Building Arguments - Drew Hinderer 2005-01-28

'Building Arguments' offers a fresh new approach to informal logic - successfully combining an accessible style with a rigorous, systematic treatment of argument: -It integrates reasoning and writing, teaching readers to argue effectively and communicate ideas in persuasive prose. - It combines fundamental topics of critical thinking into broader discussions of reasoning. So where other books may treat fallacy identification and avoidance, induction and deduction, and validity and soundness as ends in themselves, 'Building Arguments' presents these topics in a practical yet philosophically sound context. -It includes entertaining and relevant examples and exercises drawn from sports, popular advertising, current events, and many academic areas. -'Building Arguments' is unique in its emphasis on helping readers to develop their own persuasive arguments as well as to evaluate arguments from other sources. Using a writing level and organization guided by the principles of reading development, the author introduces material gradually - moving from a very accessible level to a more rigorous one. The result? A book unique in its ability to foster philosophically-based argument analysis while promoting reasoning and writing skills across the curriculum.

Understanding and Evaluating Research - Sue L. T. McGregor 2017-10-25

Understanding and Evaluating Research: A Critical Guide aims to sensitize students to the necessity of learning how not to defer to the mysterious authority of the experts, but rather to learn how to be a critical consumer of others' research, and to gain confidence in their

ability to be producers of research. Sue McGregor shows students how to be research literate, and how to find, critique and apply other people's scholarship. This textbook is grounded in a solid understanding of the prevailing research methodologies for creating new knowledge (philosophical underpinnings), which in turn dictate problem posing, theory selection, and research methods (tasks for sampling, collecting and analyzing data, and reporting results).

How to Write a Short Persuasive Argument - Kelly J. Kirkland 2013-09-19

This is a step-by-step guide to writing a short persuasive argument. The book is directed towards students and business people who have trouble putting their arguments into a structured, coherent format. The technique it presents is also a useful way for experienced writers to turn out a brief persuasive argument under time pressure. After a very quick review of some basic principles of writing, the reader will learn how to write a topic sentence. She will then learn a simple way to write sentences that support the topic sentence. Next she will learn - cookbook style - how to put topic and supporting sentences together to form a paragraph and how to organize paragraphs into an argument. Finally, she will consider whether and how she might want to deal with arguments that the other side might make to try to undermine hers. Unfortunately, knowing how to write a short persuasive argument is almost a lost art these days. This brief guide is an easy way to pick up this important skill.

Learning Persuasive Writing and Argument is an essential guide for all students wanting to develop their literacy skills and improve their grades in English assignments and examinations. Learning Persuasive Writing will enable the student to write convincingly in letters, leaflets, brochures and newspaper articles for example. The book also sets out how to write a well-balanced argument. It teaches the pupil how to structure their writing, putting forward a point of view, backing it up with convincing evidence, building up a relevant counter argument and knocking it down, as well as, putting forward their own comments and opinions. It focuses on discursive writing enabling the pupil to examine points for and against in a variety of subjects suitable for older children and teenage readers, healthy eating, fashion, social issues and many more. It includes a lively collection of writings, poems and a play to inspire the pupil. These are designed as starting points, ideal for the pupil who finds it difficult to think up ideas for writing, challenging them to recreate their own persuasive pieces. In addition to this the book teaches organisational and literary devices in persuasive writing, including, figurative language, emotive words, repetition, connectives and use of good vocabulary. The student will learn how to consider writing for the appropriate audience, how to vary sentence types in order to make writing more interesting, and the importance of using good spelling, punctuation and grammar. They will learn vital essay writing skills that will assist their studies in other areas of the curriculum. Learning Persuasive Writing and Argument, includes an exciting range of model answers and sample texts written by children and provides practice questions to test them. Common errors made by students are highlighted and corrected. It is packed with vital hints and tips to enable the pupil to be successful and gain good grades. Learning Persuasive Writing and Argument is ideal for home study and will reinforce the work done in school. It is a companion to the other books in our series, Creative Writing and Information Writing. By working methodically through this book the student will grow in confidence. Learning Persuasive Writing and Argument has been written by an experienced teacher and tutor and written with the needs of children in mind. This book concentrates specifically and in depth on the art of persuasive writing and creating a good argument. These are key skills required by the National Curriculum up to GCSE level. It is specifically targeted at Key Stage 2 and 3 (ages 9-14 years) but will also be a valuable resource for those taking GCSE up to grades C and above. It contains material suitable for UK National Curriculum SATS, for those taking 11+ entrance examinations, for GCSE exams and for students learning English as a foreign language.

The Mis-education of the Negro - Carter Godwin Woodson 1933

and their contributions to history. Woodson puts forward a program that calls for the educated to learn about their past and serve the black community. (Education/Teaching)

The Evolution of Cooperation - Robert Axelrod 2009-04-29

A famed political scientist's classic argument for a more cooperative world We assume that, in a world ruled by natural selection, selfishness pays. So why cooperate? In *The Evolution of Cooperation*, political scientist Robert Axelrod seeks to answer this question. In 1980, he organized the famed Computer Prisoners Dilemma Tournament, which sought to find the optimal strategy for survival in a particular game. Over and over, the simplest strategy, a cooperative program called Tit for Tat, shut out the competition. In other words, cooperation, not unfettered competition, turns out to be our best chance for survival. A vital book for leaders and decision makers, *The Evolution of Cooperation* reveals how cooperative principles help us think better about everything from military strategy, to political elections, to family dynamics.

I Wanna New Room - Karen Kaufman Orloff 2010-12-02

A hilarious companion to *I Wanna Iguana*. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.

I Wanna Iguana - Karen Kaufman Orloff 2004-09-09

Alex just has to convince his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house. and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in hysterics as the negotiations go back and forth through notes. And the lively, imaginative illustrations show their polar opposite dreams of life with an iguana.

Writers at Work: The Essay Student's Book - Dorothy Zemach 2008-01-14

Following on from *Writers at Work: The Paragraph* and *Writers at Work: the Short Composition*, *Writers at Work: The Essay* will teach the basics of academic essay writing to intermediate-level students. In *Writers at Work: The Essay*, college and university students use the process approach to write different genres of essays common at the post-secondary level, the most important being expository writing, persuasive writing, and timed essay exams. Each chapter uses the same five-step approach to writing that is used in the two lower-level books. In each chapter, students analyze a model essay, noticing key organizational and linguistic features; brainstorm ideas; write multiple drafts; revise their work; engage in peer reviews; and share their finished work. Chapters recycle and build upon previously taught material.
