The ASQ Certified Quality Auditor Handbook - Lance B. Coleman (Sr.) 2020

"This handbook supports the quality auditor Body of Knowledge (BoK), developed for the ASQ Certified Quality Auditor (CQA) program. This edition addresses new and expanded BoK topics, common auditing (quality, environmental, safety, and so on) methods, and process auditing. It is designed to provide practical guidance for system and process auditors. Practitioners in the field provided content, example audit situations, stories, and review comments as the handbook evolved. New to the edition are the topics of common and special causes, outliers, and risk management tools. Besides the new topics, many current topics have been expanded to reflect changes in auditing practices since 2004 and ISO 19011 guidance, and they have been rewritten to promote the common elements of all types of system and process audits. The handbook can be used by new auditors to gain an understanding of auditing. Experienced auditors will find it to be a useful reference. Audit managers and quality managers can use the handbook as a guide for

leading their auditing programs. The handbook may also be used by trainers and educators as source material for teaching the fundamentals of auditing"--

Petroleum Refining and Petrochemical Based Industries in Eastern India. - 2000

Water and the Laws in India - Ramaswamy R Iyer 2009-09-10

Laws relating to water in India have diverse origins, including ancient local customs and the British Common Law. The in-depth chapters in this compendium, written by luminaries from various fields, pertain to issues on water and proceed to a discussion of the legal questions that arise. This volume thus straddles two domains, viz., (i) water-resource policy, management, conservation, conflict-resolution, etc., and (ii) water law. The book also briefly raises and explores the case for a constitutional declaration on water and an overarching national water law. The book is an invaluable resource for policy-makers, planners and administrators concerned with water at the Central, State and local levels; students, academics and practitioners in the domains of water as well as law; and social scientists, NGOs and activists concerned with the various issues discussed in the book. It should be useful as a main or supplementary textbook in universities and research or management institutions where any aspect of water (engineering, ecological, legal, social, economic, management or other) is a subject of study.

Modernization and Accountability in the Social Economy Sector - Ferreira, Augusta 2019-05-31

The social economy sector (SES) faces pressures for greater accountability to their funders, users, and citizens, and a growing need to report good practices in the social, economic, and financial impact that they have on the community. However, these entities often face difficulties related to the lack of an accounting framework that allows them to properly disseminate the results of their activities. Thus, practices that involve financial reporting and an assessment of their social, economic, and financial impact are needed to improve their accountability, sustainability, and operational performance. Modernization and Accountability in the Social Economy Sector is an essential reference source that discusses future avenues of development for the management of SES entities, accounting, control in SES management, and measures of performance in the SES. Featuring research on topics such as online communication, social accounting, and value reporting, this book is ideal for managers, financial consultants, academicians, researchers, and students interested in accounting, management, internal control, auditing, and technology use in the SES.

Optimal Inventory Control and Management Techniques - Mittal, Mandeep 2016-03-29

Stock management and control is a critical element to the success and overall financial well-being of an organization. Through the application of innovative practices and technology, businesses are now able to effectively monitor their operations and manage their inventory by evaluating sales patterns and customer preferences. Optimal Inventory Control and Management Techniques explores emergent research in stock management and product control within organizations. Featuring diverse perspectives on the implementation of various optimization techniques, genetic algorithms, and data mining concepts, as well as research on big data applications for inventory management, this publication is a comprehensive reference source for practitioners, educators, and researchers in the fields of logistics, operations management, and retail management.

CORPORATE GOVERNANCE IN INDIA, FIFTH EDITION - DAS, SUBHASH CHANDRA 2021-10-26

This comprehensive and thoroughly revised text, now in its fifth edition, continues to give a clear analysis of

the principles and practices of corporate governance prevalent in India as well as in other industrialized countries of the world. The book has been revised as per the amendments in the Companies Act and Rules between 2015 and 2019, and also, includes SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2019. The book begins with an introduction to corporate governance, and then moves onto the evaluation of corporate governance system. It provides a detailed description of the principles, philosophy, structure and the process of corporate governance. The text also contains a case study of selected listed large-cap companies under BSE Sensex and NSE Nifty on their corporate governance practices in India for the financial year 2015-2016. Besides, it also provides recommendations of various national and international committees on corporate governance reforms. Primarily intended for the students of management, law and commerce, the book can also be used by professionals, regulatory authorities and policy-makers. NEW TO THE FIFTH EDITION

- Includes several revisions and updates on corporate governance system and legal requirements enforced by the new Company Laws and SEBI Listing guidelines.
- Live case studies in various chapters.
- Chapter-end review questions to 'Test Your Knowledge'.
- Accompanying website containing well-designed objective type questions for practice—MCQs, T/F and Fill in the Blanks. Visit our Learning Centre. Click

https://www.phindia.com/corporate_governance_india_by_das.

- Glossary appended at the end of the book.

KEY FEATURES

- Provides an explorative and evaluative study on the standards and practices of corporate governance in India.
- Outlines a road map for companies operating in India to achieve international standards of corporate governance.
- Includes figures and tables for clear understanding of the concepts.
