Riding in the Zone - Ken Condon 2019-10-15
Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one

individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

Daredevil's Manual - Ben Ikenson 2004-09-17

Packed with dozens of outrageous stunts, The Daredevil's Manual is a practical guide that unlocks the secrets of the bravest (and craziest) antics anyone could hope to get up to. Impress your friends by eating 50 hot dogs in 12 minutes, lifting anvils with your ears, walking on hot coals and swallowing a sword. If that seems a little tame, the truly insane will welcome the opportunity to learn how to wear a 10,000 bee beard, eat a live scorpion and ? for an encore ? hammer a nail into their nose. For those who

enjoy living life without serious injury, simply reading the book is enough, with tongue in cheek instructions and step-by-step illustrations showing every gruesome move. Danger: this book could seriously damage your health

The Passionate Church - Mike Slaughter
2016-04-21

It's good to talk about ministry. It's better to do it, and do it passionately. In 2008, the United Methodist Church lifted up "Four Areas of Focus" for ministry, and churches have responded. But at Ginghamburg Church, in the rust-belt town of Tipp City, Ohio, the church has been doing exciting and effective ministry in those four areas for 35 years and more.

Engaging in Ministry with the Poor
Improving Global Health
Developing Principled Christian Leaders
Creating New and Renewed

Congregations The work has led to a host of creative ministries and organic growth...because they were meeting the needs of their community and their world as the hands and feet of Christ. The book comes with a built-in facilitator Guide to encourage pastor peer groups and other leadership groups interested in deepening the discussion.
