Provides four practice tests and offers advice about each step of the selection process, physical test, and oral interview.

Brannigan's Building Construction for the Fire Service - Francis Brannigan 2010-02-22

Brannigan's Building Construction for the Fire Service, Fourth Edition is a must read for fire fighters, prospective fire fighters, and fire science students. This edition continues the Brannigan tradition of using plain language to describe technical information about different building types and their unique hazards. This text ensures that critical fire fighting information is easy-to-understand and gives valuable experience to fire fighters before stepping onto the fireground. The first edition of Building Construction for the Fire Service was published in 1971. Frank Brannigan was compelled to write the most comprehensive building construction text for the fire service so that he could save fire fighters' lives. His passion for detail and extensive practical experience helped him to develop the most popular text on the market. His motto of: "Know your buildings," informs every aspect of this new edition of the text.

Listen to a Podcast with Brannigan's Building Construction for the Fire Service, Fourth Edition co-author Glenn Corbett to learn more about this training program! Glenn discusses his relationship with the late Frank Brannigan, the dangers of heavy construction timber, occupancy specific

hazards, and other areas of emphasis within the Fourth Edition. To listen now, visit:

Additional Items Related To Fire Fighter Safety And Health Are Included.

From Buddy to Boss - Chase Sargent 2006

Whether youre a new officer or in need of a mentor, *From Buddy to Boss: Effective Fire Service Leadership*, is a must-have management book youll turn to over and over again. Fire service veteran Chase Sargent has taken his popular course and written a no-holds barred leadership book for the fire service in a conversational and easy-to-read style. He tells you how to accept and survive politics, deal with the fringe employees, and keep your cool -- tricks of the trade that usually takes years to acquire. In this book youll learn: ***Your credibility is a valuable currency that takes time to build up. What you do, not what you say, is the ultimate test of your credibility, reinforcing your expectations*** ***That leadership requires individuals and organizations to create an environment where people and their ideas can thrive*** ***How to use stories to impress upon our new members the necessity of doing certain things*** ***That the quickest ways to lose trust are to inconsistently apply and enforce rules and to allow your personal feelings to dictate what you will and wont enforce*** ***Why leading by example and from the front, doing not saying, is critical to you success*** Reading *From Buddy to Boss* is like turning to a trusted friend for wisdom and advice

you can count on to improve your job performance. Use this book to master your leadership as well as your management skills and successfully make the transition to boss.

Barron's Firefighter Candidate Exams - James J. Murtagh 2017-04-01

This revised and updated manual presents practice exams similar to those given to firefighter candidates in cities and communities across America. The book opens with a description of the firefighter's role, the important terminology he or she must understand, and the physical, medical, and written tests that every candidate must be able to pass for qualification. General advice and information for prospective firefighters includes physical fitness standards, and learning to recognize and correct weaknesses in visualization, spatial orientation, and more. A brand-new chapter in this edition covers mechanical reasoning, which today's firefighter must be able to command. Features that follow include: A preliminary diagnostic exam Information on revised exams (CPAT) Advice on what a successful firefighter candidate should do to prepare before taking the exam Six full-length practice exams All test questions answered and explained
