Turn your knack for floral design into a profitable business. Learn how to start and operate a profitable wedding floral design service from your own home. This in-depth self-study business training manual is aimed at the individual who already has some basic floral design ability and wants to learn how to successfully turn it into their own business. It is intended to help you transform your existing talent for floral design -- even if you are self-taught or dabbling as a hobby -- into a profitable and viable home based business. As a bonus to the valuable business information which is at the core of this training manual, this course also shares design ideas, principals, suggestions, and tips that are important in wedding floral design, however, it is not a design course - it is a business start-up training manual. You'll learn everything from the correct pricing formulas

used by wedding florists for achieving maximum profit, to creative ideas to add interest and professionalism to your wedding designs, to proven marketing & promotional methods for attracting clients, as well as operating procedures for the home based wedding floral designer, complete with proven, highly successful business concepts you can model your own business after. You'll be guided step by step through finding clients and establishing yourself within your local market. You'll learn how to correctly set up your business, how to do a consultation with a client, how to create a contract. Sample forms and contracts are included for you to model your own after. We've left no stone unturned. The course reveals the trade secrets that can otherwise take years of experience to acquire. Get the insider's edge to put your wedding floral business on the fast track. We'll show you exactly how to pump more profit out of your business by incorporating rental items. We'll show you how to buy wholesale. We'll lead you through the proven formula to establish yourself as a major player within your local marketplace, yes even if you operate from home. And you will learn the hottest, most powerful ways of promoting and marketing your wedding floral design business,

because if you don't have customers, you don't have a business. All of this information is presented in a easy to follow, fully comprehensive training manual consisting of over 179 pages. Start your new business soon - full time or part time. Enjoy the pride and self-satisfaction of business ownership. If the thought of turning your knack for floral design into an income-generating business excites you, this self-study course is an excellent way to get started now and be in business soon with very low overhead and very low start-up expenses. Enjoy the comfort and convenience of working from home if you like. Structure your business as it best suits you: part time or full time, home-based or retail store front. Get your start in the floral design business and take advantage of the lucrative \$60 billion wedding industry for a diversified, multi-faceted approach. The course was developed by drawing upon the experiences of highly successful home based wedding floral business owners. We give you a complete proven and tested system. All instruction is given in an easy to follow, step-by-step format. You'll need to already know how to create bouquets, corsages etc. for weddings to get the full benefit of this course. If you don't yet have that knowledge, the Institute of Weddings (instituteofweddings.com) offers a self-study course in wedding floral design which can give you the design skills you need to design flowers for weddings. Home-Based Businesses That You Can Start Today - Robert P. Witham 2011-02-11

More people than ever are considering starting a home-based business. Part of this interest in home-based businesses is driven by an economic recession, but part of it is also driven by the dream of independence. For many people, being

self-employed or operating their own home-based business has always been a dream. Leaving the corporate world behind, eliminating long commutes to work, spending more time at home with family, and a desire for a simpler lifestyle have all been listed as reasons why people decide to trade the supposed security of a corporate job for a home-based business. There are many reasons to start a home-based business. In fact, there are probably about as many reasons as there are small business owners! Starting a small business is hard work, but it is also rewarding work. Working for yourself also provides a measure of security and flexibility not available in any job. How much security and how much flexibility depends on the type of business you operate, as well as your motivation and determination to succeed. Home-Based Businesses That You Can Start Today will help you get started on the exciting journey toward being a small business owner. This book is filled with small business ideas that can be started right from your own home with minimal expense or hassle. Each business idea is neatly organized into its own section so you can skip over any business ideas that do not sound appealing and focus on those that you do find interesting. Home-Based Businesses That You Can Start Today focuses on providing ideas to get you started. This book profiles 65 different business ideas that you can start at home. I trust you will find Home-Based Businesses That You Can Start Today to be a valuable resource as you consider starting your own small business. The list of business ideas that is included in this book is by no means exhaustive or comprehensive, but it does provide a good overview of the many types of home-based businesses that can be operated today.
