Sport Law - Anita M. Moorman
2020-12-29

Now in its fourth edition, this text is still the only sport law textbook to introduce sport legal studies from a management perspective and integrate legal strategies to gain a competitive advantage in business. Acknowledging that students understand legal concepts better when they are tied to real sport management

practice, the book is organized around the core management functions. It provides concise explanations of key concepts, as well as current industry examples and legal cases, and gives the student all the legal knowledge they need to become confident and effective professionals in sport management, recreation, or sport education. This new edition includes additional

contributions from leading sport law educators and practitioners, and has expanded coverage of important contemporary issues including: · Sports injury and concussion litigation · Impact of Covid-19 on events and leagues · Gender discrimination, disability discrimination, sexual harassment, #metoo, and USWNT pay equity · Intellectual property, licensing agreements, publicity rights, social media influencers, and digital privacy · Student-athletes and marketing rights · Sport gambling and state regulation · Athlete activism, employee free speech, and collective bargaining · Olympic and Paralympic restructuring · NCAA Division 1 Coaches Contracts The book contains useful features and ancillaries to help with teaching and learning, including managerial context tables, case opinions, focus cases, strategies for competitive advantage, discussion questions, and learning activities. It is an essential text for any course on

sport law or recreation law, an invaluable supplement to any course on sport business and management, and an important reference for all sport management practitioners. Online resources include a variety of exam questions for each chapter, featuring multiple choice, true or false, short answer exam questions and short essay questions, and a sample syllabus.

Land Use Law 6th Edition - Daniel R. Mandelker
2022-10-21

Environmental pressures, fierce debates about growth, and civil rights issues continue to redraw the boundaries defining land use law. Land Use Law, Sixth Edition reviews local planning and land use regulation programs, and is the only treatise with comprehensive citations to federal and state court decisions, as well as state statutes. Both land use practitioners and general practitioners whose clients have land use regulation problems will find this book a valuable addition to their library. Look to Land Use Law for both federal and state case law. In addition to federal takings law, it has sections on federal remedies under Section 1983 of the Federal Civil
