The Chinese Horoscopes Guide to Relationships -  
Theodora Lau 1997-06-16

Are you and your partner always quarreling, for no apparent reason? Could it be that one of you is a Dragon and the other a Dog? If you were looking for a creative person to work for you, would it help to know their birth year? Someone born in the Year of the Monkey would be a strong choice. Were you born in the Year of the

Rooster? Maybe it's no surprise that your closest friends are a Horse and a Rabbit. The Chinese Horoscopes Guide to Relationships is a fascinating guide to the secrets of the astrological system that has been practiced in China for years. By identifying the people in your life--business associates, family members, teachers, friends, lovers, and spouses--through their respective signs, you will gain valuable

insight into their personalities and aptitudes, their quirks and proclivities. More important, you will discover how your own sign and its traits affect how you get along with others born under different signs. At long last, you will have the astrological explanations as to why you can be so compatible with one person yet so completely at odds with someone else. Theodora Lau was born in Shanghai and lived with her husband and two children in Hong Kong before moving to California, where she is presently settled. She is the author of *The Handbook of Chinese Horoscopes*, now in its third edition. [Wedding Feng Shui](#) - Laura Lau 2010-12-21 From your luckiest wedding day to the perfect dress, Wedding Feng Shui will help you plan the ceremony of your dreams! Are you a Dragon with a Tiger fiancé? Which of your bridesmaids is your best shopping companion? Will you run into conflicts with your Snake mother-in-law? In *Wedding Feng Shui*, Chinese horoscope experts Laura Lau and Theodora Lau explain how

anyone of any culture can use Eastern wisdom to create a meaningful, beautiful, and personalized wedding. Based on your lunar and solar signs and those of your fiancé, wedding party, family, and friends, you'll learn: Which of the twelve animal signs you are—and how it can affect you during the planning process The best and worst tasks for each member of your family and wedding party The perfect dresses, flowers, gemstones, symbols, and more for your sign Your luckiest wedding date, based on your specific marriage combination And there's much more!

*Libra* - Joanna Martine Woolfolk 2011-11-16 Your Sun sign (often referred to simply as your sign) is the zodiac sign the Sun was traveling through at the time of your birth. Your Sun sign is the most important and pervasive influence in your horoscope and in many ways determines how others see you. It governs your individuality, your distinctive style, and your drive to fulfill your goals. It symbolizes the role

you are given to play in this life. It's as if at the moment of your birth you were pushed onstage into a drama called This Is My Life. In this drama, you are the starring actor—and your sign is the character you play. This elegant little volume is packed with what your Sun sign tells you about you. You'll read about your many positive qualities as well as your negative issues and inclinations. You'll find insights into your power, potentials, and pitfalls; advice about relationships, love, and sex; clarification on erogenous zones and how you combine romantically with other signs; guidance regarding career, health, and diet; and information about myriads of objects, places, concepts, and things to which you're attached. You'll also find topics not usually included in other astrology books—such as how you fit in with Chinese astrology and with numerology.

### **Mermaids, Sylphs, Gnomes, and**

**Salamanders** - William R. Mistele 2012-10-23

Although the spirit beings of the four elements of nature have been represented in literature, religion, and folk tales, descriptions of these creatures have been vague, and direct experience with them is quite rare. Yet each of the four elemental kingdoms offers great gifts to humanity, if we are willing to recognize that the psychological and spiritual qualities they embody are already inherent in human nature. Mermaids dwell in the oceans, lakes, and rivers. They offer love and sharing, a sense of wonder, beauty, and innocence. Sylphs roam the sky; they represent harmony, balance, and the attainment of freedom. Gnomes live underground. Their quiet inner wisdom banishes depression and sorrow. Salamanders dwell in

volcanoes and vast caverns of magma beneath the earth. They offer the power of intense heat to refine, transform, and integrate. Who are these mysterious creatures of water, air, earth, and fire? Author William Mistele has devoted a significant portion of his life to finding out. Addressing the perennial questions Why are we here? What is the deepest purpose of life? What are our options?, Mermaids, Sylphs, Gnomes, and Salamanders takes the reader directly into the realms of these spirits, telling stories from their perspective. Weaving together fairy tales and poems, thoughtful analysis, and meditative exercises, Mistele illuminates the qualities these beings have mastered and humanity must begin to embrace: empathy, an inner peace with the universe, a divine level of sensuality, and a love that is everywhere in every moment.

### **The Chinese Zodiac** - Anita Mangan

2021-10-14

From highly-acclaimed illustrator, graphic designer and author, Anita Mangan, comes The

Chinese Zodiac, an ideal gift book for fans of astrology and lunar cycles. In this time of self-awareness and self-interest, The Chinese Zodiac takes an alternative and hilarious look at all 12 signs of the Chinese Zodiac, mixing together animal and human facts and drawing on themes such as personality, love, health and lifestyle, school/work to create a fresh and entertaining look at ourselves accompanied by quirky and colourful illustrations in this full-colour gift book. The Chinese zodiac follows the moon (rather than constellations, as in the Greco-Roman zodiac system). It is divided into a 12-year cycle, with a different animal representing each year. The philosophy is deeply rooted in Chinese culture, and the zodiac, combined with the principles of yin and yang and the five elements, asserts a remarkable influence over people's decisions and beliefs. The signs include: Rat Ox Tiger Rabbit Dragon Snake Horse Goat/Sheep Monkey Rooster Dog Pig

**Life After Life** - Raymond Moody 2015-12-15

The groundbreaking, bestselling classic, now available in a special fortieth-anniversary edition that includes a new Foreword from Eben Alexander, M.D., author of Proof of Heaven, and a new Afterword by the author. Raymond Moody is the “father” of the modern NDE (Near Death Experience) movement, and his pioneering work Life After Life transformed the world, revolutionizing the way we think about death and what lies beyond. Originally published in 1975, it is the groundbreaking study of one hundred people who experienced “clinical death” and were revived, and who tell, in their own words, what lies beyond death. A smash bestseller that has sold more than thirteen million copies around the globe, Life After Life introduced us to concepts—including the bright light, the tunnel, the presence of loved ones waiting on the other side—that have become cultural memes today, and paved the way for modern bestsellers by Eben Alexander, Todd Burpo, Mary Neal, and Betty Eadie that have

shaped countless readers notions about the end life and the meaning of death.

Taoist Astrology - Susan Levitt 1997-06-01

This guide brings Chinese astrology back to its ancient roots, providing all the information you need for understanding one of the world's oldest systems of divination. The ancient Chinese people developed a sophisticated science of astrology that continues to have profound influence in China today. Rooted in the fundamentals of Taoism, it evolved into a system vastly different from Western astrology. Rather than determining personality by the time of the

year in which you are born, in Taoist astrology it is the year itself that determines your character. The years form a twelve-year cycle of signs, each named after an animal. Additionally, your personality depends on which of the five traditional Taoist elements you are born under--water, wood, fire, earth, or metal. This makes for a cycle of sixty unique signs. Taoist Astrology includes information for each sign's personality, compatibility, child-parent relations, and rising and falling fortunes during the twelve-year cycle. Discussions of yin and yang, Confucianism and Buddhism, Taoist alchemy, and the connection between Taoist astrology and Western astrology give you all the background you need for understanding one of the oldest systems of divination known to humanity. Taoist Astrology differs from other books on the subject by grounding its concepts in the ancient traditions from which it originated.

*Rainbow Body and Resurrection* - Francis V. Tiso  
2016-01-26

A leading authority on the rainbow body traces its history in the encounter of religions in medieval Central Asia, exploring a previously unimagined connection between early Dzogchen and the resurrection of Jesus Francis V. Tiso, a noted authority on the rainbow body, explores this manifestation of spiritual realization in a wide-ranging and deeply informed study of the transformation of the material body into a body of light. Seeking evidence on the boundary between physical science and deep spirituality that might elucidate the resurrection of Jesus, he investigates the case of Khenpo A Chö, a Buddhist monk who died in eastern Tibet in 1999. *Rainbow Body and Resurrection* chronicles the dissolution of Khenpo's material body within a week of his death, including eye-witness interviews. Tiso describes the spiritual practices that give rise to the rainbow body and traces their history deep into the encounter of religions in medieval Central Asia. His erudite exploration of the Tibetan phenomenon raises

the fascinating question of whether there is a connection between the rainbow body and the dying and rising of Jesus. Drawing on a wealth of recent research, Tiso expands his discussion to include the contemplative geography out of which Dzogchen arose some time in the eighth century along the great Silk Road across Central Asia. The result is an illuminating consideration of previously unimagined relationships between spiritual practices and beliefs in Central Asia.

**Postcolonial Astrology** - Alice Sparkly Kat 2021-05-18

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmaskes the political power of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter, we can trace and understand the politics of magic--and challenge our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's Postcolonial

Astrology ushers in a new wave of astrology revival, refusing to apologize for its magickism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefine the body in the world, and assert our politics of the personal, in astrology and all things.

**The Mastery of Self** - Don Miguel Ruiz, Jr.  
2016-01-01

The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream and fall victim to believing that we have no control over it. "The Mastery of Self" takes the Toltec philosophy of the Dream of the Planet and the personal dream and explains how a person can: Wake upLiberate themselves from

illusory beliefs and storiesLive with authenticity  
Once released, we can live as our true, authentic, loving self, not only in solitude and meditation, but in any place--at the grocery store, stuck in traffic, etc.--and in any situation or scenario that confronts us. The Ruiz family has an enormous following, and this new book from don Miguel, Jr. will be greeted with enthusiasm by fans around the world. This new book from don Miguel, Jr. will be greeted with enthusiasm by fans around the world.

**Handbook of Chinese Astrology** - Richard Craze 2013

This is an illustrated guide to the Chinese horoscope and how to use it. The 12 signs of the Chinese horoscope introduced and explained; find out which signs you are compatible with and which you should avoid. Increase your understanding of your partner, friends and family as their sign's characteristics reveal themselves. You can learn how the year you

were born influences your personality, ambitions, relationships and life choices. The system of Chinese horoscopes has been in use for thousands of years, and there was a time when no Chinese person would contemplate changing their job or getting married without consulting their astrologer. We may no longer run our lives this way, but there is much that we can learn about ourselves from this ancient Eastern astrological system. The Chinese horoscope is made up of 12 animal signs but while most people know which sign they are, the system is more complex than that. You also need to know which of the five elements you are: fire, earth, water, metal or wood, and whether you are yin or yang. This accessible book guides you through finding your own particular sign and how it influences your personality, family, love life and future choices.
