Why Waco? - James D. Tabor 1995-07-10

The 1993 government assault on the Branch Davidian compound near Waco, Texas, resulted in the deaths of four federal agents and eighty Branch Davidians, including seventeen children. Whether these tragic deaths could have been avoided is still debatable, but what seems clear is that the events in Texas have broad implications for religious freedom in America. James Tabor and Eugene Gallagher's bold examination of the Waco story offers the first balanced account of the siege. They try to understand what really happened in Waco: What brought the Branch Davidians to Mount Carmel? Why did the government attack? How did the media affect events? The authors address the accusations of illegal weapons possession, strange sexual practices, and child abuse that were made against David Koresh and his followers. Without attempting to excuse such actions, they point out that the public has not heard the complete story and that many media reports were distorted. The authors have carefully studied the Davidian movement, analyzing the theology and biblical interpretation that were so central to the group's functioning. They also consider how two decades of intense activity against so-called cults have influenced public perceptions of unorthodox religions. In exploring our fear of unconventional religious groups and how such fear curtails our ability to tolerate religious differences, *Why Waco?* is an unsettling wake-up call. Using the events at Mount Carmel as a cautionary tale, the authors challenge all Americans, including government officials and media representatives, to closely examine our national commitment to religious freedom.

Translation in Global News - Esperanca Bielsa 2008-09-29

The mass media are of paramount importance in the formulation and transmission of messages about key developments of global significance, such as terrorism and the war in Iraq, yet the key mediating role of translation in the reception of speeches and addresses of figures like Osama Bin Laden and Saddam Hussein has remained largely invisible. Incorporating the results of extensive fieldwork in key global news organizations such as Reuters, Agence France Press and Inter Press Service, this book addresses central issues relating to the new pressures on translation arising from globalization, analyzing new texts from major news agencies as well as alternative media organizations. Co-written by Susan Bassnett, a leading figure in the field of translation studies, this book presents close readings of different English versions of key Arabic texts circulated in Western media to demonstrate the ways in which a cultural and religious 'Other' is framed in different media.

Angels of the Lord - Dr. Gunter Rappl 2018-11-21

Are Angels real, do they exist today? In this book you find answers you never dared to ask other believers. In his first book, *Angels of the Lord*, Apostle Dr. Gunter Rappl takes his readers on a fascinating journey into the understanding of the realm of the angels of YHWH Echad. Apostle Dr. Gunter Rappl covers fascinating topics detailing the origin, existence, and abode of angels, their names, ministry functions, duties, and the classification of angels, to name a few. As revealed by the Ruach HaKodesh, Apostle Dr. Gunter Rappl describes in this book for the first time four different groups of worship angels creating so called fire tunnels for ministering deliverance and healing to the saints. Also described in depth for the first time in a book is when and how angels of YHWH Echad bless saints and ordinary people (Gen. 48:16). The revelations described in the book are backed up by real life angelic

encounters and diverse angelic visitations alone or together as ministry team in his Ekklesia Consuming Fire & GFC in Cologne, Germany. Bible-based prayers at different parts of the book invite the reader to actively engage with these heavenly messengers of YHWH Echad to release protection, healings or blessings from the trading floors of heaven unto the heirs of Elohim according to the promise.

An Aramaic Approach to the Gospels and Acts, 3rd Edition - Matthew Black 2020-07-28

Since the second edition of this book appeared in 1954, two major discoveries in the field of Aramaic studies—the Qumran texts and the Neofiti Targum—have been made available to scholars. These, along with some important publications on the subject, have made this third edition necessary. The book has been completely revised and reset and the supplementary notes of the second edition incorporated in the text; a new chapter has been added to take account of the implications of the new discoveries for previous views about the language of Jesus. Those parts of the book dealing with Acts have been revised and supplemented in the light of Dr. Max Wilcox's important book on the Semitisms of Acts; and an Appendix by Dr. Geza Vermes, Reader in Jewish Studies in Oxford, has been added containing fresh evidence for the use of the expression "son of man" in Palestinian Aramaic.

Biblical Studies on the Internet - Roland H. Worth, Jr. 2008-09-18

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

Hebrew Gospel of Matthew - George Howard 2005-07

"The present book is a revised edition of The Hebrew Gospel of Matthew according to a Primitive Hebrew Text (1995) in which the Hebrew text of the Gospel of Matthew as it appeared in Even Bohan is printed, accompanied by an English translation and an expanded and thorough revision of Howard's critical analysis. An important thrust of this new

edition is to establish that the Hebrew Matthew of the Even Bohan predates the fourteenth century. It shares many readings with ancient Christian writings, some of which were lost in antiquity only to reappear in modern times. These included Codex Sinaiticus, the Old Syriac version, the Coptic Gospel of Thomas, and a host of others. Howard also analyzes the language, artistic touches, and theology of the Hebrew Gospel. Perhaps most significant are the portraits of Jesus Christ and John the Baptist depicted in the document. Both portraits belong to an early form of Jewish Christianity -- lost in antiquity -- in which the Baptist plays a salvific role in the redemption of humanity and Jesus operates as a divine solicitor and judge."--Back cover.

O Nome Do Senhor - Mauricio G. Machado 2022-03-17

Antes de embarcar nessa sensacional polêmica, acredito que eu deva falar sobre o nome em si, assim como o meu. Meu é Mauricio, mas durante minha infância, eu tive vários apelidos como nego e bebê, e sempre que me chamavam desse jeito, eu sabia que eu era. Mas por exemplo, até meus amigos mais íntimos não me chamam pelo nome. Me chamam de amigo mesmo, as vezes de irmão, e outras vezes até com expressões regionais de onde nasci, como "mano" etc. Se eu tivesse filhos, evidente que eles não me chamariam pelo meu nome, seria até falta de respeito e de consideração, mas sim de pai. Se eu tivesse esposa, ela me chamaria de marido, homem ou até amor. Então, as pessoas íntimas não usam o nome. Quem usa o nome são as pessoas distantes, de ambiente profissional, ou de filas em médico, do banco etc., aí então chamarão pelo meu nome, talvez até meu nome completo. E as pessoas mais próximas não utilizam o verdadeiro nome. E aí eu te pergunto, para que você quer saber o nome de Deus? Uma vez chegaram para Jesus e perguntaram: Jesus, como eu devo rezar a Deus? E Jesus nos ensinou a rezarmos desta forma: "Pai-Nosso que está nos Céu, santificado seja o Vosso nome" (Mt 6,9). Jesus não ignorou que Deus Pai tinha um nome, mas Ele nos ensinou a chama-lo de Pai. Quando Moisés perguntou para Deus: Deus, como que vou falar para o povo de Israel qual é o Teu nome? E disse Deus a Moisés: "Eu Sou o que Sou (Ex 3,14s). É isto que dirás aos israelitas: O Eu Sou enviou-me a vós". Não importa então qual o nome ou a pronúncia do nome de Deus, e sim Quem Deus É. E o mais importante: Quem Deus é para você? Qual a intimidade que você tem com Deus? Isso sim é importante e algo com que você tem que se preocupar com a sua intimidade com Deus. Quem Ele é para você?

The Aramaic-English Interlinear New Testament - David Bauscher 2008-08-19

This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text. 625 pages. B&W Hardback 6x9". Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. His web site is aramaicnt.com

A Place of Wonder - Chase Adonai Trudeau (CAT) 2022-06-24

Many people I have loved and who are no longer on this earth, and many people I still love, believe that a scientific way of thinking has removed the mysteries that led less educated people to believe in a god. They think the scientific advances demonstrate superior scientific thinking that has led to the erosion of the foundations of faith, an erosion that no longer supports rational faith. If someone you love thinks along these lines, this book may be for them.

The Battle of The Sexes: It's Been Downhill Since The Garden - H.R. Boaz 2021-05-08

"The Battle of the Sexes" explores how the Word of God (YHWH), both the Old Testament and the New Testament, has been twisted to support a narrative that is not in the Scriptures. Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women. But nowhere in the Bible is this statement made, not even in Genesis (Bereishis) 3:16, "And your husband will rule over you," which is not spoken as an imperative but rather as a prophecy. The original Hebrew language of the first five books of Moses, also known as the Torah (Old Testament), tells a very different story of the primal couple. A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation - namely, Judaism, Christianity and Islam. With an abbreviated overview of human history as told from YHWH's point of view, we discover a connection of how all cultures have come to share similar myths, legends and stories with the Torah. And how these ancient archetypes of good and evil have been misused to support a psychological and socio-political advantage of men over women. Likewise, a brief foray into the unique Hebrew language, the ancient language in which YHWH created our world, and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension. Like a massive encrypted message, the Torah includes multiple levels of God-given "fences" that protect the Word of God from man's distorted perspective. The Hebrew language itself provides the most significant "fence." Like no other language each Hebrew word defines itself by the letters that make up the word. This is only one feature of the holy text that assures that the instructions of YHWH remain intact, regardless of man's interpretations. "The Battle of the Sexes" is an examination, from a fresh viewpoint, into the issues that arise between the genders, which stem from the original disobedience of God's one instruction by the primal couple in the Garden of Eden (Gan Eden). We see a more complete perspective of who did what in the initial defiance, and how we continue to struggle in the female/male relationship with those very same issues first raised in Gan Eden. Moreover, with clarity, the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion. Exposed in her Hebrew name (which is not usually translated properly) is her irrefutable role in God's plan of salvation for the human race. God did not make women subservient to men, and YHWH did not give men or women dominion over anything but the animals, and the earth to utilize as God intends. Humanity is to work together, not to manipulate or fight to assume power over one another. Nowhere is this idea more consequential than in the marriage relationship. Being the preeminent human relationship, YHWH presents marriage as the foundation for all other human relationships, from Bereishis, the beginning creation of our

world, and the human creature. Undergirding the arrogant, impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine. The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah, the book of Genesis, we begin to understand how, as the Jewish Sages say, with the change of one letter the world is destroyed. With the misinterpretation and misunderstanding of one Hebrew word, "adam," our modern grasp of the essence of YHWH and the female/male relationship, as described in Torah, has been distorted, and all but destroyed. The Battle of the Sexes is sure to, not only answer, but raise many questions regarding the female/male relationship as well as humanities' relationship with God. *Bíblia seus Erros E Adultrações* - Rosh Ericson Soares Da Silva 2019-02-16

The James Club and the Original A. A. Programs Absolute Essentials - Dick B 2011-07-26

Early Akron AAs wanted "The James Club" to be the name of their fellowship. The Bible's Book of James was their favorite; they also studied it, Jesus' Sermon on the Mount, and 1 Corinthians 13. These three Bible segments were considered "absolutely essential" to their program. This book takes each verse in James, the Sermon, and 1 Cor 13, and shows the influence of such verses on A.A. language.
