desk 8.75-point print size Scripture text in Thomas Nelson's exclusive NET Comfort Print® typeface

The Second Isaiah - Christopher R. North
2005-03-03

This all-purpose commentary is by the author of 'The Suffering Servant in Deutero-Isaiah'. It meets the needs of the specialist but most of it should be intelligible to preachers and teachers who know little or no Hebrew. The Introduction discusses the literary structure of the prophecy, the theology of Deutero-Isaiah (with some reference to current theological debate), and the problem of Salvation History. The exegetical notes are based on the author's own translation from the Hebrew text. The purpose of the book is to elucidate the message of the Prophet in the context of Scripture as a whole.

How to Choose a Translation for All Its Worth - Gordon D. Fee 2009-05-26

With so many Bible translations available today, how can you find those that will be most useful

to you? What is the difference between a translation that calls itself “literal” and one that is more “meaning-based”? And what difference does it make for you as a reader of God’s Word? **How to Choose a Translation for All Its Worth** brings clarity and insight to the current debate over translations and translation theories. Written by two seasoned Bible translators, here is an authoritative guide through the maze of translations issues, written in language that everyday Bible readers can understand. Learn the truth about both the word-for-word and meaning-for-meaning translations approaches. Find out what goes into the whole process of translation, and what makes a translation accurate and reliable. Discover the strengths and potential weaknesses of different contemporary English Bible versions. In the midst of the present confusion over translations, this authoritative book speaks with an objective, fair-minded, and reassuring voice to help pastors, everyday Bible readers, and students

make wise, well-informed choices about which Bible translations they can depend on and which will best meet their needs.

CEV New Testament - 1996

The Life Recovery Bible - Stephen Arterburn
2014-09-19

The bestselling recovery Bible is now available in large print with an incredibly easy-to-read 10.5 font size! With over 2,000,000 copies sold, The Life Recovery Bible is today’s #1-selling Bible tied to the Twelve Steps of recovery, helping millions of people turn to the true source of healing—Jesus Christ. The New Living Translation is an authoritative Bible translation rendered faithfully into today’s English from the ancient texts by 90 leading Bible scholars. The NLT’s scholarship and clarity breathe life into even the most difficult-to-understand Bible passages—but even more powerful are stories of how people’s lives are changing as the words speak directly to their hearts.

The Gender-neutral Bible Controversy - Vern

S. Poythress 2000

Instead of letting the language change naturally, as the speakers feel the need for new forms, those who are pushing political correctness are trying to impose change on language from the outside. The politically correct language movement attempts to speed up and control the direction of language change. It is a conscious attempt to mold the language into the form that certain people think it should take rather than let it take its normal course. From a theoretical linguistic point of view such an attempt would be doomed to failure if it weren't for the fact that those who are controlling the movement have managed to give us a guilty conscience on the subject. We have been made to feel that somehow we are being insensitive to the feelings of various groups if we say the wrong thing, and so we try to follow the dictates of the "language police" as Poythress and Grudem have termed them. This has resulted in a number of words being replaced by other, "more acceptable"

words, not through a natural process of change, but because of outside pressure to do so. Poythress and Grudem show a clear understanding of the basic principles of language change, as outlined above, and have applied them to the subject of Bible translation with great sensitivity to the holiness of the task at hand. They clearly recognize that language does change, and that Bible translations must be revised from time to time to keep up with these changes. On the other hand, they also recognize that there are reasons not to jump the gun. They present statistics (Chapter 2) that show that in both 1996 and 1999 23.5% of Bibles purchased in the United States were the King James Version written in 400 year old language! Not everyone is clamoring for a Bible in the most up-to-date language. Some people like the archaic flavor of the language of the King James Version; they find it beautiful; they trust it. On the other hand, modern language translations are also clearly needed since people want to be sure they

understand what the Bible says and they don't want to have to struggle to follow the language. Where the adherents of politically correct Bible translations go wrong, however, is that they are rushing to judgment.

Bible Review - 1997

other leading organizations. 8 2/3 x 6 5/16 inches.

Adventist Review - 2002

The New English Bible: the Old Testament - 1961

She's Still There - Chrystal Evans Hurst
2017-08-08

Have you wandered from the life you want to live? Chrystal Evans Hurst shares raw and vulnerable stories from her own life to let you know how you too can find your way back after a few missteps. Over 100,000 copies sold! What happens when a woman looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from all her original hopes, dreams, or plans? Speaker, blogger, and writer Chrystal Evans Hurst wrote this book because she was

that woman. One day she realized that she had somehow wandered from the life she was meant to live. Chrystal since discovered that this moment of awareness happens to lots of women at different seasons of their lives. Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb. And she just needs encouragement. This woman simply needs someone to hold her hand, cheer her on, and believe with her that she is still capable of being the person she intended to be. Chrystal uses her poignant story of an early and unexpected pregnancy, as well as other raw and vulnerable moments in her life, to let readers know she understands what it's like to try and find your way after some missteps or decisions you didn't plan on. In *She's Still There* Chrystal emphasizes the importance of the personal process and the beauty of authentically sharing your journey one

girlfriend to another. It's a book of "me toos," reminders of the hoped for, and challenges for the path ahead--to find direction, purpose, and true satisfaction. Also available: She's Still There DVD series and study guide.

The Power of Images in Paul - Raymond F. Collins 2016-03-24

In his letters to the early Christian communities, the apostle Paul left for Christians of all time an array of powerful images: from the pain of a thorn in the flesh to the tenderness of a nursing mother for her children, from the competition on an athletic field to the growth of an agricultural field. In *The Power of Images in Paul*, Raymond Collins explores how Paul uses the ordinary to describe what is extraordinary, how Paul skillfully uses a wide range of metaphors as a means of both persuasion and clarification. But this book is more than an analysis of Paul's images themselves. Collins also examines how Paul deliberately draws from secular as well as religious and biblical themes in order to draw a

culturally diverse audience into relationship with Christ. Entering Paul's world with Collins, readers will better appreciate Paul's use of metaphor and, more important, be persuaded as was Paul's original audience of God's unfailing love in Christ.

Translation and Relevance - Ernst-August Gutt 2014-07-16

From the outset, this book has evoked strong responses. Its central claim is that given a comprehensive theory of inferential communication, there is no need for a special theory of translation. This has been praised by some as "wise and right" (Dell Hymes) and condemned by others as "astonishing, not to say perverse" (Kirsten Malmkjaer). Gutt's call to move from semiotics to an inferential paradigm of communication remains a challenge for many. The debate continues and so does the demand for the book, resulting in this second edition. There is a 'Postscript' entitled 'A decade later', where the author addresses peer criticism,

especially from those involved in the movement of 'translation studies', and attempts to bring out more clearly the unique mandate of translation. New perspectives, such as authenticity, are also introduced. Marginal notes, some tongue-in-cheek, liven up the discussion and new references ensure its currency.

The Bible For Dummies - Jeffrey Geoghegan
2016-05-31

The Bible For Dummies (9781119293507) was previously published as The Bible For Dummies (9780764552960). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Discover the world's all-time bestseller in an entirely new light. Ninety percent of Americans own a copy of the Bible, and while it's the most widely read book, it's also the least understood. Regardless of your religion, understanding the Bible brings much of Western art, literature, and public discourse into greater focus—from Leonardo da

Vinci's "Last Supper" painting to the Wachowski brothers' The Matrix movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions. The Bible For Dummies appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as: Where did the Bible come from? Who wrote the Bible? How is the Bible put together? Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. The Bible For Dummies covers these topics and more: Ten people in the Bible you should know The Hebrew Bible The Apocrypha's hidden treasures What's new about the New Testament Israel's wisdom, literature, and love poetry The Bible's enduring influence

The prophets: more than fortunetellers Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, *The Bible For Dummies* has all the information you need to navigate this ancient and fascinating book.

The Power! - James Bramlett 2003-07

Routledge Encyclopedia of Translation Studies - Mona Baker 2003-09-02

The Inspiration of Holy Scripture - William Lee 1857

The New Jerusalem Bible - Henry Wansbrough 1999

A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design.

Anonymous - Women's Bible Study Participant Book - Cindi Wood 2014-11-04

At one time or another, every woman has felt overlooked, unimportant, and bruised by the world. But there's good news. While the opinion of others may drag us down, the God who created us has an entirely different opinion of who we are. That's because we are His creations, and everything He created is good! Women today are searching for ways to make a

difference in their daily lives. Whether they are working women, stay-at-home moms, or women moving into their retirement years, they all want to be a somebody who makes a positive impact in the world around them. The Bible is filled with “anonymous” women who made a significant impact in God’s story. Anonymous helps women discover their uniqueness and significance to Christ by exploring some of the “anonymous” women of the Bible. Though we do not know their names, they all were known and loved by God. Each week of this six-session study begins with an overview of the anonymous woman’s story, including background material with relevance to the cultural lifestyles and surroundings of the day. The daily lessons explore her story and the ways that all women can relate to her. Contemporary “anonymous” stories and quotes from everyday women are sprinkled throughout, reinforcing the very personal relevance of this powerful study. Together women will explore and grow in their

relationship with Christ as they find their significance in the heart of God. The participant workbook includes 5 lessons for each week with space for recording reflections and answers. Other components for the Bible study, available separately, include a Leader's Guide, DVD with six 24-29 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study’s components).

The Oxford Handbook of Biblical Studies - J. W. Rogerson 2006-03-16

Presents a survey of research in this technical and diverse field that is useful for scholars and students who need to command linguistic, historical, literary, and philosophical skills. This title includes forty-five contributions that review and analyse thinking and work, and examines the progress and direction of the debates.

Hidden Geographies - Marko Krevs 2021-10-21

This book defines and discusses the term “hidden geographies” in two ways: systematically and by presenting a variety of

examples of the research fields and topics concerning hidden geographies, with the aim of stimulating further basic and applied research in this area. While the term is quite rarely used in the scientific literature (more often as a figure of speech than to illustrate or problematize its deeper meaning), we argue that hidden geographies are everywhere and many of them have significant impacts on (other) natural and social phenomena and processes, subsequently triggering changes, for example in landscape, economy, culture, health or quality of life. The introductory section of the book conceptualises hidden geographies and discusses cognitive geography, symbolization of space, and the hidden geographies in mystical literature. Case studies of hidden environmental geographies address soils, air pollution, coastal pollution and the allocation of an astronomical tourism site. Revealing hidden historical and sacred places is illustrated through examples of the visualisation of the subterranean mining landscape, the

analysis of the historical road network and trade, border stones and historical spatial boundaries, and the monastic Carthusian space. Hidden urban geographies are discussed in terms of the urban development of an entire city, presenting the role of geography in rescuing architecture, revealing illegal urbanisation, and the quality of habitation in Roma neighbourhoods. Case studies of hidden population geographies shed light on the ageing of rural populations and the impact of spatial-demographic disparities on fertility variations. Discussions of hidden social and economic geographies problematize recent social changes and conflicts in a country, present the implementation of the fourth industrial revolution and borders as hidden obstacles in the organisation of public transport. Hidden geographies are explicitly linked to perceptions and explanations in case studies that address local responses to perceived marginalisation in a city, the solo women travellers' perceived risk and safety, and hidden

geographical contexts of visible post-war landscapes. The book brings such a diversity of views, ideas and examples related to hidden geographies that can serve both to deepen their understanding and their various impacts on our lives and environment, and to attract further cross-disciplinary interest in considering hidden geographies - in research and in our every-day lives.

Truth in Translation - Jason BeDuhn 2003

Truth in Translation is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. By looking at passages where theological investment is at a premium, the author demonstrates that many versions deviate from accurate translation under the pressure of theological bias.

The only son offered for sacrifice, Isaac or Ishmael - Abdus Sattar Ghawri 2010

Georgian - George Hewitt 2005-06-21

This second edition of Georgian: A Learner's Grammar is a completely revised and updated guide to the fascinating and most widely spoken language of the Caucasus. Presenting the language in the form of dialogues and reading passages, full attention is given to script reproduction and recognition, pronunciation, lexis and individual points of grammar. Key features include: * highlighting of verbal roots throughout * new and varied exercises for practice of verb forms * use of the new Georgian currency * examples of Georgian literature, both poetry and prose, and each with its own self-contained vocabulary * a reference section providing an answer key, a Georgian-English glossary and an index of grammatical terms. With a varied and extensive range of exercise work, this new edition provides a comprehensive and carefully graded grammar of Georgian that has been successful over a number of years of use in the classroom.

The Pure Word Paperback - One Path Publishing LLC 2017-12

The Five Books of Maccabees in English - Henry Cotton 2018-10-12

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Look What's Missing! - David W. Daniels 2011

Publishers are removing things from new Bibles! Publishers of modern Bible versions have been removing words, phrases, and even whole verses, but their readers are often unaware of it. Few people know the Bible well enough to notice when something has been taken out. But the results are hard to believe. The removal of one tiny word turns Jesus into a liar. Callers into Christian talk shows have even used this to say that it's okay for a Christian to lie. After all, they say, Jesus did it. A verse that's completely missing from some of the most popular Bibles available today completely removes one of the basic doctrines found in every evangelical church. When David Daniels shows this one to people they just stand with their mouths open and say, "I can't believe it!" In another case, Jesus' own words are removed, taking out a famous phrase in which Jesus explains why He came to earth. People react with: "They took out Jesus words! How can they do that?" This information has been right under our noses for

years, but no one has ever taken the time to cull through this many Bible versions and find the missing parts. Author David Daniels did the research and now releases his results for the Christian world to see what is really missing. How about your Bible? Is it on the list of Bibles with pieces taken out? You might be surprised when you look at what's missing.

Your Best Destiny - Wintley Phipps 2015-10-01
When you imagine what it would take for your life to be truly great—for you to become your best, most fulfilled self—do you dream of something more than what you have now? More money . . . more attention . . . more significance? What you may be missing is the one thing that actually gives your life ultimate value, meaning, and purpose. *Your Best Destiny* helps you find it through a highly insightful personal assessment tool that will reveal eight keys God has placed deep within you to unlock your true character and help you become who you were born to be. In this rich and encouraging book, Wintley

Phipps—pastor, recording artist, and founder of the U.S. Dream Academy, the organization Oprah Winfrey honored with the Oprah Winfrey Angel Network “Use Your Life” Award—shares what he has learned (sometimes the hard way) about what it takes to become “the best me I can be.” Join him as he leads you on a path to change your focus from what you have and do to who you are. Start today on the path to a truly great life, and step into your God-given destiny. (Includes an access code to the Your Best Destiny Personal Assessment Tool to reveal your personal strengths and areas for growth.)

Latin Alive - Joseph B. Solodow 2010-01-21
In *Latin Alive*, Joseph Solodow tells the story of how Latin developed into modern French, Spanish, and Italian, and deeply affected English as well. Offering a gripping narrative of language change, Solodow charts Latin's course from classical times to the modern era, with focus on the first millennium of the Common Era. Though the Romance languages evolved

directly from Latin, Solodow shows how every important feature of Latin's evolution is also reflected in English. His story includes scores of intriguing etymologies, along with many concrete examples of texts, studies, scholars, anecdotes, and historical events; observations on language; and more. Written with crystalline clarity, this book tells the story of the Romance languages for the general reader and to illustrate so amply Latin's many-sided survival in English as well.

How Happiness Happens - Max Lucado
2019-09-17

These are tough times. Amid global isolation, economic downturn, and social unrest, could you use a dose of happy right about now? The NKJV Holy Bible is offered in this larger print, affordable edition for personal and ministry use including book introductions, plan of salvation, and 10 pt. font size.

Real Good Church - Molly Phinney Baskette

2014-06-16

"This is a practical manual of everything our church did," says author Molly Phinney Baskette, "to reverse our death spiral and become the healthy, stable, spirited and robust community it is today evident in the large percentage of children and young adults in our church, and a sixfold increase in pledged giving in the last decade." Baskette, pastor of First Church Somerville UCC in the Boston area, strongly believes her church's strategies will work for any church, in any setting, regardless of denomination, demographics, and political landscape. Here, in her new book, Real Good Church: How Our Church Came Back from the Dead, and Yours Can, Too, she shares everything her church did, addressing topics such as: outreach and growth strategies, finances and giving, creative worship, including personal testimony and corporate prayer, church conflict and change, anxiety and humor, and much more.
