[Make Money Blogging](#) - Joseph Hogue 2017-01-19

Go beyond lame blogging books with this step-by-step into nine proven systems to make money blogging I spent years wanting to start a blog. I hated my job and knew I didn't want to spend a third of my day miserable...but looking through blogging books, all I found were generic strategies and false promises.They all promised huge income but none really told me how much bloggers make or how to make money online. I said screw it and started my blogs anyway in 2014. I quit my job and spent 60+ hours a week building my sites and learning how to make money blogging. You know what, it paid off. I doubled my monthly income last year and now make more than 85% of bloggers. That's in just two years of blogging and I make money from seven different income sources every month. Flip-flops and a T-shirt are my uniform and I'm loving it! You Don't Have 60+ Hours a Week to Learn How to Make Money Online?I didn't start making money blogging overnight. I treated it like a business, I put everything into it and sacrificed life for months to learn how to start a blog and be successful. My pain is your gain. You don't have to sacrifice a year of your time to start making money and work from home. I put everything I learned on my own into this book from the easiest ways to make money to the methods that make thousands a month. Making Money Blogging...and only Making Money This isn't just another generic blogging book, covering everything from starting a blog to building traffic and then offering a side-note on a few ways to make money.You can find that anywhere. Type 'Start a Blog' in Google and you'll find thousands of articles on how to setup your site but

none of them tell you exactly how to make money. Believe me, I tried and had to learn the hard way. This book is 100% dedicated to giving you the tools that make money on websites. In this book you'll learn: The proven one-year strategy for developing different income sources on your blog, from the immediate payoffs to the methods that make thousands a month (pg. 171) The complete sales funnel one blogger uses to sell his \$1,000 courses and make between \$30,000 to \$70,000 every single month (pg. 93) How I turned my blogs into a self-publishing engine and make nearly \$2,000 a month just on the books (pg. 67) How I doubled the monthly income from my blogs last year to make more than 85% of bloggers (pg. 6) How I turned a blog making less than \$100 a month into a \$1,000 cash machine in less than three weeks (pg. 112) If you are serious about working from home and making money online, scroll back up and click buy now.

**The Art of Selling Your Business** - John Warrillow 2021-01-12

Freedom. It's the ability to do whatever you want, whenever you want. It's the ultimate reward of selling your business. But selling a company can be confusing, and one wrong step can easily cost you dearly. The Art of Selling Your Business: Winning Strategies & Secret Hacks for Exiting on Top is the last in a trilogy of books by author John Warrillow on building value. The first, Built to Sell, encouraged small business owners to begin thinking about their business as more than just a job. The Automatic Customer tagged recurring revenue as the core element in a valuable company and provided a blueprint for transforming almost any business into one with an ongoing annuity stream. Warrillow completes the set with The Art of Selling Your Business. This essential guide to monetizing a business is based on interviews the author conducted on his podcast, Built to Sell Radio, with hundreds of successfully cashed-out founders. What's the secret for harvesting the value you've created when it's time to sell? The Art of Selling Your Business answers important questions facing any founder, including—

- What's your business worth?
- When's the best time to sell?
- How do you create a bidding war?
- How can you position your company to maximize its attractiveness?
- Who will pay the most for your business?
- What's the secret for punching above your weight in a negotiation to sell your company?

The Art of Selling Your Business provides a sleeves-rolled-up action plan for selling your business at a premium by an author with consummate credibility.

Increase your profitability by learning the secrets to short-discounting Amazon with just twenty percent Success Discovered! Learn top-secret tactics that earn authors tens-of-thousands of dollars in royalties every month

Amazon Approved! Find, understand, and control every Amazon possibility for maximum book sales. Are you holding a manuscript in your hand that you wish Amazon was selling? Or do you already have a book on Amazon that you wish was selling better? In either case, *Sell Your Book on Amazon* will help you. You will experience what I have seen firsthand as the president of Outskirts Press - that marketing success on Amazon can be the difference between hundreds and tens-of-thousands of dollars a month. You will learn why self-publishing guru Dan Poynter says, "Bookstores are a lousy place to sell books." In his foreword, he says publishing as if it is still the 20th century is for historians. Publishing in this new millennium is for writers. Are you a writer or historian? *Sell Your Book on Amazon* shows you how to publish and market your book in the 21st Century. Amazon provides a phenomenal and gigantic (global) platform from which to sell your book. In fact, the opportunities may seem almost too colossal! But now, *Sell Your Book on Amazon* unveils it all for the first time. This book provides an easy-to-understand approach to increase your book sales on Amazon by exploring the steps you can take immediately. Table of Contents Foreword by Dan Poynter Introduction: Amazon - A Brief History Chapter 1: Get Your Book Listed Chapter 2: AuthorConnect & Author Profile Pages Chapter 3: The Book Sales Page Chapter 4: Listmania! Chapter 5: So You'd Like to... Guides Chapter 6: Additional Amazon Possibilities Chapter 7: Pricing & Profitability Conclusion Resources Index As Penny C. Sansevieri of Author Marketing Experts says, "Finally! A book that helps you demystify Amazon. If you have a book to sell, you simply must own *Sell Your Book on Amazon*." Why is increasing a book's exposure important? Because readers have to learn about your book before they can buy it. Authors who know how to use Amazon's own system and algorithms to their advantage sell more books simply because more people learn about their books (and therefore buy them!). Once a book finds success on Amazon, it appears higher in the search results, leading to MORE exposure and more sales, and so on. It's the Amazon "virtuous circle" and the key to unlocking that brass ring is in your hands. Introducing the exclusive NEW TACTIC RANKING SYSTEM! Marketing tactics are only as valuable as the profits they generate. *Sell Your Book on Amazon* ranks every technique so you can quickly and efficiently locate the marketing secrets that will lead to superior results: \*\*\*\*\*Highly recommended. Receive the greatest exposure compared to time spent. \*\*\*\* Very recommended. An acceptable investment is required for a profitable return. \*\*\* Somewhat recommended. Check your profit margin. The expenditure may exceed the benefit. Do you know how to beat Amazon at their own game? Do you know how Amazon Marketplace listings can offer "55 used copies" of your book when you haven't even sold that many? This book tells you how to do it all, plus so much more. It's a tremendous value with a wealth of information at your fingertips.

**Enemies of Peace** - MK Williams 2017-11-09

How far would you go to achieve the "American Dream?" Timothy and Cynthia Lawson are on their way to having it all. But when they move into their dream home on an idyllic cul-du-sac they soon start to realize that not everything is as it seems. They start to realize that they bought more than just a piece of "the dream" when they signed on the dotted line. Did the previous residents go missing or were they murdered? Are their new neighbors planning something sinister? And if so, how can they stop it? This story starts with an explosion so expect to be blown away.

**God Loves Hair** - Vivek Shraya 2014-08-18

"A touching poetic exploration of budding sexuality, the mysticism of religion, and family dynamics. Shraya's text and Neufeld's illustrations capture the confusion, innocence, and delusions of adolescence bang on." -Brian Francis, author of *Fruit I am often mistaken for a girl*. Not just because I like to wear dresses or makeup. I don't mind. My parents are from India and here is not quite home. School isn't always safe and neither is my body. But I feel safe in my love for God. And God loves hair. First published to acclaim in 2011, Vivek Shraya's first book, now published by Arsenal Pulp Press for the first time, is a collection of twenty-one short stories following a tender, intellectual, and curious child of Indian origin as he navigates the complex realms of sexuality, gender, racial politics, religion, and belonging. Told with the poignant insight and honesty that only the voice of a young mind can convey, *God Loves Hair* is a moving and ultimately joyous portrait of youth that celebrates diversity in all shapes, sizes, and colors. A Lambda Literary Award finalist in the category of children's books. The stories are accompanied by the award-winning full-color illustrations of Juliana Neufeld. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. He is also author of *She of the*

From crushing your debt and student loans to talking your way out of late fees, to dead simple investment strategies and negotiating that big raise at work, this is the no-guilt, no-excuses, no-BS 6-week programme that will help you get your finances where you want them to be.

**Unstuffed** - Ruth Soukup 2016-04-05

STUFF. It's everywhere. Lurking in corners and closets, spilling onto counters and coffee tables, creating havoc everywhere we look. And it's not just the physical clutter that weighs us down. Oh no, it is the stress of overbooked schedules, and the weight of life that sometimes feels oppressive and totally out of whack. New York Times bestselling author Ruth Soukup feels your pain--she has been there too. Through personal stories, Biblical truth, and practical action plans, she will inspire and empower each of us to finally declutter not just our home, but our mind and soul as well. *Unstuffed* is real, honest, and gets right down to the question we are all facing--how can we take back our lives from the stuff that is weighing us down? In this book, together we will: Create a comprehensive vision for our homes and make instant changes to improve its overall function. Discover that more closet space is not the solution and instead learn how to set strict limits for the stuff we bring in. Overcome the frustration of dealing with our kids' influx of stuff and implement practical solutions for keeping the chaos at bay. Recognize the pitfalls of an overstuffed schedule BEFORE it gets out of hand and instead learn to combat the culture of busy that keeps us running from one thing to the next. Finally conquer that mountain of paperwork that

threatens to tumble down around us at any moment. Let go of the guilt that gets attached to gifts and instead learn to separate our loved ones from their stuff. Begin to cultivate our real friendships while eliminating the toxic relationships that weigh us down.

**Don't Touch the Blue Stuff! (Where the Hell is Tesla? Book 2)** - Rob Dircks 2017-08

The sequel to Where the Hell is Tesla? is HERE! SOMETHING CALLED THE "BLUE JUICE" IS COMING. FOR ALL OF US. Luckily, me (Chip Collins), Pete, Nikola Tesla, Bobo, and FBI Agent Gina Phillips are here to kick its ass, and send it back to last Tuesday. Maybe. Or maybe we'll fail, and everyone in the multiverse is doomed. (Seriously, you might want to get that underground bunker ready.) Either way, I've got to get home to Julie and find out... woah, I'm not about to tell you that right here in the book description! TMI. WARNING: If you haven't read Where the Hell is Tesla?, I apologize in advance, as you might get completely freaking lost. If you do, just call my apartment, I'm usually around, and I'll fill you in. (If I'm not stuck in the ITA.) - Chip

**Financial Freedom** - Grant Sabatier 2020-04-07

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifhacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: \* Create profitable side hustles that you can turn into passive income streams or full-time businesses \* Save money without giving up what makes you happy \* Negotiate more out of your employer than you thought possible \* Travel the world for less \* Live for free--or better yet, make money on your living situation \* Create a simple, money-making portfolio that only needs minor adjustments \* Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

**High-Profit Selling** - Mark HUNTER 2012-02-14

In the high-pressure quest to make a sale, acquire a contract, and beat out other bidders, sales professionals frequently resort to cutting prices, offering discounts, or making other concessions that cut into their operating margins—short-term strategies that are destructive to the long-term sustainability of their business. High-Profit Selling helps readers understand that their sales goal shouldn't simply be to sell more, but to sell more at a higher price—and that success comes only to those focused on profitable sales. This eye-opening book shows readers how to: Avoid negotiating → Actively listen to customers → Match the benefits of their product or service with the customer's needs and pains → Confidently communicate value → Successfully execute a price increase with existing customers → Ensure prospects are serious and not shopping for price Too many salespeople believe that a sale at any price is better than no sale at all. This powerful guide helps move readers toward a profit-centered approach that will strengthen their relationships and increase their bottom line.

**The Scribe Method** - Tucker Max 2021-04-15

Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's Can't Hurt Me, Tiffany Haddish's The Last Black Unicorn, and Joey Coleman's Never Lose a Customer Again. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

**Epic Blog** - Regina Anaejionu 2014-11-10

This one-year blog editorial planner helps you create a purposeful and profitable content plan for your blog through a mini blog business plan, ideal reader survey, monthly theme planning, monthly content planning, and standard monthly calendars. The blog planner is set up with blank months so that you can start using it any month of any year. Each month includes a page to plan important goals and tasks before the month begins, a page to track progress on key stats and goals after the month ends, two pages per month to brainstorm content ideas for your blog, email list, products, and collaborations, as well as space near the monthly calendar to write notes or record your content ideas before plugging them into your calendar. Keeping your blog post process checklist, business plan, and other planning pages in the same place as your monthly editorial calendar will help you stay focused in creating a compelling content plan that encourages blog growth and increased profits.

**The Business of Being a Writer** - Jane Friedman 2018-03-16

Writers talk about their work in many ways: as an art, as a calling, as a lifestyle. Too often missing from these conversations is the fact that writing is also a business. The reality is, those who want to make a full- or part-time job out of writing are going to have a more positive and productive career if they understand the basic business principles underlying the industry. *The Business of Being a Writer* offers the business education writers need but so rarely receive. It is meant for early-career writers looking to develop a realistic set of expectations about making money from their work or for working writers who want a better understanding of the industry. Writers will gain a comprehensive picture of how the publishing world works—from queries and agents to blogging and advertising—and will learn how they can best position themselves for success over the long term. Jane Friedman has more than twenty years of experience in the publishing industry, with an emphasis on digital media strategy for authors and publishers. She is encouraging without sugarcoating, blending years of research with practical advice that will help writers market themselves and maximize their writing-related income. It will leave them empowered, confident, and ready to turn their craft into a career.

**Sex and Vanity** - Kevin Kwan 2020-06-30

NEW YORK TIMES BESTSELLER • A Good Morning America Book Club Pick The author of the New York Times bestselling phenomenon *Crazy Rich Asians* takes you from Capri to NYC, where Lucie Tang Churchill finds herself torn between two men—and two very different cultures. On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendending with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between

summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.

**Lessons in Chemistry** - Bonnie Garmus 2022-03-29

A delight for readers of *Where'd You Go, Bernadette*, this blockbuster debut set in 1960s California features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—and her ideas—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. There's true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show *Supper at Six*. Elizabeth's singular approach to cooking ("take one pint of H<sub>2</sub>O and add a pinch of sodium chloride") and

independent example are proving revolutionary. Because Elizabeth isn't just teaching women how to cook, she's teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), *Lessons in Chemistry* is as original and vibrant as its protagonist.

**The White Coat Investor** - James M. Dahle 2014-01

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For *The White Coat Investor* "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of *How a Second Grader Beats Wall Street* "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of *The Investor's Manifesto* and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of *Common Sense Investing* "The *White Coat Investor* provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!
