My Chess - Hans Ree  
2013-10-07

The Ideal Chess Journalist  
During his active chess career, Hans Ree battled with almost all the great chessplayers, including eight world champions, from Max Euwe to Anatoly Karpov. My Chess is not only about them, but also about other players and writers from the past who are admired by Ree. This book gives a personal view of Ree's own

world of chess, and therefore less prominent players also appear, such as a schoolmate with whom he played an endless series of matches, or the anonymous "A6648," who played more than a half-million games on the Internet Chess Club. In addition, the question is finally answered why the great Dutch author W.F. Hermans designed a chess set made of cigarette lighters, but did not want to play chess.

Though the game of chess and its practitioners are certainly not idealized, this book is in the first place, a loving description of a world brimming with striking personalities, and an inexhaustible source of stories. About the Author Grandmaster Hans Ree (1944) is a four-time Dutch champion, and represented his country from 1966 through 1994 in every chess Olympiad. From 2001-2007, he was the wearer of the "Euwe Ring," an award for outstanding service to Dutch chess. He writes about chess in NRC Handelsblad, New in Chess magazine, and on the American website Russell-Enterprises.com. Internationally he is considered to be one of the best chess writers of his era. "A grandmaster, excellent writer and careful researcher who doesn't seek out controversy, but is equally unafraid to plumb the sometimes murky depths of chess politics, Ree is an ideal chess journalist." - Jon Speelman, *The Observer*

## **Church of the Small Things** -

Melanie Shankle 2017-10-03

Is my ordinary, everyday life actually significant? Is it okay to be fulfilled by the simple acts of raising kids, working in an office, and cooking chicken for dinner? It's been said, "Life is not measured by the number of breaths we take, but by the number of moments that take our breath away." The pressure of that can be staggering as we spend our days looking for that big thing that promises to take our breath away. Meanwhile, we lose sight of the small significance of fully living with every breath we take. Melanie Shankle, New York Times bestselling author and writer at The Big Mama Blog tackles these questions head on in her fourth book, Church of the Small Things. Easygoing and

relatable, she speaks directly to the heart of women of all ages who are longing to find significance and meaning in the normal, sometimes mundane world of driving carpool to soccer practice, attending class on their college campus, cooking meals for their family, or taking care of a sick loved one. The million little pieces that make a life aren't necessarily glamorous or far-reaching. But God uses some of the smallest, most ordinary acts of faithfulness—and sometimes they look a whole lot like packing lunch. Through humorous stories told in her signature style, full of Frito pie, best friends, the love of her Me-Ma and Pa-Pa, the unexpected grace that comes when we quit trying to measure up, and a little of the best TV has to offer, Melanie helps women embrace what it means to live a simple, yet incredibly meaningful life and how to find all the beauty and laughter that lies right beneath the surface of every moment.

**Frontier Follies** - Ree Drummond 2020-11-17  
New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show *The Pioneer Woman*, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the "idyllic" countryside has not been without a few bumps in

the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh\*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the

bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

**The Giving Tree** - Shel Silverstein 2014-02-18

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want

more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

own words: "I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!" Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place? Luckily, the end of the

day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!

**We Had a Little Real Estate Problem** - Kliph Nesteroff 2021-02-16

Downloaded from

A Best Book of 2021 by NPR and Esquire From Kliph Nesteroff, “the human encyclopedia of comedy” (VICE), comes the important and underappreciated story of Native Americans and comedy. It was one of the most reliable jokes in Charlie Hill’s stand-up routine: “My people are from Wisconsin. We used to be from New York. We had a little real estate problem.” In *We Had a Little Real Estate Problem*, acclaimed comedy historian Kliph Nesteroff focuses on one of comedy’s most significant and little-known stories: how, despite having been denied representation in the entertainment industry, Native Americans have influenced and advanced the art form. The account begins in the late 1880s, when Native Americans were forced to tour in wild west shows as an alternative to prison. (One modern comedian said it was as “if a Guantanamo detainee suddenly had to appear on X-Factor.”) This is followed by a detailed look at the life and work of seminal figures such as Cherokee

humorist Will Rogers and Hill, who in the 1970s was the first Native American comedian to appear *The Tonight Show*. Also profiled are several contemporary comedians, including Jonny Roberts, a social worker from the Red Lake Nation who drives five hours to the closest comedy club to pursue his stand-up dreams; Kiowa-Apache comic Adrienne Chalepah, who formed the touring group the Native Ladies of Comedy; and the 1491s, a sketch troupe whose satire is smashing stereotypes to critical acclaim. As Ryan Red Corn, the Osage member of the 1491s, says: “The American narrative dictates that Indians are supposed to be sad. It’s not really true and it’s not indicative of the community experience itself...Laughter and joy is very much a part of Native culture.” Featuring dozens of original interviews and the exhaustive research that is Nesteroff’s trademark, *We Had a Little Real Estate Problem* is a powerful tribute to a neglected legacy.
