They're both convinced / that a sudden passion joined them. Such certainty is beautiful, / but uncertainty is more beautiful still. *Love at First Sight* is a beautiful poem about love and chance and destiny by the 1996 Polish winner of the Nobel Prize for Literature. Illustrated by Italian artist Beatrice Gasca Queirazza, Szymborska's poem comes to life in entirely new ways for her readers and for lovers everywhere in this oversized book perfect for gift giving. assumptions—like those of the lovers themselves—about certainty and destiny are utterly upended, revealing the paradox and mystery of fate. Here is randomness, tricks of memory, and chance, where noticing the smallest details of our intertwined lives is more essential than asking, Are we meant for each other? “Every beginning / is only a sequel, after all...”

How do I love thee? Let me count the ways.' Elizabeth Barrett Browning defied her father's wishes to marry Robert Browning, and this sonnet cycle is a beautiful and memorable testament to the love they found together. The sonnets are full of intimate moments, yet never lose sight of the bigger things in life - devotion, fidelity and the inevitability of being finally parted by death. This sequence of poems can lay claim to being the only sonnet cycle in English which reflects requited, married love.

Interfacing Ourselves consists of new work that examines digital life on three levels: individuals and digital identity; relationships routinely intertwining digital and physical connections; and broader institutional and societal realities that define the context of living in the digital age. Topics include how: digital life contributes to well-being; individuals experience digital dependency; a smartphone is

more than a smartphone; netiquette reveals social change; some online communities become prosocial salient havens while others reinforce social inequality; Millennials build intimacy; Latinx do familismo; and digital surveillance and big data redefine consumerism, advocacy, and civic engagement. Six chapters incorporate insights from hourly journals of Millennials undergoing a period of digital abstinence. Other chapters draw from surveys, digital auto-ethnography, content analysis, and other methods to explore digital life at the level of individual and interactive experience, and at a broader institutional and societal level. Ultimately, the book presents the need for living a mindful digital life by developing greater awareness as an individual, a social being, and a netizen and citizen.

Two-Way Mirror: The Life of Elizabeth Barrett Browning -

Fiona Sampson 2021-08-17
A "nuanced and insightful" (New Statesman) portrait of Britain's most famous female poet, a woman who invented herself and defied her times. "How do I love thee? Let me count the ways." With these words, Elizabeth Barrett Browning has come down to us as a romantic heroine, a recluse controlled by a domineering father and often overshadowed by her husband, Robert Browning. But behind the melodrama lies a

thoroughly modern figure whose extraordinary life is an electrifying study in self-invention. Born in 1806, Barrett Browning lived in an age when women could not attend a university, own property after marriage, or vote. And yet she seized control of her private income, defied chronic illness and disability, became an advocate for the revolutionary Italy to which she eloped, and changed the course of cultural history. Her late-in-life verse novel masterpiece, *Aurora Leigh*, reveals both the brilliance and originality of her mind, as well as the challenges of being a woman writer in the Victorian era. A feminist icon, high-profile activist for the abolition of slavery, and international literary superstar, Barrett Browning inspired writers as diverse as Emily Dickinson, George Eliot, Rudyard Kipling, Oscar Wilde, and Virginia Woolf. *Two-Way Mirror* is the first biography of Barrett Browning in more than three decades. With unique access to the poet's abundant

correspondence, "astute, thoughtful, and wide-ranging guide" (Times [UK]) Fiona Sampson holds up a mirror to the woman, her art, and the art of biography itself.

Sonnets from the Portuguese - Elizabeth Barrett Browning 2020-12

Sonnets from the Portuguese (1850) is a collection of sonnets by English poet Elizabeth Barrett Browning. Written between 1845 and 1846, *Sonnets from the Portuguese* is a series of love poems written by Browning to her husband, the prominent Victorian poet Robert Browning. Although Elizabeth was initially unsure of the poems, Robert encouraged their publication, suggesting she title them to make readers believe they were translations and not personal declarations of love between the couple. by Shakespeare while staking a claim for herself as one of nineteenth century England's premier poets. Filled with references to the Greek pastoral poet Theocritus and the tragic figure Electra, as well as invocations to God, *Sonnets from the Portuguese* immerses itself in biblical and classical tradition while remaining deeply personal and authentically romantic. Sonnet "XV" addresses the inherent tragedy of love, the depth of sadness with which a lover beholds another with "Too calm and sad a face," overwhelmed with the knowledge that with love comes "the end of love, / Hearing oblivion beyond memory." In sonnet "XXVIII," Browning reflects on the distance between lovers kept apart: all she has of him are her letters, "all dead paper, mute and white!" And yet, "they seem alive and quivering" in her "tremulous hands," a living reminder of the man she longs to be with. "XLIII," the most famous sonnet of the collection, begins "How do I love thee? Let me count the

ways," and records the poet's confession of a love more powerful than "the passion put to use / In [her] old griefs..." Not only has her lover brought her such joy, he has also given her a love she "seemed to lose / With [her] lost saints," a love strong enough to transcend religious faith entirely, a love that is destined to last, and to be even "better after death." With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Barrett Browning's *Sonnets from the Portuguese* is a classic of English literature reimaged for modern readers.

Love Letters of Great Men - Ursula Doyle 2008-11-25
Remember the wonderfully romantic book of love letters that Carrie reads aloud to Big in the recent blockbuster film, *Sex and the City*? Fans raced to buy copies of their own, only to find out that the beautiful book didn't actually exist. However, since all of the letters referenced in the film did exist, we decided to publish this gorgeous keepsake ourselves. *Love Letters of Great Men* follows hot on the heels of the film and collects together some of history's most romantic letters from the private papers

of Beethoven, Mark Twain, Mozart, and Lord Byron. For some of these great men, love is "a delicious poison" (William Congreve); for others, "a nice soft wife on a sofa with good fire, & books & music" (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these letters show that perhaps men haven't changed all that much over the last 2,000 years--passion, jealousy, hope and longing still rule their hearts and minds. In an age of e-mail and texted "i luv u"s, this timeless and unique collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

Sonnets from the

Portuguese - Elizabeth Barrett

Browning 2011-05-01

Elizabeth Barrett Browning

was a prolific writer and reviewer in the Victorian period, and in her lifetime, her reputation as a poet was at least as great as that of her husband, poet Robert Browning. Some of her poetry has been noted in recent years for strong feminist themes, but the poems for which Elizabeth Barrett Browning is undoubtedly best known are Sonnets from the Portuguese. Written for Robert Browning, who had affectionately nicknamed her his "little Portuguese," the sequence is a celebration of marriage, and of one of the most famous romances of the nineteenth century. Recognized for their Victorian tradition and discipline, these are some of the most passionate and memorable love poems in the English language. There are forty-four poems in the collection, including the very beautiful sonnet, "How do I love thee? Let me count the

ways."

'How do I love thee? Let me count the ways' Elizabeth Barrett Browning was a poet of passion, wit and conscience. She was also a woman who wrote to speak the truth about everything she knew - and she knew just what it was like to be a thinking woman in a society that wanted women to be weak. The eldest of twelve children, she wrote poetry from the age of eleven, and became a highly successful poet in her lifetime - and very much loved today. She was also a strong advocate for human rights, campaigning to abolish slavery and child labour, and her three-part poem A Curse for a

From Blood and Ash -

Jennifer L. Armentrout

2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has

a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Hybrid Church - Dave Browning 2010-08-20

A hands-on resource for both large and small churches It has been predicted that in the twenty-first century extremely large churches would emerge in America that resemble neither an elephant nor a field of mice. Which is better? At one time the answer would have been either/or. Now it's both/and. We want both the intimacy of smallness and the impact of bigness-we want a hybrid of the two. Hybrid Church is a practical guide for

clergy and leaders who want to have the best of both church worlds: the intimacy of small "house church" groups and the impact of very large mega-churches. Offers a guide for churches who want to capitalize on their strengths to build intimacy with impact Written by the pastor of one of the "fastest growing" and "most innovative" churches in America with thousands of members organized in small house groups Outlines a vision for how the church of tomorrow could look like the early church. Given that the trend is toward very large and very small, with few churches in the middle, this book will be a welcome resource for both large and small churches.
