How to Win a Slime War - Mae Respicio 2021-09-14

Two kids face off in an epic battle to see who can sell the most slime, while navigating sticky situations with friends and family. Alex Manalo and his dad have just moved back to Sacramento to help out with their extended family's struggling Filipino market. While Alex likes helping in the store, his true passion is making slime! He comes up with his own recipes and plays with ingredients, colors, and different bumpy or sparkly bits, which make his slime truly special. A new friend encourages Alex to sell his creations at school, which leads to a sell-off battle with a girl who previously had a slime-opoly. Winner gets bragging rights and the right to be the only slime game in town. But Alex's dad thinks Alex should be focused more on "traditional" boy pastimes and less on slime. As the new soccer coach, Dad gets Alex to join the team. Even though he hates sports, Alex gives in. Alex is battling on multiple fronts--with his new friends at school, and with his dad at home. It will be a sticky race to the finish to see who oozes out on top.

The Art of War - Sun Tzu 2021-03-18

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

Battle Cry - Jason Wilson 2021-09-21

Countering a culture that coerces men to suppress instead of express, Jason Wilson calls readers to unlearn society's definition of masculinity and discover the power of engaging with and mastering their emotions. For decades Jason Wilson was losing the war within—the internal battle that many men wage daily but were never taught how to win. As a result, he could not combat his toxic thoughts and emotions. Instead, he was conquered by them and communicated without composure—hurting those he loved and himself. This went on until he renewed his mind by releasing years of past trauma. His life and relationships were transformed when he learned how to master his emotions and express them with self-control. In the process, Jason became a better husband, father, and leader. In Battle Cry, Jason equips you with the mental and spiritual weapons needed to wage and win your inner war by showing you how to master your emotions rather than be ruled by them; win internal battles before they become external wars; reject the world's definition of masculinity and embrace comprehensive manhood; communicate more effectively with the people in your life; and release trauma from your past so you can live fully to your potential in the present. You can live beyond the limitations of your mind and finally experience the life you've always longed for. You can break through what you've been through. It's time to win the war within!

Don't Give the Enemy a Seat at Your Table - Louie Giglio 2021-05-11

Publishers Weekly bestseller Discover how to break free from the chains of negative thinking and experience true freedom from unhealthy thoughts and emotions. The Enemy is constantly seeking to fill your mind with destructive and harmful thoughts—whether of fear, worry, insecurity, anxiety, temptation, envy. . . . It's all too easy for Satan to manipulate his way into a seat at the table intended for only you and Jesus, and to try making himself at home in your mind. It's an ongoing battle, but one you can win! In Don't Give the Enemy a Seat at Your Table, bestselling author and pastor Louie Giglio shares practical ways to overcome the Enemy's lies and instead find peace and security in any challenging circumstance or situation. By drawing from Psalm 23 as a framework, he offers biblical insight on how to . . . Cancel the lies that will wreck your life. Take empowering steps to live fully alive in Christ. Stop the spiral of shame, temptation, and insecurity. Restore peace and rest in your life. Embrace the true purpose behind your journey through challenging circumstances. Break free from the endless cycle of destructive thinking. You can find freedom from the war inside your mind—if you allow Jesus, the Good Shepherd, to lead the battle. Learn how to find encouragement, hope, and strength no matter what valleys you face. It's time to reject the lies and listen to the truth.

Updated for a new generation, a resource for overcoming sexual temptation shares the stories of men who have escaped sexual immorality and offers a practical plan for achieving sexual integrity.

Battle Cry of Freedom - James M. McPherson 2003-12-11

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, Battle Cry of Freedom will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the

Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

Must-Win Battles - Peter Killing 2005-09-08

Must-Win Battles shows in a step-by-step way, how to identify the key goals that need achieving and how to win emotional and intellectual buy-in from the employees who make it all happen. By focusing on the right key short-term efforts you attain the twin benefits of delivering in the here-and-now, and making progress toward larger strategic goals. Businesses around the world are struggling for growth and profitability in today's fast-changing world. Those that achieve standout success are characterized by clear vision, focused execution, and commitment by people to doing what counts. But for the 99% of businesses that lack many of these attributes, how do they go about getting them? Should they turn to another management fad? Probably not. Senior managers are now sceptical in the face of "initiative overload". Instead they are looking for inspiration among real-world companies and real leaders. Based on a successful executive programme at IMD, one of the world's foremost executive education institutions and has been tested at some of the world's best-known companies, with intimate and compelling case studies running throughout, Must Win-Battles offers the inspiration and advice that many are looking for. "Enlightening and thought provoking in an era of cluttered agendas. Must Win Battles sets a clear path for leaders to focus their team's head, heart, and hands. Michael D. White, Chairman and Chief Executive Officer, PepsiCo International New York "Moving a company to the next level requires confronting the right challenges, and Peter Killing, Thomas Malnight, and Tracey Keys show how to pick your battles and then how to win them. Their Must-Win Battles provides a practical playbook for unleashing and aligning the intellectual and emotional energies essential for any business triumph." Michael Useem, Director-Center for Leadership and Change Management, The Wharton School and author of The Leadership Moment "In "Must Win Battles" Peter Killing and Thomas Malnight have distilled their richly varied experiences drawn from many organizations over many years. Together they have created a practical handbook for all managers who are interested in re-energizing and improving their business performance. Must Win Battles is easy to read and brimful with practical advice; well worth a few hours of your time". Iain Ferguson CBE, Chief Executive, Tate & Lyle PLC. Named European Businessman of the Year by Forbes Magazine, 2005 "Working with must-win battles has fundamentally changed our approach to where we seek growth in the market and the way we engage our people in realizing these goals. Must-win battles are the glue that ties the business together globally, that everyone understands and can contribute to. The process clarifies for everyone the long-term vision and business direction, where to allocate resources and why it is important to get aligned." Diego Bevilacqua, President, Global Business: Foodsolutions, Unilever "Every executive knows that there are certain battles that must be won for the business to be successful. This great new book provides a real-world, step-by-step approach to choosing the right battles in a way that helps unleash the organizational will to achieve them. Must Win Battles is a wonderful contribution to the art and science of management! So much so that it's inspired me to launch my own MWB journey." Bob Rieder, President & CEO Cardiome Pharma Corp.

Winning the Battle Against Myself - Andrews R. Smith 2006-03-06

Before you fight the war, you must first win the battle. Most of our lives we've done things backwards. And even now, we continue on that same path. We submit to what others want us to do, instead of doing what God wants us to do. And in that, we have been caught up, held down, captured and betrayed. We've surrendered our lives to the Enemy and our hopes to shame. Wars consist of many previous ongoing battles. And if we are honest, we would admit that our present burdens were brought on by ongoing unsolved simple situations. Not simple in nature, but simple in its approach to be solved. With many life changing experiences and divine help from God, Andrews R. Smith guides us through many of our past and present struggles, teaching us how to defeat our opponent the flesh. His writings are humorous, insightful and life changing. Dive into your life with this book and come out refreshed and victorious

Winning the Battle for Your Soul - Christine Watkins 2020-09-17

Marino Restrepo is a Catholic lay missionary who has been preaching the Gospel message throughout the world since 1999, with the full approval of his bishop. He is the founder of the Church-approved foundation, Pilgrims of Love. Formerly a wealthy Hollywood film producer, who sank into serious sin and the New Age movement, he was abducted for ransom by Colombian guerilla rebels and held captive in the Amazon jungle for nearly half a year. At the beginning of his torturous kidnapping, he underwent a mystical conversion. In the span of one night, Marino was given a complete illumination of his conscience, which revealed to him the sinful state of his soul. He then endured experience likening to his own particular judgement, with the sentence of hell. With a contrite and renewed heart, Marino received infused knowledge of divine matters, which he was later called to share with the world. Today, he is hailed as one of the greatest evangelizers of our time. This little book contains some of the most extraordinary teachings that Jesus has given us through Marino Restrepo, teachings that will profoundly alter and inform the way you see your ancestry, your past, your purpose, and your future. Marino Restrepo's astounding story can be found in the #1 best-selling book: THE WARNING: Testimonies and Prophecies of the Illumination of Conscience by Christine Watkins Imprimatur: Ramón C. Argüelles, STL Archbishop-Emeritus of Lipa

Warfare - Tony Evans 2018-09-04

You're at war. Are you winning? Your fight is not with the problems you can see—depression, a broken marriage, addiction, or financial troubles. These are just the symptoms, the true disease—the true battle—is against the devil and his armies. But the devil's not afraid of mere humans like you and me. So how are we supposed to fight? More importantly, how are we supposed to win? Warfare is a guide to fighting the battles that matter. In it, you'll learn: to identify how spiritual warfare is impacting your soul, family, church, and culture. who the armies are and what role they play—God, angels, demons, and the devil how to use the arsenal of spiritual weapons God provides how to claim the victory God has already won. When we fight the right battles with the right weapons, fear gives way to courage, futility gives way to purpose, and failure gives way to victory.

It shows the application of the Word of God to current affairs, and establishing the truth of what is happening in world today in the Scripture. It is written to prepare the Saints for that Glorious Hope and for the End-Times assignments (End-Times Revival).

The Battles You Must Win - Femi Olajide 2022-09-21

To spite God is the aim of the devil since his fall. Although, he cannot get at God directly, he turns to the object of God's love, humankind, to show his contempt for God. He has several devices he uses to deal with human beings. Besides, he targets the human soul to catch humankind, for he knows, and as the scripture affirms, the soul is the well spring of life. Whoever controls human soul has the person. This is the reason the Scripture insists, "above all else guard your heart, for it is the well spring of life" (Pro. 4:23). The idea of "guard" is a call to secure soul's security, which sound militant sort of. You must effectively and efficiently protect your soul, for the inability to do so is very costly. The truth is that human heart needs to be secure Important to wining the raging battle of life therefore is to be watchful, which is vital to being to discover, engage and resist incursion. This process is tasking. This book explores why life is tasking and time tests children of God. It gives examples of testing times with scriptural and personal experiences. The book is a school of life manual meant to teach your hand to battle. In it, you will find highlights, stories and testimonies of lives which bear credence, hurts, pains and victory in the encounters with the enemy of God and of humanity. Wash in the spiritual of this book to be clean. I ask that you stay on the truth it presents as you trust God to win the battles of life. You must see every encounter with the devil as the battles you must win. It is well

Marriage Under Fire - James C. Dobson 2007-04-01

Why shouldn't the definition of family be broadened and modernized? What harm could be done by two consenting adults who love one another coming together to create a binding union? In this succinct analysis of the issue, Dr. James Dobson presents a compelling case against the legalization of "marriage" between homosexuals, and the dire ramifications our nation could face: Same-sex marriage will destroy the fundamental principles of marriage, parenthood, and gender. Families will be increasingly unstable as their definition expands to incorporate multiple "moms" or "dads." Legalization of gay marriages will lead to polygamy and other alternatives to one-man/one-woman unions. The divorce rate will be even higher, making our children less safe. Marriage Under Fire provides the foundations of a battle plan for the preservation of traditional values in our nation. Our response could not be clearer. The well-being of the family, and thus our nation, hangs in the balance. Now is the time to speak out in defense of marriage and the family.

Must-Win Battles - Peter Killing 2006-03-11

Must-Win Battles shows leaders exactly how to identify the 3 to 5 critical challenges most likely to make or break their businesses -- and then mobilize people and resources to successfully execute on them. This book draws on the authors' exceptional experience as world-class consultants and leading-edge business researchers, and builds on the highly successful executive program they created for IMD, one of the world's best business schools. The authors show leaders how to cut through uncoordinated initiatives, create a short list of true "must-wins," focus relentlessly on them, and infuse their organizations with renewed energy and effectiveness. Along the way, discover how to recognize which victories will make the greatest difference, avoid unwinnable battles, drive consensus when somebody's ox is inevitably being gored, make sure must-win battles are specific and measurable, and change the

behavior of your top management team to lock in this laser-sharp focus for future battles.

The War of Art - Steven Pressfield 2002-06-03

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

You will find the strength to fight the battles you know you need to fight—the ones that determine the state of your heart, the quality of your marriage, and the spiritual health of your family. Craig will also look at examples from the Bible, including our good buddy Samson. Yep, the dude with the rippling biceps and hippie hair and a thing for Delilah. You may be surprised how much we have in common with this guy. By looking at his life, you'll learn how to defeat the demons that make strong men weak. You'll become who God made you to be: A man who knows how to fight for what's right. And don't you dare show up for this fight unarmed. Learn how to fight with faith, with prayer, and with the Word of God It's time to fight like a man. For God's Sake, FIGHT.

Battle for the American Mind - Pete Hegseth 2022-06-14

#1 NEW YORK TIMES BESTSELLER! FOX News host Pete Hegseth is back with what he says is his most important book yet: A revolutionary road map to saving our children from leftist indoctrination. Behind a smokescreen of "preparing students for the new industrial economy," early progressives had political control in mind. America's original schools didn't just make kids memorize facts or learn skills; they taught them to think freely and arrive at wisdom. They assigned the classics, inspired love of God and country, and raised future citizens that changed the world forever. Today, after 16,000 hours of K-12 indoctrination, our kids come out of government schools hating America. They roll their eyes at religion and disdain our history. We spend more money on education than ever, but kids can barely read and write—let alone reason with discernment. Western culture is on the ropes. Kids are bored and aimless, flailing for purpose in a system that says racial and gender identity is everything. Battle for the American Mind is the untold story of the Progressive plan to neutralize the basis of our Republic - by removing the one ingredient that had sustained Western Civilization for thousands of years. Pete Hegseth and David Goodwin explain why, no matter what political skirmishes conservatives win, progressives are winning the war—and control the "supply lines" of future citizens. Reversing this reality will require parents to radically reorient their children's education; even most homeschooling and Christian schooling are infused with progressive assumptions. We need to recover a lost philosophy of education - grounded in virtue and excellence - that can arm future generations to fight for freedom. It's called classical Christian education. Never heard of it? You're not alone. Battle for the American Mind is more than a book; it's a field guide for remaking school in the United States. We've ceded our kids' minds to the left for far too long—this book gives patriotic parents the ammunition to join an insurgency that gives America a fighting chance.

Joshua - Women's Bible Study Leader Guide - Barb Roose 2018-04-17

Have you ever tried to fight worry with faith and felt you were losing the battle? Have comments like "God's got this!" or "Just pray about it" only

left you feeling more burdened? We know we shouldn't worry, but the reality is that we all do at times. And whether it's personal worries about loved ones and daily circumstances or broader concerns about what's happening in the world, we long for something more than platitudes that will help us put real feet to our faith and win the worry battle. In this six-week Bible study on the Book of Joshua, we will join God's people as they arrive on the edge of the promised land only to find themselves in hostile territory, faced with fear and uncertainty. As we dig into the story of how Joshua and the Israelites claimed God's promised victory, we'll discover that winning the worry battle requires more than having faith; it requires learning to fight in faith! Following their bold, courageous footprints, we'll learn how to fight in faith as we internalize God's promises, draw strength from God's faithfulness, act in obedience to God's commands, and believe what our limitless God can do. Through in-depth study of how God gave the Israelites victory over their enemies and generously blessed them, too, we'll be equipped with biblical wisdom, encouragement, and practical tools that will enable us to overcome our daily worry struggles as well as the bigger battles of fear that we face. This comprehensive leader guide includes full session outlines featuring discussion questions, activities, prayers, leader helps, and more. Other available components, each available separately, include a Participant Workbook with five days of lessons per week, and DVD with six 20-25 minute sessions (with closed captioning).

Liquid Church - Tim Lucas 2019-09-10

In today's fluid culture, many churches are adrift--longing to reach spiritually thirsty people, but failing to make an impact. Have you noticed? Congregations are stuck or declining. Millennials and Gen Z are walking away. Volunteers and their generosity are drying up. Is your city, town, or neighborhood spiritually dry? Do you long to see more of the living water of Jesus flowing freely through your community, generating a fresh wave of ministry momentum? Buckle up: you're in for a whitewater ride! Liquid Church tells the fascinating story of a New Jersey church that began "on accident" and grew into one of America's 100 Fastest-Growing Churches, with over 5,000 in weekly attendance and more than 2,400 baptisms to date. Their secret? They harnessed the power of six powerful ministry currents sweeping across North America including: special needs, creative communication, ministry mergers, compassionate cause, radical generosity, and leadership development. With powerful stories and scriptural insights, backed by national research, Tim Lucas and Warren Bird describe dozens of fresh ideas, new ministry wineskins, and hard-won leadership learnings that resonate with rising generations in today's "show-then-tell" culture. Each chapter includes practical tools, real-life examples, and links to "Other Churches Making Waves" with cutting-edge ministry ideas designed to help saturate your city for Christ. Ready to dive deeper? Whether you serve a brand-new church plant, fast-growing congregation, or an aging ministry ready for reinvention, Liquid Church is an inspiring and practical guide for leaders ready to reach their spiritually thirsty neighbors--those who have given up on church, but haven't given up on God.

Six Battles Every Man Must Win - Bill Perkins 2011-07-14

The story of David's "mighty men" (primarily found in 2 Samuel 23) drives this challenging and encouraging book for Christian men. The mighty men weren't drafted into David's army because of their impressive resumes. They were broken men who, given an opportunity to achieve greatness, responded like champions. In Six Battles Every Man Must Win, popular author and speaker Bill Perkins uses the story to illustrate the six battles David's men fought, and men today must win, to become powerful and effective warriors in God's kingdom.

Sword Fighting - Christine Dillon 2020-07-23

Winning the Battle for Your Mind, Will and Emotions - Robert Hotchkin 2018-10-16

The most important battle you face is the battle for your mind, will, and emotions. Why? Because it greatly determines how much of God and his

kingdom you will experience while you're on earth. The thoughts we entertain, the words we speak, and the choices we make shape and influence not only our reality, but all of creation. The enemy loves to highlight our temporary challenges; poke at our feelings and stir up fear, frustration, doubt, and self-pity; and get us mired in murmuring and complaining. Yet the Bible shows us that all of heaven is available to us right now. In these pages you will discover the secret of Colossians: the incredible power of Christ in you. When you learn how to access his ever-present power and goodness, feelings and fears will no longer control you. You will go from being overwhelmed to being an overcomer. Heaven is only a decision away. How will you choose?

Breaking the Power of Evil - Rick Joyner 2002

Finding Closure - Tiffany Bussell 2020-02-23

Kendra's adult life didn't turn out too bad after all, considering her unique childhood challenges. She, not only was forced to grow up in a home of a blended family with all of its many undesirable issues, but she had to also grow up quickly the night she faced the life-long emotional scar of becoming a rape victim. In addition to that, Kendra had to cope with the heartbreaking reality of being deserted by her one and only true friend, all while becoming a young mother at the early age of 18. It wasn't long after that, that her Knight in shining armor, Phillip Bowers, showed up and rescued her from her complex life by making her his wife and raising her baby girl as his own. Sixteen years later, after giving birth to her beautiful daughter, Kendra finds herself more than grateful for her decision to bare and raise Alana, despite the devastating night of the assault that happened during the time that she was conceived. The truth of who Alana's real father is a secret and Kendra would like to keep it that way. It is no question that Kendra is holding onto more than just the truth of her child's paternity. Something else from her past is enabling her from living an honest, care-free life with her husband and family and for the longest times she's had no one to talk to about her past...until the day she meets Maribel. Maribel opened her arms, her doors, and her heart to receive Kendra into her life just when Kendra needed someone she could trust and someone who might help her make sense of her mysterious past. Little does either of them know, this new friendship of theirs would be the beginning and the end of a new chapter within both of their intertwined lives. But they soon discover, meeting each other was no accident. Their connection to each other ran deeper than they'd ever imagined and as a result of it, their lives have become even more complicated than before. How has the past crippled them both and what type of closure is needed for them to move forward?

Winning the Worry Battle - Barb Roose 2018-04-17

Have you ever tried to fight worry with faith and felt you were losing the battle? Have comments like "God's got this!" or "Just pray about it" only left you feeling more burdened? We know we shouldn't worry, but the reality is that we all do at times. Whether it's personal worries about loved ones and daily circumstances or broader concerns about what's happening in the world, we long for something more than platitudes that will help us put real feet to our faith and win the worry battle. Many Christians do not have a full understanding of what it means to fight the good fight of faith. They try to live by faith but in the face of everyday trials and failures, they find themselves disillusioned and discouraged, wondering if they have done something wrong or if living by faith only works for others. The problem for most is simply a lack of understanding regarding what faith is and how it works. This book, inspired by the Book of Joshua, reviews three steps a person can take to Fight In Faith: 1) embrace God's promises, 2) steep your heart in courage, and 3) act in obedience to God's commands. Just as God gave His people victory over their enemies when they fought in faith, He promises to do the same for us. Following the footprints of bold, courageous faith that God gave His people, we'll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face. Through examples of how God gave the Israelites victory over their enemies and generously blessed them, too, we'll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society. A companion six-week Bible study Joshua: Winning the Worry Battle is also available for those who would like to dig deeper into the book's topic. Study components, each available separately, include a Participant Workbook with five days of lessons per week, Leader Guide, and DVD with six 20-25 minute sessions (with closed captioning).
