Proud of Their Heritage and Sustained by Their Faith, They Came to Tame a New Land She had promised herself that once they left the fjords of Norway, she would not look back. After three long years of scrimping

and saving to buy tickets for their passage to America, Roald and Ingeborg Bjorklund, along with their son, Thorliff, finally arrive at the docks of New York City. It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880. Together with Roald's brother Carl and his family, they will build a good life in a new land that promises untold wealth and vast farmsteads for their children. As they join the throngs of countless immigrants passing through Castle Garden, they soon discover that nothing is as they had envisioned it. Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions, the Bjorklunds continue their long journey by train as far as Grand Forks. From there a covered wagon takes them into Dakota Territory, where they settle on the banks of the Red River. But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land. The virgin prairie refuses to yield its treasure without a struggle. Will they be strong enough to overcome the hardships of that first winter?

Evening's Light - Joe Walko 2014-07-18

The helplessness of seeing a loved one in pain, of watching a loved one suffer. The sucker punch and shock of a sudden and unexpected death. The loneliness and tears shed when realizing that your loved one will not be at the next birthday party or Christmas celebration. The unity, realness, the genuineness with which we hold on to each other, heart to heart, soul to soul, in these times of loss. The painful process of dealing with conflicting, confusing, emotions, and the sudden, dramatic changes to everyday life...these are the journeys with grief. My wife's passing has left two children without a mom, a husband without a partner and best friend, a household with befuddled boys at the helm, and a huge void filled with sorrow and emptiness. It is time to start working through and recognizing these issues and feelings and emotions, both as a salve for my spirit, and as an example to my children. But I don't know how... I want to believe a quote that brings me comfort: "Grief shared is grief diminished" - Rabbi Grollman So I reach out to others. I attend bereavement support groups, and start a blog, sharing the searing feelings and raw emotions of grief, and it helps. The stories and real time emotions from that blog form the basis of this book. I share these stories with you now. Stories of confusion and fear, stories of sorrow and triumph, of losses and healing, and ultimately, stories of growth and rebirth, and of new direction that all losses present. My intent is to recognize the heartbreak and despair, offer companionship, and ultimately, hope, on one of life's most complex journey's.

Odes - Sharon Olds 2016-09-20

Following the Pulitzer prize-winning collection *Stag's Leap*, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each

episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Ode to My Sister," "Ode of Broken Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
