

# Il Pirata E Il Cowboy Pantani E Armstrong Le Storie Maledette Saggi

As recognized, adventure as with ease as experience not quite lesson, amusement, as competently as arrangement can be gotten by just checking out a ebook **il pirata e il cowboy pantani e armstrong le storie maledette saggi** next it is not directly done, you could say you will even more approximately this life, roughly speaking the world.

We manage to pay for you this proper as capably as easy artifice to acquire those all. We find the money for il pirata e il cowboy pantani e armstrong le storie maledette saggi and numerous book collections from fictions to scientific research in any way. accompanied by them is this il pirata e il cowboy pantani e armstrong le storie maledette saggi that can be your partner.

**Cat and Fish** - Joan Grant 2004-11-20

Cat and Fish, the most unlikely of friends, introduce each other to their very different worlds, which leads to trouble and forces them to find a way to celebrate their differences and remain friends.

*It's All About the Bike* - Robert Penn 2011-04-26

Robert Penn has saddled up nearly every day of his adult life. In his late twenties, he pedaled 25,000 miles around the world. Today he rides to get to work, sometimes for work, to bathe in air and sunshine, to travel, to go shopping, to stay sane, and to skip bath time with his kids. He's no Sunday pedal pusher. So when the time came for a new bike, he decided to pull out all the stops. He would build his dream bike, the bike he would ride for the rest of his life; a customized machine that reflects the joy of cycling. *It's All About the Bike* follows Penn's journey, but this book is more than the story of his hunt for two-wheel perfection. En route, Penn brilliantly explores the culture, science, and history of the bicycle. From artisanal frame shops in the United Kingdom to California, where he finds the perfect wheels, via Portland, Milan, and points in between, his trek follows the serpentine path of our love affair with cycling. It explains why we ride. *It's All About the Bike* is, like Penn's dream bike, a tale greater than the sum of its parts. An enthusiastic and charming tour guide, Penn uses each component of the bike as a starting point for illuminating excursions into the rich history of cycling. Just like a long ride on a lovely day, *It's All About the Bike* is pure joy-enriching, exhilarating, and unforgettable.

**Feed Zone Portables** - Biju K. Thomas 2013-05-01

Feed Zone Portables offers 75 all-new, easy, healthy recipes for portable snacks that taste great during exercise. When Dr. Allen Lim left the lab to work with pro cyclists, he found athletes weary of processed bars and gels and the same old pasta. So Lim joined professional chef Biju Thomas to make eating delicious and practical. When the menu changed, no one could argue with the race results. Their groundbreaking Feed Zone Cookbook brought the favorite recipes of the pros to everyday athletes. In their new cookbook Feed Zone Portables, Chef Biju and Dr. Lim offer 75 all-new portable food recipes for cyclists, runners, triathletes, mountain bikers, climbers, hikers, and backpackers. Each real food recipe is simple, delicious during exercise, easy to make--and ready to go on your next ride, run, climb, hike, road trip, or sporting event. Feed Zone Portables expands on the most popular features of The Feed Zone Cookbook with more quick and easy recipes for athletes, beautiful full-color photographs of every dish, complete nutrition data, tips on why these are the best foods for athletes, and time-saving ways on how to cook real food every day. In his introduction to Feed Zone Portables, Dr. Lim shows why real food is a more easily digestible, higher-performance source of energy than prepackaged fuel products. He shows how much athletes really need to eat and drink at different exercise intensities and in cold or hot weather. Because the body burns solid and liquid foods differently, Lim defines a new approach for athletes to drink for hydration and eat real food for energy. With the recipes, ideas, and guidance in Feed Zone Portables, athletes will nourish better performance with real food and learn to prepare their own creations at home or on the go. Feed Zone Portables includes 75 all-new recipes that taste great during exercise: Rice Cakes, Two-Bite Pies, Griddle Cakes, Waffles, Baked Eggs, Sticky Bites, Rice Balls, Ride Sandwiches, Baked Cakes, and Cookies A smart introduction on how real food works better for athletes More than 50 no-fuss gluten-free recipes, including great-tasting cookies and cakes More than 50 vegetarian recipes

[My Hero Academia, Vol. 21](#) - Kohei Horikoshi 2019-10-01

Endeavor and Dabi's battle rages across the city as Endeavor fights to solidify his new position as the number one hero. Hawks provides support, but where do his loyalties really lie? Midoriya experiences a cryptic dream about the past—what secrets do the previous wielders of One For All have to show him? Then Class 1-A's joint battle training with Class B begins. -- VIZ Media

**There and Black Again** - Mal Peachey 2021-03-11

Starring the Grammy award winning filmmaker, rock star, dj, radio broadcaster, social commentator, husband and father Don Letts, *There And Black Again* takes in many lives and places. It is written as scenes from a movie shot on location in London, Kingston, New York, Los Angeles, Windhoek, Salt Lake City, and Goldeneye. Co-starring a cast of hundreds, including Joe Strummer, John Lydon, Bob Marley, Chrissie Hynde, Chris Blackwell, Paul McCartney, Nelson Mandela, Keith Richards, Pattie Smith, Chuck D., McLaren, and Westwood, etc., it takes in major cultural movements from skinhead through punk to Black Lives Matter, and includes scenes of civil unrest, live music, humour, and political struggle. *There And Black Again* describes in clear-eyed detail a life of work and love, of battles against prejudice and negativity, of failures and great successes. It describes a six-decade journey through sound and vision which has left a unique body of award-winning work in film, television, and music.

[The Making of Modern Colombia](#) - David Bushnell 1993-02-09

Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization have spawned no lasting populist movement. There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

**Il cowboy e l'indiano... 50 di Toro e non solo, un racconto vissuto di un amore infinito** - Carlo Mia 2018-10-30

L'autore narra episodi della sua vita, relativamente ai fatti accaduti è vissuti nei suoi ricordi di 50 anni, da bambino ad oggi, riguardanti la sua squadra del cuore, con divagazioni sul tema inerenti a proprie esperienze sportive, con menzioni a quelle significative accadute negli anni in cui i fatti vengono raccontati, dando una connotazione romantica al racconto.

**Doing Life** - Russell Brand 2007-11-01

[In Praise of the Bicycle](#) - Marc Augé 2019-08-15

Witness the French anthropologist as we have never seen him before. Marc Augé coined the term “non-place” to describe the ubiquitous airports, hotels, and motorways filled with anonymous individuals. In this

new book, he casts his anthropologist's eye on a subject close to his heart: cycling. With *In Praise of the Bicycle*, Augé takes us on a two-wheeled ride around our cities and on a personal journey into ourselves. We all remember the thrill of riding a bike for the first time and the joys of cycling. Here he reminds us that these memories are not just personal, but rooted in a time and a place, in a history that is shared with millions of others. Part memoir, part manifesto, Augé's book celebrates cycling as a way of reconnecting with the places in which we live, and, ultimately, as a necessary alternative to our disconnected world. *The Essence of Invisible. Understanding Molecular Cuisine* - Ettore Bocchia 2019

**Hitorijime My Hero 1** - Memeco Arii 2019-01-22

A yaoi romance between a good boy who didn't know he was waiting for a hero, and a bad boy who comes to his rescue! Now a hit streaming anime! "I don't like caramel sauce. I prefer something bitter..." Masahiro Setagawa doesn't believe in heroes, but wishes he could: He's found himself in a gang of small-time street bullies who use him to run errands. But when high school teacher (and scourge of the streets) Kousuke Ohshiba comes to his rescue, he finds he may need to start believing after all...and as their relationship deepens, he realizes a hero might be just what he was looking for this whole time.

**Wheelmen** - Reed Albergotti 2013-10-15

The first in-depth look at Lance Armstrong's doping scandal, the phenomenal business success built on the back of fraud, and the greatest conspiracy in the history of sports Lance Armstrong won a record-smashing seven Tours de France after staring down cancer, and in the process became an international symbol of resilience and courage. In a sport constantly dogged by blood-doping scandals, he seemed above the fray. Then, in January 2013, the legend imploded. He admitted doping during the Tours and, in an interview with Oprah, described his "mythic, perfect story" as "one big lie." But his admission raised more questions than it answered—because he didn't say who had helped him dope or how he skillfully avoided getting caught. The Wall Street Journal reporters Reed Albergotti and Vanessa O'Connell broke the news at every turn. In *Wheelmen* they reveal the broader story of how Armstrong and his supporters used money, power, and cutting-edge science to conquer the world's most difficult race. *Wheelmen* introduces U.S. Postal Service Team owner Thom Weisel, who in a brazen power play ousted USA Cycling's top leadership and gained control of the sport in the United States, ensuring Armstrong's dominance. Meanwhile, sponsors fought over contracts with Armstrong as the entire sport of cycling began to benefit from the "Lance effect." What had been a quirky, working-class hobby became the pastime of the Masters of the Universe set. *Wheelmen* offers a riveting look at what happens when enigmatic genius breaks loose from the strictures of morality. It reveals the competitiveness and ingenuity that sparked blood-doping as an accepted practice, and shows how the Americans methodically constructed an international operation of spies and revolutionary technology to reach the top. It went on to become a New York Times Bestseller, a Wall Street Journal Business Bestseller, and win numerous awards, including a Gold Medal for the Axiom Business Book Awards. At last exposing the truth about Armstrong and American cycling, *Wheelmen* paints a living portrait of what is, without question, the greatest conspiracy in the history of sports.

**Honor Bound** - Raffaele Sollecito 2013-04-23

A compelling memoir by the high-profile defendant's Italian ex-boyfriend reaffirms their innocence while chronicling his relationship with Amanda and the nightmarish four years they spent in an Italian prison for a murder they did not commit.

**Classic Singapore Horror Stories** - Damien Sin 1992

**Eye of the Needle** - Ken Follett 2017-10-17

The worldwide phenomenon from the bestselling author of *The Pillars of the Earth*, *World Without End*, *A Column of Fire*, and *The Evening and the Morning* His code name was "The Needle." He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

**Raw Juices Can Save Your Life** - Sandra Cabot MD

The A - Z Guide to juicing and natural therapies which contains carefully designed juices by Sandra Cabot

MD and Audrey Tea The A - Z Guide to juicing and natural therapies guide which contains carefully designed juices by Sandra Cabot MD and Audrey Tea. Often in this technological age where computers diagnose diseases and perform surgery, we tend to minimise natural therapies. It seems incredulous that the simple act of drinking raw juices could turn around severe diseases, however I have seen it work in otherwise hopeless cases. In this book you will learn that juices are easily digested and absorbed and are superb for those with a poor appetite, nausea, digestive problems and an inflamed stomach or intestines. It is so much easier to drink a juice than chew your way through large amounts of fibrous raw vegetables, especially if you are feeling fatigued and disinterested in food. Modern day medicine is focused on treating the symptoms of disease with suppressive drugs. Sometimes this is necessary when a disease is very aggressive and acute in onset, however raw juice therapy is something that should always be used, even in conjunction with drug use. I have seen many of my patients recover from chronic disease after they started juicing, and this has been after they have tried many other things. People of all ages can benefit from juicing, especially the very young and old, or those with serious disease such as cancer, immune dysfunction and liver problems.

**Scarlet and the Beast I** - John Daniel 2018-09-21

My research has revealed that there are two separate and opposing powers in Freemasonry. One, headquartered in London, subscribes to and promotes an idolatrous and pantheistic view of the world. It is monarchist, capitalistic, wealthy, right-wing. The other, in Paris, is atheistic and humanistic in origin and outlook. It is republican, socialist, poor, left-wing. One is Scarlet. The other, the Beast. The breakthrough theory which I have developed with Scripture as my guide makes sense of the massive literature I have collected on Freemasonry as well as its apparent contradictions. My library includes books written by members of and defectors from both English and French Freemasonry. At the beginning of my research, like many other revisionist authors, I thought revisionist authors were reporting one single plot. I gradually realized that many authors were exposing what in reality were often the machinations of one group of conspirators against the other. The devices of both wings of Masonry were so similar that without Scripture as a guide, one could easily perceive only a single intrigue. This interesting twist in the historical drama, confirmed again and again by my research, points to the existence of a struggle between the two powers in Freemasonry. Although revisionist authors are supposedly concerned about one plot, I noticed that all exposes pointed to Paris as the center of an intrigue before World War I. After the War, however, evidence points to the shift of intrigue to London. I will explain this shift in the course of this book.

**Yellow Yellow** - Frank Asch 1971

A boy proudly wears and finds many uses for the yellow construction hat he found—but eventually its owner appears.

**Happy Hooligan** - Frederick Burr Opper 2008-11-01

An esoterically designed volume of early strips as they were published in the New York Journal between 1903 and 1913 features what was considered the best of the successful series' full-color Sunday comics.

**William Garbutt** - Paul Edgerton 2009-10

That the players in Serie A - Italy's top flight - call their managers mister' is down to one man: William Garbutt. When his playing career ended in 1912 after a leg injury, the 29-year-old showed a rare sense of adventure in applying for the manager's job at Genoa. He went on to become the most successful manager in their history, going on to take the reins at Roma and Athletic Bilbao. Author Paul Edgerton tracked down Garbutt's adopted Italian daughter - the result being a rounded portrait of the man who made Italian football what it is today.'

**Boy Swallows Universe** - Trent Dalton 2019-04-02

"The best book I read this decade." —Sharon Van Etten in Rolling Stone "Boy Swallows Universe hypnotizes you with wonder, and then hammers you with heartbreak. . . . Eli's remarkably poetic voice and his astonishingly open heart take the day. They enable him to carve out the best of what's possible from the worst of what is, which is the miracle that makes this novel marvelous." —Washington Post A "thrilling" (New York Times Book Review) novel of love, crime, magic, fate and a boy's coming of age in 1980s Australia, named one of the best literary fiction titles of 2019 by Library Journal. Eli Bell's life is complicated. His father is lost, his mother is in jail, and his stepdad is a heroin dealer. The most steadfast

adult in Eli's life is Slim—a notorious felon and national record-holder for successful prison escapes—who watches over Eli and August, his silent genius of an older brother. Exiled far from the rest of the world in Darra, a neglected suburb populated by Polish and Vietnamese refugees, this twelve-year-old boy with an old soul and an adult mind is just trying to follow his heart, learn what it takes to be a good man, and train for a glamorous career in journalism. Life, however, insists on throwing obstacles in Eli's path—most notably Tytus Broz, Brisbane's legendary drug dealer. But the real trouble lies ahead. Eli is about to fall in love, face off against truly bad guys, and fight to save his mother from a certain doom—all before starting high school. A story of brotherhood, true love, family, and the most unlikely of friendships, *Boy Swallows Universe* is the tale of an adolescent boy on the cusp of discovering the man he will be. Powerful and kinetic, Trent Dalton's debut is sure to be one of the most heartbreaking, joyous and exhilarating novels you will experience.

**Men in My Situation** - Per Petterson 2022-02-01

[The Weapon Shops of Isher](#) - Alfred Elton Van Vogt 1954

**How To Live Like A Lady** - Sarah Tomczak 2008-02-01

What makes a lady? It's what the French (who know about these things) call *je ne sais quoi*. It's a certain something that results from the delicate combination of elegance, charm, and wit. No matter how good looking, wealthy, or accomplished a woman might be, she isn't living the life of a lady until she behaves like one. *How to Live Like a Lady* is a handbook that will guide any woman, manicured hand in manicured hand, to a lifestyle of manners, style, and *elan*.

[My Life : Albert Einstein](#) - GP Editors 2018-10-12

Born in Ulm, Germany, in 1879, Einstein is most famous for his Theory of Relativity, which is considered the founding principle of modern physics. He was once told by a teacher that he would never amount to anything. Yet he went on to develop the special and general theories of relativity, won the Nobel Prize for Physics in 1921, and become the most influential physicist of the 20th century. His success came from questioning conventional wisdom and marveling at mysteries that struck others as mundane. CONTENTS: 1. Early Life 2. School Years 3. University Years 4. Post-University Years 5. Scientific Discoveries 6. Personal Life 7. Interesting Facts about Einstein 8. Famous Words by Albert Einstein 9. An Overview of Einstein's Life

**Man on the Run** - Manuela Ronchi 2005-09-29

On 14 February 2004 Marco Pantani was found dead in a hotel room in Rimini. The 34-year-old climbing specialist, nicknamed 'The Pirate', was a Tour de France and Giro d'Italia champion, but his career was blighted by doping allegations after he was thrown out of the 1999 Giro d'Italia for failing a blood test. In the last months of his life he kept extensive notes for a book that would have told his story. Pantani was the first Italian to win the Tour de France, cycling's premier race, since Felice Gimondi in 1965. He was the last man to win the Tour before Lance Armstrong embarked on a record-equalling five straight victories. But Pantani's career went into free-fall when he was ejected from the 1999 Giro while in the lead after failing a test for haematocrit - an indicator, though not proof, of the use of performance-enhancing drugs. Scandal followed Pantani, and during the 2001 Giro a syringe containing traces of insulin was found in his hotel room in a police raid. Pantani insisted the syringe had been planted and that he did not stay in the room on the night in question. A court dismissed his claim for lack of proof, and he was suspended for six months but later acquitted of sporting fraud in October 2003. Thanks to her close rapport with Pantani's family, Manuela Ronchi has been able to tie together the loose ends of his story to loyally reconstruct the life of the champion. From his childhood discovery of cycling to the triumphs, losses and scandal that accompanied one of the few sporting personalities capable of inspiring in his fans a passion for cycling, here, for the first time, is the full, intimate, authentic and personal story of Pantani's remarkable career.

**Mulheres de Ditadores** - DIANE DUCRET 2012-02-28

Chamavam-se Inessa, Clara, Nadia, Magda, Felismina, Jiang Qing, Elena, Catherine... E eles Lenine, Mussolini, Estaline, Hitler, Salazar, Mao, Ceausescu, Bokassa. Prostitutas ou mulheres da alta burguesia intelectual, paixões fugazes ou amores intensos, eles maltratavam ou adoravam-nas, mas,

sistematicamente, voltavam para os seus braços. Esposas, companheiras, musas, admiradoras, todas têm em comum o facto de terem sido vencedoras, enganadas e sacrificadas. Aos seus homens cruéis, violentos, tiranos e infiéis, faziam crer que eram belos, charmosos e todo-poderosos. Sendo a virilidade um dos alicerces do poder absoluto, os ditadores sentiam a necessidade de juntar figuras femininas ao imaginário de poder e domínio que criaram. E assim controlando-os na sombra, por vezes, até à morte, como se vivessem sob a égide de um Pigmaleão. Diane Ducret relata em detalhe os momentos, as estratégias de sedução, os casos amorosos, as intervenções políticas e os destinos diversos, ocasionalmente trágicos, das mulheres que cruzaram o caminho ou passaram pelo leito dos ditadores.

*Ferocity* - Nicola Lagioia 2017-10-10

This Strega Prize winner "ticks all the boxes of a thriller while also being a masterfully written, baroque, many-faceted depiction of modern Italy" (The Spectator). Bari, southern Italy: On a stifling summer night, on the outskirts of town, a young woman named Clara, daughter of the region's most prominent family of real estate developers, stumbles naked, dazed, and bloodied down a major highway. Her death will be deemed a suicide. Her estranged half-brother, however, cannot free himself from her memory or the questions surrounding her death, and the more he learns about Clara's life, the more he reveals the moral decay at the core of his family's ascent to social prominence. Winner of the 2015 Strega Prize, Italy's preeminent prize for fiction, *Ferocity* is at once an intimate family saga, a cinematic portrait of the moral and political corruption of an entire society, and a "gripping" tale of suspense (The Irish Times). "Biting social commentary as well as edge-of-seat reading." —Library Journal (starred review) "Allows the mystery to slowly and captivantly resolve while offering a layered portrait of contemporary Italian life and the abuses of power that money can excuse." —Publishers Weekly "Complex, darkly absorbing and mysterious literary fiction." —Booklist

[Frogs](#) - Gail Gibbons 2018-01-01

"Christina Moore uses her talent for storytelling to create a more narrative-like tale....An attractive offering for listening centers and for young children interested in nature and science." -School Library Journal

*International Law and Justice* - John R. Rowan 2008

Selected from the papers presented at the twenty-third International Social Philosophy Conference held in July of 2006 at University of Victoria in Victoria, British Columbia --Preface.

**Si Io Posso** - Berlitz Publishing 1994-01-01

*Pantani Was A God* - Marco Pastonesi 2019-02-14

[Modigliani](#) - Jeanne Modigliani 2015-09-27

[Cycling's 50 Craziest Stories](#) - Les Woodland 2010-02-17

Professional cycling has been around for more than 100 years, more than enough time for nearly anything imaginable to have happened. Whether it's the Tour de France racer who thought the worst thing that could happen to him was being forced to wear the Yellow Jersey, or the communist team director who insisted, on a whim, that a rider have a toe amputated or the fit of jealousy that started the Giro d'Italia, the sport has an endless supply of examples of human folly. Les Woodland has the perfect knack for telling these improbable, silly, crazy and absurd stories.

**Day and Night** - Teddy Newton 2015-10-13

Day meets Night and Night meets Day in this delightful picture book based on the Pixar short, Day & Night,

which premiered with Toy Story 3 in 2010. Kids will delight in the way these two characters explore their differences and eventually realize how much they like and enjoy each other. A wonderful way to experience the magic of this Pixar short again and again and rejoice in the attraction of opposites! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

**How to Take Charge of Your Life: The User's Guide to NLP** - Richard Bandler 2014-01-02

Richard Bandler, co-creator of NLP and the man who taught and trained Paul McKenna, joins forces with Alessio Roberti and Owen Fitzpatrick once again to give you the tools to change your life.

**The Twelve Dancing Princesses** - 2011-05-04

An easy retelling of the tale of twelve princesses who dance secretly all night long and how their secret is eventually discovered.

Marco Pantani - John Wilcockson 2005

Marco Pantani won the Tour de France and Giro d'Italia in the same year, 1998, a feat previously achieved only by giants of the sport like Eddy Merckx, Fausto Coppi, and Miguel Indurain. The master cyclist was also a victim of the drug culture of pro cycling, eventually sinking into a deep depression and dying alone in a hotel room on Valentine's Day 2004. This book chronicles the highs and lows of Pantani's life and cycling career through the words of leading American and European sportswriters, and it includes candid color shots of Pantani in action by renowned sports photographer Graham Watson.

The Death of Marco Pantani - Matt Rendell 2012-11-15

The intimate biography of the charismatic Tour de France winner Marco Pantani, now updated to include the 2014 and 2015 investigation into Pantani's death. National Sporting Club Book of the Year Shortlisted for the William Hill Sports Book of the Year Award 'An exhaustively detailed and beautiful book . . . a fitting, ambivalent tribute - to the man, and to the dark heart of the sport he loved' Independent On Valentine's day

2004, Marco Pantani was found dead in a cheap hotel. It defied belief: Pantani, having won the rare double of the Giro d'Italia and the Tour de France in 1998, was regarded as the only cyclist capable of challenging Lance Armstrong's dominance. Only later did it emerge that Pantani had been addicted to cocaine since 1999. Drawing on his personal encounters with Pantani, as well as exclusive access to his psychoanalysts, and interviews with his family and friends, Matt Rendell has produced the definitive account of an iconic sporting figure.

**Il Pirata e il Cowboy** - Leo Turrini 2013-09-12

C'erano una volta un Pirata e un Cowboy. Troppo breve fu il loro duello sulle strade del Tour de France e dell'Olimpiade, nell'estate del 2000. Troppo breve e zeppo di bugie: avessimo conosciuto allora l'intera verità sul conto di Lance Armstrong, il Cowboy, forse il giudizio popolare su Marco Pantani, il Pirata, sarebbe stato molto diverso. Il racconto di una rivalità che avrebbe potuto cambiare la storia del ciclismo moderno, nel cuore di una sfida da tragedia greca tra un Ettore e un Achille della bicicletta, merita di essere riscritto oggi. È tardi per porre riparo a una manipolazione della realtà che innescò uno spaventoso cortocircuito mediatico: ma certo è venuto il momento di riconoscere che il Pirata e il Cowboy erano due facce della stessa medaglia, la medaglia di un ciclismo nel quale pretendere di distinguere buoni e cattivi fu soltanto un penoso esercizio di ipocrisia. C'erano una volta un Pirata e un Cowboy. C'erano una volta Marco Pantani e Lance Armstrong. Tra disgrazie e tragedie, tra orrori ed errori, entrambi hanno segnato, nel bene e nel male, il nostro tempo. Abbandonarli all'oblio, fingendo di dimenticarli, farebbe torto non soltanto alle loro biografie. Ma a noi stessi. Leo Turrini è nato a Sassuolo nel 1960. Da oltre trent'anni racconta per i quotidiani del gruppo Poligrafici i grandi eventi dello sport. Ha scritto le biografie di Enzo Ferrari, Gino Bartali, Michael Schumacher e Lucio Battisti. Va piano in bicicletta, ma ama moltissimo le storie, felici e tragiche, del ciclismo. Cosa avremmo detto, da bambini, se avessimo scoperto che Cenerentola era, in realtà, più cattiva e cinica delle sorellastre?
