Peterson Field Guide to Birds of North America - Roger Tory Peterson 2020-04-07

A new edition of the best-selling field guide with 25 all-new plates covering the birds of Hawaii. For decades, the Peterson Field Guide to Birds has been a popular and trusted guide for birders of all levels, thanks to its famous system of identification and unparalleled illustrations. Now that the American Birding Association has expanded its species Checklist to include Hawaii, the Peterson Guide is the first edition to include the wonderful and exotic species of our fiftieth state. In addition, the text and range maps have been updated, and much of the art has been touched up to reflect current knowledge.

Peterson Field Guide to Birds of Eastern and Central North America, Seventh Edition - Roger Tory Peterson 2020

A new edition of the classic, best-selling field guide from Peterson Field Guides For decades, the Peterson Field Guide to Birds of Eastern and Central North America has been a popular and trusted guide for birders of all levels, thanks to its famous system of identification and unparalleled illustrations. Following the Spring 2020 update to Peterson Field Guide to Birds of North America, this guide will feature updated text and range maps, and art updated to reflect current knowledge in ornithology.
