Revise Btec National Health and Social Care Revision Workbook - 2016

BTEC Introduction to Health and Social Care - Lynda Mason 2004-06

Written by the authors of the specifications for the BTEC Introductory Health and Social Care award, this book contains the knowledge students need to pass this award at certificate or diploma level. Case studies place all learning in a care context, giving you an insight into the issues involved in care.

GCE AS Level Health and Social Care Double Award Book (for AQA) - Moonie 2005-10-07

Exactly matched to the AQA specifications, this Student Book covers all available units of the Double Award.

Folens GCSE Health and Social Care - Angela Fisher 2003

A colourful student-friendly textbook covering all three Units required for all awarding bodies for the new GCSE in Health and Social Care: Health Social Care & Early Years Provision, Promoting Health & Wellbeing and Understanding Personal Development and Relationships. Included are case studies and activities, plus in-text questions to check students' understanding, all written in a straightforward way for students across the full ability range. An accompanying teacher support pack, providing background material and resources on all aspects of the course, including specific tests for each awarding body (OCR, Edexcel and AQA), is also available.

Ocr National Certificate in Health and Social Care - Level 2 - Liam Clarke 2004

This unique resource provides everything students need for the new OCR National Certificate in Health and Social Care and focuses on the differing levels of care required for individuals in a variety of settings.

Social Policy & Welfare - Mark Walsh 2000

Social Policy and Welfare is an introductory textbook to the key concepts, issues and historical developments that underpin British social policy. The book includes coverage of both classic themes and debates and the latest New Labour approach to social policy and social welfare provision. Written with the Edexcel Social policy AS/A level specifications in mind, it should be of specific interest to undergraduates studying social policy, sociology, and to health and social care students.

BTEC First Health and Social Care Level 2 Assessment Guide: Unit 7 Equality and Diversity in Health and Social Care - Elizabeth Rasheed 2013-07-26

Take the guesswork out of BTEC assessment with sample student work and assessor feedback for all pass, merit and distinction criteria. By focusing on assessment this compact guide leads students through each pass, merit and distinction criterion by clearly showing them what they are required to do. - Provides a sample student answer for every single pass, merit and distinction criterion, together with detailed assessor's comments on how work can be improved, so that students know exactly what their work needs to show to hit their grade target - Saves you time - realistic model assignments are included and provide an opportunity to generate all evidence, with each criterion and grade clearly indicated, so there is no need to rewrite yet more assignment briefs - Use instead of a textbook - detailed revision-style summaries of all the learning aims from the unit support students, allowing them to quickly find the facts and ideas they will need for their assessment - Enables you to customise your course - combine this guide with others in the series so you only pay for the units you deliver

Health & Social Care - Beryl Stretch 2007-03-05

This must-have textbook provides wider reading and broad, underpinning knowledge for Level 3 students on a range of courses.

learning aims from the unit support students, allowing them to quickly find the facts and ideas they will need for their assessment - Enables you to customise your course - combine this guide with others in the series so you only pay for the units you deliver

No Child of Mine - Susan Lewis 2013-05-14

From internationally bestselling British author Susan Lewis comes an unflinching, thoroughly suspenseful novel—perfect for readers of Jodi Picoult—about the darkest secrets a family can hide. Alex Lake's life is centered on helping people. Her job as a social worker in a British seaside town is more than a career: It's the very essence of who she is. And though there are frustrations, Alex takes to heart the rewards of placing a child in a safe and loving home. But when she encounters three-year-old Otilie Wade, Alex is completely unprepared for the effect the sweet, shy little girl has on her. Though on the surface Otilie seems to want for nothing—she's perfectly healthy and lives in a very nice home—she's mysteriously silent and asocial. Alex knows that something is not right in the Wade house. And the deeper she looks into the case, the more Alex comes to feel that she and Otilie are being drawn together by fate. As disturbing evidence mounts and Alex's superiors seem unwilling to help, Alex knows she will have to risk everything—her job and the life she loves—to save Otilie. But Alex will also have to wrestle the demons of her own past before she can secure a future for this child in need. BONUS: This edition includes an excerpt from Susan Lewis's Don't Let Me Go. Look for special features inside. Join the Random House Reader's Circle for author chats and more.

Health and Social Care - Elizabeth Rasheed 2010-06-03
