The American Yawp - Joseph L. Locke
2019-01-22

"I too am not a bit tamed—I too am
untranslatable / I sound my barbaric yawp over

the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling

markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

United States History - William Deverell

2010-12-31

Uprooted - Albert Marrin 2016-10-25

A Publishers Weekly Best Book of the Year A Booklist Editor's Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II— from National Book Award finalist Albert Marrin Just seventy-five years ago, the American government did something that most would consider unthinkable today: it rounded up over 100,000 of its own citizens based on nothing more than their ancestry and, suspicious of their loyalty, kept them in concentration camps for the better part of four years. How could this have happened? *Uprooted* takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation's most beloved presidents to make this decision. Meanwhile, it also illuminates the history of Japan and its own

struggles with racism and xenophobia, which led to the bombing of Pearl Harbor, ultimately tying the two countries together. Today, America is still filled with racial tension, and personal liberty in wartime is as relevant a topic as ever. Moving and impactful, National Book Award finalist Albert Marrin's sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past. *U.S. History* - P. Scott Corbett 2017-12-19 Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S.

history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The American Journey - Joyce Oldham Appleby
2009-01-01

Revolutionary Dissent - Stephen D. Solomon
2016-04-26

When members of the founding generation protested against British authority, debated separation, and then ratified the Constitution, they formed the American political character we know today- raucous, intemperate, and often mean-spirited. *Revolutionary Dissent* brings alive a world of colorful and stormy protests that included effigies, pamphlets, songs, sermons, cartoons, letters and liberty trees. Solomon explores through a series of chronological narratives how Americans of the Revolutionary period employed robust speech against the

British and against each other. Uninhibited dissent provided a distinctly American meaning to the First Amendment's guarantees of freedom of speech and press at a time when the legal doctrine inherited from England allowed prosecutions of those who criticized government. Solomon discovers the wellspring in our revolutionary past for today's satirists like Jon Stewart and Stephen Colbert, pundits like Rush Limbaugh and Keith Olbermann, and protests like flag burning and street demonstrations. From the inflammatory engravings of Paul Revere, the political theater of Alexander McDougall, the liberty tree protests of Ebenezer McIntosh and the oratory of Patrick Henry, Solomon shares the stories of the dissenters who created the American idea of the liberty of thought. This is truly a revelatory work on the history of free expression in America. *United States History and Geography, Student Edition* - McGraw-Hill Education 2011-06-03
United States History & Geography explores the

history of our nation and brings the past to life for today's high school students. Texas Contemporary World Studies - 2015

Land and Liberty II - David Warren Saxe
2006-09-01

his book presents the basics of traditional American history: basic lessons, essential truths and principles, definitions of liberty and freedom, establishment of citizenship education, and understandings of the Declaration of

Independence and U.S. Constitution. Land and Liberty is part one of the American History Project, a program devoted to the revival of traditional American history in American schools, colleges, and universities.

Sir Gawain and the Green Knight - 2007

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. 30,000 first printing.

Stargirl - Jerry Spinelli 2004-05-11

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, Dead Wednesday! Stargirl. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways

hum with the murmur of “Stargirl, Stargirl.” She captures Leo Borlock’s heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don’t miss the sequel, *Love, Stargirl*, as well as *The Warden’s Daughter*, a novel about another girl who can’t help but stand out. “Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion.” —The New York Times
America's History - 2018

Freak the Mighty - Rodman Philbrick 2015-04-01
Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Modern World History California Edition - Roger B. Beck 2005-01-07

Celebrating Texas - McDougal Littell 2003-06-01

Competing Visions - Robert Cherny 2012-09-28
With a strong social emphasis and succinct narrative, *COMPETING VISIONS: A HISTORY OF CALIFORNIA, 2E* chronicles the stories of people who have had an impact on the state's history while presenting California as a hub of

competing economic, social, and political visions. It highlights the state's cultural diversity and explicitly compares it to other Western states, the nation, and the world--illustrating the national and international significance of California's history. Its chronological organization and thematic approach enables readers to keep track of events and fully understand their significance. Telling the full story, the text concludes by discussing such current events as immigration and demographic changes, the Occupy Movement, energy challenges, and more.

The First Americans - James Adovasio
2009-01-16

J. M. Adovasio has spent the last thirty years at the center of one of our most fiery scientific debates: Who were the first humans in the Americas, and how and when did they get there? At its heart, *The First Americans* is the story of the revolution in thinking that Adovasio and his fellow archaeologists have brought about, and

the firestorm it has ignited. As he writes, "The work of lifetimes has been put at risk, reputations have been damaged, an astounding amount of silliness and even profound stupidity has been taken as serious thought, and always lurking in the background of all the argumentation and gnashing of tenets has been the question of whether the field of archaeology can ever be pursued as a science."

The Story of an Hour - Kate Chopin
2011-10-15

Narrative of the Life of Frederick Douglass, an American Slave - Frederick Douglass
2019-06-12

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In

factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

Involved - Charles Bazerman 2015

Involved: Writing for College, Writing for Your Self helps students to understand their college experience as a way of advancing their own personal concerns and to draw substance from their reading and writing assignments. By enabling students to understand what it is they are being asked to write{u2014}from basic to complex communications{u2014}and how they can go about fulfilling those tasks meaningfully and successfully, this book helps students to develop themselves in all the ways the university offers. This edition of the book has been adapted from the print edition, published in 1997 by

Houghton Mifflin. Copyrighted materials{u2014}primarily images and examples within the text{u2014}have been removed from this edition. --

Incorporate research-based reading strategies to give all your students access to the rich history of the United States. The program includes the finest scholarship and the most up-to-date maps from National Geographic.

Common Sense - Thomas Paine 2011-06-01
Addressed to the Inhabitants of America, on the Following Interesting Subjects, viz.: I. Of the

Origin and Design of Government in General, with Concise Remarks on the English Constitution. II. Of Monarchy and Hereditary Succession. III. Thoughts on the Present State of American Affairs. IV. Of the Present Ability of America, with some Miscellaneous Reflections

The Mismeasure of Desire - David E. Stannard
1993-11-18

For four hundred years--from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the

enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World's original inhabitants. Advancing a thesis

that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

Teaching What Really Happened - James W. Loewen 2018-09-07

“Should be in the hands of every history teacher in the country.”— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and

anecdotes throughout, the second edition features a timely new chapter entitled “Truth” that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical

research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

The Generall Historie of Virginia, New England & the Summer Isles - John Smith 1907

Things Fall Apart - Chinua Achebe 2013-04-25
Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling

the fate of one African community, continued in Arrow of God and No Longer at Ease.

Modern World History - Roger B. Beck
2002-03-01

Candide - Voltaire 2014-05-25T00:00:00Z
Candide is the picaresque tale of the titular character's fantastical journey from an insular, idealized life in a picturesque castle through the difficulties and evils of the real world. Satirical, comical, witty, and cutting, Candide was widely banned in its day for containing blasphemous and seditious concepts. Despite that, it survived controversy to become an important book in the Western literary heritage. Today Candide remains a breezy and darkly funny read. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

History Alive! - 2017
Helping students succeed in three main parts: class involvement activities, reading this book, and writing about your learning in an interactive

notebook.

Something Wonderful - Todd S. Purdum

2018-04-03

"Even before they joined forces, Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows, but together they pioneered a new art form: the serious musical play. Their songs and dance numbers served to advance the drama and reveal character, a sharp break from the past and the template on which all future musicals would be built. [This is a portrait of that creative partnership]"--

Amusing Ourselves to Death - Neil Postman

1986

Examines the effects of television culture on how we conduct our public affairs and how "entertainment values" corrupt the way we think.

Vietnam War Literature - John Newman 1996

This third edition is greatly expanded with over 600 new entries to reflect the growing number

of imaginative writings about the Vietnam War.

A Rumor of War - Philip Caputo 1996

A personal memoir of the war in Vietnam, in which the author first served as a Marine and which he later covered as a reporter.

The American Yawp - Joseph L. Locke

2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and

conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume II opens in the Gilded Age, before moving through the twentieth century as the country reckoned with economic crises, world wars, and social, cultural, and political upheaval at home. Bringing the narrative up to the present, *The American Yawp* enables students to ask their own questions about how the past informs the problems and

opportunities we confront today.

The American Promise, Value Edition, Volume 1

- James L. Roark 2014-12-08

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. Instructors have long valued the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price.
