Chalcedon Report - 2004

Armstrong Rides Again! - H. W. Crocker 2021-06

"In *Armstrong*, the first volume in the *Custer of the West* series, George Armstrong Custer survived the battle at the Little Big Horn, assumed a new identity (Marshal Armstrong Armstrong), and, with the help of a multilingual Indian scout, cancan dancers, Chinese acrobats, a savage dog, and a Southern cardsharp, saved the town of Bloody

Gulch, Montana, from the oppression of a corrupt Indian trader. Now Armstrong is back, making common cause with the writer (and former Union officer) Ambrose Bierce, and serving as a soldier of fortune in the strife-torn Latin American island of Neustraguano, where romance, intrigue, a rumbling volcano, revolutionaries, smugglers, treasure, and a civil war all combine for a rip-roaring sequel"--Provided by publisher.

The Life and Military

Carrier of General Robert E. Lee - John Esten Cooke

2018-03-21

This eBook edition of "The Life and Military Career of General Robert E. Lee" has been formatted to the highest digital standards and adjusted for readability on all devices. This book explores the incredible life of the legendary General Robert E. Lee, one of the most prominent figures of the Confederate Army in the American Civil War. Readers will discover the Robert's formatting years and early life, but of course main focus in the book remains on Lee's military carrier, owing to the fact that his greatest accomplishments and legacy is his service as the commanding officer of the Confederate Army of Northern Virginia in the American Civil War from 1862 until his surrender in 1865. Content: Lee's Early Life The Lees of Virginia General "Light-horse Harry" Lee Stratford Lee's Early Manhood and Career in the United States Army Lee and Scott Lee Resigns His Reception at Richmond Lee in

Robert E. Lee: A Biography -

Emory M. Thomas 1997-06-17

Providing a thorough examination of the life of Robert E. Lee, a biography finds meaning in Lee's successes and failures and portrays him as a man struggling with personal inner torments who found release in the responsibilities of war

Personal Reminiscences of General Robert E. Lee - J.

William Jones 2004-03

A companion volume to The Civil War Memoirs of Ulysses S. Grant includes chronicles from the chaplain, anecdotes from the confederate general's contemporaries, excerpts and letters from his own writings, and several of the eulogies that were given at his funeral.

Reprint.

The Life and Letters of Robert E. Lee (Abridged) -

Robert E. Lee 2016-01-17

"While I wish to do what is right, I am unwilling to do what is wrong, either at the bidding

of the South or the North. One of their plans seems to be the renewal of the slave trade.

That I am opposed to on every ground. I can anticipate no greater calamity for the country than a dissolution of the Union." From his early career through his time as President of Washington College, here is Robert E. Lee in his own words. Compiled by Reverend J. William Jones, who served with Lee in the Civil War and as chaplain of Washington College, the letters are combined with a narrative that places them in time and context. One of the striking characteristics of Lee is his great warmth and affection for his children. This courtly and aristocratic man was openly loving in his letters to them. Included are letters written from participation in the capture of John Brown, the Mexican War, Gettysburg, his speculations on Grant's moves, directions to other generals as the war is being lost, the surrender, and his life after the war. For the first time, this lovely volume is available in an

affordable, well-formatted Kindle book. Be sure to LOOK INSIDE or download a sample. [All Roads Led to Gettysburg](#) - Troy D. Harman 2022-08-15

It has long been a trope of Civil War history that Gettysburg was an accidental battlefield. General Lee, the old story goes, marched blindly into Pennsylvania while his chief cavalryman Jeb Stuart rode and raided incommunicado. Meanwhile, General Meade, in command only a few days, gave uncertain chase to an enemy whose exact positions he did not know. And so these ignorant armies clashed by first light at Gettysburg on July 1, 1863. In the spirit of his iconoclastic Lee's Real Plan at Gettysburg, Troy D. Harman argues for a new interpretation: once Lee invaded Pennsylvania and the Union army pursued, a battle at Gettysburg was entirely predictable, perhaps inevitable. Most Civil War battles took place along major roads, railroads, and waterways; the armies needed to move men and equipment, and they

needed water for men, horses, and artillery. And yet this perspective hasn't been fully explored when it comes to Gettysburg. Look at an 1863 map, says Harman: look at the area framed in the north by the Susquehanna River and in the south by the Potomac, in the east by the Northern Central Railroad and in the west by the Cumberland Valley Railroad. This is where the armies played a high-stakes game of chess in late June 1863. Their movements were guided by strategies of caution and constrained by roads, railroads, mountains and mountain passes, rivers and creeks, all of which led the armies to Gettysburg. It's true that Lee was disadvantaged by Stuart's roaming and Meade by his newness to command, which led both to default to the old strategic and logistical bedrocks they learned at West Point—and these instincts helped reinforce the magnetic pull toward Gettysburg. Moreover, once the battle started, Harman argues, the blue and gray fought tactically

for the two creeks—Marsh and Rock, essential for watering men and horses and sponging artillery—that mark the battlefield in the east and the west as well as for the roadways that led to Gettysburg from all points of the compass. This is a perspective often overlooked in many accounts of the battle, which focus on the high ground—the Round Tops, Cemetery Hill—as key tactical objectives. Gettysburg Ranger and historian Troy Harman draws on a lifetime of researching the Civil War and more than thirty years of studying the terrain of Gettysburg and south-central Pennsylvania and northern Maryland to reframe the story of the Battle of Gettysburg. In the process he shows there's still much to say about one of history's most written-about battles. This is revisionism of the best kind.

Last Chance For Victory -

Scott Bowden 2009-02-23

Long after nearly fifty thousand soldiers shed their blood there, serious misunderstandings

persist about Robert E. Lee's generalship at Gettysburg. What were Lee's choices before, during, and after the battle? What did he know that caused him to act as he did? Last Chance for Victory addresses these issues by studying Lee's decisions and the military intelligence he possessed when each was made. Packed with new information and original research, Last Chance for Victory draws alarming conclusions to complex issues with precision and clarity. Readers will never look at Robert E. Lee and Gettysburg the same way again.

Robert E. Lee - Allen C. Guelzo
2022-08-09

A WALL STREET JOURNAL
BEST BOOK OF THE YEAR •

From the award-winning historian and best-selling author of Gettysburg comes the definitive biography of Robert E. Lee. An intimate look at the Confederate general in all his complexity—his hypocrisy and courage, his inner turmoil and outward calm, his disloyalty and his honor. "An important

Downloaded from
clcnetwork.org on by
guest

contribution to reconciling the myths with the facts." —New York Times Book Review

Robert E. Lee is one of the most confounding figures in American history. Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose. He was a traitor to the country he swore to serve as an Army officer, and yet he was admired even by his enemies for his composure and leadership. He considered slavery immoral, but benefited from inherited slaves and fought to defend the institution. And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old. In Robert E. Lee, the award-winning historian Allen Guelzo has written the definitive biography of the general, following him from his refined upbringing in Virginia high society, to his long career in the U.S. Army,

his agonized decision to side with Virginia when it seceded from the Union, and his leadership during the Civil War. Above all, Guelzo captures Robert E. Lee in all his complexity—his hypocrisy and courage, his outward calm and inner turmoil, his honor and his disloyalty.

Armstrong and the Mexican Mystery - H. W. Crocker
2022-09-20

More fantastical than Harry Turtledove, funnier than Eric Flint, and with definite shades of *The Wild, Wild West*, the celebrated Custer of the West series—praised by Winston Groom (*Forrest Gump*), Stephen Coonts (*The Flight of the Intruder*), and Rob Long (*Cheers*)—comes to its shocking—and hilarious—climax as George Armstrong Custer, surprise survivor of the Battle of the Little Bighorn, unearths the lost civilization of Atlantis and battles the evil Atlanteans for the fate of the world. NEVER FEAR—ARMSTRONG IS HERE! A mysterious gunman meets Marshal Armstrong in

San Francisco with tales of lost gold, unrequited revenge, and an unsolved mystery in Mexico's Chihuahuan Desert, inspiring Marshal Armstrong, Ambrose Bierce, and the rest of Armstrong's loose band of soldiers of fortune to plunge into an adventure of fierce gunfights, criminal conspiracies, an innovative submarine, and an underground, secret superpower—the remnants of Atlantis—that aims to subvert Western civilization! Can the malevolent, scheming Atlanteans be stopped? That's the mission for George Armstrong Custer, traveling incognito as Marshal Armstrong Armstrong, knight-errant. Full of suspense, non-stop action, chivalric romance, and effervescent humor, this is a great place to enter the Custer of the West series! Praise for W.H. Crocker III, and the Custer of the West series: "The world has a new hero—actually an old hero reimagined—George Armstrong Custer, in this delightfully funny alternative

history that's better, or at least happier, than the real thing." —WINSTON GROOM, best-selling author of *Forrest Gump* and *El Paso* "Droll satire, this is the West as it might have been if the Sioux hadn't saved us." —STEPHEN COONTS, best-selling author of *Flight of the Intruder* and *The Russia Account* "If Custer died for our sins, Armstrong resurrects him for our delight. Not just the funniest book ever written about an Indian massacre, but laugh out loud funny, period. The best historical comic adventure since George MacDonald Fraser's *Flashman*." —PHILLIP JENNINGS, author of *Nam-A-Rama* and *Goodbye Mexico* "A delightful romp that shifts seamlessly between thrilling Western and outlandish farce." —GRAYSON QUAY, *Modern Age* "The best new novel I've read in years. As rugged as Zane Grey, as funny as P. G. Wodehouse, as smart as Evelyn Waugh, and as sharp as Ambrose Bierce. You don't want to miss it." —MICHAEL WARREN DAVIS, author of *The*

Reactionary Mind “Crocker has created a hilarious hero for the ages. Armstrong rides through the Old West setting right the wrongs, and setting wrong the rights, in a very funny cascade of satire, history, and even patriotism.”—ROB LONG, Emmy- and Golden Globes-nominated screenwriter and co-executive producer of Cheers

Stonewall Jackson's Book of Maxims - James I. Robertson 2005

While Jackson was a cadet at West Point, he collected maxims as part of his quest for status as a gentleman, and in the mid-1850s he carefully inscribed these maxims in a personal notebook, which disappeared after his death in 1863. Subsequent generations assumed this notebook was a casualty of time, but in the 1990s, during his research for a biography of Jackson, the author discovered the long-lost book of maxims in the archives of Tulane University. Jackson's maxims are reproduced here as he wrote them. Accompanying each are insights into the man,

including the origin of the adage, one or more quotations that parallel the maxim, how Jackson may have applied the idea to his own life, and how certain maxims offer insights into the mind of the man.

Maxims of Robert E. Lee for Young Gentle - Richard G. Williams, Jr. 2005

Advice, admonitions, and anecdotes on Christian duty and wisdom from the life of General Lee provide readers with guidance on some of the qualities that Lee practiced himself: humility, erudition, faith, duty, wisdom, and respect for all of God's creations. Original.

The Battle of Waynesboro -

Richard G. Williams Jr.

2014-10-07

In 1865, Waynesboro played host to the last gasp of the Confederate army in the Shenandoah Valley. Although the Battle of Waynesboro isn't among the most recognizable clashes, such as Gettysburg or Antietam, it still holds a special place in American history. The Union forces, led by General Philip Sheridan, included a young brigadier general named George Armstrong Custer. The battle was also the last major conflict for famed Confederate general Jubal Early, whose defeat during the fight spelled the end of his Civil War service. Join author and Waynesboro native Richard G. Williams Jr. as he expertly

traces the harrowing narrative of a prelude to the surrender at Appomattox just miles away in Waynesboro.

Robert E. Lee - David Collins
1980-06-01

Master of Words One American seldom receives the attention he rightly deserves. Noah Webster, Jr., does not often come immediately to mind when one considers those who helped the United States during its infancy. He should. His services were many and unique in the earliest stages of America. Even as a boy, Noah was fascinated with language and education. He was troubled by the lack of interest shown by others in formal schooling, and the lack of books and proper facilities bothered him even more. When the fires of the Revolution broke out in the early 1770s, Noah was a student at Yale. Young and impressionable, he was singed by the flames of patriotism. He longed for a chance to join liberty's cause. He wrote down his thoughts about freedom and government, sharing them with

leaders who would put together the United States Constitution. Many of his ideas were incorporated into the document. But more than a spokesman for democratic government, Noah Webster was a champion for youth and education. He knew what books needed to be written, wrote them, and fought for their acceptance within the school framework. Through his adult life, he saw the need for developing the mind while enriching the soul. "A man should set goals which would please God and assist his fellow man," observed Noah Webster, Jr. Surely, Noah took his own advice. As a boy growing up, he turned to the Bible as his code of behavior and his core of learning. It is not surprising that one of Webster's final literary contributions, and in his opinion, his "most glorious achievement," was his own wording of the King James Bible. Today, Webster is with us still. But he merits a place of honor beyond a name stamped on dictionaries around the world. He was a man who

served his fellow man and his country with unselfish devotion. More importantly, he served his God with faith and love. The Sowers Series Biographies offer children a chance to experience the Christ-inspired pathways followed by some heroic men and women. Their impact on our lives as well as a great deal of factual information is skillfully presented to the child within the framework of an interest-holding story. Over the years, the Sowers Series books have established their appeal with a wide range of readers. Parents write in to say how much they enjoyed the books while reading them to their children. Children seek out additional titles in this series once they have read their first "Sowers" book.

Neo-Confederacy - Euan Hague
2009-09-15
A century and a half after the
conclusion of the Civil War, the
legacy of the Confederate

Downloaded from
clcnetwork.org on by
guest

States of America continues to influence national politics in profound ways. Drawing on magazines such as Southern Partisan and publications from the secessionist organization League of the South, as well as DixieNet and additional newsletters and websites, Neo-Confederacy probes the veneer of this movement to reveal goals far more extensive than a mere celebration of ancestry. Incorporating groundbreaking essays on the Neo-Confederacy movement, this eye-opening work encompasses such topics as literature and music; the ethnic and cultural claims of white, Anglo-Celtic southerners; gender and sexuality; the origins and development of the movement and its tenets; and ultimately its nationalization into a far-reaching factor in reactionary conservative politics. The first book-length study of this powerful sociological phenomenon, Neo-Confederacy raises crucial questions about the mainstreaming of an ideology that, founded on notions of white supremacy,

has made curiously strong inroads throughout the realms of sexist, homophobic, anti-immigrant, and often "orthodox" Christian populations that would otherwise have no affiliation with the regionality or heritage traditionally associated with Confederate history.

Lexington, Virginia and the Civil War - Richard G.

Williams Jr. 2013-03-12
Jubilant at the outbreak of the Civil War and destitute in its aftermath, Lexington, Virginia, ultimately rose from the ashes to rebuild in the shadow of the conflict's legacy. It is the final resting place of two famous Confederate generals, Robert E. Lee and Stonewall Jackson, and the home of two of the South's most important war-era colleges, Washington College and the Virginia Military Institute. Author Richard G. Williams presents the trials and triumphs of Lexington during the war, including harrowing narratives of Union general Hunter's raid through the town, Lee's struggle between Union and state allegiances

and Jackson's rise from professor to feared battlefield tactician.

Maxims of Robert E. Lee for Young Gentlemen, The - Williams, Jr., Richard G. 2010-09-23

A SELECTION OF THE CONSERVATIVE BOOK CLUB

"I can think of no better guide for young men embarking on the adventure of life than the maxims of Robert E. Lee." —H. W. Crocker III, author of *Robert E. Lee on Leadership*

"'Must' reading for all fathers and sons. . . . The example of Robert E. Lee illustrates in stark colors what it means to be a man—a model essential for all of us who are products of this distinctly unmanly age. Rick Williams has placed us all in his debt with this wonderful anthology of Lee's wisdom and grace." —J. Steven Wilkins, author of *Call of Duty: The Sterling Nobility of Robert E. Lee*

Gen. Robert E. Lee, 1807-70, was renowned for his brilliant leadership during the Civil War; however, his genius extended far beyond the battlefield. All his life, he relied

upon his faith for strength and guidance not only in troubled times, but also as the foundation upon which he based all of his dealings with others. This volume contains his advice and observations, drawn from the great man's own writings, on crucial topics such as education, duty, humility, and Christian faith—making this a valuable guide for today's youth. Each section is preceded by a brief anecdote from his life, and each of the quotes is described with the time and circumstance.

Robert E. Lee on Leadership

- H.W. Crocker III 2010-05-19

Robert E. Lee was a leader for the ages. The man heralded by Winston Churchill as "one of the noblest Americans who ever lived" inspired an out-manned, out-gunned army to achieve greatness on the battlefield. He was a brilliant strategist and a man of unyielding courage who, in the face of insurmountable odds, nearly changed forever the course of history. "A masterpiece—the best work of

its kind I have ever read. Crocker's Lee is a Lee for all leaders to study; and to work, quite deliberately, to emulate." — Major General Josiah Bunting III, superintendent of the Virginia Military Institute In this remarkable book, you'll learn the keys to Lee's greatness as a man and a leader. You'll find a general whose standards for personal excellence was second to none, whose leadership was founded on the highest moral principles, and whose character was made of steel. You'll see how he remade a rag-tag bunch of men into one of the most impressive fighting forces history has ever known. You'll also discover other sides of Lee—the businessman who inherited the debt-ridden Arlington plantation and streamlined its operations, the teacher who took a backwater college and made it into a prestigious university, and the motivator who inspired those he led to achieve more than they ever dreamed possible. Each chapter concludes with the extraordinary lessons

learned, which can be applied not only to your professional life, but also to your private life as well. Today's business world requires leaders of uncommon excellence who can overcome the cold brutality of constant change. Robert E. Lee was such a leader. He triumphed over challenges people in business face every day. Guided by his magnificent example, so can you.

GENERAL ROBERT E. LEE, C.S.A. - His Son: Capt. R. E. Lee 2012-01-23

Was Robert E. Lee a racist? How could he lead an army allegedly created to defend human bondage? The truth is in the this book, written by his son, Captain Robert E. Lee. The quick answer is "NO" -- General Lee despised the practice of slavery. In fact, he had publically stated his support for legislation already in the works to emancipate the African workers in Virginia -- and ultimately all of the South.

So General Lee and his fellow Southerners fought for something else -- read this book to find out.
