Encyclopedia of Health Care Management - Michael J. Stahl
2003-10-21

The topic of health care management has escalated to one of the most widely discussed and debated topics in the health care industry, MBA programs, and in the field of medicine in general. In the 1980s, the industry was relatively stable and the need for combining business acumen with medicine was less than today. However, as we enter the 21st century, the need for applying business and management skills to the health care industry is stronger than ever. This Encyclopedia covers every topic a medical professional, institutional administrator, or MBA student would need to know about the business of health care. Key Features * Over 600 entries * More than 160 expert contributors from the fields of medicine, public health, business * Tables on medical degrees, medical specialties, medical organizations, health care acronyms, medical legislation * Unites the

business and medical worlds, and spans the academic, corporate, and governmental arenas Topics Covered Accounting and Activity-Based Costing / Economics / Finance / Health Policy / Human Resources / Information Technology / Institutions and Organizations / International Health Care Issues / Legal and Regulatory Issues / Managed Care / Marketing and Customer Value / Operations and Decision Making / Pharmaceuticals and Clinical Trials / Quality / Statistics and Data Mining / Strategy **Human Resource Management** - Robert N. Lussier 2021-01-11 Written for both HRM majors and non-majors, Human Resource Management: Functions, Applications, and Skill Development equips students with the skills they need to recruit, select, train, and develop employees. Best-selling authors Robert N. Lussier and John R. Hendon explore the important strategic functions that HRM plays in today's organizations. A wide

variety of applications and exercises keep readers engaged and help them practice skills they can use in their personal and professional lives. The Fourth Edition brings all chapters up to date according to the SHRM 2018 Curriculum Guidebook; expands coverage on topics such as diversity and inclusion, AI, employee engagement, and pay equity; and features 17 new case studies on a range of organizations, including Starbucks and its response to the COVID-19 pandemic. Employee Relations - John Gennard 2005

Written by the Chief Examiner and Associate Examiner for employee relations for the CIPD, the new edition of this best-selling text has been written specifically to cater for

the CIPD's Employee Relations elective. Offering a highly practical and accessible overview of the impact of the economic, corporate and legal environment on employee relations, it is also suitable for students taking an employee/industrial relations module on an HR or business degree programme at undergraduate or postgraduate level. TARGETED AT - Students studying CIPD Professional Qualifications and undergraduate and post graduate students on employee relations modules on business and HRM courses

Religious Expression in the Workplace and the Contested Role of Law -

Andrew Hambler 2014-10-24
The workplace is a key forum in which the issue of religion and its position in the public sphere is under debate. Desires to observe and express religious beliefs in the workplace can introduce conflict between employees and employers. This book addresses the role the law plays in the resolution of these

potential conflicts. The book considers the definition and underlying motives of religious expression, and explores the different ways it may impact the workplace. Andrew Hambler identifies principled responses to workplace religious expression within a liberal state and compares this to the law applying in England and Wales and its interpretation by courts and tribunals. The book determines the extent to which freedom of religious expression for the individual enjoys legal protection in the workplace in England and Wales, and asks whether there is a case for changing the law to strengthen that protection. The book will be of great use and interest to scholars and students of religion and the law, employment law, and religion and human rights.

A Casebook on Labour Law -
Ewan McGaughey 2018-11-29
A Casebook on Labour Law supports every university labour or employment law course in the UK, set within European Union and

international law. It covers history and theory, contract and rights, participation, equality, and job security. It also has chapters on essential topics for modern labour policy: the right to vote for company boards, in work councils and pension funds, and laws to achieve full employment by ending underpaid underemployment. Each chapter summarises further reading from noteworthy books and journals, and follows a unified conceptual structure. This aims to transcend historic divisions between common law or statute, private or public, and national or international law. The book invites the reader to engage in the economic and social evidence about labour law's empirical consequences and political principles.

Disciplinary and Grievance Procedures - Advisory, Conciliation and Arbitration Service 2009

This Code of practice provides practical guidance to employers, workers and their representatives and sets out

principles for handling disciplinary and grievance situations in the workplace. The Code does not apply to dismissals due to redundancy or the non-renewal of fixed term contracts on their expiry. [Employment Claims without a Lawyer](#) - David Curwen 2020-07-31

Managing an employment dispute or representing yourself or your small organisation in an employment tribunal can be daunting but, with the help of this book, now in its second edition, it is not impossible. This fully revised second edition of *Employment Claims without a Lawyer: A Handbook for Litigants in Person* leads you through the whole process in clear plain language so that you can get a complete view of what's involved and how to best present your case. The author, David Curwen, is a barrister with 35 years of experience representing claimants and businesses and has distilled his experience to provide the practical tips and background law you need to take on this

task with greater confidence. Importantly he also covers the steps that both the employee and employer need to consider when a problem first arises and before it gets to a formal claim. So whether you are representing yourself because you cannot afford to involve professional advisors or you are involved in a potential claim and want to know more about the process, this book is essential reading.

Does Skill Make Us Human?

- Natasha Iskander 2021-11-09
Regulation : how the politics of skill become law -- Production : how skill makes cities -- Skill : how skill is embodied and what it means for the control of bodies -- Protest : how skillful practice becomes resistance -- Body : how definitions of skill cause injury -- Earth : how the politics of skill shape responses to climate change.

Fairness in the Workplace -

Anneli LeGault 2002
Hiring, firing, retirement, human rights complaints and education, harassment, privacy and personal information, pay equity, employee health, benefits.

Managing Employment Relations -

Tony Bennett
2020-02-03
Employment relations is concerned with the

relationship between employees and their employers and is one of the most important aspects of an HR role. Managing Employment Relations will give students a thorough grounding in the processes, context and practical application of employment relations and give them the knowledge and skills they need for a successful career in HR. Covering everything from the legal aspects of employment relations, essential policies, strategies and the changing social context to conflict resolution, mediation, employee engagement and workplace discipline, Managing Employment Relations is an indispensable guide. With brand new content on gig economy workers, supporting diversity in the workplace, individual and group policies and the need for greater transparency in the employer-employee relationship, this book is a comprehensive guide to the theory and practice of employment relations. Mapped to the CIPD Level 7 module in

employment relations and full of case studies and exercises to help students understand the practical application of the core topics, this is an essential textbook for postgraduate HR students and practitioners in an employment relations role. Online resources include a lecturer guide, lecture slides, sample essay questions and additional case studies for students and lecturers as well as annotated weblinks.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Supervision in the Hospitality*

Industry - John R. Walker
2015-12-29
Supervision in the Hospitality Industry, 8th Edition focuses on the different roles of employees from beginning leaders, newly promoted supervisor, or anyone planning a career in the hospitality field. A market leader, this text is widely used by thousands of students training for a career in the hospitality industry and current hospitality supervisors alike. Supervision is unique in that it does not solely rely on the supervisor's point of view; instead, it considers the viewpoints of all levels of associates to create an informed picture of management and supervision in the hospitality industry. *Blackstone's Statutes on Employment Law 2017-2018* - Richard Kidner 2017 Celebrating 30 years as the market-leading series, Blackstone's Statutes have an unrivalled tradition of trust and quality. With a rock-solid reputation for accuracy, reliability, and authority, they remain first-choice for students

and lecturers, providing a careful selection of all up-to-date legislation needed for exams and course use.

CIMA E2 - BPP Learning Media
2012-08-01

CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. New syllabus CIMA Paper E2 Enterprise Management is a compulsory paper at the Management level and is the second of three papers progressing up the Enterprise pillar. It builds on the functional knowledge found in Paper E1 Enterprise Operations toward an integrated view of management in the organisation. E2 introduces strategic ideas, tools and techniques essential for passing the three strategic level papers. Project Management comprises 40% of the syllabus with the remainder

split evenly between Strategic Management and Assessing the Competitive Environment, and Management of Relationships. Credit will be given to students who passed Paper P5 under the 2005 syllabus against E2 in the 2010 syllabus. The E2 Study Text is your complete guide to the E2 syllabus. All areas of the syllabus are explained fully and links to E1 and E3 clearly identified. Section introductions ease you into the chapter topics and key terms you must know are shown clearly throughout. There are plenty of questions to sharpen your knowledge and case studies to bring material to life. Exam alerts and skills are signposted to guide you on approaching the exam.

Workplace Industrial Relations and the Global Challenge -
Jacques Bélanger 2020-06-30

Well-selected and
authoritative, Hart Core
Statutes provide the key

materials needed by students in a format that is clear, compact and very easy to use. They are ideal for use in exams.

Disciplinary Rules and Procedures - J. Mankidy 1994

Blackstone's Employment Law Practice 2011 - Gavin Mansfield 2011-03

An indispensable resource for employment practitioners, Blackstone's Employment Law Practice provides all you need to advise clients confidently and to appear in tribunal. It draws together key legislation, procedural rules, Codes of Practice, Practice Directions, and in-depth analysis of law and procedure in one portable volume.

A Guide to Staff Employment in General Practice - Jim Milligan 2015-04-01

GPs (doctors) and practice managers confront many issues in staff management. A Guide to Staff Employment in General Practice provides detailed procedures for navigating these sometimes difficult issues. At the same time, the

book identifies relevant UK law and draws on authoritative advice from bodies such as Acas. Although it contains expert information on employment law, expert knowledge is not required to use this book. It has an easy-to-use style and gives step-by-step guidance throughout.

Information is accompanied by meticulous cross-referencing and details of the pertinent employment law are readily available in the appendices. The book accesses current law and good practice, allowing readers to manage any specific issue. The book covers a wide range of topics, including: the employment contract - the key to the many employment rights - and how to change the contract legally; managing disciplinary procedures; performance management (including sickness absence); dismissal; equality; maternity rights; appraisal; workplace stress. The book also contains a chapter on recent developments, such as GP federations and their employment implications. This

guide has been compiled by a practice adviser with many years' experience of advising, representing and training GP practices. Not only does the author know how employment law works, but he also knows how general practice works. Readership: GP staff partners, practice managers, HR personnel in (English) Clinical Commissioning Groups, GP trainers who may need an employment manual to take trainees through learning situations; trainee practice managers.

Workplace Justice - Hoyt N. Wheeler 1992

Provides an in-depth analysis of the rules & procedures on employment obligations in the workplace in each of ten countries: Australia, Belgium, Canada, France, Germany, Israel, Italy, Spain, the United Kingdom, & the United States.

The Manager's Guide to Discipline - Derek Eccleston
2017-05-15

For most managers, let alone the employees involved, the disciplinary process can be painful and embarrassing. Poor performance tends to be confused with misconduct and consequently carries the stigma of punishment; this despite the fact that most company policies and indeed the ACAS Code (correctly) put emphasis on improving behaviour or performance, rather than punishment. Derek Eccleston's concise guide provides a clear picture of the purpose and the process of the disciplinary procedure. This toolkit approach contains invaluable information and includes clear checklists and sample letters to help guide managers and supervisors through the minefield of employment rights, explaining what to do and how to do it. Written in a no nonsense way, The Manager's Guide to Discipline is free of legal jargon and focuses on the practical issues throughout. It will help to protect the organisation, whilst ensuring matters are dealt with, not left

or brushed under the carpet because of a lack of management confidence. This essential reference will encourage managers to approach performance and disciplinary problems proactively and with more confidence and will significantly reduce the risk of getting it wrong.

Labour Law in Russia -

Anthony Forsyth 2014-11-10

Russia's transition towards a market economy in the early 1990s called for new approaches to the regulation of employment relations in the post-Soviet period in order to strike a balance between employers' interests and employees' rights in changed conditions. The adoption of the Labour Code of the Russian Federation (LC RF) in 2001 contributed to solving the issue only partly, as, in reality, it was passed as a compromise between different political forces, and consists of both provisions which can be implemented in the new context of the market economy and restrictions inherited from

the planned economy. The recent and ever-changing socio-economic conditions, and the increasing complexity of the employer-employee relationship, which is a result of both globalization and technological progress, required the further development of Russian employment legislation. This resulted in substantial amendments being made to the original LC RF in 2006, with the majority of its provisions being profoundly revised. Nevertheless, a thorough analysis of the changes currently under way shows that many aspects concerning employment relations have still not been addressed sufficiently. The papers collected in the present volume of the ADAPT Labour Studies Book Series consider the recent developments of the legal regulation of employment relations as well as some closely related aspects from a historical and comparative perspective, in order to provide some insights into these issues and to examine current

challenges.

Strategic Human Resource Management in the Public Arena

- John Cunningham

2017-09-16

Accompanying online resources for this title can be found at bloomsburyonlineresources.com/strategic-human-resource-management. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.

Employment 2010

- Wendy Blake Ranken 2010-03-02

101 Sample Write-Ups for Documenting Employee Performance Problems

- Paul Falcone 2010-03-24

Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use

documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of 101 Sample Write-Ups for Documenting Employee Performance Problems includes expertly crafted, easily customizable write-ups that address: sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more! With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

Tolley's Managing Email & Internet Use - Lynda Macdonald 2009-11-03

Email and Internet use is increasingly topical as employers and employees test the boundaries of acceptable use of new communications technology in the workplace. The potential legal liabilities make this a crucial decision-making area for all involved in human resources management. Tolley's Managing Email and Internet Use will provide you with the essential legal guidance and practical advice to establish, implement and enforce a policy for internet and Email use in your workplace. Tolley's Managing Email and Internet Use analyses and interprets (in plain language) the law on monitoring employees' Email and internet activity, the use of confidentiality notices, privacy, harassment and Email interception by employers. It also provides information on the key regulations and guidelines which affect Email and internet policy, including

the Human Rights Act 1998, Data Protection Act 1998 and the Regulation of Investigatory Powers Act 2000. Tolley's Managing Email and Internet Use is the only practical guide to offer you: - strategic guidance on implementing, policing and maintaining an effective Email and internet policy - Current thinking on managing Email and internet use - Sample policies, disclaimers, rules and procedures to assist in establishing your own guidelines - A practical approach featuring questions and answers, checklists and case studies - An accessible read regardless of previous legal experience - Latest case law from recent cases involving Email and internet policy

Tolley's Managing Email and Internet Use is a complete reference source for Email and internet policy in the workplace.

Global Workplace - Roger Blanpain 2014-10-30

The first casebook covering both international and comparative labor and

employment law is characterized by its authorship by prolific, respected scholars, all of whom have taught law outside the United States. A solid conceptual framework compares national laws dealing with individual collective employment rights, including antidiscrimination law and privacy law, and considers the systems used to resolve labor and employment disputes in the context of international labor law. A sweeping coverage of international labor law considers the International Labour Organization, NAFTA and other bilateral trade agreements that include labor standards, and the European Union. In addition, *The Global Workplace* explores transnational corporations' self-regulatory efforts (or codes of conduct,) and the mechanisms for pursuing international labor standards in United States courts. Comparisons are drawn among the laws of the United States, Canada, Mexico, the United Kingdom, Germany, France, China, Japan and India.

Exploring the similarities and the differences among various approaches to the employment relationship allows students to better understand and evaluate the approach each country takes, and helps them develop a normative approach to labor and employment law. National legal materials are presented within historical and cultural context. Hallmark features of *The Global Workplace: International and Comparative Employment Law: First casebook* covering both international and comparative labor and employment law Authorship o prolific, respected scholars o all of the authors have taught law outside the United States Conceptual framework o compares national laws dealing with individual collective employment rights o including antidiscrimination law and privacy law o considers the systems used to resolve labor and employment disputes in the context of international labor law Broad coverage of international labor law o International Labour Organization o NAFTA and
