Engines of Privilege - David Kynaston
2019-02-07

A rigorous, compelling and balanced examination of the British public school system and the inequalities it entrenches. Private schools are institutions that children who are already privileged attend and have those privileges further entrenched, almost certainly for life, through a high-quality, richly-resourced education. The Engines of Privilege contends that in a society that mouths the virtues of equality of opportunity, of fairness and of social cohesion, the continuation of this educational apartheid amounts to an act of national self-harm that does all of us serious damage. Intrinsic to any vision of the future of Britain has to be the nature of our educational system. Yet the quality of conversation on the issue of

private education remains surprisingly sterile, patchy and highly subjective. Accessible, evidence-based and inclusive, *Engines of Privilege* aims to kick-start a long overdue national debate. Clear, vigorous prose is combined with forensic analysis to compelling effect, illuminating the painful contrast between the importance of private schools in British society and the near-absence of serious, policy-making debate, above all on the left.

Grade One Music Theory for ABRSM Candidates
A complete course for students taking the ABRSM Grade 1 music theory exam. This book takes you through each topic with a step-by-step approach. The topic in each unit is explained in simple terms with several musical examples, and is then followed by a page of consolidation exercises so that you can immediately practice your new-found knowledge. Answers are provided. The course covers the ABRSM syllabus for Grade One, which is an introductory level. Topics covered include treble and bass clefs, notation, accidentals, key signatures and scales of C, G, D and F major, tonic triads, rhythm, foreign terms and symbols. Perfect for self-study, or to use with your music teacher. A full

practice test is included, with model answers provided. Each page has been carefully designed to be suitable for photocopying. This book is "bilingual," and contains both UK and USA musical terminology. About the Author Victoria Williams graduated from the University of Leeds with a BA Hons degree in Music in 1995, where she specialised in Musicology. Victoria has been

teaching music theory via her website www.mymusictheory.com since 2007, and has students in over 110 countries worldwide. She now specialises in music theory exam training, focusing mainly on the ABRSM music theory exams from grades 1 to 8, but also coaches students of other syllabuses such as AMEB and AP music theory.
