The Aztecs - Matt Doeden 2009-08-01

Introduces the history, daily life, religion, social customs, and inventions of the Aztecs, along with descriptions of Tenochtitlan, its largest city.

Silent Day in Tangier - Tahar Ben Jelloun 1991

Ciao, America! - Beppe Severgnini 2003-05-13

In the wry but affectionate tradition of Bill Bryson, *Ciao, America!* is a delightful look at America through

the eyes of a fiercely funny guest—one of Italy’s favorite authors who spent a year in Washington, D.C. When Beppe Severgnini and his wife rented a creaky house in Georgetown they were determined to see if they could adapt to a full four seasons in a country obsessed with ice cubes, air-conditioning, recliner chairs, and, of all things, after-dinner cappuccinos. From their first encounters with cryptic rental listings to their back-to-Europe yard sale twelve months later, Beppe explores this foreign land with the self-described patience of a mildly inappropriate beachcomber, holding up a mirror to America’s signature manners and mores. Succumbing to his surroundings day by day, he and his wife find themselves developing a taste for Klondike bars and Samuel Adams beer, and even that most peculiar of American institutions—the pancake house. The realtor who waves a perfect bye-bye, the overzealous mattress salesman who bounces from bed to bed, and the plumber named Marx who deals in illegally powerful showerheads are just a few of the better-than-fiction characters the Severgninis encounter while foraging for clues to the real America. A trip to the computer store proves just as revealing as D.C.’s Fourth of July celebration, as do boisterous waiters angling for tips and no-parking signs crammed with a dozen lines of fine print. By the end of his visit, Severgnini has come to grips with life in these United States—and written a charming, laugh-out-loud tribute.

The Book of the Virgins - Gabriele D'Annunzio 2003

The Book of the Virgins, published here in its first English translation, is one of Gabriele D’Annunzio’s very first collections. Remarkable for its descriptive powers, it is a compelling account of self-knowledge and coming-of-age. Foreword by Tim Parks. Recovering from a near-fatal illness, a young woman resolves to experience for herself all that life has to offer. Spurning her old saintly ways, she sets out to explore the beauty and energy in everything around her. But as she senses the first stirrings of passion, so too comes tragedy, and with it, the realization that to truly live, she must embrace life in all its brutality. Poet, dramatist, and novelist—and one of the most popular and controversial Italian writers of the 20th century—Gabriele D’Annunzio (1863–1938) represented the very height of decadence in Italy.

Cyborg (2016-) #20 - Kevin Grevious 2018-01-03

“WRETCHED OF THE EARTH” part two! In trying to save the children from the vile clutches of the warlord Uma, Victor feels the pangs of being human again as he contracts a deadly virus. But in protecting them, will he sacrifice the one chance he has of being whole again? Or will he save himself at the cost of his humanity and his own immortal soul?

Io René Tardi prigioniero di guerra allo Stalag II B - Jacques Tardi 2013

Am I My Brother's Keeper? - Ananda Kentish Coomaraswamy 1947

Mr. Palomar - Italo Calvino 1986-09-22

A novel of a delightful eccentric on a search for truth, by the renowned author of Invisible Cities. In The New York Times Book Review, the poet Seamus Heaney praised Mr. Palomar as a series of “beautiful, nimble, solitary feats of imagination.” Throughout these twenty-seven intricately structured chapters, the musings of the crusty Mr. Palomar consistently render the world sublime and ridiculous. Like the telescope

for which he is named, Mr. Palomar is a natural observer. "It is only after you have come to know the surface of things," he believes, "that you can venture to seek what is underneath." Whether contemplating a fine cheese, a hungry gecko, or a topless sunbather, he tends to let his meditations stray from the present moment to the great beyond. And though he may fail as an objective spectator, he is the best of company. "Each brief chapter reads like an exploded haiku," wrote Time Out. A play on a world fragmented by our individual perceptions, this inventive and irresistible novel encapsulates the life's work of an artist of the highest order, "the greatest Italian writer of the twentieth century" (The Guardian).

□□□□ - Massimo Listri 2007

What Don't You Know? - Michael C. LaBossiere 2008-05-06

Collected from LaBossiere's regular column in The Philosopher's Magazine, this fascinating set of philosophical provocations assumes no background in philosophy and focuses on matters that are of popular interest to the general public, yet are also philosophically significant.

Military and Special Products - Intel Corporation 1993

The Secret of San Miniato - Renzo Manetti 2018-03-09

An ancient secret is enshrined in a mysterious inscription dated 1207, still to be seen on the ornate marble floor of the Basilica of San Miniato in Florence. This story holds the key to that secret. The narrative unfolds in the latter part of the 12th century when Frederick Barbarossa, the Holy Roman Emperor, was forcefully seeking to bring the Italian communes to heel under his rule in Europe, and the Latin Kingdom of Jerusalem was reeling under the mortal blows of Saladin in the Holy Land. Against the backdrop of these dramatic events, Yosef, a young Florentine Jew, pursues his search for the mysterious "stone" capable of imparting an understanding of the whole of creation: the legendary Grail. Gathering pace with every page turned, picking up speed as it rushes headlong towards its arcane ending, the story hurtles along amid Yosef's heroic deeds and the moving love that binds him for eternity to the beautiful Miriam. "Questo romanzo sta alla pletora di opere di questo genere come i Promessi Sposi stanno al romanzo storico italiano di inizio Ottocento... Se Manetti in persona abbia o meno trovato la pietra filosofale, difficile dirlo, e comunque non lo rivelerebbe: di certo però ha trovato la strada per un capolavoro..." Domenico Del Nero "Manetti riesce a parlare dell'indescrivibile, spesso ricorrendo ad accenti di pura poesia..." Anna Giacomini I Italian edition: October 2006 I reprint: November 2007 I English edition: November 2017 (translation by Stephen Tobin)

Discourses on spiritual life with reference to philosophy of Kabir, 15th century, Hindu mystic poet.

Biology - Miller 2004-04-01

This Body That Inhabits Me - Rossana Rossanda 2022-01-15

A collection of essays on the mysteries of the body from one of Italy's leading postwar communist intellectuals. Politician, translator, and journalist Rossana Rossanda was the most important female left-wing intellectual in post-war Italy. Central to the Italian Communist Party's cultural wing during the 1950s and '60s, she left an indelible mark on the life of the mind. The essays in this volume, however, bring together Rossanda's reflections on the body--how it ages, how it is gendered, what it means to examine one's own body. The product of a decades-long dialogue with the Italian women's movement (above all with Lea Melandri, a vital feminist writer who provides an afterword to the current volume), these essays represent an honest and raw meeting between communist and feminist thought. Ranging from reflections on her own hands through to Chinese cinema, from figures such as the Russian cross-dressing soldier Nadezhda Durova to the Jacobin revolutionary Theroigne de Mericourt, here we see Rossanda's fierce intellect and extraordinary breadth of knowledge applied to the body as a central question of human experience.

Kafka Americana - Jonathan Lethem 2001

Stories bring Franz Kafka to the United States, where he writes scripts for "It's a Wonderful Life," attends an insurance industry conference with Wallace Stevens and Charles Ives, and interacts with other contemporaries.

The Salon in Württemberg - Pascal Quignard 1991-01

The relationship of Florent Seinece and his wife, Isabelle, is irretrievably altered by a brief dalliance with Charles Chenogne, and Florent loses both his wife and the most important friend of his life

Il bosco in tavola. Le carni degli ungulati selvatici - Giacomo Cavini 2020

This manual, aimed primarily at hunters, offers guidelines for the correct use of the meat of ungulates.

La Bella Figura - Beppe Severgnini 2008-11-12

Join the bestselling author of Ciao, America! on a lively tour of modern Italy that takes you behind the seductive face it puts on for visitors—la bella figura—and highlights its maddening, paradoxical true self. You won't need luggage for this hypothetical and hilarious trip into the hearts and minds of Beppe Severgnini's fellow Italians. In fact, Beppe would prefer if you left behind the baggage his crafty and elegant countrymen have smuggled into your subconscious. To get to his Italia, you'll need to forget about your idealized notions of Italy. Although La Bella Figura will take you to legendary cities and scenic regions, your real destinations are the places where Italians are at their best, worst, and most authentic: The highway: in America, a red light has only one possible interpretation—Stop! An Italian red light doesn't warn or order you as much as provide an invitation for reflection. The airport: where Italians prove that one of their virtues (an appreciation for beauty) is really a vice. Who cares if the beautiful girls hawking cell phones in airport kiosks stick you with an outdated model? That's the price of gazing upon perfection. The small town: which demonstrates the Italian genius for pleasant living: "a congenial barber . . . a well-stocked newsstand . . . professionally made coffee and a proper pizza; bell towers we can recognize in the distance, and people with a kind word and a smile for everyone." The chaos of the roads, the anarchy of the office, the theatrical spirit of the hypermarkets, and garrulous train journeys; the sensory reassurance of a church and the importance of the beach; the solitude of the soccer stadium and the crowded Italian bedroom; the vertical fixations of the apartment building and the horizontal democracy of the eat-in kitchen. As you venture to these and many other locations rooted in the Italian psyche, you realize that Beppe has become your Dante and shown you a country that "has too much style to be hell" but is "too disorderly to be heaven." Ten days, thirty places. From north to south. From food to politics. From saintliness to sexuality. This ironic, methodical, and sentimental examination will help you understand why Italy—as Beppe says—"can have you fuming and then purring in the space of a hundred meters or ten minutes."

What Is the Stigmata Padre Pio - Denis Van Loan 2018-09-27

Description of Catholic vs. ProtestantThe Stigmata & Padre Pio is a Christian book with chapters on phenomenon like the stigmata and controversial issues that often get no press or the wrong information. There are some major differences between Catholic and Protestant viewpoints of Christianity. What is the stigmata & Padre Pio? Pio (Catholic priest) is not well known among Catholics, much less Protestants. The Stigmata is a stunning and supernatural phenomenon where living saints bleed and suffer pain regularly through the same wounds as Christ. Padre Pio is not the only stigmatist. Theresa Neumann and Padre Pio are two modern stigmatists whose wounds were verified by photographs and medical examinations. Before 1900, as many as 320 stigmatists (besides Francis of Assisi) were documented by a French doctor. It is not a fluke or rare phenomenon, more have occurred since then. The difference of Catholic vs. Protestant can be vastly significant here. Some believe the bleeding and suffering is "not of God" in spite of evidence from photographs and medical examinations. They contend it is not God's will that we have to suffer because Christ did it all for us...there is no redemption in our suffering. The difference of Catholic and Protestant boils down to authority...the Bible or the Church. How we got the Bible was from the Church, not vice versa. Belief, by Catholics in the real presence of God in Holy Eucharist is also a major difference. The vast majority of Protestants believe Christianity is based upon the Bible and everything we need to know is there. Holy Eucharist seems skipped over in Scripture or discarded by Protestants. Fortunately the view of the Catholic on abortion is frequently agreed upon by Protestants. Authority: Protestants believe the Bible is the only authority for Christians. Historical evidenced and the Bible itself contradict this. What is the Word of God (Bible) and where and how we got it needs explanation regarding "authority". Other issues covered are: spirit soul & body...the essence & dynamics of man, how to be filled with the Holy Spirit, how Christians can also have demons. Catholic symbols (statues), the uncorrupted body of saints, guidance from God, spiritual tools of God, fear vs. faith, devotion to Virgin Mary and eleven dimensions of God vs. our four. To summarize: differences between catholic vs. protestant, what is the stigmata, what is the Word of God, how we got the Bible, fear and faith contrasted, hearing God for guidance, how to be filled with the Spirit, spirit, soul & body interaction, the Catholic on abortion, and Holy Eucharist. There are many differences between Catholic and Protestant even though both are Christian and believe there is no salvation except through Christ. The book is a potpourri...a collection of different subjects. Links to other sources are throughout the book.

Ferruccio Busoni, a Biography by Edward J. Dent - Edward J. Dent 1933

Melancholy and Society - Wolf Lepenies 1992

Rare is the person who has never known the feelings of apathy, sorrow, and uselessness that characterize the affliction known as melancholy. In this book, one of Europe's leading intellectuals shows that melancholy is not only a psychological condition that affects individuals but also a social and cultural phenomenon that can be of considerable help in understanding the modern middle class. His larger topic is, in fact, modernity in general. Lepenies focuses not on what melancholy is but on what it means when people claim to be melancholy. His aim is to examine the origin and spread of the phenomenon with relation to particular social milieux, and thus he looks at a variety of historical manifestations: the fictional utopian societies of the Renaissance, the ennui of the French aristocracy in the seventeenth century, the cult of inwardness and escapism among the middle class in eighteenth-century Germany. In each case he shows that the human condition is shaped by historical and societal forces--that apathy, boredom, utopian idealism, melancholy, inaction, and excessive reflection are the correlates of class-wide powerlessness and the failure of purposeful efforts. Lepenies makes inventive use of an extraordinary range of sociological, philosophical, and literary sources, from Robert Burton's *Anatomy of Melancholy* to the ideas of contemporary theorists such as Robert K. Merton and Arnold Gehlen. His study gains added richness from its examination of writers whose works express the melancholy of entire social classes--writers such as La Rochefoucauld, Goethe, and Proust. In his masterly analysis of these diverse ideas and texts, he illuminates the plight of people who have been cast aside by historical change and shows us the ways in which they have coped with their distress. Historians, sociologists, psychologists, students of modern literature, indeed anyone interested in the problems of modernity will want to read this daring and original book.

Harp Practice Sheet - Harp Lovers Publisher 2019-12-24

. This journal is created for all those instrument lovers out there especially euphonium player . There is no other passion sweeter than playing your own music to the beat of your feelings.. 120 Lined harp music sheet- Duo sided college ruled sheets- 6 x 9 Ideal for work, desk or school

My Ten Years' Imprisonment - Silvio Pellico 1886

Internet Research Ethics for the Social Age: New Challenges, Cases, and Contexts directly engages with the discussions and debates surrounding the Internet, and stimulates new ways to think about - and work towards resolving - the novel ethical dilemmas we face as internet and social media-based research continues to evolve.

Epic Continent - Nicholas Jubber 2019-08-27

Selected as one of NPR's Best Books of 2019 Selected by National Geographic as one of 12 "great books for travelers" "The prose is colourful and vigorous ... Jubber's journeying has indeed been epic, in scale and in ambition. In this thoughtful travelogue he has woven together colourful ancient and modern threads into a European tapestry that combines the sombre and the sparkling' Spectator 'A genuine epic' Wanderlust Award-winning travel writer Nicholas Jubber journeys across Europe exploring Europe's epic poems, from the Odyssey to Beowulf, the Song of Roland to the Nibelungenlied, and their impact on European identity in these turbulent times. These are the stories that made Europe. Journeying from Turkey to Iceland, award-winning travel writer Nicholas Jubber takes us on a fascinating adventure through our continent's most enduring epic poems to learn how they were shaped by their times, and how they have since shaped us. The great European epics were all inspired by moments of seismic change: The Odyssey tells of the aftermath of the Trojan War, the primal conflict from which much of European civilisation was spawned. The Song of the Nibelungen tracks the collapse of a Germanic kingdom on the edge of the Roman Empire. Both the French Song of Roland and the Serbian Kosovo Cycle emerged from devastating conflicts between Christian and Muslim powers. Beowulf, the only surviving Old English epic, and the great Icelandic Saga of Burnt Njal, respond to times of great religious struggle - the shift from paganism to Christianity. These stories have stirred passions ever since they were composed, motivating armies and revolutionaries, and they continue to do so today. Reaching back into the ancient and medieval eras in which these defining works were produced, and investigating their continuing influence today, Epic Continent explores how matters of honour, fundamentalism, fate, nationhood, sex, class and politics have preoccupied the people of Europe across the millennia. In these tales soaked in blood and fire, Nicholas Jubber discovers how the world of gods and emperors, dragons and water-maidens, knights and princesses made our own: their deep impact on European identity, and their resonance in our turbulent times.

The Running Revolution - Nicholas Romanov 2014-09-30

From a two-time Olympic coach and creator of the Pose Method who has trained the running elite, an essential guide for all runners seeking to go faster and farther without injury Christopher McDougall's *Born to Run*—and the wildly popular natural running trend it sparked—changed the way we think about running, but it has also prompted many questions: Have we been running the wrong way? And, have we been running in the wrong kind of shoe? What is the safest type of foot strike? How many types are there? And what is a foot strike anyway? No existing guide has clearly addressed these concerns—until now. The Running Revolution provides both beginning and experienced runners with everything they need to know in order to safely and efficiently transition to and master a safer and more biomechanically efficient way of running that is guaranteed to improve performance and minimize wear and tear on the body. More than a one-size-fits-all guide, The Running Revolution provides readers with clear instructions, complete with helpful illustrations, that they can easily integrate into their unique running histories in order to run safely, intelligently, and efficiently for many years to come.

Our Little Harry, and Other Poems and Stories. With Illus. From Original Designs by Croome. - Timothy Shay Arthur 1853

The Bedroom - Attilio Bertolucci 2012

Poetry. Bilingual Editon. Translated from the Italian by Luigi Bonaffini. THE BEDROOM [La camera da

letto] is Bertolucci's best-known work, so popular that the poet once read it to television viewers on a seven-hour program. It is a narrative poem that traces the history of the poet's family across seven generations with directness, precision and attention to everyday details, major events and fantastic surprises. Paolo Lagazzi writes in his introduction: "THE BEDROOM is a sort of a multi-novel, or a distillation of very diverse narrative forms and intuitions: a Bildungsroman and fairytale, an epoch novel, a

novel-chronicle, a dramatic novel and a picaresque novel. An experimental work in the most authentic sense of the word..." "Nothing of time's essence escapes or is neglected by the author's ravenous sensibility, no less active in recording the multiple places in which existence rests (the city and the countryside, the sea and the plane, the Po river and the Maremma) in an exuberant display of forms, lights, perspectives, tonalities."—Luigi Ferrara
