Be ARCH - Vaibhavi Bhandary, Rahul Rao, Shravan Shetty 2020-07-19

In a world of rat race, amidst an ocean of career options and opportunities, students often face a dilemma in making the right choice for their careers. While some of them find themselves at a juncture of social pressure, a few others become a victim of lack of knowledge regarding various courses and often end up pursuing a course that may not be what they are really looking for. Hence it is vital for students to know the details of a course with clarity before finalizing on their options. This book is curated by three young Architects from U-WE-DESIGN, an architectural design firm with an intention to present clarity in the minds of students about the Bachelor of Architecture course and varied doors of opportunities that it can lead to, with a hope that their simplified expressions about the course will breakdown the uncertainties that are often faced by every young mind who is out in search of information related to the course. The book is not only for students but anybody, including guardians/parents who would like to ensure the details of the course and the architectural arena. If you are somebody looking forward to knowing about studying architecture or currently pursuing BArch, this book is an all-in-one package for your queries. Through the

narrative pages of the book, team U-WE-DESIGN asserts to build confidence in you in making your choice with clarity and certainty. To every aspiring mind with big dreams, happy reading and all the best!

**Steps to Architecture** - Nimish Madan 2020-10

As prospective Architecture students concerned with professional advancement, you are aware of the importance of good tools and backing of solid research. In this book, we offer you both. The book titled "Steps To Architecture" has been compiled to meet the requirements of students who wish to seek admission through NATA (National Aptitude Test in Architecture) conducted by COA (Council of Architecture) in India. It conforms to the latest test patterns and comprehensively covers each and every type of question which is encountered in the exams. The book covered both Drawing & Aptitude Test content as per New Pen and Paper Style. The drawings/sketches have been incorporated in this book so that the students may follow sketches perfectly coordinating the subject matter. In this book, numerous informative notes with sketches have been arranged to make students understand the subject. This is the only book presently in the market, which deals with each aspect of Architecture Entrance Exams and contains all relevant questions, making it exhaustive and complete in all respects.
