcome of a war but the course of our entire global history. The story of Midway has been told many times, but never before like this.

Knees Lifted High - Georgia Perez 2005

Eagle encourages children to be physically active each day.

The Eagle's Shadow - Nora Martin 1999

In 1946, while her emotionally distant father is in occupied Japan, a twelve-year-old girl spends a year with her mother's relatives in a Tlingit Indian village in Alaska and begins to love and respect her heritage as she confronts the secret of her mother's disappearance.

The Eyes of the Eagle - Ruskin Bond 2013-07-15

Another fascinating tale from India's most-loved storyteller Little Jai with his dog Motu, guards his grandfathers flock in the Tung meadows, high up on the Himalayan range. But on the prowl is a mighty golden eagle, with its powerful beak and talons, ready to prey on the lambs. Things take a turn

Downloaded from
clcnetwork.org on by
guest

for the worse when Motu is injured by the fierce bird. Will Jai be able to protect his lambs from the menacing eyes of the eagle? This beautifully illustrated edition brings alive the magical charm of one of Ruskin Bonds most unforgettable tales.

The Eagle of The Ninth -

Rosemary Sutcliff 2011-02-03

Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return. The Eagle of the Ninth is heralded as one of the most outstanding children's books of the twentieth century and has sold over a million copies worldwide. Rosemary Sutcliff's books about Roman Britain have won much acclaim. The author writes with such passion and with such attention to detail that the Roman age is instantly brought to life and stays with the

reader long after the last page has been turned.

Eye of an Eagle: A Peter Poppin Adventure - Janet Hafner 2016-06

"This coming-of-age story unfolds with gritty self-assurance that is associated with skilled authorship. Readers feel very much immersed with Peter's life and dilemmas. The mystery of what lies ahead is intriguing and profound." -SDW/EG Manuscript Reviewer On the coast of Maine in the 1800s, thirteen-year-old Peter Poppin discovers a mysterious box while searching the beach for driftwood. Just as he tucks it away, he suffers a terrible accident. His eye is badly injured. The doctor is unable to restore his sight. An aspiring wood-carver, he can't succeed without his vision. His dreams crumble. A schoolyard bully picks a fight with Peter because he wears an eye patch. A great eagle swoops down and defends him. His classmate, an Abamela Indian, tells Peter his clan's Shaman is a healer and could help. His parents refuse

the idea, but he and his best friend, Marian, make the journey. What happens in the healing? What gift does Peter receive? What role does the mysterious box have?

Eyes of Eagles - William W. Johnstone 2016-07-26

First in the MacCallister series from the USA Today bestselling author. “[A] rousing, two-fisted saga of the growing American frontier.”—Publishers Weekly A man as rugged as the New Frontier and as bold as the untamed West . . . Orphaned at the age of seven and adopted by the Shawnee, Jamie Ian MacCallister grew into a man more at ease in the wilderness than among men. But when the westward strike drove him across the Arkansas Territory into Texas, he finally found himself a home—in the middle of a bloody war. Texans like Jim Bowie and Sam Houston were waging a fierce struggle against Santa Anna’s Mexican army, and Jamie MacCallister made the perfect scout for the fledgling volunteer force. What lay ahead of them was a place called the Alamo, thirteen days

of blood, dust and courage, and a battle that would become an undying legend of the American West . . . Praise for the Eagles series “Solid, page-turning entertainment featuring a larger-than-life, old-fashioned hero in

MacCallister.”—Booklist
An Eagle Eye With a Lions Heart - David K. Williams
2015-04-24

Are you an introvert or know someone who is? If so, this book is for you. Being an introvert in the world of entrepreneurship can be nerve racking. Maybe you want to break free from the invisible chains that society has put on many of us? This book is designed to give people a better understanding of introverts, as well as to challenge your thinking on things we have been conditioned to believe.

Eagle in the Sky - Wilbur Smith 2018-01-01

An action-packed thriller from global bestseller Wilbur Smith The Syrian plane disintegrated, evaporating in a gush of silvery smoke, rent through with

Downloaded from
clcnetwork.org on by

bright white lightning, and the ejecting pilot's body was blown clear of the fuselage. For an instant it was outlined ahead of David's screen, cruciform in shape with arms and legs thrown wide, the helmet still on the head, and the clothing ballooning in the rush of air.' He chose this life. And it may cost him everything. From a young age it's clear that David Morgan is 'bird'-a natural pilot, most at home in the air. In the South African Air Force he receives plaudits beyond his years, and even his family begins to accept that David will do anything to stay away from the Morgan billion-dollar business, and to keep flying instead. Following his dream and in pursuit of Debra, a beautiful young Israeli writer, David soon joins the Israeli Defence Force and finds himself caught up in the country's struggles. But when he pays a terrible price for his choices, will he be able to become the man he always hoped -or will he choose to disappear into the skies?

Arator on the Acts of the

Apostles - Dr. Richard Hillier
1993

But Arator's concentration on baptismal themes also offers vital evidence of the transmission of exegetical ideas in late antiquity.

[The Eagles of Heart Mountain](#) -
Bradford Pearson 2021-01-05

The impeccably researched, deeply moving, never-before-told tale about a World War II incarceration camp in Wyoming and its extraordinary high school football team—for fans of *The Boys in the Boat* and *The Storm on Our Shores*.

In the spring of 1942, the United States government forced 120,000 Japanese Americans from their homes in California, Oregon, Washington, and Arizona and sent them to incarceration camps across the West. Nearly 14,000 of them landed on the outskirts of Cody, Wyoming, at the base of Heart Mountain.

Behind barbed wire fences, they faced racism, cruelty, and frozen winters. Trying to recreate comforts from home, many established Buddhist temples and sumo wrestling

pits. Kabuki performances drew hundreds of spectators—yet there was little hope. That is, until the fall of 1943, when the camp's high school football team, the Eagles, started its first season and finished it undefeated, crushing the competition from nearby, predominantly white high schools. Amid all this excitement, American politics continued to disrupt their lives as the federal government drafted men from the camps for the front lines—including some of the Eagles. As the team's second season kicked off, the young men faced a choice to either join the Army or resist the draft. Teammates were divided, and some were jailed for their decisions. The Eagles of Heart Mountain honors the resilience of extraordinary heroes and the power of sports in a sweeping and inspirational portrait of one of the darkest moments in American history.

Through the Eyes of the Eagle - Georgia Perez 2012-10

Through The Eyes of The Eagle" introduces the characters of Mr. Eagle and Rain That Dances, the American Indian boy he befriends. Mr. Eagle reminds the young boy of the healthy ways of his ancestors. "Through the Eyes of the Eagle" is the first book in the Eagle Book Series aimed to elementary school children and introduces the character of Mr. Eagle. Mr. Eagle befriends Rain That Dances, the primary child character in the book, to educate him about diabetes and how the lifestyles and health of the people have changed. Mr. Eagle has come to remind the children of the healthy ways of their ancestors so that they can be strong and healthy again. Measures 16 in. x 19 in. This is the first book in a series of Eagle Books. By Georgia Perez. Illustrated by Patrick Rolo and Lisa A. Fifield. Origin and Purpose of the Eagle Book Series The Eagle Book series grew out of a single book, "Through the Eyes

Downloaded from
clcnetwork.org on by
guest

of the Eagle," that had been written by Nambe Pueblo's Georgia Perez (Native American Diabetes Project, University of New Mexico) and woven through the curriculum of the Strong in Body and Spirit program in the late 1990s. Ms. Perez found that when children heard the story of the eagle, they listened intently. Afterward, they were eager to take the diabetes-prevention information back to their parents and grandparents to share what they had learned. The role of the eagle as teacher and the story's success led to the creation of a series of children's books whose purpose is to convey to children healthy ways of living. All of the stories reflect long-held values of American Indian / Alaska Native people: respect, gratitude, and generosity while teaching the universal wisdom of healthy eating and physical activity. Throughout the series, a young Native boy and his friends learn about healthy habits from Mr. Eagle, Miss Rabbit, and Coyote. Vividly brought to life by the colorful

illustrations of American Indian artists Patrick Rolo (Bad River Band, Ojibwe) and Lisa A. Fifield (Oneida Tribe of Wisconsin), these stories by Georgia Perez have become the award-winning Eagle Book series "Through the Eyes of the Eagle," "Knees Lifted High," "Plate Full of Color," and "Tricky Treats." Additional diabetes prevention books based on these characters for middle school children are also becoming available, starting with "Coyote and the Turtle's Dream." The purpose of the Eagle Books is to help children understand several important messages about diabetes and being healthy: Many Americans, including Native peoples, no longer eat traditional diets or practice vigorous physical activity. Type 2 diabetes can be a consequence of this lifestyle change. Returning to healthy diet and physical activity can help prevent diabetes. Friends and families can help each other to prevent diabetes by eating healthy foods and staying active. Related

Eyes of an Eagle - Christopher Everette Cenac 2011-08-12

In the year 1860, Jean-Pierre Cenac sailed from the sophisticated French city of

Bordeaux to begin his new life in the city with the second busiest port of debarkation in the U.S. Two years before, he had descended the Pyrenees to Bordeaux from his home village of Barbazan-Debat, a terrain in direct contrast to the flatlands of Louisiana. He arrived in 1860, just when the U.S. Civil War began with the secession of the Southern states, and in New Orleans, just where there would be placed a prime military target as the war developed. Neither Creole nor Acadian, Pierre took his chances in the rural parish of Terrebonne on the coast of the Gulf of Mexico. Pierre's resolute nature, unflagging work ethic, steadfast determination, and farsighted vision earned him a place of respect he could never have imagined when he left his native country. How he forged his place in this new landscape echoes the life journeys of countless immigrants--yet remains uniquely his own. His story and his family's story exemplify the experiences of many nineteenth century

*Downloaded from
clcnetwork.org on by

immigrants to Louisiana and the experiences of their twentieth century descendants.

Eye of the Eagle - Sharon Buchbinder 2018-11-12

Anomaly Defense and shapeshifter Bert Blackfeather doesn't need a boss with no experience. So what if she's beautiful or gives him a jolt when she shakes his hand? He never plans to get seriously involved with another woman—not in this lifetime. Phoebe Wagner, an empath with psychometric abilities and an advocate for the deaf, gets more than she bargained for with Bert. One touch and she relives his IED injuries. So what if he's handsome and hot? She doesn't need to add his secrets to her own. Phoebe's are bad enough. When his niece goes missing, from Hotel LaBelle, Bert goes to Montana to help, and Phoebe decides to go with him. Can these two hard-headed people share their darkest secrets in order to work together? It may be the only way to save an endangered child—and their own hearts when Bert's past

rears its ugly head.

Under the Eagle - Simon Scarrow 2002-12-06

In this first book of a new historical fiction series, a crack Roman legion invades Britain in this brazen tale of military adventure, political intrigue and heroism It is the year 42 AD, and Centurion Macro, battle-scarred and fearless, is in the heart of Germany with the Second Legion, the toughest in the Roman army. Cato, a new recruit and the newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's Under the Eagle is destined to become a military

fiction classic.

Eagle Eye - Robert Cornelius
2018-04-09

Robert Banks Cornelius Jr. was only sixteen when he made the big move from his hometown of Atlanta, Georgia, to New York City. The teenager had big dreams of life in the Big Apple and used his passion for business to make that dream come true. Banks Cornelius saved up money waiting tables and completing other jobs to move, and he has called New York home for the past fifty-two years. Robert Banks Cornelius Jr.'s entrepreneurial exploits don't stop there. In *Eagle Eye*, he chronicles the many opportunities he seized in his new home and how he turned them into a satisfying career. At the same time, Robert Banks Cornelius Jr. demonstrates that while he may have the brain of a businessman, he also has the heart of an artist. It took him a while to discover his passion for sculpture and poetry, but these artistic exploits have given Banks Cornelius the most joy in his life. Robert Banks

Cornelius Jr. and coauthor Professor Darnell A. Morehand-Olufade also focus on the heritage Banks Cornelius has explored through his art. He has traveled across the country to participate in cultural events as a man of Native American, Black, English, and Scottish ancestry. Robert Banks Cornelius Jr. remains committed to honoring every aspect of this identity.

The Eagle's Eyes - Mitzie Williams 2010-12-21

The Eagles Eye is a divine collection of creative, captivating, and conscious poems aimed to improve the readers and listeners ability to have a deeper insight and better understanding of real-life situations or encounters. Firstly, The Eagles Eye zooms downward on the raw intent of the natural eyes to search for something within its grasp. Then it dives and overtakes its inner strengths, and deeper insights of humanity. It then soars upward through the pale clouds and bright sky and clutches the peak of better understanding. Finally, this anthology of poems was written under the supernatural authority and anointing of the

Most High God. It provokes a meaningful awareness of the gem that lies within you.

The Eagle Has Eyes - José Angel Gutiérrez 2019-03-01
This book is the first of its kind to bring transparency to the FBI's attempts to destroy the incipient Chicano Movement of the 1960s. While the activities of the deep state are current research topics, this has not always been the case. The role of the U.S. government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers. This book utilizes declassified files from the FBI to investigate the agency's role in thwarting Cesar E. Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI, California state police, and local police in assisting those who opposed Chavez. Ultimately, The Eagle Has Eyes is a must-read for academics and activists alike.

1991

Like a river overflowing its banks, Ben wreaks havoc until he learns to recognize and control his Attention Deficit disorder (ADD).

In the Eye of an Eagle: A Look at the World from Above. - John Martin Ramsay
2019-05

Marlowe Erickson helped many people look at the world in a different way, one that helped them realize that they could choose happiness. Toward the end of his life, he expressed the desire when he departed to become the eye of an eagle. This booklet with stunning eagle photos by Marian Brickner explores that possibility in a way which can be shared by parents with their children.

The Prophetic through the Eye of the Eagle - Linda Morales
2012-04-23

In the beginning, we were created in God's own image according to Genesis 1:27; "So God created man in his own image, in the image of God created he them. That means we were created as a spirit. So

even before we inhabited our bodies as the Word of God says in Genesis 2:7, we were taught by God the Father. (John 6:45; "It is written in the prophets, and they shall be all taught of God. Every man therefore that hath heard, and hath learned of the Father, cometh unto me.) The Prophetic allows us to move in the realm of the spirit in such a dimension that we are able to see, smell, taste, hear, and even touch. (Read Hebrews 5:14) As we begin to walk and live in the spirit as the Word of God says in chapter 5 of Galatians, we need the understanding and the revelations by The Spirit and Truth. I have written this book in hopes of giving understanding in the way God has shown me. May the Lord Jesus Christ bless you as you read "The Prophetic Through the Eye of the Eagle."

**American Patriotism
Through the Eyes of an
Eagle** - Jeremy Latchaw
2009-03

During a time of war, economic tribulation and a cultural shift in the American lifestyle, Jeremy Latchaw takes his experiences in the Global War on Terrorism, military and the Boy Scouts of America to shed light on what it truly means to be an American Patriot. By examining value systems that have made America great, from volunteer hours to character development, Jeremy is able to piece together what makes the American Patriot and how that patriot can in turn make the United States an even better place to live. Jeremy Latchaw is an Eagle Scout from Michigan as well as a combat veteran having served in Operation Iraqi Freedom and the Global War on Terrorism. From 2000-2004 he served in the Army's 1st Battalion, 16th

Infantry Regiment as a platoon leader, executive officer and personnel officer. Wanting to give back to the Scouting program Jeremy was commissioned into the Boy Scout profession in 2005. In 2007 he was mobilized with the Army Reserves to Kuwait as a strategic logistical planner for the War on Terrorism in Southwest Asia. Jeremy currently resides in Kansas and continues work to develop American Patriots for the betterment of the Nation.

Tricky Treats - Georgia Perez 2012-10-31

Teaches the difference between healthy snacks and sweet treats.

Eagle Eye - Darcy Flynn
2017-05-30

Could one little mistake derail everything she's worked for? Undercover journalist, Cameron Phillips, is known for his forthright exposE articles uncovering scandals of New York City's rich and famous. Using the pseudonym Eagle Eye to hide his identity, he is free to wield his finger pointing, no-holds-barred articles at leisure. Jillian Jeffrey, teen fashion industry's latest darling, has a heart for the less fortunate. Her goal is to raise enough money for fashion icon Anna Delany's, Like No Other charity foundation. The donation will not only keep the charity afloat, but will place Jill in the running for a coveted position on LNO's board of directors. In a moment of weakness, at the charity gala, Jill reluctantly accepts a bet from her ex-boyfriend and uses a homeless man to raise twenty thousand dollars. Unknown to Jill, the homeless guy is the cynical, undercover journalist, and Jill has just become his latest

exposE target. In a twist of fate, Cameron is soon hired to shadow Jill as she volunteers with the charity. Shorthaired and clean-shaven, he looks nothing like the bearded, disheveled man Jill had encountered the night of the gala. During their time together, he not only discovers

the noble reason behind the bet, but witnesses first hand his article's negative impact on her business. Faced with the prospect of losing her, will Cameron come up with an antidote for Eagle Eye's toxic exposE before Jill loses everything she's worked for?
