Jennifer receives a surprising Facebook message one summer afternoon with an invitation for a coffee date from the star quarterback of the University of Alabama's football team. Stephen is a senior Heisman trophy candidate with a dark secret. Everyone is mystified by Stephen and his actions. He is a very confident person on the football field as a star player so you would expect him to be very outgoing and confident when interacting with other people. But it's quite the opposite. Stephen is very shy and timid around other people in real life. Stephen is more timid with girls than any guy Jennifer has ever met. He is one of the hottest guys on campus but no girl on campus has been able to figure him out. Over the summer Stephen and his girlfriend had a break up so now Stephen is interested in trying to move on and meet other girls. He sends Jennifer a Facebook message with an invitation for coffee where Stephen and Jennifer's exciting, entertaining, scary, and delightful adventure begins. Their first date ends with a first kiss and an invitation for a second date. At the end of the date Jennifer asks Stephen a deep question. "Why are you so mysterious and timid?" Stephen replies that he has a big secret that he cannot share just yet but tells her maybe one day she will find out. Stephen is more than just a star football player and a normal person. He has quite the surprise to share with Jennifer and her friends. Read along to find out just what that surprise is. Could it be possible that he is not a person? Could he be a vampire?

Crazy Tuesdays - Susan Stearns 2013-10

If you're looking for a laugh-out-loud, feel-good book that will engage you from start to end, look no further than here. Author Sue Stearns's debut work is a fast and funny read that is sure to put a cheek-to-cheek grin on your face and reawaken your inner child. Crazy Tuesdays is a highly entertaining collection of short stories, anecdotes, and insights plucked from Stearns's personal life experiences as a mother of two rebellious toddlers, Minka and Cooper. The stories focus on her kids and explain what a typical Tuesday is like in their home, although what's typical for them is not typical for most. Tuesday is the day of the week when the entire Stearns family gets together, lets loose, and does the messiest, wildest activity or craft they

can think of. From taking mud baths outside to flailing paint on household walls covered with sheet metal, the Stearns family has had some pretty wild and crazy Tuesdays. As mother Stearns shares how each new Tuesday brings a new adventure for her clan, she peppers her pieces with a lighthearted humor and spirited enthusiasm which, on its face, situates Crazy Tuesdays as a must-read for those seeking first and foremost to be amused. Also a college graduate and military wife, let's not forget that Stearns is a mom-and as a general rule, moms have a funny way of being able to sneak a lesson or two into even the most obvious forms of fun. What Stearns accomplishes in Crazy Tuesdays is no exception to this rule. As she delivers spleen-splitting stories, she also imparts a meaningful message: Parenting can be exhausting, but even in the midst of all the chaos and confusion, there is always something to laugh about. You just have to find it. And if Stearns was able to find it, there's hope for you, too.

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
