**TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019)** - U.S. Department of Health and Human Services 2019-11-19

Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the

counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way. [U.S. Tax Guide for Aliens](#) - 1998

*Fader's Maryland Family Law* - Cynthia Callahan 2019-11-22

Maryland Family Law, the preeminent treatise on matrimonial law in the state, has been revised, renamed and substantially re-organized. Now entitled Fader's Maryland Family Law in honor of founding author Honorable John F. Fader II (retired), it includes full analysis of Maryland law regarding divorce, custody, support, agreements, attorney's fees, and property distribution, as well as domestic violence and the Maryland family court process. This useful text not only explains the law, but also explains how the law came to be, the policy considerations behind specific enactments and case law, and the problem areas in implementation of the law. Helpful tips are also provided for the practitioner. Whether you are a general practitioner or a family law attorney, this edition will provide the information and analysis you need. Highlights include:

- A chapter on the rights of Unmarried Cohabitants.
- Revised chapters on Custody, UCCJEA and UIFSA, Parentage, and Domestic Violence.
- Extensive citation to up-to-date resources, not only case law, but also treatises and research from around the United States.
- A chapter on Practice and Procedure, with definitions of commonly used terms in family law matters, including religious customs and law regarding marriage and divorce.

[A Practical Guide to Software Licensing for Licensees and Licensors](#) - H. Ward Classen 2007  
This new Second Edition updates its first edition published in 2005 by examining the fundamental issues that both licensors and licensees confront in the negotiation of a software license. This resource is accompanied by and cross-referenced to an annotated software license. A

detailed index and companion CD-ROM is also included for customization of the software license and related forms.

[The White Coat Investor](#) - James M. Dahle 2014-01

Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For *The White Coat*

Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of *How a Second Grader Beats Wall Street* "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of *The Investor's Manifesto* and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of *Common Sense Investing* "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

**Practical Guide to Research and**

**Development Tax Incentives** - Michael D. Rashkin 2007

CCH's Practical Guide to Research and Development Tax Incentives--Federal, State, and Foreign by Michael Rashkin, J.D., LL.M., provides something that has been missing in professional tax literature--authoritative, comprehensive coverage of this complex and evolving topic. This newly expanded resource is practical, easy to follow, easy to understand, and is particularly effective at clarifying and demystifying this complex subject. It provides well-written, detailed guidance on claiming the federal credit for increasing research activities and the deduction for R & D expenditures. In doing so, it explains the elements of qualified research, exclusions, computational rules, and basic research payment credits. Historically, the IRS has been vigilant in denying R & D credits. This resource explains how to satisfy the IRS's requirements, document the credit, and defend against IRS challenges. It also examines research incentives offered by individual states and describes the R & D incentives available in the major economies of the world, offering helpful charts that show the key differences among the various countries.

**IRS Tax Preparer Course and RTRP Exam Study Guide 2012** - Rain Hughes 2012-03-01

How do you become a Registered Tax Return Preparer (RTRP)? You do not need an advanced degree, or even a college education; however, it does require some work. First, you must prepare for the IRS competency exam. The IRS has two separate tests that you can take depending on the type of returns you will file. This course covers both tests and provides FREE access to an online test bank for you to practice. Practice exams are also available online. We designed this course with you in mind, utilizing the experience of Enrolled Agents, CPA's and former IRS employees. In addition to providing you with a solid foundation in tax knowledge, this course has the essential material you must know to pass the test. New regulations require all paid tax return preparers-other than certain exempt individuals-to register for a PTIN, pass a competency exam, and complete 15 hours of annual continuing education. These registered tax return preparers will need to follow the rules in Circular 230 but are not enrolled to practice

before the IRS.

**Maryland School Law Deskbook** - Stephen C. Bounds 2020-11-20

The Maryland School Law Deskbook is the only education law reference of its kind in the state. Written by experienced education law attorneys, and published in cooperation with the Maryland Association of Boards of Education (MABE), this comprehensive publication offers current and authoritative information on legal issues facing schools within the context of state and federal education law. Clearly written in a straightforward question-and-answer format, Maryland School Law Deskbook is concise, intuitive, and accessible. Complete with a comprehensive index and a table of cases cited, it is the essential education law resource for school principals, administrators, school board members, superintendents, education professionals and attorneys in Maryland.

**Chesapeake Bay Cooking with John Shields** -

John Shields 2015-11

This twenty-fifth anniversary edition of John Shields's classic cookbook includes additional recipes and a new chapter on Chesapeake libations. Twenty-five years ago, Chesapeake Bay Cooking with John Shields introduced the world to the regional cuisine of the Mid-Atlantic. Nominated for a James Beard Award, the book was praised for its inspiring heritage recipes and its then-revolutionary emphasis on cooking with local and seasonal ingredients. Part history lesson, part travelogue, the book captured the unique character of the Chesapeake region and its people. In this anniversary edition, John Shields combines popular classic dishes with a host of unpublished recipes from his personal archives. Readers will learn how to prepare over 200 recipes from the Mid-Atlantic region, including panfried rockfish, roast mallard, beaten biscuits, oyster fritters, and Lady Baltimore cake. Best of all, they'll learn everything they need to know about crabs—the undisputed star of Chesapeake cuisine—featured here in mouthwatering recipes for seven different kinds of crab cakes. Extensively updated, this edition includes a new chapter on Chesapeake libations, which features Shields's closely held recipe for his notorious Dirty Gertie, an authentic Chesapeake-style Bloody Mary.
