Chaos Rains at Forty-Four - A.J. Young 2020-08-12

Emma's life is about to spiral - downwards. Just turned 44, facing unexpected redundancy from a comfortable 'make-do' job, intrusive thoughts and deep-buried depression bubble to the surface. She wants to hide from friends and family, but it's easier to cling to nostalgia and keep up appearances than open up to the truth - especially to her family. Emma falls back on the recollection of an

uncomplicated childhood, but has choppy waters to navigate. It starts to feel like every ship is sinking. And, of course, there is Aunt Mary's imminent 70th birthday.....

When Rains Became Floods -
Lurgio Gavilán Sánchez
2017-07-24

When Rains Became Floods is the gripping autobiography of Lurgio Gavilán Sánchez, who as a child soldier fought for both the Peruvian guerrilla insurgency Shining Path and the Peruvian military. After escaping the conflict, he became a Franciscan priest and is now an anthropologist. Gavilán Sánchez's words mark otherwise forgotten acts of brutality and kindness, moments of misery and despair

as well as solidarity and love.

Said Like Reeds Or Things -
Mark Truscott 2004

Warning: this book may encourage a series of ungrammatical thoughts!

Welcome to the poetic landscape of Mark Truscott, where less is more than you bargained for. Said Like Reeds or Things is a book of micropoetic and linguistic koans. With a quirky, off-centre sense of humour, these poems uncover a language that has malfunctioned only to find itself in the form of a gesture.

Minimalist in form, these small gatherings of words, a.k.a. 'poems', seek strangeness in familiar language; their effect is harmonic dissonance within the mind - like an overturned toy box in your path to the television set, these poems are a fresh and amusing diversion from the everyday from which they are derived. Mysteriously entertaining and precise, these succinct, visual lyrics say as much about the world as they do about their own status as objects for reading, and they persist in the hilarity and

contemplation of their own enigmatic possibilities. 'Mark Truscott's Said Like Reeds or Things is the work of a mischievous conservationist with a shadow of Basho in the mix. It's sometimes snappy, sometimes calm, and always an exhilarating tease. This is the place where little pieces of perfection ride along a sublime horizon line.' - Lisa Jarnot
David Lawyerman And The Last Supper - Israel Foguel
2019-11-14

David Lawyerman had returned from Italy where, together with Brazilian soldiers, he participated in World War II. Very fearing God, David participated in the war together with about 25,000 Brazilian soldiers, went through bad times but, always keeping in mind the words of his God: did not kill any enemy. He went, participated and returned from the war without even firing. He kept in his belongings a Holy Bible that he gained from his father when he boarded the Italian field. He married Adriana and returned to his hometown, attended his

church that operated in a small temple in a neighborhood known as Little Cross Saint . Every Wednesday and Sunday, along with his wife Adriana, he went to church, sang his hymns and gave his praise. Married in 1946, two years later the first heir arrived, a boy named Mark. Mark lived, like David, under the protection of God. Seeing him grow up alone, David and Adriana decided to get a little brother for him. In fact, exactly one year after the birth of Mark, the arrival came not from a brother, but from a princess named Rebecca. When returning from the war David got to study law, but after a few years in this position, he was not charmed by law and decided to return to his first profession: an English teacher. For being interested in the origin of the Bible, since little David had a certain domain of Aramaic. The war gave him more experience and he came to see life with more discernment. He always talked with his friends and discussed with them the passages he read in the Holy Bible. At night,

when they put their sons Mark and Rebecca to bed, they read a passage from the Bible and prayed together. On Wednesday, around 7 p.m., heavy rain falls on the city. Mark and Rebecca were not very well. They coughed a lot during the night before and Adriana, afraid, would rather stay at home with them. David picks up his books and goes to the worship service of his church. On Wednesday, the service always starts at 7:20 p.m. First a hymn is sung, the preacher reads a psalm from the Holy Bible and then immediately prays, thanking and asking for forgiveness and protection from God to all the people. Then he does his sermon. Around 8.30 p.m., after worship and after talking to the people who also attend church, David decides to return home. On the way the rain rises and lightning and thunder scratches the sky. At one point, the sky clears and David sees a figure that, like previous times, looks at him and smiles. This gentleman is dressed in white with long sleeves. - Sir, sir!

shouts David. The light is followed by a great thunderbolt and a crash causes David to fall to the ground. For a few seconds David feels his whole body paralyzed. Try to get up but everything turns. As he looks sideways, he sees again that gentleman in white with wide sleeves. At his side he sees a circumference with lights that rotate without stopping, as if forming a tunnel. David approaches, and when he gets very close, this man crosses that circumference. He stops and looks at David, invites him to do the same. What will David do! He will follow that lord! This you will find out by reading the whole story of this book.

investigation into the healing power of plants, by the author of *The Amazon: What Everyone Needs to Know* For thousands of years, healers have used plants to cure illness. Aspirin, the world's most widely used drug, is based on compounds originally extracted from the bark of a willow tree, and more than a quarter of medicines found on pharmacy shelves contain plant compounds. Now Western medicine, faced with health crises such as AIDS, Alzheimer's disease, and cancer, has begun to look to the healing plants used by indigenous peoples to develop powerful new medicines. Nowhere is the search more promising than in the Amazon, the world's largest tropical forest, home to a quarter of all botanical species on this planet—as well as hundreds of Indian tribes whose medicinal plants have never been studied by Western scientists. In *Tales of a Shaman's Apprentice*, ethnobotanist Mark J. Plotkin recounts his travels and studies with some of the most powerful Amazonian shamans, who

taught him the plant lore their tribes have spent thousands of years gleaning from the rain forest. For more than a decade, Dr. Plotkin raced against time to harvest and record new plants before the rain forests' fragile ecosystems succumb to overdevelopment—and before the Indians abandon their own culture and learning for the seductive appeal of Western material culture. *Tales of a Shaman's Apprentice* relates nine of the author's quests, taking the reader along on a wild odyssey as he participates in healing rituals; discovers the secret of curare, the lethal arrow poison that kills in minutes; tries the hallucinogenic snuff *epena* that enables the Indians to speak with their spirit world; and earns the respect and fellowship of the mysterious shamans as he proves that he shares both their endurance and their reverence for the rain forest.

America's defining moments—the Dust Bowl. It's 1935 in Oklahoma, and lives are determined by the dust. Fourteen-year-old Kathryn Baile, a spitfire born with a severe clubfoot, is coming of age in desperate times. Once her beloved older sister marries, Kathryn's only comfort comes in the well-worn pages of her favorite book, *The Wonderful Wizard of Oz*. Then Kathryn's father decides to relocate to Indianapolis, and only the promise of a surgery to finally make her "normal" convinces Kathryn to leave Oklahoma behind. But disaster strikes along the way, and Kathryn must rely on her grit and the ragged companions she meets on the road if she is to complete her journey. Back in Boise City, Melissa Baile Mayfield is the newest member of the wealthiest family in all of Cimarron County. In spite of her poor, rural upbringing, Melissa has just married the town's most eligible bachelor and is determined to be everything her husband—and her new social class—expects

her to be. But as the drought tightens its grip, Henry's true colors are revealed. Melissa covers her bruises with expensive new makeup and struggles to reconcile her affluent life with that of her starving neighbors. Haunted by the injustice and broken by Henry's refusal to help, Melissa secretly defies her husband, risking her life to follow God's leading. Two sisters, struggling against unspeakable hardship, discover that even in their darkest times, they are still united in spirit, and God is still with them, drawing them home.

The Rains - Gregg Hurwitz
2016-10-18

The first young adult page-turner from New York Times

bestselling author Gregg Hurwitz. In one terrifying night, the peaceful community of Creek's Cause turns into a war zone. No one under the age of eighteen is safe. Chance Rain and his older brother, Patrick, have already fended off multiple attacks from infected adults by the time they arrive at the school where other young survivors are hiding. Most of the kids they know have been dragged away by once-trusted adults who are now ferocious, inhuman beings. The parasite that transformed them takes hold after people turn eighteen--and Patrick's birthday is only a few days away. Determined to save Patrick's life and the lives of the remaining kids, the brothers embark on a mission to uncover the truth about the parasites--and what they find is horrifying. Battling an enemy not of this earth, Chance and Patrick become humanity's only hope for salvation. Latter Rain - Mark Fulmer
2021-09-16

God is raising us up as a remnant who will shine brightly in these last days. In The Latter Rain, Mark Fulmer shares powerful keys to becoming catalysts who step into places of radical worship, Holy Spirit power, solid biblical foundation, and passionate love for Jesus. It is rich in Old Testament examples and practical New Testament application. The message in this book is that there is a pattern throughout biblical history: apostasy, judgment/consequence, repentance, and renewal (or restoration). This pattern emerges as one of the greatest key strategies for the faithful remnant to encounter God's presence and to bring about revival and transformation for our cities and for our nation. No matter how dark it seems, there will always be a remnant hungry for restoration and revival. The Church cannot become discouraged; it is to be the triumphant Church in these last days. Hope triumphs over

fear and a remnant rises up whose focus is not on the antichrist but on the majesty of Christ Himself. The Latter Rain is a wonderfully written and thought-provoking guide to Revival.

infused with what the Japanese call *yūgen* - "a profound, mysterious sense of the beauty of the universe ... and the sad beauty of human suffering" (Benito Ortolani), and *wabi-sabi* - the beauty of impermanent, imperfect, and transient things. Since 2014, John Mark Green has grown a worldwide following for his poetry on social media. This is his first book. From the back cover *Born of the ancient star remnants in our bones and nameless longings of the human heart*, this poetry collection explores the firefly flicker of existence amidst the vast reaches of time and space. Capturing feelings of awe and aching beauty which stir the imagination, it illuminates our brief but glorious moment on life's stage. Imbued with the knowledge that everything we hold beautiful is inexorably slipping through our fingers, these poems are trail markers on a journey of awakening to the wild wonder which surrounds us, leading readers on a whirlwind tour of our place in the grand tapestry of

nature, with a perspective which both dazzles and delights. Praise for *Taste the Wild Wonder* "John Mark Green writes with soul and weaves poetry from love and bones and fire. [When It Rains](#) - Mark Allan Gunnells 2022-03-21

When the rains started to fall, those who took shelter in the Friedkin University bookstore had no idea what awaited them. The mysterious, slimy rain fell on the entire world at once, and a fear quickly spread that it contained a toxin that would make those who touched it sick. Inside the bookstore, tensions arose between those who had been caught out in the rain and those who had not, finally culminating in a shocking ending that will surprise and disturb readers. *Weekly Weather and Crop Bulletin* - 1996

Rain - Mary M Talbot

2019-10-22

From acclaimed writer/historian Mary M Talbot and graphic-novel pioneer Bryan Talbot comes *Rain*, a chronicle of the growing relationship of two young women, one an environmental activist, set against the backdrop of the disastrous 2015 floods in northern England. The wild Brontë moorlands are being criminally mismanaged as crops are being poisoned, and birds and animals are being slaughtered. While the characters are fictional, the tragedy is shockingly real. *Rain* is the fourth graphic-novel collaboration between Mary M Talbot and husband Bryan Talbot, a partnership that has produced the award winning *Dotter of Her Father's Eyes*, *Sally Heathcote: Suffragette* (with Kate Charlesworth), and *The Red Virgin and the Vision of Utopia*.
